

## **Disabilities Services Policies**

---

### **Reduced Course Load Policy**

Students whose disabilities are such that they cannot reasonably carry a full time academic load (12 hours) may be classified as a full time student for purposes of financial aid eligibility, living in residence life, participation in extra-curricular activities, and academic honors e.g., Dean's List designation. Students wishing to take a reduced course load must have documentation from a licensed professional that supports this accommodation.
