Concordia University Texas is dedicated to the mission of developing Christian leaders. Founded in 1926, Concordia is proud to be Austin's leading Christian university, where Christ is honored and students of all backgrounds are welcomed. From recreating images of your favorite vacation spot to painting pictures of digital glitches, you'll acquire all the skills needed to impress yourself and others. Student work is displayed throughout the university and paintings also make great gifts for the special people in your life.

Employers including those of business, education, advertising and science seek critical thinkers with creative training and visual literacy.
