Clinical Teaching Reminders:

In addition to these requirements, weekly reflections (see Appendix B) are due each Friday by 6:00 pm. All reflections for the Clinical Teaching Semester will be recorded in one **Google Doc** shared by the clinical teacher with the university supervisor. Coaching comments will be added to the reflections weekly by the supervisor.

Remember to update your clinical teaching log and get it signed every day. Days must be at least 7 hours to count toward the 70 days.

Keep in mind that missing these deadlines, including due dates for weekly reflections, may result in failing the clinical teaching experience. Just as educators are expected to keep current with paperwork requirements. (e.g. grading, report cards, conference forms, etc.), you will be responsible for submitting this important TEA documentation according to the deadlines.

**Requirements in italics are only for students with TWO placements*
