Remember to note the Undergraduate Catalog year of your degree plan.

Catalogs specify degree requirements, policies, and procedures that govern your graduation. It is important that you discuss your degree requirements with your advisor and that you know your catalog year and communicate that to him/her. Failure to comply with the rules of your catalog can result in taking classes that will not count toward your degree.

**NOTE:** Students have seven (7) years from the time of matriculation to complete their degree before the degree plan expires. In general, catalog eligibility is based on your first semester enrolled at Concordia University Texas or the year in which you petition to change catalog years.

Greetings!

Welcome to Concordia University Texas, where teaching and learning holds center court – and student success is the goal of what we do. There are many places for students to learn and receive degrees and diplomas – what makes Concordia different is that we have a purpose for that learning, a purpose which serves the neighbor and gives glory to God. Being an institution of Lutheran higher education, we believe that everyone has a vocation and calling – and how that vocation is lived out makes a difference in people’s lives. Students at Concordia are challenged to think deeply – to engage fully – to dialogue thoughtfully – and to bring their whole selves to the learning process…and that can make all the difference in the world.

This catalog is part of the tools you will need to successfully navigate the learning process at Concordia. It is the official document of the university which puts forth the requirements needed for graduation and provides the policies and guidelines in which we ensure quality and remain compliant with our regulatory bodies. If you have questions, please be sure to consult your advisors and others who can answer them and help you in your journey toward the completion of your degree.

One of the unique aspects of our University is that we work hard to know our students as individuals – you will find this to be true in our classrooms, in co-curricular activities, and even among our alumni. I hope that you will find this to be a place of care and concern and a place that helps you take your gifts and talents to the next level. May God bless your journey in this place we call Concordia University Texas.

Christ’s Peace,

Dr. Donald Christian

Chief Executive Officer
Concordia University Texas

Academic Degrees

Associate’s Degrees
The Purpose Of The Associate’s Degree, As Defined and implemented by CTX, is to provide a broad academic foundation with the aim of preparing the graduate for further studies, specific job training or specialized program of study. This section defines and describes the general degree requirements and the available Associate’s Degree types and specific program requirements of each.

General Associate’s Degree Requirements
The following criteria are required for all associate’s degree programs:

- A minimum of 59 credit hours and a maximum of 72 credit hours must be successfully earned
- At least 15 credit hours must be earned through 2000 or higher level coursework
- At least 24 credit hours must be specifically required in the degree plan consisting of:
  - The Foundation Course requirements specified in the Concordia Common Experience curriculum, as defined in the Bachelor’s Degrees section of this policy
  - At least 3 credit hours in each of the following discipline areas: Humanities, Social Sciences, Fine Arts and either Math or Science
  - The remaining credit hours may be defined as electives or as a specialty area provided that the specialty area includes at least 9 credit hours that form the coherent academic exploration of topic, field or discipline.

Each student seeking an Associate’s Degree from CTX must:

- Complete a minimum of 22 credit hours in residence, fulfilled through coursework offered by and registered through CTX,
- Earn a minimum cumulative grade point average (CGPA) of 2.00.
Bachelor’s Degrees
The purpose of the baccalaureate’s degree, as defined and implemented by CTX, is to prepare graduates for their future career and vocation (referring to those callings to work and serve by God given to Christians within the secular world) in keeping with our mission statement.

General Bachelor’s Degree Requirements
Each student seeking a Bachelor’s Degree from CTX must:
• Earn a minimum of 128 credit hours,
• Complete The Concordia Common Experience
• Complete a major or program that provides an appropriate baccalaureate emphasis
• Complete a three credit-hour course, or the equivalent, that integrates the Christian elements of Concordia’s mission
• Complete at least 39 credit hours of upper-division coursework, which includes the minimum requirements within their chosen major or program
• Meet the following residency requirements through coursework offered by and registered through CTX:
  ▪ At least 45 credit hours in total must be completed in residence at CTX,
    – with at least 18 credit hours earned in residence at CTX counting toward the major (or program for degrees with no separate major), and
    – if a minor is designated, at least 9 of those required credit hours completed in residence at CTX,
  ▪ The student must be in residence, meaning formally registered (no minimum credit hour load), in the semester in which any degree award is conferred,
• Attain a minimum 2.00 overall GPA and a minimum 2.25 GPA in all courses in the specified major or program (where no separate major is identified),
  ▪ except students in the any of the majors or programs in the College of Education, who must earn a 2.50 CGPA, calculated based on all college coursework used to complete the degree requirements, including transferred coursework.

Second Bachelor’s Degree
Students may earn multiple Bachelor’s degrees, distinct from multiple majors within a single degree, as long as the following criteria are satisfied for the awarding of a second Bachelor’s degree:
• All requirements for each degree and the selected majors/programs must be fulfilled, including the residence requirement, applied separately to each degree plan of study
• The major or program for each degree must be distinct and separate, allowing for an overlap of only 12 credit hours of coursework (i.e. a B.A. and B.S. can't be earned in the same discipline unless the curriculum plan is distinctly different). In the event two majors or programs require overlapping course elements beyond this the Dean must specify replacement courses to fulfill the requirements and maintain this distinctiveness
• A minimum of 32 credit hours must be completed beyond the higher of the minimum credit hour requirements for the degrees sought.
If a student elects to complete a new major or program of the same degree type as one already earned at CTX, a new degree will not be awarded, but the new major/program will be added to the transcript.

**Bachelor’s of Applied Arts and Science Degree**

The structure of the Bachelor of Applied Arts and Science (BAAS) degree is designed to provide a smoother transfer path into a Bachelor’s Degree from AAS degree programs, which are approved in Texas by the Workforce Commission to meet specific career skill requirements through college credit programs. The structure for the degree creates 4 classifications of credit requirements: a general education core, a coherent technical specialty earned through an AAS degree, a baccalaureate track enhancing the AAS and/or career, and general elective hours.

**Specific BAAS Requirements**

The BAAS degree plan provides a baccalaureate level foundation, grounded in the liberal arts perspective. To this end, students will complete the Concordia Common Experience curriculum established for baccalaureate degrees at CTX. To further ground the liberal arts education in this degree plan, additional hours in the traditional liberal arts and sciences are required. Courses used to meet any part of this general education requirement cannot also be used to meet any another component of the degree plan.

In addition to The Concordia Common Experience requirements, the following rules apply to the BAAS degree program:

- A total of 124 credit hours must be earned
- 32 credit hours must be completed through upper-division courses, 6 of which must be applied to the Electives component demonstrating advanced level work in some other selected component of the student’s studies
- Acceptance into a BAAS degree program requires an earned AAS degree from a regionally accredited school
  - The AAS program must contain a required coherent technical specialty area, which must require (as published Academic Catalog of the granting institution for the AAS) at least 9 hours of advanced coursework in the specialty area at the sophomore (2000 course level) or higher, exclusive of any additional transfer coursework at higher levels outside the designated specialty
- A general education requirement comprised of courses offered in the disciplines of the liberal arts and sciences that must meet the following:
  - A minimum of 48 credit hours of general education coursework (over all liberal arts and sciences disciplines) including,
    - The full general education requirements for Bachelor’s degrees and any designated curriculum, such as The Concordia Common Experience,
    - A minimum of 9 credit hours in each of the following discipline groups: (a) Humanities and English, (b) Social Sciences, (c) Math and Science, (d) Theology/Religion,
- A coherent baccalaureate level sequence of study designed to support advancement in the field or career of the AAS technical area
• At least 25 credit hours, of which at least 12 credit hours must be of upper level coursework (course numbers 3000 or above), with this sequence serving the primary function of a major for this program.

Double Majors and Post-Baccalaureate’s Certificate
Students pursuing a baccalaureate degree and desiring a double major must complete all courses unique to each major and make application for each major through the appropriate channels.

Students holding a baccalaureate degree and desiring a post-baccalaureate certificate in an approved program must complete course-work unique to the major. Upon successful completion of the coursework, the student will be awarded a certificate of completion and it will be recorded on the student's transcript as a post-baccalaureate certificate.

Graduate Degrees
CTX offers advanced coursework designed to develop mastery in a specific discipline, field or area of professional practice. See Graduate Catalog for more information.

All students receiving a Bachelor’s Degree must complete the following graduation requirement before the end of their final term: Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).

Academic Majors, Minors, and Special Programs

Overview of Majors
A major is a course of study generally developed at the advanced course levels for a particular degree that develops both depth and breadth within an identified discipline, or a recognized field that meets established criteria associated with the selected degree. For more information on specific major requirements, click on the name of the major.

Behavioral Sciences
The Behavioral Sciences major draws from two academic areas: Psychology and Sociology. Students study human behavior and develop skills that enable them to communicate effectively, think critically, and engage in research and investigation.

Business (Accelerated Degree Program only)
This degree provides a well-rounded introduction to the world of business. While familiarizing students with general business principles, this major specializes in developing leadership skills with the goal of better-preparing its graduates to become effective, caring, Christian managers. Because the degree emphasizes finance and accounting and communication, graduates from this major will be well-prepared to enter graduate-level programs in Business and Business-related fields.
**Business Administration (BBA)**
The Bachelor of Business Administration (BBA) is offered in the traditional and accelerated formats focusing on a broad understanding of business with a focus in one area of study. Students graduating with a BBA degree from the traditional program will concentrate in one of six areas: Accounting, Finance, Management, Marketing, Entrepreneurship and Human Resource Management. Students graduating with a BBA degree from the accelerated program will concentrate in Management.

**Biology (BA)**
The mission of the Biology Major (BA) is to cultivate in students those capabilities necessary for them to promote stewardship of the biotic environment and provide Christian leadership in careers related to biology.

**Biology (BS)**
The Biology Major (BS) is designed to educate students in the breadth of subject matter encompassed by the biological sciences. Through critical thinking, hands-on experience, research, and investigation, students will develop an understanding of the field of Biology and gain a strong foundation for entry into a broad spectrum of graduate programs and careers in the biological sciences.

**Computer Science (BS)**
The Computer Science major is modeled after the Association for Computing Machinery (ACM) recommendations, which require 39 hours of computer science and 18 hours of mathematics courses. In the required courses, students develop both the theoretical and the practical skills needed to design computer systems; to design, install, or repair computer hardware; to write software; to perform mathematical analysis of algorithms and performance studies; and to reason clearly, think analytically, and solve problems.

**Environmental Science and Conservation (BS)**
The Environmental Science major emphasizes the relationship between humankind and the natural world, and prepares students to recognize and cope with the impact of human interventions on environmental systems.

**Communications**
The Communication major provides three concentrations: Broadcast and Production, Public Relations, and Interpersonal Communication. The mission of the Communication major is to develop effective public speakers, versatile writers, and technology users.

**Director of Christian Education**
(see: “Religious Education”)

**Education**
Concordia University Texas currently offers state approved Bachelor of Arts programs for Elementary (Early Childhood - 6th grade), Middle School (grades 4th – 8th grade), Secondary (7th – 12th grade), and Special Education based on the State Board for Educator Certification (SBEC) Rules for an Educator Preparation Program. Upon completion of a teacher education program at
Concordia and successful completion of the state certification examination (TExES), a graduate may apply for recommendation for the appropriate state certification.

- Elementary School Curriculum Major - Early Childhood – 6th grade
- Middle School Curriculum Major - Grades 4-8 Generalist or Grades 4-8 Content Specific Certificate
- Secondary School Curriculum Major - Grades 7-12 Content Specific Certificate
- Special Education Curriculum Major-All Level EC-12 Special Education Certificate

**English**
The English major emphasizes the clear, concise, careful, and correct writing and prepares a student to succeed as a writer in a variety of situations and jobs. English majors work in a wide range of fields such as museum directors, college presidents, television anchors, economists, astronauts, songwriters, business executives, and medical doctors. In the world of academia, professors prepare course materials and lesson plans; evaluate and respond to their students’ work, and to their own teaching and professional work; interact with students; oversee and compose academic policies and curriculum procedures; assume positions of leadership in supervisory roles; and share of knowledge with the world about the human condition explored in literature.

**Healthcare Administration**
The Healthcare Administration major aims to prepare qualified workers for the burgeoning healthcare industry. This major concentrates on developing the skills necessary to be a capable and confident manager in a variety of healthcare environments. Considerable attention is given to the development and articulation of a student’s individual, ethical position regarding the complex issues that often arise in this industry. A culmination course provides a real-world experience for all students in the major.

**History**
The History major fosters students’ ability to understand the origin and impact of major political and cultural developments, economic trends, and social movements of the world around them. Students come to appreciate and respect the diversity of their own rich heritage, as well as that of others, and responsibly interpret to the world around them through the use of critical thinking and communication skills.

**Human Resource Management**
The Bachelor of Arts degree in Human Resource Management provides current and up-and-coming human resource (HR) professionals the skills necessary to position their organizations on the cutting edge of workforce development and management. By equipping HR students with proven candidate analysis and training techniques, a broad range of compensation models, the latest in personnel training, labor relations skills, strategic management, networking opportunities and more, Concordia University Texas HR graduates will be prepared to serve in a broad range of HR roles.

**Kinesiology**
A study of the mechanics and anatomy of human movement, kinesiology has direct applications to fitness and health. With three tracks Generalist, Pre-Physical Therapy, and Fitness and Wellness Supervisor, students in this major select the track best suited to their career goals.
Mathematics (BS)
The Mathematics major emphasizes analytical thinking in scientific topics, skill in problem solving, quantitative representation of ideas, use of technology in mathematics, and communicating and making connections within and outside the discipline.

Multidisciplinary
The Multidisciplinary major helps students acquire a broad base of knowledge while focusing on at least two areas for more in-depth study; develop critical thinking skills; and improve their ability to communicate effectively in speaking and writing.

Music
The Bachelor of Arts degree in Music is the primary musical degree granted by Concordia University Texas, and involves the most rigorous preparation for a future career and/or graduate study, while maintaining the liberal arts core for a well-rounded and comprehensive curriculum. Students in this degree program will receive a comprehensive musical education, with a significant grounding in theory, history, conducting, performance, and other foundations of the discipline.

Nursing (BSN)
The Nursing major has two distinct parts: Pre-Nursing requirements and the Professional Nursing sequence. When a student has registered for and/or completed all the Pre-Nursing requirements, they may apply for the BSN professional sequence, which takes two years to complete. The Pre-Nursing requirements provide students a solid foundation for the BSN program. The Professional Nursing sequence [NUR courses] consists of nursing lecture and clinical courses that provide students the knowledge, skills, and attitude necessary to become competent and compassionate professional nurses. NUR courses are only available to students admitted to the professional nursing sequence.

Political Science
This major will prepare students to be professionally literate in the fields of law, politics, research, leadership, and analytical reasoning. In this degree, there are 47 hours of required course work which includes political science, religion, behavioral sciences, thesis, scientific methods, and at least three semesters of practicum and/or service experience.

Psychology
The Psychology major is designed to provide students a Christian environment in which to gain knowledge of core tenets of the discipline, with special emphases on writing proficiency and career preparation. The major also intentionally encourages students to take advantage of program offerings beyond the classroom such as symposia, informational workshops, internships, research experience, and study abroad opportunities.

Religious Education
The Religious Education major provides basic educational, religious, and interpersonal foundations for the student and provides specialized training to develop individual interests in areas such as youth ministry, children's ministry, music and the arts, theology, missions, and outdoor ministry. This major can lead to certification as a Director of Christian Education (DCE) in the Lutheran Church Missouri Synod.
**Technical Management**

Technical Management provides the necessary skills to advance into supervisory and entry-level management positions, as supported by the AAS training already achieved. The Technical Management program provides a selection of business courses in which students learn how to apply core business skills within their own career field or business environment. (BAAS degree only)

**Minors**

A minor is a program of study generally offered by a department or interdisciplinary program. The purpose of these minor programs is to designate a set of courses to provide some degree of content mastery in an area of academic specialization that will complement the student's academic major.

A minor may be earned in most subject areas, unless a specified minor already exists, by completing a minimum of eighteen (18) credit hours in a given subject with at least nine of the eighteen hours being upper-level, and with a cumulative GPA of 2.0 or higher. Nine hours of the minor must be earned in residence. Subject area is defined as a branch of knowledge and is designated by a course prefix (i.e. ENG, KIN, SOC, etc.) If a subject area does not offer at least eighteen (18) hours of courses of which at least nine (9) are upper-level, then a minor is not possible in that subject area.

A student may choose to use a course required to fulfill major requirements to fulfill minor requirements as well (limit 3 credit hours). Students majoring in an area may not also earn a minor in the same area. Some subject areas have specific course requirements for a minor. Those are shown below.

Special Programs

Honors Program
The Honors Program is a supportive community of intellectually curious, creative, driven students of the highest integrity. As a community of scholars, these students engage in an academically rigorous, interdisciplinary, enriching curriculum in the pursuit of developing into Christian leaders for their country as participating citizens and in the world. The Honors Program curriculum is designed as a series of seminars each enrolling a small group of students (generally no more than 16) and facilitated by a faculty member. The program culminates in a senior Honors thesis, providing the student opportunity for individual research and high-level critical thinking beyond the confines of a discipline-specific capstone experience.
Admission Requirements
New freshmen, continuing students, and transfer students are eligible to apply for admission to the Honors program. All students who wish to enroll in the Honors program shall be required to complete a portfolio to support their application. Required elements of the portfolio include:

For New Freshman
- HS GPA 3.5 on 4.0 scale
- SAT/ACT scores 1760/26
- Formal application form
- Statement of Purpose
- HS faculty/employer recommendation
- Reaction essay to community themed prompt
- Reaction essay to “creative thinking” scenario

For Continuing and NEW Transfer Students
- College GPA 3.5
- Formal application form
- Statement of Purpose
- Faculty recommendation
- Reaction essay to community themed prompt
- Reaction essay to “creative thinking” scenario

Requirements to Remain in Good Standing
The Honors Program Chair shall oversee an annual evaluation and/or review of each Honors Program student during the spring semester, to be completed on or before the end of the Spring Break. Continued enrollment in the Honors program is dependent upon the Chair’s overall evaluation of the student’s fit in and with the program and review of performance in completed coursework and resulting grade point average (GPA). Each student must maintain a minimum cumulative GPA of 3.25 to continue in the Honors program, with at least a 3.50 GPA over all Honors courses. The Honors Program Chair may grant a student a period of probation if the GPA requirements are not met at the time of the student’s review. A grade of “C” in any Honors course shall be grounds for immediate dismissal from the Honors program.

Course Requirements (19 credit hours)
Foundation Seminar: HON 2311 Critical Thinking about Great Texts
Individual Seminar: HON 3336 Great Speeches and Speechmaking
Others Seminar: HON 3325 The Literature of Diversity
Country Seminar: HON 3351 Twain’s America
World Seminar: HON 3366 History of Science
Senior Honors Thesis (HON 4297 (pending approval) and HON 4299 over two semesters)—Project related to or beyond student’s discipline-specific capstone experience
**Honors Contracts**
The purpose of an Honors Contract is for an honors student to work in conjunction with the instructor of a non-Honors course to complete extra work and fulfill Honors requirements for it. An Honors Contract will waive the course requirement and credit hours needed to fulfill one of the seminar categories of the Honors Program (i.e. Individual, Others, Country, or World). All Honors Contracts require final approval of the Chair of the Honors Program. There will be an additional fee to register for an Honors Contract.

**Guidelines for Honors Contracts**
1) Students may enter into an Honors Contract for up to two (at least one upper-division) non-Honors courses in which the student is enrolled.
2) Students will obtain permission from the course instructor to enter into an Honors Contract agreement no later than the last day to add an academic course.
3) The student and the instructor will agree upon additional coursework the student will complete and/or engage in to warrant earning Honors credit. Approved additional coursework may include any of the following:
   a. Execution of an individual research project, or assisting with faculty research
   b. Creating, testing, and/or evaluating a software program
   c. Preparing and presenting a class lecture
   d. Producing a research paper
   e. Extending course knowledge to community outreach or service learning
   f. Designing and testing a lab project
4) The additional coursework to be completed for Honors credit will be independent of the regularly assigned coursework and therefore done exclusively to fulfill the Honors Contract proper. Honors credit earned for the fulfillment of the contract, and the course grade itself, are mutually exclusive.
5) A minimum grade of B must be earned in the course in order to earn Honors credit. Students must also complete a 5-page (double-spaced) reflection pertaining to how Community (as discussed in the Honors Program) links to their Honors Contract project. Within this reflection, the student must also state and explain which seminar category requirement (Individual, Others, Country, or World) the project fulfills.

Students wishing to complete an Honors Contract will be required to enroll in one of the following courses corresponding to the domain for which they want to fulfill the Honors seminar category requirement. The course will appear on a student’s transcript to show completion of an Honors requirement.

HON 3099H Honors Contract: Individual  
HON 3099H Honors Contract: Others  
HON 3099H Honors Contract: Country  
HON 3099H Honors Contract: World

**Honors Program Course Descriptions**

**HON 2311 Critical Thinking about Great Texts 3.0**
Analysis of selected important texts from the Western tradition and significant texts from non-Western traditions in order to understand them in their historical, sociological, and cultural
contexts and to evaluate their influence on later events and ideas and/or application to contemporary events and ideas. This course also introduces students to the intellectual rigor, components, and community of the CTX Honors Program. Prerequisite: Must be admitted to the Honors Program.

**HON 3336 Great Speeches and Speechmaking 3,0**
Assessment of famous speeches primarily from the 20th century—the content, the context, the delivery, and the impact these speeches had on society. In addition, this course will explore advanced public speaking concepts and provide opportunities for students to create and deliver their own speeches, as well as participate in a formal debate. Fulfills the Honors Individual Seminar requirement. **Prerequisite HON 2311 or permission of instructor.**

**HON 3325 The Literature of Diversity 3,0**
This course provides an in-depth study of the theories of exclusion and discrimination based on categories of race, gender, and class. These theories are then put into practice through the study of literary works in which such discrimination is manifested. Fulfills Honors Others seminar requirement. **Prerequisite: HON 2311 or permission of instructor.**

**HON 3351 Twain’s America 3,0**
Analysis of selected texts by Samuel L. Clemens and his contemporaries emphasizing their historical contexts in the Gilded Age in United States history. Fulfills Honors Country seminar requirement. **Prerequisite: HON 2311 or permission of instructor.**

**HON 3366 History of Science 3,0**
A survey of the history of science, from ancient time to the present. This course focuses on the relationship between science, technology and surrounding culture. Fulfills Honors World seminar requirement. **Prerequisite: HON 2311 or permission of the instructor.**

**Reserve Officer Training Corps (ROTC)**
**Army and Air Force ROTC**
The Air Force Reserve Officer Training Corps (AFROTC) and the Army Reserve Officer Training Corps (AROTC) provide courses of military instruction which will permit volunteer, selected, male and female college students to prepare themselves for commissions as second lieutenants in the United States Air Force, Air Force Reserve, or Air National Guard and the United States Army, Army Reserve or Army National Guard while they pursue academic courses leading to baccalaureate or advanced degrees. The specific courses listed below are available to Concordia students through concurrent enrollment arrangements at the University of Texas at Austin. These courses may be taken without military obligation. ROTC courses will be treated as hours in residence at Concordia and the grades earned will be calculated in the Concordia GPA. For further information, contact the Department of Military Science at the University of Texas at Austin at 1.512.471.5639 or the Department of the Air Force Science at the University of Texas at Austin at 1.512.471.1776.

**Lutheran Teacher Diploma**
Students preparing for the teaching ministry in The Lutheran Church-Missouri Synod are required to complete the following (12 of these credit hours may be used to fulfill Common Experience requirements):
- EDU 3261 Vocation of the Christian Educator
- EDU 3333 Teaching Religion
REL 1301 New Testament History and Reading
REL 1311 History and Literature of the Old Testament
REL 2352 History and Philosophy of the Reformation
REL 3341 Lutheran Doctrine
- Complete the Elementary Education, Middle School Education, Secondary Education Program or Special Education Program.
- Membership in a congregation affiliated with The Lutheran Church-Missouri Synod.
- Completion of 17 credit hours of Lutheran Teacher Diploma required courses. At least 15 hours must be completed prior to the Professional Term with a GPA of 2.50 or better in all hours attempted.
- Completion of EDU 41205 ECE/ Elementary Student Teaching in an appropriate accredited/approved Lutheran elementary school, EDU 41225 Middle School Student Teaching or, the completion of EDU 41273 Secondary Student Teaching or EDU 41207 Special Education Student Teaching in an appropriately accredited/approved Lutheran secondary school (7-12).
- Recommendation of the Concordia University Texas faculty.

Pre-Seminary Program
The mission of pre-seminary education at Concordia University Texas is to prepare students for theological studies and pastoral formation at a seminary of The Lutheran Church- Missouri Synod. This preparation includes:
- Competency in Biblical knowledge, the Biblical languages and Lutheran doctrine
- Competency in advanced communication skills in reading, writing and speaking
- Skills in critical thinking and philosophical inquiry
- Acquisition of a global perspective
- The understanding of and appreciation for the Lutheran ethos, identity and ethic
- Helping the student to perceive, proclaim and live out the centrality of the Gospel of Jesus Christ for the whole of life

The work of a pastor or theologian may be described simply as communicating the Word of God to humans. Such a description reveals four areas of education necessary to prepare a student to serve the Church well:
- The knowledge of GOD
- The knowledge of GOD'S WORD
- The knowledge of HUMANITY
- The knowledge of the skills involved in COMMUNICATION

The Lutheran Church-Missouri Synod divides this educational preparation between the university and the seminary. The study of God (theology) is begun at the university level, and continues much more extensively at the seminary. The study of God's Word is also begun at the university level or sooner through the study of literature, languages, and the Bible. The seminary continues the study of the Scriptures in much greater depth. On the other hand, the study of the liberal arts (culture, history, psychology, etc.) and the study of the skills needed for good communication are carried out mainly at the university level through courses in writing, speech, drama, etc. The seminary provides specialized training in tasks appropriate for church work, such as sermon preparation, pastoral visitation, and counseling.
Academic preparation alone is no substitute for the student's personal devotional life or for his Christian, social, and emotional maturity. The student who chooses to offer himself for a call into the Holy Ministry is encouraged to develop a daily ritual of Scripture reading and prayer. Additionally, he is encouraged to make full use of the university's opportunities for chapel devotions, residence hall devotions, Bible study, community service, social activities, academic clubs, athletic and music activities, and the like.

Admission Process
Students apply for admission into the Pre-Seminary Program after they enroll in studies on campus. They must submit to the Program Director a completed application form and a letter from the pastor of their home congregation stating that the student is a member in good standing of the congregation. They are then assigned to participate in an Entrance Interview with a member of the Pre-Seminary Education Committee, who will assess whether to recommend the student for acceptance into the program.

Admission into the program is restricted to men who are members in good standing of a LCMS congregation. Other students may participate in all features and courses of the program, but will not be counted in the university's statistics as "LCMS Pre-Seminary Students."

Monitoring Process
The Pre-Seminary Program has specific expectations regarding the development of the student and has written guidelines and policies pertaining to continuation in the program and to withdrawal, removal and reinstatement in the program. This information is available from the Director of the Pre-Seminary Program and is supplied to all applicants.

All students in the Program (and those applying during their first term of enrollment) are expected to take MIN 1101 Ministry Preparation every term. This course is designed to provide the students with experiences that enhance their development in spirituality, leadership, peer relationships and knowledge of the varied aspects and venues of theological service.

Exit Interviews and Recommendation
As he approaches graduation, the student must:

- Take the GRE (Graduate Record Exam) and have the scores reported to Concordia University Texas and to the seminary of his choice.
- Take the appropriate Seminary Entrance Competency Examinations (in Christian Doctrine, Old Testament, New Testament, Greek and Hebrew) as they are scheduled
- Complete a District Interview (off-campus) arranged with the officers of his home LCMS District
- Complete an on-campus Exit Interview with two members of the Pre-Seminary Education Committee.

When the report of the Exit Interview has been filed, he should request the University President to compose and send his recommendation to the seminary. All students entering an LCMS seminary must submit a recommendation letter from the most recent LCMS University he attended.

Academic Major
Students in the Pre-Seminary Program are encouraged to select one of the following five majors:

- Behavioral Sciences
- Communication
English
History
Multidisciplinary Studies
Other majors may be used only with the approval of the Pre-Seminary Education Committee.

**Biblical Languages**
Both seminaries of the LCMS require competency in reading Biblical Hebrew and Greek. Concordia University Texas offers the following languages courses and recommends this sequence:
Freshman - Latin I & II
Sophomore - Greek I & II
Junior - Greek III & IV
Senior - Hebrew I & II plus Advanced Greek Readings

Pre-Seminary students are recommended to take all of these courses, and are required to complete a minimum of 12 hours from the above offerings. Where appropriate, students may also take additional study in Latin, Greek, or Hebrew by special arrangements with the appropriate instructor.

**Additional Seminary Entrance Requirements**
Both seminaries of The Lutheran Church- Missouri Synod require students to achieve a satisfactory grade point average (GPA). St. Louis requires a 2.00, and Fort Wayne requires a 2.25. All other seminary academic requirements (such as Speech or Composition) are more than satisfied by Concordia's core requirements for every graduate. Every seminary applicant must have been an active member of a LCMS congregation for no less than two years prior to enrollment at seminary.

**Elective Recommendations**
Pre-Seminary students are encouraged to consider these courses as further electives:
- All REL courses
- COM 3303 Communication in the Church
- EDU 3333 Teaching Religion
- MUS 3362 Worship and Music

Pre-Law
Concordia University Texas offers a variety of opportunities for students who plan to attend law school after they complete their undergraduate matriculation. The university provides the following services for students wanting to attend law school after graduation from Concordia:
- Assistance finding a law school that best fits a student’s interests and abilities
- Assistance finding the best off-campus LSAT preparation course
- Assistance with personal statements, recommendation letters, and addendums
- Membership in the Concordia Legal and Political Society
- Directed community service efforts to enhance law school applications.
- Law related internship and competition opportunities
- Law related coursework, and an optional directed minor in Legal Studies that is designed specifically for pre-law students
- Personalized four-year advising
Students who are interested in Pre-law advising at Concordia University Texas should contact Dr. Brent Burgess at brent.burgess@concordia.edu.

**Study Abroad and Experiential Education**

Study abroad and experiential education is one of the best investments a student could make during the university years. Cross-cultural, real-world experiences are without equal in helping students develop leadership skills, think critically and creatively, master foreign languages, apply classroom content, mature spiritually and take responsibility for their neighbors’ wellbeing.

Concordia has high academic standards, and we expect the same of the off-campus experiences we provide to our students. We have selected and vetted approved programs and providers that we know offer rigorous academics and culturally grounded academic experiences.

Through our approved providers, nearly the entire globe is available to our students. Students should meet with the Coordinator of Study Abroad & Experiential Education to pick up an Enrollment Packet for Off-Campus Study.

**Concordia Travel Courses** ([www.Concordia.edu/TravelCourses](http://www.Concordia.edu/TravelCourses))

These unique courses are developed and taught by Concordia faculty around the country and internationally. Travel Courses are usually less than one month long and typically take place in the summer or on breaks in the academic calendar. Below is a list of recurring Travel Courses, but others may be available. See the Coordinator of Study Abroad & Experiential Education for current Travel Courses or visit [www.concordia.edu/travelcourses](http://www.concordia.edu/travelcourses).

- **Central America and the Caribbean.** BIO 3302 Tropical Biology. Every spring break we conduct a nine-day trip to a Central American and/or Caribbean country. Additional fees apply.

- **Texas/Mexico Border.** BADM 4311 International Business Management. A four-day trip usually scheduled during the fall term, to Eagle Pass/Piedras Negras, which explores the economics, politics and culture of doing business on the Texas/Mexico border. Additional fees apply. Not offered every year.

- **Stratford, Ontario, Canada.** ENG 3307 Drama at Stratford. Held each August, this one-week trip to Stratford, Ontario, Canada, covers eight plays during the Stratford Festival and additional plays at the Shaw Festival at Niagara-on-the-Lake. Additional fees apply.
Hawaii. SCI 3304 Geology and Ecology of Hawaii. Every third summer, Concordia students travel on a two week trip to the Big Island and Kauai. Additional fees apply.

Pacific Northwest. BIO 3370 Ecosystems of the Pacific Northwest. Every third summer, students may travel for two weeks to Mt. St. Helens and other ecological sites in the Pacific Northwest. See Dr. Laurence Meissner for details. Additional fees apply.

Grand Canyon & Southwest. SCI 3303 Geology and Ecology of the Southwestern US. Every third summer, students have the opportunity to travel to the Grand Canyon and other desert sites in the Southwest. Additional fees apply.

Texas. BIO 1101 - 1106. This course visits a different geographical region (six total) of Texas each term. The regions include East and Southeast, Rio Grande Valley, Southwest, Panhandle and Northwest, Central, and the Guadalupe Mountains. Additional fees apply.

**Traditional Study Abroad (www.Concordia.edu/StudyAbroad)**

*Concordia International Studies Consortium (CISC):* This semester-long program takes place each spring term and is a joint project of Concordia University Texas and our sister universities around the country in the Concordia International Studies Consortium. CISC focuses on one location each year and usually one major subject area. The location varies from year to year. For Spring 2015, CISC will be in Cape Town, South Africa. For more information visit the Study Abroad Office or visit [www.concordia.edu/studyabroad](http://www.concordia.edu/studyabroad).

*AHA International & International Studies Abroad (ISA):* These two established, independent providers have truly global networks of programs (over 100 in all) each one with language training and planned excursions in addition to the academic opportunities through their university partnerships. Both providers offer short term (summer) and long-term (semester and one-year) study programs.

**Off-Campus Study Process and Policies**

All students seeking to participate in an off-campus study program must first meet with the Coordinator of Study Abroad & Experiential Education and complete an Off-Campus-Study Enrollment Packet.

The packet must be completed by April 1, for summer or fall travel, and October 1, for spring travel. This deadline is independent of any application requirements established by the program/provider.
Eligibility: Students who have completed 24 credit hours, maintain a 2.75 cumulative GPA, and are in good academic, behavioral and financial standing with the University are eligible to participate in an off-campus study program.

Only those off-campus study programs/providers mentioned by name above in this catalog are “approved programs.” Students desiring to participate in a non-approved program must thoroughly research and propose the program to the Study Abroad Coordinator, who will review the experiential and academic components and interview program leaders. Participation in non-approved programs may not be assumed, and additional fees (see below) and requirements may apply.

Costs for travel experiences vary with the economic conditions across the globe, currency exchange, as well as the always-changing cost of local and international transportation. Contact the Coordinator of Study Abroad & Experiential Education for costs of specific programs.

Financial Aid is available only for approved programs and providers described by name in this catalog. All government or private loans or grants can be used for approved off-campus study. Concordia institutional aid and merit scholarships do not apply to off-campus programs, but such institutional aid will be restored once students are back on campus.

For all off-campus programs, there is an additional fee of $250. Concordia Travel Courses will include the off-campus fee in the total published costs. CISC, AHA and ISA do not include this fee in their published costs.

Any off-campus program that requires continued enrollment at Concordia and that will not provide an official transcript will be assessed an additional $500 fee to approve the courses and load them into Concordia’s system.

**General Education Requirement – The Concordia Common Experience Overview**

All undergraduate baccalaureate degrees require the following general education curriculum, known as The Concordia Common Experience. The Concordia Common Experience complies with both regional and state accreditation standards for general education and is required of all Concordia University Texas (CTX) baccalaureate degrees regardless of delivery (i.e., traditional, accelerated and online).

The Concordia Common Experience has four primary goals:

- Exposure to a range of academic disciplines central to liberal education;
- Development of foundational academic skills;
- Exploration and formation of personal identity; and
• Learning through application and experience.

Summary of Requirements
The goals of The Concordia Common Experience are to achieve 42-43 credit hours in courses certified to meet The Concordia Common Experience goals.
• Including nine (9) credit hours in the Concordia Distinctive
• Including 18-19 credit hours across six Liberal Arts disciplines and
• Including 15 credit hours of Foundations coursework.

Concordia Distinctive – required of all CTX students
LDR 1100  Life & Leadership  1 hour
LDR 2201  Leadership Seminar  2 hours
REL 1301  New Testament History and Reading  3 hours
REL 1311  History and Literature of the Old Testament 3 hours

Concordia Common Experience: Liberal Arts
The Concordia Common Experience Liberal Arts course sequence (18-19 hours) introduces students to a variety of disciplines offering diverse perspectives on the world around us. The following are required of all CTX students.
• Behavioral Science (ANT 1301, PSY 1311, OR SOC 1301)  – 3 hrs
• Political Science (POLS 1303)  – 3 hrs
• English Literature (ENG 1317)  – 3 hrs
• Fine Arts  (any MUS, ART, or THEA)  – 3 hrs
• History (HIS 1301 or HIS 1302)  – 3 hrs
• Natural Science with Lab (AST, BIO, CHE, ESC, OR PHY)  – 3-4 hrs

Common Experience: Foundational Competencies
The Concordia Common Experience Foundational Competencies require 15 credit hours of designated courses that develop foundational academic skills.
• Written Communication (ENG 1316)  – 3 hrs
• Verbal Communication  (COM 1300 or HON 3336)  – 3 hrs
• Quantitative Reasoning  (any MTH college level or higher)  – 3 hrs
• Technology (CIS 1300, BADM 3371, CIS 2304, NUR 3585, NUR 3485, OR EDU 3323)  – 3 hrs
• Wellness (KIN 1301, NUR 3435, NUR 3535, any KIN activity, including collegiate sports)  – 3 hrs

Experiential Learning Graduation Component
The experiential learning component is designed to support students’ personal and academic growth by direct engagement with the community. Each student must complete one or more of the following options totaling three credit hours or more (designated with an “E” in the catalog).
• Internship course (30+ hours)
• Practicum course (30+ hours)
• Travel course (4+ days)
• Semester abroad* (10+ weeks)
• Approved experience-based course (such as SOC 1301)
• SVL x1xx: Service learning field Experience course attached to course of student’s choice (coordinated through student advisor and course instructor)
• Comparable documented service learning (coordinated through student advisor, student must petition for this in advance to count in place of one of the courses listed above)

*for the purpose of Experiential Learning credit, “abroad” is defined as anywhere outside the continental United States including Hawaii, Alaska, and all United States’ territories.

Academic Information

Academic Responsibility of the Student
Students are responsible for knowing university policy regarding the standard of work required to continue in the university as well as the policies dealing with scholastic probation and enforced withdrawal.
Students should
• know and meet the requirements of their degree program,
• enroll in courses appropriate to their degree program,
• take courses in the proper sequence to ensure orderly and timely progress, and
• seek advice about degree requirements when appropriate.

Failure to read the ensuing material does not excuse students from meeting all policy requirements.

Remember to note the Undergraduate Catalog year of your degree plan.
Catalogs specify degree requirements that govern your graduation. It is important that when you speak with your advisor to discuss your degree requirements you know your catalog year and communicate that to him/her. Failure to comply with the rules of your catalog can result in taking classes that will not count toward your degree. Students have seven (7) years to complete their degree before the degree plan expires.

Academic Honesty
Concordia students are expected to practice academic honesty at all times. This expectation includes avoiding all forms of plagiarism including those attained though electronic media, fabrication, cheating, or academic misconduct of any kind. It is the official policy of Concordia University Texas that all acts or attempted acts of alleged academic dishonesty, whether at the graduate or undergraduate level, be reported to the Chief Academic Officer by way of the Dean of the respective school within which the course is taught.

Definitions of Academic Dishonesty
• Plagiarism - Plagiarism is the inclusion of someone else's words, ideas, or data as one's own work, whether intentional or unintentional. When such words, ideas, or data is used, the source of that information must be acknowledged through complete
and accurate references. Quotation marks or block quotes along with appropriate notation(s) must be used if verbatim statements are included. Plagiarism covers unpublished as well as published sources.

- **Fabrication** - Fabrication is the intentional use of invented information or the falsification of academic records, research, or other findings with the intent to deceive.

- **Cheating** - Cheating is an act or an attempted act of deception by which students seek to misrepresent that they have mastered information on an academic exercise that has not been mastered.

- **Academic Misconduct** - Academic misconduct is the intentional violation of University policies by tampering with grades or transcripts, or taking part in obtaining or distributing in advance any part of a test.

If Academic Dishonesty is confirmed -

- The student will be informed of the charge through communication with the dean.
- The student will be informed regarding the investigation, the determination, and the resulting consequences by the Dean of the respective college in which the alleged incident occurred.
- The Chief Academic Officer will be informed of the incident by the Dean, who will submit a report concerning the process within five working days from the time the student has been informed of the initial allegation.
- If the incident should occur within the last week of classes, the student will be given an *Administrative Incomplete* until the situation is resolved.

**Academic Dishonesty Appeal**

If the student feels that the decision is in error, the student may file an appeal to the Chief Academic Officer. All appeals must be submitted in writing to the Chief Academic Officer on an official Student Disciplinary Appeal form, available from the dean of the college. The appeal should state on which basis from the following list the appeal is being made and should give specific information pertinent to the appeal.

- Whether the decision was made contrary to existing school policy.
- Whether information used to reach a decision was inaccurate or incomplete.
- Whether the student was given insufficient opportunity to present his or her point of view.
- Whether the rights of the student were denied.

This appeals form must be filed within five school days of the student’s being informed of disciplinary decision. The student will be informed in writing of the decision, so the student must provide an accurate address and telephone number.

**Attendance**

**Traditional Programs:**

Concordia University Texas expects students to attend class regularly in order to maximize their educational experience. Individual programs and/or instructors establish an attendance policy for courses and that policy is communicated to the student. Students are responsible for familiarizing themselves with this policy at the beginning of each course. Students
receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance.

**Accelerated Degree Program:**
This Accelerated Degree Program attendance policy states that any student not attending the first night of class will be administratively dropped from that course. Likewise, these programs have attendance policies that limit the number of hours a student may miss before being administratively removed from the course. Students receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance. For more information, contact the center director/dean.

**Online Programs**
Concordia University Texas expects students to log into class by Friday of the first week. Doing so establishes intention to participate in the course. Students are encouraged to log in often in order to maximize their educational experience. The census date for online undergraduate and graduate courses is at 12:00 a.m. on Day 6 of class.

Online attendance for all undergraduate and graduate courses is maintained by logging into the learning management system and accessing the course a minimum of once per week. Individual programs and/or instructors establish additional attendance policies for courses and that policy is communicated to the student during orientation and in the course syllabus. Students are responsible for familiarizing themselves with this policy at the beginning of each course. Students receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance.

Faculty will contact students who have not logged into their online courses for seven consecutive days. Faculty will make at least two attempts to contact a student. If the student does not communicate with the professor within 48 hours of the second attempt, the student will be administratively withdrawn from class.

**Census Date**
The Census Date for each long semester is published in the Academic Calendar. As of that date all class schedules are official, a matter of permanent record, and will appear on a student's transcript. For students in the Accelerated Degree Program or Graduate Programs, census day is the first night of class. Census date for courses taught in the Online Center is day six (6) of the course. Courses dropped before the Census Date will not appear on the student's transcript.

- Courses dropped after the Census Date and before the Withdrawal deadline will be recorded on the student's transcript with the grade of "W".
- Certification of attendance for insurance purposes will be done as of Census Date for that semester.
- Census date for a full semester (semester/courses lasting sixteen weeks) is the tenth day of the semester.
- Census date for part-of-term semesters (semesters/courses lasting from four-to-eight weeks) is the first meeting time of each course.
Classification of Students

Standard Classifications

- **Freshman** - Students who have successfully completed less than 30 credit hours.
- **Sophomore** - Students who have successfully completed 30 - 59 credit hours.
- **Junior** - Students who have successfully completed 60 - 89 credit hours.
- **Senior** - Students who have successfully completed 90+ credit hours or who have been awarded a baccalaureate degree and who plan to obtain another degree at Concordia.
- **Post Baccalaureate** – Students who have received a Bachelor’s’s degree, but wish to pursue further study
- **Graduate** – Students who have received a Bachelor’s’s degree and are pursuing a Master’s Degree
- **Post Graduate** – Students who have received a Master’s Degree or higher and want to pursue further study

Other Classifications

**Special/Post-Baccalaureate**
Students who hold a baccalaureate degree from any regionally accredited institution who 1) are enrolled in a certification program or 2) are pursuing another major, but do not plan to obtain a second baccalaureate degree.

**Degree Seeking**
Students, full or part-time, in pursuit of an associate, baccalaureate, or master’s degree; students wishing to take course work for the purpose of applying for credit in another institution fall under this classification.

**Non-Degree Seeking**
Students who wish to take course work for purposes of personal enrichment or employment promotion opportunities. See the paragraph on Admission under Non-Degree Seeking Students.

**Lutheran Church Work**
Students preparing themselves for one of the Lutheran Church-Missouri Synod church work vocations. Such students must hold membership in a Lutheran Church-Missouri Synod congregation.

**Community Learner**
The Community Learning program is designed to allow the community to take part in courses for personal enrichment. A community learner is not considered a student and does not receive any credit for the course. To participate in the Community Learner program, an individual must file an application with the Registrar’s Office as well as secure permission of the instructor prior to enrolling in the course. Participation in the Community Learner program requires a per course fee due at the time of enrollment along with any associated special fees if applicable (see [Tuition and Fees](#)). Community Learner participants may not register for music lessons, internships, travel courses, practicum courses, or courses that are full and/or closed.

**Dean's List**
Full-time (enrolled in 12 or more G.P.A. hours), degree seeking, undergraduate students whose Concordia term grade point average is 3.50 or higher are placed on the Dean's List for that term. This academic status is recorded on the student's official transcript. The office of the college dean will notify students of this honor.

Degree Audit
A degree audit is a comprehensive review of coursework required, completed, and remaining toward the awarding of a degree. Once a student has completed sixty (60) hours of coursework and one full term at Concordia University Texas, the student may request one degree audit per academic year. Students enrolled in the Accelerated Degree Program (ADP) may request a degree audit from their Student Support Coordinator. Students in the Bachelor’s of Applied Science degree program may request an audit from their Center Director based on the signed plan of study initiated when the student enrolled.

Every student who registers for graduation will automatically receive a graduation degree audit. The student does not need to request this audit.

Enrollment

Enrollment Definition
Full Time - An undergraduate student is considered to be full time if the student is registered for twelve (12) academic hours per term (term equals 16 weeks). In the undergraduate program, courses are normally sixteen (16) weeks in length and run concurrently.
Part Time - A student is considered to be enrolled part-time if registered in less than twelve (12) academic hours per term.

Concurrent Enrollment
Current Concordia students may take correspondence or online courses and/or courses in residence at one of the neighboring institutions. A Transfer Course Approval Form should be completed prior to enrollment. Academic Dean or Registrar approval of the form indicates to the student that credit from the course taken will be accepted by Concordia. Current students who complete coursework at other institutions must provide the Registrar's Office with transcripts from these institutions immediately after completion of the course(s). Courses in which a grade of A, B, or C has been earned will transfer for credit only and will not be included in the Concordia grade point average.

NOTE: For prior-approved transfer credit taken during the term of anticipated graduation to be counted toward degree completion and graduation, all transcripts must be received in the registrar’s office prior to the end of that term.

Transfer Credit
- Credit from a regionally accredited institution must fit within the liberal arts framework of Concordia University Texas to be considered for transfer credit.
Transfer credit that meets this requirement is normally accepted on a credit-for-credit basis.

- Transfer credit from institutions in candidacy status with a regional accrediting body which are later granted accreditation will normally be accepted based on the same criteria as that from a regionally accredited institution.
- A minimum grade of “C-” in the course for which credit is requested for transfer is required by Concordia University Texas.
- Courses from a junior college are generally not accepted as upper-level credit.
- Credit from non-regionally accredited institutions is generally not acceptable.
- Coursework completed at another institution prior to the first day of the term enrollment begins at Concordia will not be accepted or considered for transfer credit unless the institution was reported on the admission application and the official transcript from that institution is received by the Registrar’s Office.
- Estimates or statements of transfer of credit are un-official and only the final determination by the Registrar’s Office based upon official transcripts can be used to establish credit hours transferred and requirements met through such transfer.
- All official transcripts must be in the Registrar’s office on or before the fifth class day for traditional undergraduates; prior to the first night of the first class of the term for students in the Adult Degree Program; or five days after the start of the term for Graduate Students.
- Grade points earned from any accepted transfer credit is not figured into the grade point average (GPA) calculation for Concordia University Texas except for admission purposes. Transfer courses cannot be used to replace an existing grade at Concordia nor can it be used to improve Standards of Academic Progress evaluations.
- Students enrolled in the College of Education majoring in Elementary School Curriculum, Middle School Curriculum, Secondary School Curriculum and EC-12 Special Education will have all grades from coursework accepted in transfer towards the Concordia University program included in their cumulative GPA calculation at Concordia University Texas.
- If a student transfers in a course from another institution and then takes the same course at Concordia, the Concordia course takes precedence. The grade earned at Concordia counts in the GPA and results in the loss of transfer credit from the course taken at the previous institution.

Concordia students who wish to take courses at other institutions for credit transfer back to Concordia must

- fill out, sign, and submit a Transfer Course Approval form to the Office of the Registrar prior to enrolling in a course at another institution
- must receive notification indicating whether or not the request has been approved
  - Positive approval from the Registrar’s office assures the student that credit for that course will be accepted as credit toward their degree at Concordia.
  - Denial means that credit for the course requested cannot be awarded.
- Credit from courses taken without prior approval may not be accepted.

Courses/Credits that are generally not accepted for credit include:
• Credit from courses that are remedial in nature;
• Credits from non-regionally accredited institutions; and
• Credits from institutions that are regionally accredited but do not fit within the liberal arts framework of Concordia University Texas.

Courses/Credits not accepted for transfer credit
• Credits from courses for which the student earned a grade of “D” or lower; and
• Credits received through continuing education.

Transcripts from Other Institutions
Student transcripts from previously-attended institutions that were provided for admissions consideration become the property of Concordia University Texas (CTX) and are considered official only at the time of receipt. CTX does not provide copies of transcripts from other institutions that are part of a student’s education record. In order to obtain accurate up-to-date information and assure that protocols of the issuing institution are not circumvented, a student must contact the originating school for a copy of that transcript.

Texas Common Core Credit
Transfer students who do not complete the Texas common core requirement will be evaluated on a course-by-course basis.

Transfer students who complete the Texas Common Core requirements at an accredited college or university will not be evaluated on a course-by-course basis. Instead, all of the Concordia Common Experience requirements will be satisfied with the following exception:
• The Concordia Distinctive group of courses (9 hours)
• Three hours of Kinesiology

Transfer students must provide evidence of completion (official transcript indicating completion) of the Texas Common Core prior to admission to Concordia in order to have it satisfy Concordia’s core requirements.

See your admissions counselor or Center Dean for more information.

Credit by Exam
Credit by exam including CLEP, AP, ACTPEP, DANTES/USAFI, and military colleges evaluated by the American Council on Education (ACE), may possibly be used to satisfy degree requirements but do not count toward residential credit requirements. Other credits based on evaluations of non-collegiate sponsored instruction and Prior Learning Assessment (PLA) may possibly be accepted but do not meet Concordia residency requirements (neutral). Except as printed in the catalog, neutral credit courses are evaluated on a case-by-case basis when requested.

Advanced Placement Exams (AP)
Concordia University Texas accepts college credit for satisfactory scores on the College Board's Advanced Placement Examinations.
Scores of 3, 4, or 5 = Satisfactory CE (Credit by Exam)
Scores of 1 or 2 = Unsatisfactory No Credit

Admitted students who receive satisfactory scores in the subject areas indicated by the Advanced Placement Examinations will be awarded equivalency credit for the Concordia courses as indicated below:

*AP Exam transfer credits do not fulfill experiential learning requirements in The Concordia Common Experience.

Admitted students who receive satisfactory scores in other Advanced Placement Examinations that do not have a Concordia equivalent will be granted three hours of credit. The Advanced Placement Examinations in this category include:

- Art, History
- Art, Studio – all exams
- Comparative Government and Politics
- European History
- French
- World History

**CLEP Exam Credit**

Currently enrolled students may submit CLEP scores for evaluation for credit. Students must score at or above the ACE recommended passing grade on the appropriate CLEP examination (usually 50 but may vary with certain tests). Concordia University Texas will award equivalency credit for the following:

*ACE recommended test scores will determine if Modern or Classical Language, calculus or chemistry credit will be awarded.

A maximum of 15 credit hours of credit may be earned by examination for application toward the Associate of Arts Degree; a maximum of 30 credit hours may be earned by examination for application toward the Bachelor’s of Arts or Science Degree. Concordia will determine the award of postsecondary academic credit for extra institutional credit-by-examination programs related to the student's educational objective at Concordia based on the most recent recommendations by the American Council on Education. Concordia assumes no responsibility for awarding credit for examinations taken that are not on the acceptable list for such credit.

**International Baccalaureate**

Concordia University recognizes the International Baccalaureate (IB) and accepts individual course credit for higher level (HL) IB courses with test scores of 4, 5, 6, or 7. For each course
presented and accepted, 3 credit hours of credit will be granted to be used in the student's program as appropriate. No credit will be granted for standard level (SL) courses.

**Military Education and Experience Credit**

Concordia will accept credits earned through the USAFI or DANTES program and grant credit for military educational experiences in accordance with the recommendations of the American Council on Education. Student will need to provide the Registrar’s Office with:

- a copy of the student's DD-214 showing all schools attended,
- a Community College of the Air Force (USAF) transcript, or
- a SMART (US Navy, US Army, or US Marine Corp) transcript.

If there is more than one DD-214 showing schools attended, student will need to provide the VA Certifying Official with copies of each one. Based on this documentation, evaluation of the student's military education and experience will determine if credit can be awarded.

**Prior Learning Assessment**

Prior Learning Assessment (PLA) credit based on previous experiential learning acquired on the job, in previous training and/or through personal study. Students may petition for PLA credit for only those eligible courses listed in the current Concordia Undergraduate Catalog. Students must meet with their advisor to review the PLA criteria and the petition development process before attempting to earn credit through prior learning assessment. Information on completion of a Prior Learning Assessment portfolio is available from a Student Support Coordinator.

Concordia grants **up to** eighteen (18) credit hours for properly documented prior experiential learning that demonstrates achievement of all outcomes for specific courses in an approved Concordia major. **PLA credit may not be used to satisfy Concordia residency requirements for graduation.** PLA credit is awarded on a Pass/Fail basis. Concordia University does not grant block credit and will not award PLA credit based on internships, Independent Study courses or courses for which CLEP or other equivalency exams exist (as listed in the Concordia Undergraduate Catalog). Maximum use will be made of national, standardized equivalency exams to award credit for prior experiential learning.

Students are responsible for supplying clear and convincing documentation to support their PLA petition. Concordia may not accept documentation of experiential learning acquired while the student attended an institution that was not accredited by a regional accrediting association. Students may not petition for PLA credit using a course for which they have already received credit on a college-level transcript.

Once submitted, the PLA petition is reviewed by selected faculty at Concordia University Texas. Final approval is given by the Chief Academic Officer and notification comes from the Registrar’s Office. All material submitted with the PLA petition becomes the property of Concordia University Texas.

Students intending to submit a portfolio for PLA evaluation must submit it no later than six months prior to their anticipated date of graduation. The PLA assessment fee for each petition submitted must be paid in advance with a copy of the receipt included in the
portfolio at the time of submission. PLA credit is awarded in the term in which the petition is approved by the Dean of the College in which the course originated. Concordia University Texas does not accept PLA-type credit from other institutions.

**Final Examination**

Normally, written examinations covering the work of the entire traditional semester or part of term are given at the end of each semester or part of term. During the last week of each sixteen-week semester, time is set aside for final exams and all final exams are to be given during this designated time. The registrar's office will publish a finals schedule, make it available to all faculty members, and post it on the Concordia web page. All final exams are to be given during the scheduled times and dates.

Accelerated Degree Program final exams are administered on the last class day of the course. See course schedule for final class date. All final exams are to be given during the scheduled times and dates.

**Grades and Appeals**

Completed course grades are posted to MyInfo twice during the term; once at mid-term (9th week of the term) for courses completed in the first eight-weeks of the term and within 7 to 10 business days after the official last day of the term. Grades posted in the 9th week of the term are visible in MyInfo by selecting the Student Transcripts option. Mid-term posting of grades does not result in re-calculated grade point averages. Calculation of term and cumulative grade point averages is completed after all grades are submitted and are posted at the end of every term. End-of-term grades are visible by selecting the Final Grades option in MyInfo.

**Grading System and Final Course Grades**

Concordia uses the following grades:

- A Excellent
- B Above Average
- C Average
- D Below Average
- F Failure
- E In Progress
- I Incomplete
- CE Credit by Examination
- CR Credit
- NC No Credit
- P Passing (for Pass/Fail Courses)
- W Withdrawal
- NR No grade recorded

Grades of I, CE, CR, NC, P, and W are not used in computing a student's cumulative grade point average. However, the hours may count toward attempted hours as stated in Concordia’s Standard of Academic Progress policy.
**Academic Grievance**
Students who have an academic grievance with an instructor should discuss the issue with the instructor before pursuing any other action. If the student and the instructor are unable to resolve the issue, the student may appeal to the Dean of the College or University Center in which the issue occurred. If the student does not feel that the issue has been resolved by the Dean of the College, the student may appeal to the Chief Academic Officer, whose decision is final.

**Grade Change Requests**

*NOTE:* In the case of grade appeals, students have until midterm of the following long term to challenge course grades, have a decision reached, and, if necessary, have the appropriate paperwork submitted to the Registrar’s Office. Paperwork received in the Registrar’s Office after the deadline will, in most cases, not be accepted.

Requests for grade changes are to be made to the instructor of the course in which the grade was received. Grades may be changed by the professor until noon on the third day following the last day of final exams without additional paperwork submitted. Grade changes are normally limited to miscalculations by faculty when computing the final grade, errors in recording grades or delays by faculty in locating misplaced assignments. After the third day following the last day of exams, all grade changes must be a result of miscalculation of the final grade by the faculty person assigned to the course in question and submitted on a Grade Change Request form with all required signatures. A grade change request may not be initiated after mid-term of the following long term.

**Incompletes**

An “Incomplete” is not a grade but a place-holder (denoted by an indicator of "I" in place of a grade). In order for an instructor to assign a student an “Incomplete” an Incomplete Form must be submitted by the student to the professor of the course in which student is requesting an “Incomplete.” The completed form indicates that the following criteria are met:

- specific course requirements have not been completed due to circumstances clearly beyond the student's control, and
- completed work to date is of passing quality.

Under no circumstances will the "I" indicator be assigned as a means of avoiding or postponing a low course grade. By signing the Incomplete Grade form, the instructor and the student agree that both conditions exist.

The Incomplete Form requires that both parties state

- the reason for the incomplete,
- the specific work required to complete the course, and
- the grade to be assigned if the work is not complete by the agreed upon date.

The student assumes the primary responsibility for completing the course within the initial or extended time limit and under the criteria established by the instructor. The "I" will be changed to the agreed upon grade if the specified deadline is not met or notice is sent to the Registrar’s Office of the completion of the work as indicated by a final grade.
Traditional Sixteen-Week Program Incomplete Requirements

Completed and signed forms are due in the Registrar’s office prior to the last regularly scheduled class day of the term. Resolution of the Incomplete must be finished by end of the following long term. Whether or not the student is enrolled during the following long term has no bearing on this date. One extension is allowed. **Total time of Incomplete, with extensions, may not exceed one (1) calendar year.** Incompletes must be processed in time to allow the instructor to submit the Incomplete Grade Form to the Registrar's Office along with the final grade roster of the class. **Failure to fulfill all requirements of an “Incomplete” where no agreed upon grade was specified should requirements not be completed will result in a grade of “F.”**

**Note:** Students who enter their final term of study with an unresolved Incomplete on their transcript are not allowed to participate in commencement ceremonies and will not be allowed to graduate.

Students who request and receive an Incomplete for a course taken during their final term of study have ten (10) business days following the official end of the term to successfully fulfill the Incomplete requirements. If this requirement is not met on or before the deadline, the student would then be considered as a candidate to graduate in a later term.

Accelerated Degree Program Incomplete Requirements

For the Accelerated Degree Program, completed and signed forms are due in the Registrar’s office prior to the beginning of the last class session of the course for which an incomplete is sought. Students in the Accelerated Degree Program must fulfill the requirements of an Incomplete within two (2) weeks of the end of the course in which the Incomplete was given. **Failure to fulfill all requirements of an “Incomplete” where no agreed upon grade was specified should requirements not be completed will result in a grade of “F.”** No time extensions are allowed following the initial two-week period.

Online Program Incomplete Requirements

Students enrolled in an online program or who are in a single online course must fulfill the requirements of an Incomplete within eight (8) weeks from the end of the course in which the Incomplete was given. **Failure to fulfill all requirements of an “Incomplete” where no agreed upon grade was specified should requirements not be completed will result in a grade of “F.”** No time extensions are allowed following the initial eight-week period.

Military Call-Up

If a Concordia student is activated by the military (including the National Guard) they need to submit a copy of the activation orders to the Office of the Registrar. Concordia will honor the call-up period and the student will not be required to re-apply if they return to Concordia in the first term after their return from active duty.

If the activation occurs during a term, the student will be given one of three options:

- A 100% refund of tuition and grades of "W" recorded on the transcript
- Continue with the courses and apply for grades of "incomplete". Normal incomplete rules will apply
• Continue with the courses, take the final exams and receive grades

While the service member is deployed, we will conduct all business with the person given signature authority through a Power of Attorney.

**Simultaneous Enrollment**

All Concordia University Texas (CTX) students are eligible to register for courses and events on other Concordia University System (CUS) campuses without additional matriculation, within applicable policies. The three programs are:

- **Distance Learning Program**: All CTX students can register for courses taught by other CUS campuses via distance education.
- **Visiting Student Program**: All CTX students can become resident students on other CUS campuses without additional matriculation.
- **Travel Study Program**: All CTX students can participate in travel/study events conducted by other CUS campuses. Applicable fees may apply.

**Student Eligibility**

- Students currently enrolled and in good standing at their home campus are eligible to apply for the Simultaneous Enrollment programs of the Concordia University System. Simultaneous Enrollment is a privilege rather than a right.
- The home institution is responsible for establishing the qualifications of all applicants that it sends to a host institution.
- Visiting Students are to have completed one term at the home campus and have at least a sophomore standing, having at least a 2.00 cumulative GPA.
- Visiting students are limited to 2 terms (three quarters) visiting other campuses.
- Visiting Students do not make application for admission to the host campus.
- Enrollment in summer or other special short academic sessions is not part of the Visiting Student program.
- Traveling Students are to have completed one term at the home campus.

**Initiating Participation**

Each campus is to ensure that students have adequate information on Simultaneous Enrollment programs. The office of the registrar or another appointed person on each campus will make the following information available (most of this information is on the school's web site):

- Academic catalogs from the Concordia University System campuses
- Current academic calendars, course schedules, and materials describing special programs and trips
- Simultaneous Enrollment Program application materials

**Courses Eligible**

- Any course offered at a cooperating Concordia University System campus may qualify for Simultaneous Enrollment (assuming proper prerequisite background), with the exception of courses that are unavailable because of specific institutional requirements.
• Course work should be beneficial to the overall educational program worked out between the student and their student's academic advisor.
• If the coursework is to apply to a specific program, it must be pre-approved by the advisor. Students should work closely with the home institution to determine if courses taken through the Simultaneous Enrollment Program will meet program requirements of the home campus.

Registrations, Grades, and Records
• The process for Simultaneous Enrollment Program registration begins and ends at the student's home campus, where the registrar is responsible for sending out the registration to the campus where the student is studying and for recording the grades on the home transcript.
• The registrars will maintain a record of program enrollment for both incoming and outgoing students at their own campuses.
• In all cases, the registrar at every campus, in consultation with the instructor, has the final authority to decide questions of admission to the course.
• In courses commonly overloaded, instructors should be encouraged to make room for as many Simultaneous Enrollment students as possible. In the interest of fairness, institutions may adopt a first-come, first-served policy; others may try to reserve a few spaces for Simultaneous Enrollment Program students; and still others may subscribe to a ranking formula that gives preference to home majors and, in turn, to all seniors, Simultaneous Enrollment Program majors, juniors, and so forth.
• Should the number of registrations rise or fall dramatically, or should imbalances pose a burden to any one institution, appropriate administrators will assess the situation and intervene with appropriate adjustments.
• Changes in course registration must have the approval of the home campus and follow procedures of the host campus.
• Grades are recorded on the home campus official transcript and are calculated in the home campus grade point average.
• There may be situations where there is not a common system of grading and credits. In such cases, the home campus "translates" grades and credits from another campus into their own system. Students requesting a transcript do so from their home campus.

Host Campus Policies
Students are subject to the guidelines and policies established and administered by the host institution. In special problem situations, the home campus reserves the right to take additional action.

Fees
• Students pay tuition at the home campus, based on what the assessment would normally be if they were taking the course load on the home campus.
• For students needing room and/or board arrangements, the host campus will provide information on the nature of services available along with the associated rates. The student will pay these charges to the host campus.
• Visiting and travel study students using other host campus services that carry special fees will pay such fees to the host campus.
• Distance Learning students pay fees to the home campus.
• Institutional transfer of funds for expenses incurred through distance learning programs will be determined and expedited by the appropriate administrators.

Financial Aid
• Students will continue to receive federal, state, institutional aid and other outside scholarships while participating in the Simultaneous Enrollment Program.
• Simultaneous Enrollment Program course load is considered part of the student's total credit load at the home campus and as such is subject to home campus financial aid procedures.

Registration

Course Loads
• No student is permitted to enroll in more than 19 credit hours in any combination of courses. Exceptions to this policy must be approved, in advance, by the dean of the college in which the student is enrolled.
• Students desiring to enroll in more than 18 credit hours are required to have earned a 3.00 cumulative GPA or higher.
• Other restrictions about course loads are included under the headings of Scholastic Probation and Provisional Admission.
• Students are allowed to register for and enter upper-level courses regardless of classification if that student meets the prerequisites of the course.

Auditing Classes
Students who wish to acquaint themselves with a subject without receiving credit may audit the course, subject to seat availability. Students registered for credit have first priority. Audit requests should be made with the advisor during the normal registration periods.
• There is an audit fee per academic hour (see Fees and Refunds); students who are enrolled in 12 or more hours of credit bearing course work may audit free of charge.
• Auditing grants individuals the privilege of hearing, observing, and participating.

The instructor will advise the auditing student of course expectations with respect to the student's responsibilities at the beginning of the term. Based upon these criteria:
• The instructor will determine whether or not the audit designation will appear on the student's academic record at the end of the term.
• Students may not change status from "Audit" to "Credit" within the same term in a course originally started as an audit. (Likewise students may not change status from "Credit" to "Audit").
• Music lessons may not be audited.

Challenge Exams
Concordia offers an opportunity for students to take Challenge Exams to determine placement options for several introductory courses in the curriculum. Students interested in this option should contact the appropriate College dean for information on procedures. Course that currently has a Challenge Exam for placement options is in the area of music.

**NOTE:** Placement does not constitute waiver of hours required in the core, major, or minor.

**Schedule Changes (Add/Drop)**

**Traditional Students**
Sixteen-week courses may be added or dropped online from the beginning of early online registration until the fifth (5th) class day of the traditional 16-week semester. After the 5th class day, sixteen-week courses may no longer be added. Courses may be dropped until the designated Add/Drop deadlines for each term by visiting the Student Central. (see Academic Calendar).

**Accelerated Degree Program**
Students may drop the course in which they are currently enrolled until the beginning of the second class session of the course. Student must contact their Student Support Coordinator to complete this process. *If student is receiving financial aid, (s)he must contact their Financial Aid advisor prior to dropping a course.*

**Online Programs**
Courses may be added or dropped during the online registration period which closes at 11:59 p.m. (Central Time) on Friday of Week 1. All course schedule changes must be filed by the student to his or her assigned Student Support Coordinator once the online registration period has ended. If a student is receiving financial aid, s/he must contact his/her Student Support Coordinator prior to dropping a course.

Students in the graduate cohort programs are not encouraged to drop courses. If dropping or changing schedules is absolutely necessary, the student must contact his or her Student Support Coordinator for instructions.

**Repeating Courses**

**For Improving GPA**
Students may repeat courses to improve GPAs. To improve a grade in a course, the student must retake the exact same course (same prefix and number). While the previous grade in a repeated course continues to be included on the transcript, only the higher of the two grades will be used in computing the grade point average. A course taken at Concordia University Texas must be repeated at Concordia University Texas if it is intended to replace an earlier grade. Unless otherwise specified in the course description, regardless of how many times the student passes the course, the credit hours for a repeated course will only be counted once.
For Additional Credit

Students may elect to repeat any course(s) designated as repeatable for credit. Courses not designated as repeatable for credit or designated as non-repeatable for credit may only be taken again to improve GPA.

NOTE: If you are student receiving Veteran’s Administration (VA) benefits, check with your VA coordinator prior to deciding to repeat a course.

Special Course Information

Course-by-Arrangement (CBA)

Concordia University Texas offers the opportunity for students to receive instruction in an approved course within its curriculum through personal arrangement between the student and instructor. To apply for Course-by-Arrangement instruction, a valid scheduling conflict (see definition below) must exist. Permission to take a Course-by-Arrangement must be approved by the instructor, the advisor, and the Dean of the appropriate college or, for students in the Accelerated Degree Program, the Center Director/Dean.

- A maximum of nine (9) credit hours towards the completion of the degree requirements may be earned through Course-by-Arrangement instruction at the undergraduate level.
- Course-by-Arrangement (CBA) in the Master of Education program is limited to three (3) credit hours and will only be allowed by petition to the Graduate Education Committee.

Students may obtain the necessary form for Course-by-Arrangement from the Registrar's website (www.concordia.edu), in Student Central, or from their Student Support Coordinator. In addition to tuition, there is an extra fee for a Course-by-Arrangement.

Definition

A valid scheduling conflict exists when:

- Courses a student needs for graduation are offered at the same time; or
- Course a student needs for graduation is not offered in that given term, and there is a valid reason the student did not take the course when last offered.

NOTE: Student's personal schedule or work schedule does not automatically constitute a valid scheduling conflict.

Developmental Courses

There are two developmental math courses and one developmental English course offered at Concordia University Texas. There are some substantial differences between the two types of developmental courses.

The two developmental math courses are MTH 0313 Fundamentals of Math and MTH 0320 Intermediate Algebra. Students register for three hours of credit for these courses, but do not receive college level credit (this is designated by the 0 in the course number e.g., MTH 0313); therefore, there is no impact to the GPA. Grades for these courses are CR (credit) or NC (no credit). (Financial Aid does count these credit hours towards the total required for Scholarships, grants, etc.)
The developmental English course is ENG 0201 Fundamentals of Writing Workshop. This is a 2 hour course and is graded on a CR (credit) or NC (no credit) basis.

NOTE:
♦ Students who are placed into any of the developmental courses are given two sequential semesters to pass the course.
♦ Students must enroll in the required developmental courses during the first semester of enrollment at Concordia.
♦ If the course is not successfully completed, the student must register for and successfully complete the course in the following semester.
♦ If the student received credit for the lower level math course, takes the intermediate course and does not receive credit, the student must register to re-take it in the next term.
♦ After two unsuccessful attempts to successfully complete a developmental course (NC, F or W) students will be academically dismissed and unable to return without successful completion of the appeal process.

Independent Study
An Independent Study is an individual tutorial emphasizing close reading and discussion of literature in an area of interest to the student that is applicable toward the student’s degree but not offered as an existing course at Concordia. With guidance from the professor who has agreed to lead the Independent Study, the student is responsible for generating an outline for the course, selecting the appropriate text books/readings, developing objectives for the course, and creating a timeline for the starting and ending of the course.

Requirements:
A 2.75 cumulative GPA and a 3.25 average GPA in either: 12 credit hours of course work in the chosen discipline, including six upper-level-hours, or at least 12 credit hours of course work in the student's major, including six upper-level hours; and signature of approval from instructor, Director of the Major and Dean of the College.
The Independent Study Form is available on the Registrar’s page of the Concordia website (www.concordia.edu) or in Student Central or from a Student Support Coordinator.

Internship
Information on non-program-specific internships that are available can be found by contacting the Career Center. Some types of internships offered may include summer internships in a broad array of disciplines as well as summer travel internships. For example, when in session, the Texas House of Representatives offers a 20-hour per week internship in Political Science that can last one term.

The Career Center also offers other career-related information.
Program Internship Guidelines

The major objective of an internship is to provide meaningful work experiences similar to those of professionally trained employees. It should provide a variety of work opportunities, allowing you to spend time in several different departments or areas, providing as much “hands-on” experience as possible.

The programs listed below provide an internship option to earn credits towards a degree. If interested, the student should take the initiative to a) gather information about the internship experience, b) talk with the internship program director or the director of the major, c) register for the class and d) arrange the internship with an organization related to that field. Each program has some guidelines for students to follow which provide internship-related information to students.

Programs offering this opportunity maintain contacts and have a file of available internships. In some cases internships may be generated by the internship coordinator, but in most cases students will work in conjunction with their director to establish their own internships. Before pursuing the internship, approval must be received from the internship program director or the director of the major. Credit will be given only for those approved internships that meet the program guidelines and policies.

The following programs offer internship opportunities:
- Accounting
- Behavioral Sciences
- Business Administration
- Communication
- Computer Science
- Director of Christian Education
- Environmental Science
- History
- Kinesiology
- Marketing

Program Specific Guidelines

Behavioral Sciences Internships: In the Behavioral Sciences internship, students set up their own internships, but are assisted by the faculty contact person. Students may complete an internship with any human service organization (state agency or non-profit). They must complete 180 hours of on-the-job work as well as several written assignments. The students meet with the contact person periodically, who visits them at the site and meets with their supervisor.

Business Administration Internships: College of Business students seeking an internship in accounting, business, or marketing must first apply for an internship through the Director of Business Internships. Applications are included in the College of Business Internship Guidelines package, located on the College of Business Web Site or in the College of Business office. Internship sites may be student-initiated or set up through the Director of
Business Internships. Students must complete 150 – 180 hours of on-the-job work on a project outside of normal day-to-day responsibilities. Requirements include weekly written reports, periodic meetings with the Director and/or the professor responsible for the internship, and a final evaluation from the internship supervisor. For prerequisites and further information, see the College of Business Internship Guidelines.

DCE Internships: The final requirement for DCE certification is a yearlong internship, normally following graduation, in a congregation, agency or mission site of The Lutheran Church-Missouri Synod. While interns register as students under the ultimate direction of the DCE Program Director during internship, they are also paid by the participating congregation or agency and are under the direct supervision of a full-time person in the congregation or agency during this time.

Environmental Science Internships: An internship in environmental science provides students with meaningful work experiences similar to those of environmental agency professionals. To the extent possible, internships provide as much “hands-on” experience as possible, allowing interns to perform meaningful work. An extremely important emphasis of the internship program is to provide exposure of interns to a wide array of opportunities in a variety of departments for observation, training, and participation in the functions of the business or agency. Prior to pursuing an internship, the student must consult with the Director of the Major. All internships must meet the Environmental Science Program guidelines and policies as described in the Environmental Science Handbook.

Service-Learning
Concordia's Service-Learning program and mission combines a Servant Youth Leadership Initiative to provide leadership development for college students.

Service-Learning is a form of instruction in which students design projects to address community needs as part of their academic studies. It combines field and classroom instruction by linking community partners to service projects. Service projects directly flow from established and required learning outcomes for non-credit or credit-bearing academic courses. Students collaborate and discuss their ideas with community partners in order to identify and address a meaningful community need. Service-Learning links academic study to meaningful community service so that students' academic experience and communities are mutually strengthened.

Withdrawal from Concordia
Students who wish to interrupt their studies and withdraw from the institution may get the appropriate form from the Office of the Registrar. A grade of "W" is assigned for all courses if a student withdraws by the published Last Day to Withdraw from a Course for each term and/or session. After that date, grades (A-F) will be assigned. Students interrupting their studies in any term may be eligible for refunds as required by law and should see their Financial Advisor.
Students enrolled in a course supported by the Online Center may withdraw from class through the traditional close of business on Friday of week eight (8). Signed and approved forms must be received by the registrar’s office by the traditional close of business on Friday of week eight (8) in order for the student to be withdrawn from the class and receive a “W” on his or her transcript.

Students who do not officially withdraw from Concordia, but who stop attending classes, will receive grades for all courses in which they are enrolled. They also remain responsible for all fees and tuition charges.

Admissions

Admission Information

Definitions
Degree-seeking students are admitted to Concordia University Texas in one of the following categories:

- First time college freshmen: Students who will graduate from high school (including GED and non-accredited high schools) in the same year as enrollment in college OR who have not completed 12 hours of college level work.
- Transfer students: Students who graduated from high school prior to the date of application AND have completed at least 12 hours of college level work OR students who hold an Associate of Applied Science (AAS) degree and are seeking admission to the Bachelor’s of Applied Arts and Sciences.
- International students: Students who need an I-20 issued in order to apply for an F-1 visa to attend school in the United States. Note: students who are not US citizens, but do not need an I-20, can apply as either freshmen or transfer students above.
- Non-Degree Seeking Students: Students who wish to take courses for the purpose of personal enrichment or for employment and/or promotion opportunities.
- Readmits or Former students: Students, who have not attended Concordia University Texas for one complete academic year, defined as three academic semesters and must reapply for admission to resume their studies. See the admissions guidelines in this catalog for instructions and eligibility for Readmission.
- Graduate students: Students who have earned a baccalaureate degree and wish to takes courses to earn either a Master’s of Education or Master’s of Business Administration. Students who already hold a Master’s degree and are seeking certification as a Principal, Reading Specialist, or Superintendent Certification in the State of Texas.

Application Deadlines
Concordia University Texas accepts undergraduate applications for admission on a rolling basis. All materials must be submitted one (1) month prior to the start of classes. Specific
application deadlines are established for some undergraduate and graduate programs. Please contact the Office of Admissions regarding deadline dates, exceptions or extensions.

International students will need more time to complete the visa process. Applicants should have their files complete by June 1 for the Fall term, November 1 for the Spring term and February 1 for the Summer term. International graduate students must be accepted for admission and place one semester’s tuition on deposit in enough time to have a visa issued from their home country. In the event a student cannot get the visa approved for the semester of application, admission can be rolled to the following semester.

*Accuplacer Placement Evaluation*

All students entering CTX for the first time are required to take the English and Math Accuplacer, unless they have transfer credit for the equivalent of English 1316 or college level math. No student will be allowed to register until they either have sent us an official transcript indicating successful completion of English and Math or have completed the Accuplacer test(s). Accuplacer placement evaluations are arranged through Admissions.

**Requirements for Students Placed in Developmental Courses:**

- If placed into English 1300 or Level 0 or Level 1 Math course, must take these courses during the 1st semester of enrollment
  - If student is not successful in the first semester (either through no credit or withdrawal), must enroll in these courses for 2nd semester. (Success is defined as C or better in English 1300 and “credit” in Math 0313 or 0320).
  - If not passed for 2nd semester, student will be academically dismissed.
  - Students who successfully complete Math 0313 must register for Math 0320 in the next semester. If student is not successful in the first semester, must enroll in MTH 0320 for 2nd semester. If not passed for 2nd semester, student will be academically dismissed. (i.e. a student must remain in developmental courses until eligible for the college level course).

[Students who are both Provisional and Developmental must meet the requirements for both.]  

*Admissions Requirements*

**First-Time College Freshmen**

Concordia selects students who present the most competitive applications and who we consider most likely to be successful, contributing members of the Concordia community and to graduate. To reach admission decisions, Concordia evaluates all candidates in a comprehensive way using the following criteria.
**Required Materials**

All *first time college freshmen* must submit the following in order to be considered for admission:

1. Application for admission
2. $25 application fee (unless waived by the Admissions Office)
3. An **official** high school transcript (Note: Unofficial transcripts will be accepted prior to the student’s graduation. However, an official final transcript must be received prior to the start of classes).
4. **Official** SAT or ACT scores
   a. SAT/ACT scores that are recorded on high school transcripts are sufficient.
   b. Students who have graduated from high school more than 5 years prior to enrollment may be exempt from the SAT/ACT requirement.
   c. Students applying to our Accelerated Degree Program are exempt from the SAT/ACT requirement.
5. In the case of students who do not meet our admissions standards, additional information may be required prior to admission.

Transcripts, applications, test scores, and other documents submitted to gain admission to Concordia University Texas become the property of the university and will not be returned to the applicant. Applicants who fail to enroll for a given term and apply later may be required to submit an updated set of documents.

*International Applicants- Please see International Admission Requirements and English Proficiency Policy.

**Graduates of an Accredited High School**

- First time freshmen must demonstrate a grade point average of at least 2.5 on a 4.0 scale and an ACT cumulative score of 20 (with a minimum of 20 on each section of the ACT) or an SAT score of 1440 (with a minimum 480 on each section of the SAT).
- Admission for applicants who fall below these standards will be determined by the Enrollment Committee. Those applicants may be required to submit additional information.
- A strong college preparatory program in English, mathematics, social sciences, and natural sciences is recommended.

**Graduates of a Non-Accredited High School**

- **GED Candidates**
  Students who did not graduate from high school will be considered for admission to Concordia upon submission of satisfactory GED scores. A satisfactory score is 50 for those who took the test prior to 2002 or 500 for those who took the test during or after 2002. GED candidates may be required to submit additional information at the request of the Admissions Officer.
  - **Home Schooled Students**
Applicants from non-accredited high schools will be considered for admission upon submission of notarized transcripts of the work completed in high school, ACT/SAT scores, and such other documentation as the Office of Admissions may direct.

**Provisional Students:**
- Must take no more than 14 hours (a 15th hour may be approved by the Academic Advising Coordinator)
- Must achieve a 2.0 GPA at the end of the first semester in order to continue as a student at Concordia University Texas
- If placed into Developmental English or Developmental Math, must take these courses during the 1st Semester of enrollment
  - Must not withdraw from these courses.
  - If these courses are not passed the first semester, must enroll in these courses for 2nd semester.
  - If these courses are not passed in the 2nd semester, student will be academically dismissed.
- Is eligible to represent the university (i.e. athletics, choir, etc).
- Able to earn a Merit Scholarship after 1st semester if GPA is above a 3.0.
  - After 1st semester, will need to speak with Student Central to review Financial Aid package for second semester.
- First time college freshmen who are admitted provisionally are required to attend the Life & Leadership Student Success Lab that meets on Fridays. No credit is given for attending this Lab, but students will earn either a Satisfactory or Unsatisfactory Grade.
- Must meet with the Academic Advising Coordinator or Academic Advisor before registering for the 2nd semester classes (a hold will be placed on the account to ensure this).
- Provisional students are encouraged to use the resources available in the Student Success Center, including Peer Coaching, Smarthinking and mental health counseling (if needed). Not attending and/or not using the other resources will be a factor in consideration of any appeals the student may make for continued enrollment.

**Degree Seeking Transfer Students**
Concordia selects students who present the most competitive applications and who we consider most likely to be successful, contributing members of the Concordia community and to graduate. To reach admission decisions, Concordia evaluates all candidates in a comprehensive way using the following criteria.
- College transfers must demonstrate grade point average of 2.0 on a 4.0 scale, cumulative for all colleges attended.
- Admission for applicants who fall below these standards will be determined by the Enrollment Committee. Those applicants will be required to submit additional information.
**Required Materials**

All *college transfers* must submit the following in order to be considered for admission:

1. Application for admission
2. $25 application fee (unless waived by the Admissions Office)
3. **Official** transcripts from *all* colleges/universities attended
   
   Transcripts must reflect all credits attempted and/or earned through regular enrollment, correspondence, extension, or night school programs from each institution. Failure to report all prior colleges attended constitutes reason for refusal to admit or for dismissal. Completed courses from an accredited college/university not reported at the time of admission cannot be considered for transfer credit at a later date. Transfer students must arrange to have all transcripts for work attempted at other colleges or universities sent to Concordia directly from the institution of record. A student-delivered transcript will not be accepted as an official transcript, unless it is received in the original sealed envelope and appropriately stamped by the institution of record as "issued to student in a sealed envelope." (Note: An official final transcript must be received prior to the start of classes).

4. In the case of students who do not meet our admissions standards, additional information may be required prior to admission.

*International Applicants- Please see the International Admission Requirements and English Proficiency Policy.*

**Designated Accelerated Programs**

In addition to the regular admissions requirements listed above, all students that seek admission to any program designated as being an accelerated delivery program must fulfill the following requirements. Accelerated delivery programs are defined as those whose regular mode of deliver has less than the equivalent of 14 hours of contact per credit hour in its standard class schedule. This would include all of the programs offered in our accelerated deliver format.

Concordia selects students who present the most competitive applications and who we consider most likely to be successful, contributing members of the Concordia community and to graduate. To reach admission decisions, Concordia evaluates all candidates in a comprehensive way using the following criteria.

Students applying to an accelerated program must meet one of the following requirements:

- must be at least 23 years of age as of the first day of the term of intended start or the first available course of enrollment
- **OR**
- Delayed enrollment of at least one year after high school graduation or equivalence (such as a GED) and at is least 19 years old plus at least one of the following:
• Works full-time (defined as a regular full-time position with a single employer)
• Is financially independent (as defined by their IRS status)
• Has children or other dependents (as claimed for IRS purposes)

Bachelor of Applied Arts and Sciences Degree Program
For admission into the Bachelor of Applied Arts and Sciences Degree Program, the student must have been awarded an approved Associate of Applied Science (AAS) degree. Admission for applicants who fall below these standards will be determined by the Enrollment Committee. Those applicants will be required to submit additional information.

Required Materials:
1. Application for admission
2. $25 application fee (unless waived by the Admissions Office)
3. **Official** transcripts from all colleges/universities attended
   - Transcripts must reflect all credits attempted and/or earned through regular enrollment, correspondence, extension, or night school programs from each institution. Failure to report all prior colleges attended constitutes reason for refusal to admit or for dismissal. Transfer students must arrange to have all transcripts for work attempted at other colleges or universities sent to Concordia directly from the institution of record. A student-delivered transcript will not be accepted as an official transcript, unless it is received in the original sealed envelope and appropriately stamped by the institution of record as "issued to student in a sealed envelope."

International Students

Required Prior to Admission
All students seeking an I-20 leading to an F-1 (student) visa must submit the following in order to be considered for admission:
- A completed and signed Concordia University Texas Application for Admissions for International Students
- A non-refundable application fee of $50.00.
- Official transcript of all credits earned or attempted from each high school and/or college.
  - If the undergraduate student attended high school and/or college in the US, official transcripts should be submitted.
  - If undergraduate applicants have completed the equivalent of a U.S. high school degree, the Basic Statement of Comparability Evaluation and copy of the modern high school transcript should be submitted.
  - High school transcripts not required for graduate admission.
  - If the student did not attend high school and/or college in the US, an official AACRAO Modern Education Credential Service evaluation of all secondary and/or post-secondary work completed outside of the United States.
If undergraduate applicants have completed the equivalent of a U.S. high school degree, they should submit the Basic Statement of Comparability Evaluation.

Admissions Requirements

• The U.S. equivalent of a high school diploma with a grade point average of at least 2.5 on a 4.0 scale for students entering as first-time freshmen.
• Satisfactory SAT (1440) or ACT (20) scores as necessary.
• The U.S. equivalent of at least a 2.0 grade point average on college work attempted for students who have attended any higher education institution in or outside the United States.
• Demonstrated proficiency of English. Students can do so in one of the following ways:

  1. Citizenship in an English speaking country [Australia, New Zealand, the British Virgin Islands, Jamaica, United Kingdom, Ireland, Antigua, Northern Ireland, Philippines, Scotland, South Africa, St. Lucia, Wales, Bahamas, Barbados, Nigeria, Kenya, Zimbabwe, Ghana, Namibia, Tanzania, Uganda, the Fiji Islands, Sierra Leone, Gambia, Liberia, Switzerland, Holland and Canada, excluding French-speaking Quebec.

  2. At least one year of successful education in the United States. Education must be at the high school level for those seeking undergraduate admission and at the collegiate level for those seeking graduate admission.

  3. Satisfactory scores on one of the following tests:
     a. TOEFL
        Internet-Based TOEFL (IBT): 80
        Speaking Score (IBT) - 26
     b. Pearson’s Test of English: 64
     c. the International English Language Testing System: 5.5

Required Prior to Issuance of an I-20

All students must submit the following before Concordia will issue an I-20:

• Written proof of financial support for one school year in the United States. Financial Assistance is not available from Concordia to international students. (Students who attended high school or college in the US may be considered for merit scholarships). Financial support documentation must be submitted as original bank or financial statements in English in US dollars issued within the last 90 days.

• Copy of valid Passport.

Non-Degree Seeking Students

Students who wish to take courses for the purpose of personal enrichment or for employment promotion opportunities may enroll as non-degree seeking students.

Non-degree seeking students:
• Are not required to meet regular admission standards,
• Are not eligible for financial assistance,
• Are limited to six credit hours per term, and
• Are required to submit official transcripts only if the courses planning to enroll in require a pre-requisite and the student has passed an equivalent course or take the Accuplacer to demonstrate proficiency in the required content area to be placed correctly in the courses.

Students need to complete the Non-Degree Seeking Application for Admission at the time of initial application to Concordia.

Readmission of Former Students
Former students who have not actively attended Concordia University for more than three semester terms must apply for readmission. Students who enrolled at another college or university must furnish an official transcript of their academic coursework. New transfer work from other regionally accredited colleges and universities will be considered in determining the applicant’s readmission but will not affect their GPA. Official transcripts must be supplied by the end of the first term in which the student reenrolls. Failure to provide transcripts by designated timeframe will result in loss of credit hours.

Students being readmitted can elect to continue under the terms of either the degree requirements in force at the time the student first entered Concordia OR the degree requirements in force at the time of readmission. All requirements for a degree at Concordia must be completed within seven years of the date of the degree requirements elected by the student.

Students who left in good standing are eligible for readmission at their old GPA if they have not taken any other college-level coursework.
Students dismissed from Concordia University for academic reasons must complete the Academic Dismissal Appeal Process regardless of the amount of time that has transpired since the dismissal. The Academic Dismissal Appeal forms are available through the Student Central Office. At the discretion of the College or Center Dean, applicants who left on academic probationary status may be readmitted. If readmitted, student will be placed on Scholastic Probation at their old GPA.

Transcripts from Other Institutions
Student transcripts from previously-attended institutions that were provided for admissions consideration become the property of Concordia University Texas (CTX) and are considered official only at the time of receipt. CTX does not provide copies of transcripts from other institutions that are part of a student’s education record. In order to obtain accurate up-to-date information and assure that protocols of the issuing institution are not circumvented, a student must contact the originating school for a copy of that transcript.

Transfer Credit
For information on transfer credit, see the section entitled Transfer Credit and Other Methods of Gaining Non-Residential Credit.
College of Business

Mission and Overview
The mission of the College of Business is to empower students to be people of influence. We accomplish our mission by developing students in critical competencies relevant to the competitive marketplace. Our strong emphasis on critical thinking, leadership, ethics and spirituality is what differentiates our students. Also, students in the college of business gain exposure to local business through projects, business leaders through speakers, and international issues through travel and virtual projects being conducted worldwide. Through our efforts, we seek to send out a critical mass of highly skilled graduates and help place the students in rewarding careers where they can be leaders impacting the region.

Concordia University Texas has received specialized accreditation for its Bachelor of Business Administration degree programs through the International Assembly for Collegiate Business Education (IACBE), Olathe, Kansas.

Why choose a degree from the College of Business?
Business skills are a common thread across industries and sectors of society. Individuals who have strong business acumen, develop leadership skills, and demonstrate agility to work independently and on teams are poised to start their own business and/or excel in careers in the industry of their choice. Furthermore, business majors rank among the most consistently strong salary potential careers according to a 2013 salary report by payscale.com.

Human Resource Management (Offered in the Accelerated Format and Online)
The Bachelor of Arts in Human Resource Management offers an introduction to the myriad issues facing today’s HR manager. Required courses focus on areas of responsibility common to all human resources professionals, while also keeping students apace of contemporary issues and concerns in HR. The courses are taught by working HR professionals who emphasize the development of leadership skills. Particular care is given to the issue of demonstrating Christian faith in work environments that may not always support this mission.

Students seeking a Bachelor’s of Arts (BA) degree must complete the following in addition to The Concordia Common Experience and major requirements:

Global/Cultural

Required for all BA degrees:  
6-8 hours of Foreign Language  
3 hours of Global Culture  

Elective Hours  
A sufficient number of credit hours to bring the total number of hours to 128. Of the 128 total, 39 must be upper-level  

ALL students are required to complete the following general graduation requirements during their Junior or Senior terms:  
CAAP  
Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).  

Bachelor of Applied Arts and Sciences (BAAS)  
The Bachelor of Applied Arts and Sciences (BAAS) degree is designed to provide a transfer path into a Bachelor’s Degree program from AAS degree programs, which are approved in Texas by the Workforce Commission to meet specific career skill requirements through college credit programs. The structure for the degree creates 4 classifications of credit requirements: general education core, a coherent technical specialty earned through an AAS degree, a baccalaureate track enhancing the AAS and/or career, and general elective hours.  

The BAAS degree provides a baccalaureate level foundation, grounded in the liberal arts perspective, providing multiple perspectives and an understanding of the world in which we live. To this end, the foundation of the degree is the liberal arts core as established for the B.B.A, the B.A. and the B.S. degrees at Concordia.  

Acceptance into a BAAS degree program requires an earned AAS degree from a regionally accredited school. The AAS program must contain a coherent, technical specialty area. This specialty area must contain at least 9 hours of advanced coursework in the specialty area at the sophomore, or 2000, course level. This coursework is exclusive of any additional
transfer course at higher levels outside the designated specialty. The published Academic Catalog of the granting institution for the AAS will establish the required coursework for the purposes of this review.

As a program designed specifically for transfer students, a review of the transcripts and development of a plan of study is required prior to admission. This plan of study must be approved by the Dean of the college in which the degree is housed and accepted by the Registrar’s Office prior to an offer of admission.

Technical Management
The BAAS, with a major in Technical Management, provides the necessary skills to advance into supervisory and entry level management positions within the career path of the student as supported by the AAS training already achieved. The Technical Management major provides a selection of business courses in which students learn how to apply core business skills within their own career field or business environment.

Degree Plan
In addition to the General Education - Common Experience requirements, students must successfully complete the following:

Technical Management Major – 21 credit hours
BADM 1301  Introduction to Business
BUS 3314  Finance for Non-financial Managers
BUS/BADM 3311  Principles of Management
BUS/BADM 3310  Leadership and Business
BUS/BADM 3313  Creativity, Critical Thinking and Change
BUS/BADM 3380  Production and Operations Management
BUS/BADM 43XX  Technical Management Capstone Project

Technical Specialty Hours
A minimum of 21 hours technical specialty transfer credit from AAS degree is required

Elective Hours
A minimum of 22 credit hours to bring the total number of hours to 124 is required. Six (6) of the 22 elective hours must be upper level.

ALL students are required to complete the following general graduation requirements during their Junior or Senior terms:
CAAP
Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).

Alternative Ways of Earning Credit in the College of Business
**BBA Students**

Students are encouraged to complete all of their coursework within the traditional structure of the programs, namely through on-ground, face-to-face, semester-long course delivery. However, facing a reality of students who work many hours each week and come to college with busy schedules and complex lifestyles, the College of Business wishes to provide some flexibility to students in how they achieve their goal of accumulating 128 credit hours towards graduation. In addition to transferring in lower level course work, Concordia University Texas provides courses through its University Centers and its Online Center. These opportunities provide options and flexibility for students while maintaining the integrity of the various programs.

Traditional Students enrolled in the Bachelor of Business Administration Program may take up to a combined 12 hours of coursework offered through either OCICU courses or University Center courses in the BBA Major. The following courses may be taken at University Centers in the accelerated or online format with permission from an academic advisor to satisfy degree requirements in the BBA degree program.

**BA Students**

- Students enrolled in the Bachelor of Arts degree programs in the College of Business may take up to a combined 12 hours of coursework offered through OCICU courses.
- Students may take no more than 12 hours of OCICU courses within any BA major.
- Students must receive approval of their academic advisor/Center Dean to take an OCICU course as a part of their major.
- Students who are receiving a minor may take no more than 6 hours of OCICU to satisfy minor requirements.
- OCICU courses will automatically substitute for the required Concordia courses in the BA program as indicated in the table below.

BBA/UNIVERISTY CENTER REGISTRATION PROCESS:
***This process applies only for the courses listed above

- Courses available through Concordia’s University Centers will be posted online for each semester (fall, spring, summer). Students should identify the course they plan to take and fill out a Schedule Change form with the course’s number and name indicated.
- The first approval comes through the student’s academic advisor. If the academic advisor is not available, then the student should see the BBA Registration Advisor. This approval is absolutely necessary for students to take a course through one of the University Centers.
- Once the course has been approved by the College of Business, the student will then take the form to the Center Dean for the site at which the course is being offered for their approval.
- The Office of the Registrar will register students for the course – students must abide by University Center policies as to course attendance and participation.
- At the end of the course, grades will be submitted to the registrar’s office. Grades will be available at the end of the semester on the student’s grade report/transcript.

## College of Education

### Mission and Overview
The College of Education supports the mission of Concordia University Texas by providing ongoing education for pre-service and in-service teachers and Directors of Christian Education (DCE) in a collaborative, field-based, Christian environment for the life-long pursuit of excellence in teaching, learning and serving.

As a student in the undergraduate teacher education programs in the College of Education, you will prepare to be an “inspiring and engaging” teacher in public, private, parochial or charter levels. You will focus specifically on the level of student you wish to teach, from preschool through high level.

As a student in the undergraduate religious education program in the College of Education, you will prepare for careers in ministry. You will gain understanding and be equipped with the skills to work with and lead people of all ages in various ministries. This major can lead to certification as a Director of Christian Education (DCE) within The Lutheran Church—Missouri Synod.

**Why Choose a Degree from the College of Education?**
Each day a teacher-educator molds our future. Teachers create the environment that opens up the minds of our young people to the world around them. They foster creativity, help build character, inspire discovery, and provide role models. Teachers change lives. You can be “that” teacher.

NOTE: Because students must meet the requirements mandated by the state legislature and TEA at the time of graduation, the degree program that was in place at the time they entered Concordia may change by the time a student graduates.

**Why choose a Teacher Education major?**
Students often pursue a major in Education to:
- Prepare for certification to teach
- Teaching or training programs for adults
- Workforce development
- Community education
- International training and development
- Development of children’s programs
- A role in policy-making
- Work in educational settings
Degrees and Majors
The College of Education offers the Bachelor of Arts degree with the following majors.

- Elementary Level Curriculum Major - Early Childhood – 6th grade Certificate
- Middle Level Curriculum Major - Grades 4-8 Generalist or Grades 4-8 Content Specific Certificate
- Secondary Level Curriculum Major - Grades 7-12 Content Specific Certificate
- Special Education Curriculum Major - EC-12 All Level Certificate
- Religious Education (Director of Christian Education)

Teacher Education Program

Admission
Applications for admission into the Teacher Education Program are available in the office of the Administrative Assistant of the College of Education. Applications should be submitted by December 1st after the completion of a minimum of 17 hours of education course work in residence. To help determine eligibility for admission to the Teacher Education Program, the transfer student should consult with a faculty mentor at the earliest possible date.

Applications to the Elementary, Middle Level, Secondary Education and Special Education Programs will be evaluated on the basis of the following criteria:

1. Upper level standing with a cumulative GPA of 2.75 or higher. (For purposes of admission to the Education Program, the GPA of education transfer students is determined by adding Concordia University Texas work to the entering GPA with all courses attempted included in the GPA calculations. Credit from a regionally accredited institution must fit within the liberal arts framework of Concordia University Texas to be considered for transfer credit. Transfer credit that meets this requirement is normally accepted on a credit-for-credit basis. A minimum grade of “C-” is required for a course to be considered for transfer. Students enrolled in the College of Education majoring in Elementary Level Curriculum, Middle Level Curriculum, Secondary Level Curriculum and Special Education Curriculum will have all coursework accepted in transfer towards the Concordia University Texas program included in their cumulative GPA calculation at Concordia University Texas.)

2. Grade of C or better in ALL Common Experience, Concentrations, Major, and Lutheran Teacher Diploma courses (if applicable) must be maintained. If a student makes a ‘D’ or an ‘F’ in a course, that specific course must be repeated until the grade is a ‘C’ or higher.

3. Presentation of minimum scores on the current state mandated admission test (TSI: Reading-351; Math-350; Writing-5; ACCUPLACER: Reading-78; Elementary Algebra-63; Sentence Skills-80; Written Essay-6 or suitable substitute).

4. Grade point average of 2.75 or higher in all course work in each of the following areas must be maintained:
   - Professional education
• Concentration courses attempted in the Elementary Curriculum Major, the Middle Level Curriculum Major, the Secondary Curriculum Major, and the Special Education Curriculum Major.
• Lutheran Teacher Diploma courses (if applicable)

5. Satisfactory ratings in:
• Initial interview with Advisor (first 30 days as a Concordia student)
• Periodic self-assessments and conferences with professors and Directors of Majors

6. Satisfactory ratings in field experiences as reported to:
• University instructors of field experience components
• Director of EC/Elementary Education or Director of Middle Level/Secondary Education or Director of Special Education and Elementary, Middle Level, Secondary and Special Education classroom teachers

7. Demonstrate dispositions (personal, social, and moral qualities; personal and mental health) suitable for teaching. All applicants must receive approval (negative data may block admission) from each of the following offices or persons prior to admission:
• Director of Student Services
• Faculty Advisor
• Director of your program, i.e. Elementary, Middle Level, Secondary or Special Education

Admission into the Professional (Student Teaching) Semester
Application forms are available from the Teacher Education Office. Applications must be submitted by the semester preceding the Professional Semester. Students who meet the following criteria are admitted to the Professional Semester by the Teacher Education Committee.

1. Cumulative grade point average of 2.75 or higher, which is also maintained, on all semester credit hours attempted. (For purposes of admission to the Professional Semester, the GPA of transfer students is determined by adding CTX work to the entering GPA from other universities with all courses attempted included in the GPA calculations.)

2. Grade point average of 2.75 or higher, which is also maintained in all course work in each of the following: Professional Education, Specialization course work, Common Experience course work, and Lutheran Teacher Diploma courses (if applicable).

3. At least 75% of the Elementary, Middle Level, Secondary, or Special Education major must be complete.

4. Satisfactory ratings in field experiences as reported to:
   • University instructors of field experience components
   • Director of EC/Elementary Education or Director of Middle Level/Secondary Education or Director of Special Education and Elementary, Middle Level, Secondary and Special Education classroom teachers

5. Demonstrate dispositions (personal, social, and moral qualities; personal and mental health) suitable for teaching. All applicants must receive approval (negative data may block admission) from each of the following offices or persons prior to admission:
   • Director of Student Services
   • Faculty Advisor
• Director of your program, i.e. Elementary, Middle Level, Secondary or Special Education

6. All requirements for admission to the professional term must be completed within five consecutive calendar years from the date of admission to the Education Program.

7. Portfolio presentation

Special notes to incoming students
Certain courses listed under the major requirements may be used to satisfy both major and Common Experience requirements. Contact your faculty advisor for more explanation on how to choose the proper course to benefit from this policy.

Additional hours may be added to a student’s course work if the student:
• Begins the English sequence below ENG 1316 Academic Research & Writing.
• Begins the Math sequence below MTH 1351 College Algebra
• Begins the Religion sequence with REL 1331 Introduction to Christianity when seeking the Lutheran Teacher Diploma.
• Satisfies The Concordia Common Experience Economics/Government requirement with a course other than CTX’s POLS 1303C, American Government & Citizenship.

NOTE: All courses in The Concordia Common Experience, Concentrations, and Major must be completed with grades of “C” or above; if a student makes a ‘D’ or an ‘F’ in a course, that specific course must be repeated until the grade is a ‘C’ or higher.

Students may take required or elective courses through an alternate Concordia University Texas delivery option with approval of the Dean.

The College of Education requires that students take the following courses which also fulfill Common Experience requirements. While students are not required to take these courses to fulfill Common Experience Requirements, these courses are required in order to graduate from the College of Education. These courses provide the opportunity to gain the necessary knowledge required to pass the state accreditation exam.

**Lutheran Teacher Diploma**
Teacher candidates, with membership in the Lutheran Church-Missouri Synod, who wish to become part of the teaching ministry, shall complete the Elementary, Middle Level, Secondary or Special Education programs. Additional requirements are listed in the Pre-Professional Programs section of this catalog.

**Religious Education (Director of Christian Education)**

*Why choose a Religious Education major?*
Student may choose to receive specialized training for those called to serve in:

- Children’s Ministry
- Youth Ministry
- Camp Ministry
- Worship Arts/Music Ministry
- Outdoor Ministry
- Missions/Missionary
The Bachelor of Arts program with a major in Religious Education provides basic educational, religious, and interpersonal foundations for the student, as well as specialized training to develop individual interests in areas such as youth ministry, family ministry, children's ministry, music and the arts, theology, missions, and outdoor ministry.

Students in the Religious Education Major have the option of certification as a Director of Christian Education (DCE) in the Lutheran Church-Missouri Synod. DCEs are ministers of the Gospel who have been trained as parish education specialists and called to work with the pastor, staff, and lay leaders of a congregation. Their primary responsibility is to administer and provide resources for the parish education and youth programs of the church, to teach the faith, and train laity for service both inside and outside the parish. Depending on personal gifts, prior experience and training, and congregational needs, a DCE may also provide leadership in the young adult, singles, family, music, and evangelism ministry of the congregation.

Upon successful completion of all requirements for the DCE Major, the final requirement for certification by the Lutheran Church-Missouri Synod is a year-long internship, normally following graduation, in a congregation, agency, or mission site of the LCMS. This internship will enable students to experience as many aspects of the DCE ministry as possible. While interns register as students under the ultimate direction of the DCE Program Director or Associate Director during internship, they are also paid by the participating congregation or agency and are under the direct mentorship of a full-time person in the congregation or agency during this time.

Applications for admission into the DCE program are available in the DCE Office. Application for admission into the DCE program must be submitted by November 1 of the Fall Term before the student anticipates beginning taking junior level professional DCE courses. The junior transfer student should complete an application for admission immediately upon being admitted to the university.

Applications to the DCE program will be evaluated on the basis of the following criteria:

- Completion of the application—when including all reference forms and an autobiographical essay
- A cumulative GPA of 2.5 or higher on course work taken at Concordia University. Transfer students must complete 2 consecutive semesters at Concordia and maintain a 2.5 grade point average.
- A personal interview with the DCE program director and associate director.
- Demonstrates personal, social and moral qualities, and personal and mental health suitable for congregational or agency ministry.

All applicants must receive approval (negative data may block admission) from each of the following offices or persons prior to admission:

- Director of Student Services
- Director of the DCE Program
- Faculty advisor

Also, the GPA of 2.5 must be maintained each term to continue in the program.
NOTE: All courses in The Concordia Common Experience, Concentrations, and Major must be completed with grades of “C” or above.

Students seeking a Bachelor’s of Arts (BA) degree must complete the following in addition to The Concordia Common Experience and major requirements:

**Global/Cultural**
3 hours from one of the following courses;
- ENG 2301 World Literature: Classicism
- HIS 2321 Western Civilization to 1715
- HIS 2322 Western Civilization from 1715

- HIS 3301 History of Mexico
- HIS 3314 Traditions/Values of Classical Civilizations
- HON 2311 Critical Thinking about Great Texts
- PHL 3301 Survey of Western Philosophy

**Modern or Classical Language**
*Complete two consecutive terms (at least six credit hours) of a non-English language.*

In addition to The Concordia Common Experience and the B.A degree requirements, students must successfully complete the following for the major:

**Religious Education requires that students take the following courses which also fulfill Common Experience requirements.** While students are not required to take these courses to fulfill Common Experience Requirements, these courses are required in order to graduate in Religious Education. These courses provide the opportunity to gain the necessary knowledge required to pass the state accreditation exam.

**College of Liberal Arts**

**Mission and Overview**
The College of Liberal Arts supports the mission of Concordia University Texas: *to develop Christian leaders.*

The College of Liberal Arts at Concordia University Texas provides a classical liberal arts education that promotes a broad base of knowledge and develops intellectual capacities. The College is committed to a collegial environment in which students and faculty work together to grow intellectually, spiritually, and morally as knowledgeable citizens of the 21st century. We are dedicated to an intellectual foundation based on a well-rounded and comprehensive education designed to meet the needs of responsible citizenship in an ever-changing world.

The majors, minors, and programs of the college, along with extracurricular activities, provide a multifaceted opportunity to teach, model, practice, and recognize Christian leadership. Program goals and outcomes are accomplished through scheduled classes, lectures and workshops by visiting scholars and guest lecturers, service learning opportunities, a variety of arts activities and venues, and a study abroad program. Ultimately, programs in the liberal arts prepare students to lead rich and rewarding lives, recognizing the interdependence of varied disciplines and professions as they are shaped and given meaning through the application of Christian values.

*Why Chose a Degree from the College of Liberal Arts?*
We live in a dynamic world economy that demands creativity, flexibility, and change. Career opportunities for the future require adaptability, critical thinking, and the ability to make connections across disciplines. The best preparation for this type of career can be found in the liberal arts. Through the liberal arts, students immerse themselves in any one of several areas of interest while still gaining the versatility and flexibility they need for life in a rapidly changing world. A liberal arts major also serves as excellent preparation for graduate study...
in almost any field, including business, humanities and social sciences, pre-seminary, pre-law, publishing, communications, and public relations.

Why choose a Behavioral Sciences major?
Have you ever wondered why people do what they do? Do you want to use knowledge about human behavior to make a positive difference in the lives of others? The Behavioral Sciences major provides students with the exciting study of the “person in environment.” With a holistic understanding of human behavior, Behavioral Science majors will be well prepared to enter a broad range of careers in

- government,
- non-profit organizations,
- businesses,
- ministry settings,
- social work,
- the juvenile justice system,
- providing assistance for older adults, and much more.

Why choose a Communication major?
Communicators are in everyone’s business. You develop transferrable skills in trust-building, decision-making, persuasion, teamwork, listening, speaking, writing, media content-creation, and production. These skills are not only among the highest ranked skills desired by company leaders, but also empower you to innovate, advocate, create, and achieve. Our graduates have become:

- Imaginative Innovators
- Public Relations Specialists
- Persuasive Advocates
- Engaging Creators
- Articulate Television Hosts
- Successful Achievers

Why choose an English major?
English course work emphasizes the clear, concise, careful, and correct writing and prepares a student to succeed as a writer in a variety of situations and jobs. In professional settings, English majors work in a range of fields such as

- Museum directors,
- College presidents,
- Television anchors,
- Economists,
- Astronauts,
- Priests,
- Songwriters,
- Business executives,
- Supreme Court Justice,
- Medical doctors, and
- College professors.

Why choose a History major?
The History major offers flexibility in coursework as students explore their interests. Students will strengthen their information-gathering abilities, along with their organizational, analytical, research, and communication skills. Students graduating with a History major will have opportunities to move into

- Graduate school
- Law school
Why choose a Political Science major?
If you were to look at the movers and shakers of the 20th century, it’s likely that you would find that many of them majored in Political Science. Put simply, Political Science is the intensive study of power and influence. Who has it, who doesn’t, and why or why not. If you want to learn to make history instead of just passively watching it pass you by, Political Science may be the major for you. Students with a Political Science major have the knowledge and skills to move into careers such as

- Political activist
- Attorney
- Campaign operative
- City, State, or Federal administrator
- Public Affairs advisor
- Corporate Information analyst
- Legislative Issues manager
- Foreign Service officer
- Journalist
- Lobbyist

Degrees/Majors Offered

  Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).

**Political Science**
The B.A. in Political Science from Concordia University Texas will prepare graduates to be professionally literate in the fields of law, politics, research, leadership and analytical reasoning. In this degree, there is 47 hours of required coursework which includes political science, religion, and behavioral sciences courses, a thesis, scientific methods, and at least three semesters of practicum and/or service experience.

Students seeking a **Bachelor’s of Arts** (BA) degree must complete the following in addition to The Concordia Common Experience and major requirements:

**Global/Cultural**
3 hours from one of the following courses:  
ENG 2301 World Literature: Classicism

**ALL students are required to complete the following general graduation requirements during their Junior or Senior terms:**  
CAAP
Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).

**Psychology**
The Psychology Major is designed to provide students a Christian environment in which to gain knowledge of core tenets of the discipline, with special emphases on writing proficiency and career preparation. The major also intentionally encourages students to take advantage of program offerings beyond the classroom such as symposia, informational workshops, internships, research experience, and study abroad opportunities. Students will select either the Professional or the Academic track. A Writing Portfolio must be completed to be eligible to graduate with this degree.

Students seeking a **Bachelor’s of Arts** (BA) degree must complete the following in addition to The Concordia Common Experience and major requirements:

**Writing Portfolio**
The Psychology major of Concordia University Texas (CTX) recognizes writing both as a mechanism of communication that is essential in the broader professional workforce and as a critical element of undergraduate study. Specifically, persons trained in psychology should be comfortable both reading and writing in a scientific manner. The Writing Portfolio will consist of three papers that have been rated by a course instructor as “Good” (i.e., warranting a grade of B) in quality regarding both content and style.

**Elective Hours**
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper level.

ALL students are required to complete the following general graduation requirements during their Junior or Senior terms: CAAP

**College of Science**
**Mission and Overview**
The College of Science offers majors in computer science, biology, environmental science, kinesiology, mathematics and nursing. Courses in these areas as well as in chemistry, physics, geology, and astronomy provide outstanding instruction to meet core graduation requirements of students in all majors. Offering the Bachelor of Arts (BA), Bachelor of Science (BS), and Bachelor of Science in Nursing (BSN) degrees, the College seeks to prepare students with the wide variety of experiences necessary for successful careers as well as for continuing education in graduate school. The College is committed to small class sizes, close interpersonal relationships, and open dialog that encourage students to explore scientific boundaries and complex issues within the context of the faith and values philosophy of the university.
Excellent classroom and laboratory facilities are complemented by a 250-acre unit of the Balcones Canyonlands Preserve on the main campus as well as the Friesenhahn Cave Preserve, a world-renowned fossil site in San Antonio. Entrusted with these unique resources the College engages students, faculty, and community in collaborative efforts to study and sustainably manage them. Experiential learning is emphasized as students have the opportunity to participate both domestically and abroad in a number of field courses, internships, service projects, and practicums.

Attendance Policy: Students may be dropped from any College of Science course by action of the Dean of the College if they have not attended the first two meetings of the course and have failed to contact either the instructor or the College of Science to explain their absence.

Why Choose a Degree from the College of Science?
Look at any list of growing employment areas. Most of the jobs listed will be in the area of science and technology. A degree from the College of Science can prepare you for a strong entry-level job, or it can lay the foundation for further education leading to careers like Research Scientist, Engineer, Physician, Physical Therapist, Mathematical Analyst and more. Major hyperlinks will take you directly to the requirements for the degree.

Why choose a major in Biology (BS)?
A major in Biology prepares you for:
- Entering medical school
- Entering graduate school in any area of Biology or Biotechnology
- Working for state or national park services, field research organizations, and environmental industries, and other science-related careers.

Why choose a major in Biology (BA)?
A major in Biology prepares you for:
- Entering medical school
- Entering graduate school in any area of Biology or Biotechnology
- Working for state or national park services, field research organizations, and environmental industries, and other science-related careers.

Why choose a major in Computer Science?
A major in Computer Science prepares you for:
- Entering graduate school in computer science fields
- Working for companies like Dell, Union Pacific, Engineering firms, Instrumentation manufacturers, and more—almost all industries today need Computer Science majors.
- Finding a job that pays well and provides a work environment (including both standard hours and the possibility of working online) that allow maximum engagement with family and children.

Why choose a major in Environmental Science and Conservation?
A major in Environmental Science and Conservation prepares you for:
- Working to preserve and protect our natural resources, whether in the field or through planning and legislation.
• Working for state or national park services, field research organizations, and environmental industries, and other science-related careers.
• Entering graduate school to further your education in the area.

Why choose a major in Kinesiology?
A major in Kinesiology prepares you for:
• Working as a sport coach, strength coach, personal trainer, sport or recreation administrator, and other health and wellness-related professions
• Entering a graduate program in physical therapy, athletic training, occupational therapy, or others
• Moving into your profession knowing how to maintain your own physical health and performance at high levels that will foster your success in any field.

Why choose a major in Mathematics?
A major in Mathematics prepares you for:
• Working in industry; industries look for students who major in mathematics because they have the problem solving skills and the analytical skills industry needs.
• Working in programming, teaching, actuarial science, statistics, operations research analysis, and many more math-oriented fields.
• Multiple job offers because employees with mathematics degrees are in high demand.

Why choose a major in Nursing?
A major in Nursing prepares you for:
• A career in health-care as a valued member of the health-care team
• Furthering your education and qualifications by pursuing MSN and doctoral degrees
• A career that can is not limited geographically. Nurses are needed everywhere.

Degrees and Majors Offered

Biology (BS)
The Bachelor of Science in Biology degree is designed to educate students in the breadth of subject matter encompassed by the biological sciences. Through critical thinking, hands-on experience, research, and investigation, students will develop an understanding of the field of Biology and gain a strong foundation for entry into a broad spectrum of graduate programs and careers in the biological sciences.

ALL students are required to complete the following general graduation requirements during their Junior or Senior terms:
CAAP
Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).

Computer Science (BS)
The Computer Science Major (BS) is modeled after the Association for Computing Machinery (ACM) recommendations, which require 39 hours of computer science and 18 hours of mathematics courses. In the required courses, students develop both the theoretical and the practical skills needed to design computer systems; to design, install, or repair computer hardware; to write software; to perform mathematical analysis of algorithms and performance studies; and to reason clearly, think analytically, and solve problems.

ALL students are required to complete the following general graduation requirements during their Junior or Senior terms:
CAAP
Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).

Environmental Science and Conservation (BS)
The Environmental Science and Conservation Major emphasizes the relationship between humankind and the natural world, prepares students to recognize the impact of human interventions on environmental systems, and provides students with the skills and knowledge necessary to be effective stewards of our environment. The fields of Environmental and Conservation Science are highly multidisciplinary, and that is reflected in the degree plan below.

Elective Hours
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.

ALL students are required to complete the following general graduation requirements during their Junior or Senior terms:
CAAP
Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).

Mathematics (BA)
The Mathematics Major (BA) offers a flexible program of study. The BA develops a broad knowledge of mathematics which equips students with abilities to solve modern problems and answer critical questions in our society. Students will be employable in industry, schools, and related math/science fields.

Students seeking a Bachelor’s of Arts (BA) degree must complete the following in addition to The Concordia Common Experience and major requirements:

Global/Cultural
3 hours from one of the following courses;
ENG 2301 World Literature: Classicism

MTH 3102  MTH 3104

Plus 6 additional upper level elective math hours.

Mathematics (BS)
The Mathematics Major (BS) offers courses in analysis, calculus, discrete mathematics, cryptology, differential equations, geometry, modeling, number theory, problem solving, probability, and statistics. In these courses, students develop the ability to reason clearly, think analytically, communicate mathematically, value mathematics, and solve problems.

Mathematics Requirements (45 credit hrs)
MTH 2401  Calculus I
MTH 2402  Calculus II
MTH 2301  Introduction to Statistics
MTH 2305  Discrete Structures
MTH 3410  Calculus III

MTH 3311  Linear Algebra
MTH 4101  Advanced Problem Solving
MTH 3317  Differential Equations
MTH 3315  Abstract Algebra

The fifteen remaining hours must come from upper level [3000 and 4000] MTH courses. (MTH 3301 and MTH 3302 are not accepted as upper level courses for the math major.)

Elective Hours
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.

ALL students are required to complete the following general graduation requirements during their Junior or Senior terms:
CAAP
Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP) exam (offered each long semester through Concordia).
Nursing (BSN)

The Nursing Major has two distinct parts: Pre-Nursing requirements and the Professional Nursing sequence. When you have registered for and/or completed all the Pre-Nursing requirements, you may apply for the BSN professional sequence, which takes two years to complete. The Pre-Nursing requirements provide students a solid foundation for the BSN program. The professional nursing sequence [NUR courses] will consist of nursing lecture and clinical courses that provide students the knowledge, skills, and attitude necessary to become competent and compassionate professional nurses and are only available to students admitted to the professional nursing sequence.

NUR courses are grouped and taken by semester. Courses taken in the first semester are indicated below by (J1). Those taken in the second semester are indicated by (J2), and those taken in the third and fourth semesters are indicated by (S1) and (S2) respectively.

Pre-Nursing Requirements

**Concordia Online**  

**Mission and Overview**  
Concordia offers fully-online programs, designed to allow busy, working adults to continue their education without interrupting work and family commitments. The programs offered include a Bachelor of Arts in Business, a Bachelor of Arts in Healthcare Administration, a Bachelor of Arts in Human Resource Management, a Bachelor of Applied Arts and Sciences in Technical Management, a Master of Education in Advanced Literary Instruction and a Master of Education in Differentiated Instruction. Details on these programs can be found at [online.concordia.edu/programs](http://online.concordia.edu/programs).  

It is the student’s responsibility to ensure the necessary hardware, software, and a reliable Internet connection is available throughout the entire course and/or program. Online courses and programs at Concordia University Texas strive to emulate the high-touch, hands-on atmosphere of the University. The required and recommended technologies will enhance your experience and engage you in the course. Students should ensure the required hardware, software, and settings are working properly before the first day of class. Students may call or email the CTX Helpdesk for assistance:  helpdesk@concordia.edu or 512.313.HELP (4357).  

It is the student’s responsibility to have the required hardware and software available when the online class or program begins. Contact the Online Center for more information.  

**Processes and Policies**
**Attendance**
Concordia University Texas expects students to log into class by Friday of the first week. Doing so establishes intention to participate in the course. Students are encouraged to log in often in order to maximize their educational experience. The census date for online undergraduate and graduate courses is at 12:00 a.m. (Central Time) on Day 6 of class. Online attendance for all undergraduate and graduate courses is maintained by logging into the learning management system and accessing the course a minimum of once per week. Individual programs and/or instructors establish additional attendance policies for courses and that policy is communicated to the student during orientation and in the course syllabus. Students are responsible for familiarizing themselves with this policy at the beginning of each course. Students receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance.

Faculty will contact students who have not logged into their online courses for seven consecutive days. Faculty will make at least two attempts to contact a student. If the student does not communicate with the professor within 48 hours of the second attempt, the student will be administratively withdrawn from class.

**Schedule Changes: Add/Drop**
Courses may be added or dropped during the online registration period which closes at 11:59 p.m. (Central Time) on Friday of Week 1. All course schedule changes must be filed by the student to his or her assigned Student Support Coordinator once the online registration period has ended. If a student is receiving financial aid, s/he must contact his/her Student Support Coordinator prior to dropping a course.

Students in the graduate cohort programs are not encouraged to drop courses. If dropping or changing schedules is absolutely necessary, the student must contact his or her Student Support Coordinator for instructions.

**Withdrawal**
Students enrolled in a course supported by the Online Center may withdraw from class through the traditional close of business on Friday of week eight (8). Signed and approved forms must be received by the Registrar’s Office by the traditional close of business on Friday of week eight (8) in order for the student to be withdrawn from the class and receive a “W” on his or her transcript.

**Refunds**
Tuition refunds are processed in accordance with the following schedule.

- If the student drops the class prior to the census date (the 6th day of class: 12:00 a.m. (Central Time) Saturday of Week 1): 100% refund
- If the student drops the class before the census date using the online registration system: 100% refund
- After the census date: 0% refund
A student is administratively withdrawn from class when:

- The student did not log into class by the census date (Day 6 of class: 12:00 a.m. (Central Time) on the Saturday of Week 1): 0% refund
- The student did not log in for seven consecutive days after initial log in and did not respond to faculty communication: 0% refund

Note: At 12:00 a.m. on the first day of class, the $150 Online Course Admin Fee is nonrefundable and is not a part of the tuition refund policy. The $150 Online Course Admin Fee is not applicable to students admitted to a CTX fully online program.

Students should contact their Student Support Coordinator for further information or questions about refunds.

Official Last Day of Class
All online courses officially end at 11:59 p.m. (Central Time) on Sunday of week eight (8). Please note some professors have assignments due before the last day of class in week eight (8). Students should confirm all final due dates with their professors.

Grades
Students enrolled in online courses may check their grades at any time during the session by viewing their grade reports in the learning management system, Moodle. Grades will be updated as assignments and activities are completed throughout the course. The grade report in Moodle is an unofficial posting of grades.

Complete course grades are posted to MyInfo within 7 to 10 business days after the official last day of the semester. Calculation of term and cumulative grade point averages is completed after all grades are submitted and are posted at the end of every term.

**OCICU Registration Process**

1) Student researches OCICU courses offered by Concordia; determines which course is needed; goes to OCICU website to determine pre-requisites necessary to take the course.

2) Student approaches Online Center Dean about OCICU requirements and pre-requisites. Students should supply confirmation that pre-requisites have been met (i.e. copies of transcripts).
   a) Approval/denial to take course is given; if approval is granted, student will fill out appropriate form provided by Online Center Dean.
   b) Student should frequently check ctx.edu email for communication from OCICU or Concordia concerning registration.
   c) Online Center Dean signs completed registration/schedule change form that student has signed.

3) Online Center Dean begins registration process with OCICU for student course selected

4) Once notified by OCICU that successful OCICU registration has taken place, the Online Center Dean will forward the original registration/schedule change form to Registrar’s Office for registration into the Concordia system.

5) Student is billed for tuition and online course fee.
NOTE: OCICU processes and policies differ from Online Center processes and policies.

Family Educational Rights and Privacy Act
The Family Educational Rights and Privacy Act of 1974 (FERPA), as amended, is a Federal law which states (a) that a written institutional policy must be established and (b) that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the institution will maintain the confidentiality of student education records.

As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records — including your Social Security Number, grades, or other private information — may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

Concordia University Texas accords all the rights under the law to students who are declared independent. No one outside the institution shall have access to, nor will the institution disclose any information from, students' education records without the written consent of students except to:

- Personnel within the institution who have a valid educational interest
- Officials of other institutions in which students seek to enroll
- Persons or organizations providing financial aid
- Accrediting agencies carrying out their accreditation function
- Parents of dependent students. The parent must present documentation that the student is a dependent for income tax purposes by claiming the student on their
income tax form; the parent must renew the request annually to show that the student is still a dependent for income tax purposes
- Persons in compliance with a judicial order
- In an emergency in order to protect the health or safety of students or other persons

All these exceptions are permitted under the Act.

Within the Concordia University community, only the following offices’ staff and faculty, individually or collectively, acting in the student's educational interest is allowed access to student education records:
- Registrar
- Financial Aid
- Admissions
- Accounting
- Chief Academic Officer
- Chief Enrollment Officer/Vice-President for Student Services
- Placement Advisors
- Academic Advisors
- NCAA Athletic Certification Official(s)
- Coaches
- ADP Center Deans
- Legal Counsel
- Other administrative personnel within the limitations of their need to know

**Inspect and Review**
The law provides students with the right to inspect and review information contained in their educational records, to challenge the contents of their educational records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels to be unacceptable. The Registrar at Concordia has been designated by the institution to coordinate the inspection and review procedures for student educational records, which include admission, personal, academic, and financial files, cooperative education, and placement records. Students wishing to review their educational records must make written requests to the Registrar listing the item or items of interest. Copies of the policy detailing the procedures to be used by Concordia University Texas for compliance with the provisions of the Act can be found in the Office of the Registrar.

**Directory Information**
Directory information is that information which may be made public without the written consent of the student. Such information may be disclosed by the institution for any purpose, at its discretion. Concordia University Texas hereby designates the following student information as Directory Information:
- Name
- E-mail address
- Local Address
- Local phone number
• Dates of attendance
• Classification
• Major Field of study
• Previous institution(s) attended
• Awards, honors (incl. Honors list)
• Expected date of graduation
• Degree(s) conferred with date(s)
• Photographs
• Past and present participation in officially recognized sports and activities
• Physical factors of athletes (height, weight)

Currently enrolled students may withhold disclosure of directory information. To withhold disclosure, written notification must be received in the Office of the Registrar prior to the ninth class day of any regular term. Forms requesting the withholding of Directory Information are available in the Office of the Registrar. Request for non-disclosure will be honored by the institution until the student takes action in writing to revoke the request. **Before taking this action, students are strongly encouraged to talk with the Registrar as implementation of this block results in far-reaching consequences.**

Concordia University Texas assumes that failure on the part of any student to specifically request the withholding of Directory Information indicates individual approval for disclosure.

The Family Educational Rights and Privacy Act ("FERPA") permits universities to notify the parents or guardians of students under 21 of alcohol and other drug violations which result in a determination that the student has committed a disciplinary violation. This exception to the privacy rights of students was enacted because of the health and safety consequences of alcohol and other drug abuse.

Concordia University Texas believes that parents share the University's concern for their students' health, safety, and academic progress. Therefore, Concordia University Texas may notify parent(s) or legal guardian(s) of any student under the age of 21 found responsible for a violation of any federal, state, and/or local law or University policy regarding alcohol and/or controlled substances or other dangerous drugs.

Students have the right to file complaints with the Department of Education concerning alleged failures by institutions to comply with the Family Education Rights and Privacy Act. Written complaints should be directed to: The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C., 20202-5920.

**The Solomon Amendment**

The Solomon Amendment is a federal law that allows military recruiters to access some address, biographical and academic program information on students age 17 and older.

The Department of Education has determined the Solomon Amendment supersedes most elements of FERPA. An institution is therefore obligated to release data included in the list of “student recruiting information,” which may or may not match SMU's FERPA directory information list. However, if the student has submitted a request to the University Registrar Office to restrict the release of his/her Directory Information, then no information from the student's education record
will be released under the Solomon Amendment.

**Definition - "Student Recruitment Information" or "Solomon Information"**

1. Name
2. Address (home and mailing)
3. Telephone (home and mailing)
4. Age
5. Place of birth
6. Level of education
7. Academic major
8. Degrees received
9. Educational institution in which the student was most recently enrolled

**Procedure for releasing information to military recruiter:**

Under the Solomon amendment, information will be released for military recruitment purposes only. Military recruiters may request student recruitment information once each term or semester for each of the 12 eligible units within the five branches of the service listed below:

- **Army**: Army, Army Reserve, Army National Guard
- **Navy**: Navy, Navy Reserve
- **Marine Corps**: Marine Corps, Marine Corps Reserve
- **Air Force**: Air Force, Air Force Reserve, Air Force National Guard
- **Coast Guard**: Coast Guard, Coast Guard Reserve

The request should be submitted in writing on letterhead clearly identifying the unit of service requesting the student recruitment information. The request should specify whether the information needed is for the current or previous semester.

**Deposits**

**Residence Hall Reservation Deposit for Future Students:**
A non-refundable reservation deposit of $225 is required of each student planning to live in a residence hall. This $225 is due in full by the published deadline for the relative term. It is applied to the payment of room fees.

**Tuition Deposit for Future Students:**
A non-refundable tuition deposit of $225 is required of all freshmen and transfer non-resident students. This deposit is applied to the payment of tuition and fees.

**Residence Hall Reservation Deposit for Current Concordia Students:**
A non-refundable reservation deposit of $200 is required of each student planning to live in a residence hall. This $200 is due in full by the published deadline for the relative term. It is applied to the payment of room fees.

**Master of Business Administration Tuition Deposit**
A non-refundable tuition deposit of $500 is required of all MBA students. This deposit will be credited to your first term tuition requirement and reserves your position in the cohort. The deposit is due ten (10) business days after receiving an admission decision.

**Payment Options**

**To confirm registration,** all charges for tuition and fees are due in full upon published deadlines for the relevant program and term. If registration is completed after the normal payment deadline, tuition and fees are due immediately upon registration. Payment may be made either online, by mail or in person at Student Central. Additional charges for special course fees, insurance, etc., may be assessed after registration and are due when charged to the student account.

Students who complete the financial assistance process may apply identified Credits/Anticipated Credits on the Student Schedule/Bill against the total charges; any remaining balance is due and must be paid in full. Eligible students planning to pay charges through the various student aid programs (please refer to the section on Financial Aid) must meet the deadlines required by the Student Financial Services Office. If student aid is not recorded by the due date shown on the Student Schedule/Bill, other payment arrangements must be made.
To satisfy payment requirements for the fall and spring terms, traditional and graduate students may request participation in a payment plan program that allows eligible students to make payments in installments. Information regarding this payment plan will be mailed out with your initial bill. Additionally, information regarding this payment plan can be obtained from your Student Support Coordinator. Setup fees are charged for participation in the program. Concordia is unable to offer this payment plan to Accelerated Degree Program students due to the condensed nature of the class terms.

Payment may be made by cash, check, money order, ACH, MasterCard, Visa, or Discover. Concordia assumes no responsibility for loss of cash if sent through the mail. Payments made by mail must be received by Concordia on or before their due date. A late charge may be assessed for accounts past due for over thirty (30) days. Further, a student whose account is in arrears may not be able to register for classes, receive transcripts, or recommendations.

Refunds
Tuition refunds are processed in accordance with the following schedule:

**Traditional Fall and Spring Terms**
- During the first ten class days of the term/Census date: 100%
- During the third five class days of the term: 75%
- During the fourth five class days of the term: 50%
- During the fifth five class days of the term: 25%
- After the twenty-fifth class day of the term: 0%

**Traditional Summer Sessions**
- During the first two class days of the term: 100%
- During the third and fourth class days of the term: 75%
- During the fifth or sixth class days of the term: 50%
- During the seventh and eighth class days of the term: 25%
- After the eighth class day of the term: 0%

**Master of Business Administration**
- Prior to the second teaching week of the term: 100%
- Prior to the third teaching week of the term: 75%
No other tuition refunds are granted.

**Master of Education**
- Any time before the first class session: 100%
- After the first class session but before the 2nd class session: 75%
- After the second session: 0%

**Accelerated Degree Program**
- If the student drops the class:
  - Prior to start of term: 100%
  - After start of term but prior to the 1st class meeting: 100%
- If the student withdraws from the class:
  - Within one week after the 1st class meeting: 75%
  - After 1 week from the first scheduled class meeting: 0%
- If a student is administratively removed from a class:
  - Did not attend first night of class (Administrative drop): 50%
  - Missed more than 4 hours of class (Administrative withdrawal): 0%

**Online Program**
- If the student drops the course:
  - Prior to the census date (6th day of class): 100%
  - After the census date (6th day of class): 0%
A student is administratively withdrawn if they do not log in:

- By the census date (6th day of class): 0%
- For seven consecutive days after the initial log in: 0%

*At 12:00 a.m. on the first day of class, the $250 Online Course Administrative Fee is non-refundable and is not part of the tuition refund policy. The $250 Online Course Administrative Fee is not applicable to students admitted to a CTX online program.

Students should contact their Student Support Coordinator for further information or questions about refunds.

**Other Refunds Are Processed as Follows**

- Scholarship, grant, and loan funding (student aid) awarded through the Student Financial Services office will be subject to the same prorated formula applied to tuition and fee refunds, unless otherwise stipulated by program requirements. The percentage of tuition, fees, room and board charged the student would be paid; the remainder of the student aid will be returned to the fund from which the award was paid. All students receiving Title IV (federal) student aid are subject to the return of student aid if withdrawing prior to the 60% point of any enrollment period. No refund of assistance will be paid to the student.
- Residence Hall Deposits are refunded in accordance with the statement concerning them in the section titled, “Deposits.”
- The unused portion of the Food Service Fee may be refunded when students discontinue food service during a term. Unused portions of the Food Service Fee at the end of a term will not be refunded.
- Student housing charges for students who leave the dorm during a term will be prorated based on the length of residence. Students must properly check out of housing in accordance with Housing Office policy to receive prorated charges.
- Refunds will be made payable to the student, with the exception of PLUS loan refunds which are made payable to the person who incurred the loan debt.
- These provisions apply to all students without respect to the reason for withdrawal or dismissal.

**Non-Refundable Fees**

These provisions apply to all students without respect to the reason for withdrawal or dismissal:
1. Special course fees and deposits
2. Tuition deposits
3. Student housing deposits

**Withdrawals**

Official withdrawal from the university is dated at the time a student signs a withdrawal request and files it in Student Central. Forms for withdrawal may be obtained in Student Central. The date of official withdrawal determines the charges assessed and/or refunded.

Non-attendance in classes or moving from the residence hall does not constitute official withdrawal from the university or from a course. Students who do not officially withdraw may receive grades for all registered courses and may be billed accordingly.
Graduation and Commencement

Application
Candidates for a Concordia University Texas degree or the Lutheran Teacher's Diploma must be registered for the appropriate Graduation Course during the final term in which the work is to be completed and the diploma/certificate is to be awarded. Registration for the graduation courses will be available during normal registration periods as published in the Academic Calendar. All students completing their studies must register for graduation regardless of their intent to attend the commencement service. If a student does not register for graduation, their record will not be flagged for graduation processing and the student would unfortunately not graduate.

Application Extension
If the student does not complete the work in the semester for which graduation registration took place, the registration will remain active for the remainder of the academic year in which the student applied. If the student does not complete their work in the academic year in which he/she applied, the student must re-register for graduation and will be charged a re-application fee.

Fees and Audit
Registering for the graduation course charges the corresponding fee to the student’s account (see Fees and Refunds).

Registration in the graduation course also initiates a comprehensive graduation degree audit. If the audit shows successful completion of all requirements (or current enrollment in remaining requirements) or that the student is eligible to participate in commencement, a confirmation email will be sent to the student’s ctx.edu email account with further instructions.

If the degree audit indicates that the requirements for graduation and/or participation in commencement have not been met, the student is sent a detailed explanation. This explanation includes a listing of all requirements still outstanding.

For additional graduation or commencement information, please visit: www.concordia.edu/commencement.

External Courses or Examinations
Students enrolled in outside courses or who plan to take exams for credit during their final term of study should inquire with the Graduation Office to verify when due dates are for official enrollment verifications or official score reports (CLEP, IBO, DANTES, etc.).

However, Concordia University Texas strongly recommends that students do not take courses at other institutions or examinations for credit such as CLEP during the final term of study. Delays can occur in the shipment of final official transcripts and score reports from other institutions or organizations. This in turn can delay the term in which the student is awarded their degree.

Official enrollment verification from another college or institution:
- Can take the form of a sealed official transcript showing the course(s) as "In Progress" or an official enrollment verification letter from the other institution detailing the courses in which the student is enrolled.
Until the official enrollment verification is received, a student cannot be cleared to graduate or to walk in commencement.

Notification
Pending graduates will receive important information regarding graduation and commencement via their CTX email accounts. It is the student's responsibility to check their CTX email accounts regularly, as all official communication from Concordia University Texas can only be sent to CTX student email accounts. For login and password assistance, please contact the IT Helpdesk at 512-313-HELP or helpdesk@concordia.edu. When a student graduates from Concordia University Texas, their CTX email account is theirs for life.

Requirements
Students seeking an Associate of Arts degree will
- Attain a 2.00 cumulative GPA in all college coursework attempted at Concordia.
- Successfully complete a minimum of 64 credit hours.
- Earn a minimum of 48 hours from the liberal arts and/or fine arts areas.
- Earn a minimum of 22 credit hours in residence.
- Register for the appropriate graduation course during published registration times.

Students seeking a Bachelor’s degree will
- Attain a 2.00 cumulative GPA in all work completed at Concordia; maintain a 2.25 cumulative GPA in their major; and maintain a 2.0 cumulative GPA in their minor. The following are exceptions:
  - Religious Education majors must earn a 2.50 cumulative GPA and maintain a 2.50 GPA in the major.
  - Elementary School Curriculum, Middle School Curriculum, Secondary School Curriculum and Special Education majors must earn a 2.75 cumulative GPA, and a 2.75 GPA in the major based on all courses attempted at any college including Concordia.
- Earn a minimum of 39 upper-level credit hours (courses beginning with a “3” or “4”).
- Earn a minimum of 45 credit hours in residence*.
- Earn a minimum of 128 total credit hours.
- Earn 12 upper-level credit hours in major in residence.
- Earn nine (9) credit hours for a minor in residence.
- Complete all of the specific course requirements outlined on the degree plan including either passing the computer competency exam or successfully completing the required computer course.
- Valid completion of the Collegiate Assessment of Academic Proficiency (CAAP)** exam (offered each long semester through Concordia).
- Register for the appropriate graduation course during published registration times.

*Residency Requirements
- At least 45 credit hours must be earned in residence at Concordia University Texas.
- A minimum of twelve upper-level hours in the student’s major must be earned in residence.
- A minimum of nine (9) credit hours for the minor must be earned in residence.
- Concordia will not accept transfer course credit toward final completion of the degree requirements for courses beginning more than three (3) years after the student has taken his/her final course work at Concordia.
Students who intend to complete their final course work at an institution other than Concordia must, while in residence, receive approval for such action from the Dean of the School in which they are taking their major and turn in the form to the Registrar’s Office for filing in their permanent record.

**The Collegiate Assessment of Academic Proficiency (CAAP) is a standardized assessment program that enables postsecondary institutions to assess, evaluate, and enhance the outcomes of their general education programs.**

***The Graduate Record Examinations® (GRE) measures verbal reasoning, quantitative reasoning, and critical thinking and analytical writing skills. The GRE® Subject Tests gauge undergraduate achievement in 8 specific fields of study.***

**Honors (Latin)**  
(Undergraduate Students Only)  
Degree seeking, 4-year undergraduate students with at least 60 credit hours in residence and whose cumulative Concordia grade point average is 3.50 or higher at the end of the term in which the student completes degree requirements are eligible for graduation with honors. This academic status is recorded on the student's official transcript.

Honors will be awarded as follows:  
- Summa cum Laude 3.900 - 4.000  
- Magna cum Laude 3.750 - 3.899  
- Cum Laude 3.500 - 3.749

For information on participating in commencement with honors, see “Commencement Ceremonies” section below.

**Diploma**  
Concordia University Texas provides diplomas to its graduates following certification of degree completion. Names and majors are placed on the diplomas according to the information provided in the University data system.

The name used on the diploma will be the one found in the university data system. Students will find the exact spelling and format of their name in the official email that they receive showing their graduation audit results. It is the student’s responsibility to verify that their name is correct. The only name changes allowed are those made to the student’s official records. A change of this type is done by filling out a Name Change Request Form and submitting it along with appropriate documentation to the Registrar’s Office no later than four (4) weeks prior to the graduation date for that term. If a diploma must be reprinted and resent because the student did not verify the spelling and format of their name, the student will be charged the replacement fee for a new diploma.

Diplomas are mailed at no cost to a student’s permanent address as shown in the student data management system. It is the student’s responsibility to verify the permanent address is correct at all times, but especially prior to the end of the term in which the student will graduate. Diploma mailing addresses are confirmed on the first business day after the term is completed. If a diploma is lost in the mail because the student did not provide our office an accurate address, the student will be charged the replacement fee for a new diploma. Average length of time for diploma delivery is one to two months.
from the point of certification following the end of the term. Any diplomas that are returned as undeliverable will be held in the Office of the Registrar at the Main Campus for pick up.

Only one diploma is issued per degree. For students graduating with a dual major, both majors will be listed on the diploma. If the student is graduating with different degrees (BBA, BA, BS, BSN,) the student will be issued one diploma per degree.

Please Note: If a student has an outstanding financial obligation to the university, the Registrar’s Office will be unable to release their diploma until the obligation is resolved.

Degree Certification
Degrees are awarded three times per year at Concordia University Texas. After the term is complete, final grades are due from faculty the following week (see Academic Calendar). Once grades are posted and finalized for the term, the graduation office can begin the process of degree certification. Once it is determined that a student has met all degree requirements, their degree will be awarded and posted to the student's transcript. Undergraduate students will also have any applicable Latin Honors designation posted to their transcript at this time.

As applicable:
- Diplomas will include Degree, Major, Degree Date.
- Final transcripts will include Degree, Major, Concentration/Specialization, Degree Date, and for undergraduate students, applicable Latin Honors designation.

Any student that has not met graduation requirements will receive an email to their ctx.edu account as well as a letter to their permanent address as shown in MyInfo detailing which requirements are missing so that they can graduate in a later term.

Commencement Ceremonies
Taking part in the commencement ceremony is a privilege, not a right. Students may participate in commencement only once per degree awarded. Students graduating with dual degrees or majors will choose which college in which they wish to be acknowledged at the ceremony. Student will be listed in the commencement program separately for each major/degree.

The following conditions must be met before students are declared eligible to participate in the commencement service. Students must:
- register for the appropriate Graduation course
- have completed all of the requirements needed to graduate*
- be currently enrolled in or participating in all remaining classes required for graduation (enrollment verification and transfer course approval must be supplied if courses are taken at an institution other than Concordia)*
- be at or above the minimum GPA requirement for the degree and the major
- submit exam scores and transcripts by deadline designated by the Registrar’s Office
- have a zero balance on their University account

*If the student does not meet the forty-five (45) hour residency requirement (cumulative), the twelve (12) upper-level hour major requirement, the 50% of minor credit hours in residency requirement, or any other requirement but is enrolled in courses in the commencement term that will fulfill the requirement, the student will be allowed to participate in the commencement service.
NOTE: Honors at commencement, including cum laude, magna cum laude, summa cum laude (explained previously in this section), and honor societies, are determined at the end of the term preceding the commencement ceremony. This determination is based on the cumulative GPA at the end of the preceding term and whether or not the student has met the sixty (60) hour residency requirement. Undergraduate students will receive their honor cords from the Concordia University Bookstore, while graduate students receive honor cords from the honor society to which they belong.

Concordia offers graduation ceremonies three times a year. The fall term service takes place on the first Saturday in December. The spring term service takes place on the Saturday following the close of the term. The summer term service takes place on the first Saturday in August. Location, time, and other information can be found on the website at http://www.concordia.edu/commencement.

Honor Societies
Alpha Chi
Alpha Chi is a nationally affiliated honor society. In order to be considered for inclusion in this honor society, students must achieve
- junior or senior standing,
- a grade point averages of 3.50 or above,
- completed one-half of the credits required for graduation (traditional) or earned not fewer than twenty-four credit hours of credit toward a baccalaureate degree (transfer), and
- rank in the top 10% of their classes.

The number of students invited to join is directly related to the number of students in the junior class and the senior class. “…not more than the top-ranking ten percent of students classified as juniors and not more than the top-ranking ten percent of students classified as seniors, including those previously elected to membership, may be elected to membership.” (Alpha Chi Chapter Handbook, retrieved 03/10/08 from http://www.harding.edu/alphachi/constitution.htm)

Alpha Sigma Lambda
Alpha Sigma Lambda is a nationally affiliated honor society for adult non-traditional students with a grade point average of 3.50 or higher and who have completed at least 24 hours at Concordia University.

Pi Lambda Theta
Pi Lambda Theta is a nationally affiliated honor society for junior or senior undergraduate, graduate and certificate/diploma students in education who have maintained a grade point average of at least 3.5.

Sigma Beta Delta
Sigma Beta Delta is the highest nationally recognized honor society for students of business management and administration. Members must rank in the top 20% of the junior, senior or master's class and be invited to membership by the faculty officers.

Upsilon Phi Delta
Upsilon Phi Delta is the premier honor society for students in the profession of healthcare administration to advance their competence and academic excellence. Members are honored on the basis of academic achievement, a grade point average of 3.5 or higher, service to the community and leadership contributions to the healthcare management field. The official colors are crimson red and cobalt blue.
Intercollegiate Sports and Athletics

**Intercollegiate**
Concordia is affiliated with the National Collegiate Athletic Association (NCAA) Division III and with the American Southwest Conference. Concordia currently participates in men's and women's basketball, golf, soccer, cross country, and track and field, as well as men's baseball, and women's softball and volleyball.

**Intramural/Recreation**
Concordia offers an extensive intramural/recreation program administered through the Office of the Dean of Student Services. Both team and individual sports and activities are sponsored including basketball, volleyball, beach volleyball, softball, racquetball, trivial pursuit and others. Students may participate individually or join a team. No previous experience is required.

**NCAA Athletic Eligibility**
The athletic program is open to all full-time, regularly enrolled students who are in good standing with the university and who are in compliance with the eligibility requirements indicated below. Concordia athletes compete in men's and women's basketball, cross country, golf, soccer, track and field, men's baseball, and women's softball and volleyball.

The Faculty Athletic Representative, the NCAA Compliance Officer, the Athletic Director and the Registrar are charged with the responsibility of ensuring that all participants in intercollegiate athletics are eligible in accordance with the rules and regulations of the NCAA prior to their representing the institution in any manner. This responsibility is taken very seriously and eligibility is carefully checked.

**NCAA Athletic Eligibility Standards for New Students**
In addition to NCAA standards, Concordia University requires that during their first academic year of attendance students must meet the following requirements in order to participate in NCAA intercollegiate athletics.

First-time, Full-time Freshmen must:
- Be a graduate of an accredited high school or be accepted as a regular student (for GED, home schooled, international students, graduates of non-accredited high schools), and
- Be accepted as a "student in good standing."

Transfer Students must:
- Be accepted as a "student in good standing" based on Concordia’s current rules regarding transfer student admission.
- Have been considered academically and athletically eligible to practice, play and receive financial aid based upon the academic performance at their prior institution.
- Have at least two (2) terms of NCAA eligibility remaining or meet the fourth (4th) year academic eligibility requirement.

**Maintaining NCAA Continuing Eligibility for Student Athletes**
In order to remain eligible to participate in NCAA intercollegiate athletics, student-athletes must:
- Demonstrate satisfactory progress toward a recognized baccalaureate or graduate degree
- Meet Concordia’s Standards of Academic Progress requirements
- Remain in “Good Standing” academically

**Satisfactory Academic Progress**

Concordia University Texas has established Standards of Academic Progress (SAP) as an integral part of its goal to promote student success. Student must successfully meet both the Grade Point Evaluation and the Earned Credit Hour Standards. Periodic measurements are made of each student’s academic achievement in comparison to the standards established as the minimums for continued participation in the program. It is in neither the students’ nor Concordia’s best interest to have students remain in a program if satisfactory progress is not being achieved toward degree completion. For students who have difficulty meeting these minimum standards, Concordia has in place a series of interventions to determine the nature of each student’s difficulty and to set immediate goals and strategies for improvement. When indicated, permission for continued enrollment and eligibility for financial aid is withdrawn by Concordia in a timely and professional manner.

**Academic Evaluation Standard**

**Grade Point**

Qualitative standards of academic progress are assessed through Grade Point Average (GPA) evaluation. The calculation of the grade point average is done at the end of each term (spring, summer, fall). Only courses taken at Concordia are used to figure GPA. Calculation is done by dividing attempted hours by quality points (see Table 1 below). Attempted hours are all credit hours in which the student is enrolled on the date of record for the semester (census day). If a course is repeated, only the highest grade** will be figured in the GPA. For the purpose of GPA calculation, grades of "I", “NC”, or "W" will not be counted.

**Determining Quality Points**

**Table 1**

<table>

<td>4 pts. X number of credit hrs</td>
<td>3-credit hr. course = 12 pts.</td>

**Highest grade earned on a repeated course is figured into the calculation to determine GPA. The lower grade no longer counts in the GPA calculation, but the hours are included in attempted hours on transcript.**

A Concordia student must maintain a prescribed GPA (see diagram below) to remain in good academic standing to graduate from Concordia. If the term GPA is less than 2.00 at the end of any term during
which at least one GPA course was completed, the student is placed on Dean’s Warning (provided the student was not dismissed under another provision of this policy). Developmental courses are not considered GPA courses and are therefore not calculated into the cumulative GPA. [For freshman, the first term GPA is the same as the cumulative GPA. Therefore, if the term GPA is below a 2.0, the cumulative GPA would also be below a 2.0 and would result in the student being placed on financial aid warning.]

If at the end of any term the student’s cumulative GPA drops below the prescribed standard (see diagram below), the student is placed on Academic Probation for the next term in which the student is enrolled. Academic Probation is permanently noted on the student’s transcript and becomes part of the student’s permanent record. In addition, if it is the student’s first time to drop below the prescribed standards, the student will be placed on Financial Aid Warning.

**Earned Credit Hour**
Quantitative standards of academic progress are assessed through earned credit hour evaluation. The calculation to determine whether or not the correct percentage of coursework has been earned (credit given) is done at the end of every term (spring, summer, fall). See Table 2 below.

- All hours transferred in plus all hours attempted at Concordia are used to determine Level.
- Only courses passed with grades of "A", "B", "C", "D", "P", or “CR” will be counted as hours earned.
- Grades of "I", "F", “NC”, or "W" will not be counted as credits earned, but will count towards credits attempted.
- Courses repeated to improve GPA will not be counted as hours earned toward satisfactory progress but are counted as hours attempted.

(*partial hours will be rounded up)
If at any time the student does not reach the required percentage of earned hours or the student’s cumulative GPA drops below prescribed standard, the student is placed on Academic Probation. In addition, if it is the student’s first time to drop below the prescribed standards, the student will be placed on Financial Aid Warning.

**Academic Probation Sanctions and Financial Aid Warning**

While on Academic Probation and Financial Aid Warning, the student

- is limited to fifteen (15) hours or less of registered courses within the term,
- must meet with the director of the Success Center within the first two (2) weeks of classes (either in person or by telephone),
- may be referred for counseling
- is eligible to receive financial aid.

**Standards of Performance**

**Students on Academic Probation and Financial Aid Warning - Undergraduate**

The initial Academic Probation and Financial Aid warning period is for only one term and formal academic advising is encouraged prior to enrollment in this term. The student who enrolls during an Academic Probation/Financial Aid warning term must attempt at least one degree-required course. At the end of the term, the student will be in one of the following categories:

If any of the following occurred, the student is academically dismissed and suspended from receiving financial aid:

- Withdrew from all courses during the term
- Enrolled in one or more non-degree-required courses, but did not pass them all
- Enrolled in and completed one or more degree-required courses, and the cumulative GPA was below 2.00
- Did not meet one or more quantitative standards

To return after an Academic Dismissal, the student must have successfully appealed the dismissal and registered for courses. The student returns to Academic Probation standing and is eligible for financial aid:

To achieve “good” standing, the student must:

- Completed the term
- Passed all developmental courses attempted during the term
- Cumulative and term GPA were at least 2.00, or had never completed a degree-required course
- Met all quantitative standards

**Progression toward a degree - Undergraduate**

Undergraduate students must complete their academic program within the federally mandated maximum permissible timeframe (not to exceed 150% of the published length of the program). Application of these requirements includes all terms of enrollment, whether or not degree-required courses were taken or if financial aid was awarded or received.
Appeal Process
To appeal an Academic Dismissal/Financial Aid Suspension, the student should contact Student Central. Appeal forms along with instructions will be sent to the student. Academic Dismissal and Financial Aid Suspension appeals for reinstatement must be submitted in writing to Student Central or a Student Support Coordinator. All Academic Dismissals and Financial Aid Suspensions must be successfully appealed prior to attempting to continue study at Concordia University Texas.

• All appeals must include the Dismissal Appeal Form and be submitted at least ten (10) business days prior to the start of the next term or the intended enrollment period.

• All appeals must explain the cause of the mitigating circumstances that directly contributed to the poor performance, including any documentation necessary to validate issues of fact, and provide evidence that these circumstances have been remediated or are no longer a contributing factor towards your ability to perform academically.

• Student must provide a realistic plan for meeting the requirements to be restored to good standing. The Academic Appeal Documentation form (obtained from Student Central or a Student Support Coordinator) should be used to properly prepare the required documentation and must be submitted with the Dismissal Appeal Form.

The Dean or their designee, in consultation with student’s faculty advisor and Division Chair as deemed necessary, will review the petition and decide on the outcome of the appeal including any conditions or requirements. The Dean may or may not choose to meet in person with student. If student has not yet declared a major, the petition should be submitted to the Registrar. A committee chaired by the Registrar, and including the Faculty Advisor, Chief Academic Officer and one of the College Deans will review the petition and make the official ruling.

NOTE:
❖ Submitting the correctly completed forms does not automatically guarantee reinstatement.
❖ Student will be notified of the results of the appeal by letter and/or email to student’s CTX email account.

Secondary Appeal
Denied petitions for reinstatement may be presented to the Chief Academic Officer’s Office with an additional written statement delineating the challenges to the prior ruling and providing any additional relevant information. The Chief Academic Officer or an appointed academic review committee (Deans or designees involved in the initial appeal decision will be excluded) will consider the challenge appeal. Challenges received after the start of the next term will not be granted reinstatement until the following term.

Reinstatement
If the appeal is approved and the reinstatement takes place prior to the end of late registration, the student will be permitted to register for classes. Readmitted students are automatically placed on Academic and Financial Aid Probation status for the term in which he/she is reinstated. Failure to meet the requirements specified in the appeal approval or those required for the probationary term will result
in a second academic dismissal and financial aid suspension from the University. Reinstatement from such a second dismissal is not generally approved except in extreme situations.

Once a student has been Academically Dismissed, a successful appeal process as outlined previously in this section must be completed prior to or as part of the re-enrollment process. In order to register for courses, the student must be fully admitted to Concordia University Texas.

If the appeal for reinstatement is not successfully completed prior to the end of the late registration period, the individual is required to complete the re-enrollment process.

**Recommended Application Dates**

**Returning Students**

For the 2014-2015 school year
- March 31, 2014

**New Students**

Starting Summer 2014
- March 31, 2014

Starting Fall 2014
- March 31, 2014

Starting Spring 2015
- October 31, 2014

Applications will be accepted after these dates. However, a personal payment may be required to meet the deadlines for tuition payments. Please refer to Section 5.03 Payment Options for further information.

**Application Information**

Students interested in applying for financial aid must be accepted for admission to Concordia University Texas (CTX) and submit the Free Application for Federal Student Aid (FAFSA) for the relevant year. Students applying for federal student aid must meet all US Department of Education eligibility requirements. If an applicant’s FAFSA is selected for verification, students may also be asked to submit additional documentation as instructed by CTX Student Financial Services. When all required documents have been received by CTX Student Financial Services, the student's eligibility is calculated and an award package is then constructed through a combination of scholarships, grants, low-interest loans, and/or on-campus work-study programs depending upon the student’s eligibility and the funds available.

Eligibility for all financial aid requires that a student be accepted for admission or be currently enrolled and maintaining Student Financial Services Satisfactory Academic Progress described in Section 6.08 below.

Concordia University Texas offers a variety of financial aid programs based on financial need, merit, a combination of need plus merit and/or other criteria. These programs include but are not limited to:
Scholarships
- Lutheran Servant Leadership Award (four-year renewable)
- President’s Scholarship (four-year renewable)
- Transfer President’s Scholarship (three-year renewable)
- Leadership Scholarship (four-year renewable)
- Transfer Leadership Scholarship (three-year renewable)
- Luther Scholarship (four-year renewable)
- Transfer Luther Scholarship (three-year renewable)
- Walther Scholarship (four-year renewable)
- Transfer Walther Scholarship (three-year renewable)
- Dean’s Grant (three-year maximum)
- Community Scholarship (recommended by Leander Independent School District)
- Music Scholarships (determined by department)
- Business Scholarship (determined by department)
- Biology Scholarship (determined by department)
- Behavioral Sciences Scholarship (determined by department)
- Education Scholarship (determined by department)
- Alumni Award (determined by department)

Grants
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Teacher Education Assistance for College and Higher Education Grant (TEACH)
- Texas Tuition Equalization Grant (TEG)
- Concordia Grant
- Church Work Grant

Loans
- Federal Direct Loans (subsidized and unsubsidized)
- Federal Direct PLUS Loan (Parent Loan for Dependent Undergraduate or Student Loan for Graduate)
- Alternative Loans

Employment
- Federal College Work-Study
- Texas College Work-Study

Scholarship endowments and trusts are established by generous donors and designated for the benefit of Concordia's students and faculty. Endowment earnings are used to fund CTX scholarships and general grants. If a student's institutional aid (scholarship or grant) is funded by an endowment, the students may be required to write thank you notes to their donor(s). For a list of, or to set up a named scholarship, contact the University's Vice President for Advancement.

Financial Aid for Accelerated Programs
The Accelerated Degree Program was created for working adults to be able to attend class in the evening. Financial aid is available to those who qualify. Students in the Accelerated Degree Program may qualify for Federal Pell Grant and Federal Direct Loans. Students may also consider alternative
loan programs to assist in covering the difference between financial aid awarded and the cost of attendance. **The application dates for financial aid and the deadline for payment of tuition may be on different schedules.** Check with your Student Support Coordinator for financial aid/payment deadlines each term.

**Return of Title IV Funds**
Financial aid is awarded to a student based on the assumption that the student will complete the period for which the aid has been awarded. When a student withdraws from the university and has federal aid, a Return of Title IV Funds calculation must be completed. Funds included in the Title IV return include: the Federal Pell Grant, the Federal Supplemental Educational Opportunity Grant (FSEOG), and Teacher Education Assistance for College and Higher Education Grant (TEACH); along with Federal Direct Loans such as subsidized, unsubsidized, and the PLUS loan (both Parent and Graduate). Federal Work-Study earned is not included in the calculation.

An overview of the Return of Title IV process is as follows:

- The student should contact their Student Support Coordinator for a Withdrawal Form. This form should be completed for all students wishing to withdraw from the university and not just for those with federal aid.
- The Withdrawal Form will require several signatures. Students should always consult with their advisor before requesting the Withdrawal Form.
- The withdrawal date is reported on the Withdrawal Form and is generally the last day of attendance. Should there be any question about the date, Student Financial Services will determine the date of withdrawal based on feedback from the student's professors. Student Financial Services will be responsible for completing the return within 30 days of the date of withdrawal and will notify the student as to whether the school or the student will be responsible for repayment of Title IV funds, if applicable.
- Student Financial Services is responsible for tracking all notifications and deadlines and, in the event of an overpayment by the student, the office will notify the student within 30 days of the withdrawal date as to the student’s responsibility to repay the funds within 45 days of the date of the notice and the options for repayment.
- Should the student be eligible for a post-withdrawal payment of aid, a written notice to the student will occur within 30 days of the date of withdrawal. The student will be required to report to Student Financial Services within 14 days after the date of the notice as to whether or not they wish to accept the post-withdrawal disbursement. In the case of a loan creating the post-withdrawal disbursement, the student will be counseled as to the nature of the funds. The school will disburse any accepted post-withdrawal disbursement within 120 days after the date of withdrawal.

**Veterans Educational Benefits**
For students who are eligible, Veterans Educational Benefits can be used to offset college costs. For information about Veterans benefits, please use the VA web site, [www.gibill.va.gov](http://www.gibill.va.gov).

- Chapter 33 – Post 9/11 and Yellow Ribbon Program
- Chapter 35 - Survivors' and Dependents' Educational Assistance
- Chapter 1606 - Selected Reserve Educational Program
- Chapter 1607 - Gulf War Selected Reserve Educational Program
For information about Veterans financial aid related to Concordia University Texas, go to the Financial Aid section of this catalog.

Once the Veterans Administration determines eligibility, the student will be issued a certificate of eligibility from the VA. A copy of the certificate must be turned into the VA Certifying Official at Concordia University before the student’s enrollment will be certified to the VA.

The VA Certifying Official also needs a copy of the student's DD-214 showing all schools attended, or a Community College of the Air Force (USAF) transcript, or a SMART (USN or USMC) transcript. If there is more than one DD-214 showing schools attended, the VA certifying official will need copies of each one. This will allow an evaluation of the student's military education and experience to determine if credit can be awarded. Receipt of a DD-214 does not automatically trigger VA benefits.

Students receiving VA educational benefits must maintain a cumulative GPA of 2.00 to be considered making satisfactory academic progress. Students on academic probation, who fail to achieve a term GPA of 2.00 at the end of the first probationary term, will be reported to the Department of Veterans Affairs as making unsatisfactory progress. Students who fail to achieve a cumulative GPA of 2.00 at the end of the second probationary term will be reported to the Department of Veterans Affairs as making unsatisfactory progress. For more information on satisfactory progress, see the Standards of Academic Progress section of this catalog.

### Student Services

Student Services staff members seek to support the mission of Concordia University Texas by intentionally building relationships among students, faculty and staff to enhance a sense of campus community, facilitating holistic (spiritual, intellectual, social, and physical) growth among students, and modeling servant hood as the cornerstone of Christian leadership. For more specific information about Student Services, please refer to the University’s website.

### Career Services

The goal of Career Services is to prepare students to serve as Christian leaders in the workplace. Career Services assists students by giving them the tools to connect with employers from their first part-time jobs, through internships to full time employment and beyond. Students can log in to the electronic job board at [www.myinterfase.com/concordia-texas/student](http://www.myinterfase.com/concordia-texas/student) to access on-campus, local, national and international job and internship postings. Students may schedule individual appointments to work on resumes or discuss their career plans either in person or by telephone by emailing careerservices@concordia.edu.

The Career Services website ([www.Concordia.edu/careerservices](http://www.Concordia.edu/careerservices)) has links to resources including resume tools and What Can I Do With This Major? Assessments including MBTI (Myers Briggs Temperament Indicator) and Strong Interest Inventory are available for a minimal fee. Career Services also sponsors Career Fairs and special events such as Mock Interviews and the annual Etiquette Dinner to allow students to practice skills needed to be competitive and successful in the job search.
**Library**
The Concordia University Texas Library, located in Building F on the main campus, holds over 150,000 books, in print and/or online format, as well as a growing collection of DVDs, CDs, and vinyl recordings. The library subscribes to more than 100 academic databases with access to several thousand online journals, many in full-text format, and over 500 journal titles in print format. For items not held in our collection, the library offers Interlibrary Loan, by which patrons can have materials sent to this library from other participating libraries. CTX Library is also a member of the TexShare Library Consortium, which allows our patrons to receive a card to directly access and in some cases even check out materials from other participating area libraries across the state. There are a variety of places for individual and group study in the building; we host the primary campus computer lab as well as provide WiFi throughout the building and campus. For research help, students can contact library staff, by phone at (512) 313-5050, email at library@concordia.edu or text us at (512) 981-7550. In some cases librarians also visit classrooms. Our website (www.concordia.edu/library) offers both on-campus and off-campus users access to our online catalog and databases through a sophisticated discovery tool (“Jump Start”) that streamlines access to all library online resources with one search box. We provide online research guides and tutorials to assist users during all stages of their research and writing process.

### Remember to note the Undergraduate Catalog year of your degree plan.

*Catalogs specify degree requirements and policies and procedures that govern your graduation. It is important that when you speak with your advisor to discuss your degree requirements you know your catalog year and communicate that to him/her. Failure to comply with the rules of your catalog can result in taking classes that will not count toward your degree.*

**Transcripts**

Concordia has partnered with eSCRIP-SAFE, an electronic transcript service, to make Transcripts on Demand available to CTX students and alumni. Transcripts on Demand is a secure online service that allows students to create transcript requests online, submit payment, have them automatically sent for approval to Concordia. As part of the requesting process, the individual has the option of selecting electronic or postal delivery as well as requesting delivery to individual institutions or persons. Before selecting electronic delivery, it is highly recommended that the individual check with the receiving institution to see if electronic delivery is accepted.

When you create a transcript request online, the entire process is secured using the same kind of online encryption most banks use (i.e. – SSL encryption). Email updates are sent letting you know of the status of your transcript.

Because it is important to Concordia and Scrip-Safe that you know your records are secured during this process, you will be asked to complete a consent form the first time you request a transcript. Once this is done, you will never have to complete it again as long as you log into the same account.

If the requestor has a “hold” on their record, the transcript request will not be processed. The individual will be notified of the hold and asked to contact the appropriate office to resolve the issue. If the issue is resolved within fourteen (14) days from the date of notification, the individual will not need to complete a new request but will need to notify the Registrar’s Office (colleen.rinaldi@concordia.edu) that the hold has been removed so that the process can be completed.

---

**Ordering Transcripts**
Official
Click on the following link: Transcript Requests. Cost for electronic delivery of a transcript is $7. Cost for a paper copy of a transcript is $9 plus delivery.

*Current active students of Concordia University Texas may pick up a standard-request official transcript from the Registrar’s Office at no charge. If the transcript is to be mailed, the $7.00 fee applies. A completed Transcript Request Form is required for each request.

Unofficial Transcripts
Unofficial Transcripts may be printed through MyInfo.

Transcripts from Other College and Universities
Official transcripts may be mailed to Concordia University from the issuing College or University. Hand carried official transcripts are accepted only if in a SEALED envelope and issued from another College or University. Concordia University Texas accepts electronic transcripts processed through eSCRIP-SAFE. All questions regarding the authenticity of transcripts will be resolved by calling the issuing institution and verifying all information in question.

Transcripts from a Foreign Country
Transcripts issued from a foreign country and/or in a language other than English must be translated, word for word, by a nationally recognized organization providing this service. Concordia recognizes the services of AACRAO and uses them for translation services. We cannot guarantee the acceptance of other providers. AACRAO can be contacted on the web at www.AACRAO.ORG. Click on Non-member > International> Modern Education Credential Service > Course-by-Course Evaluation. The cost of this service is the responsibility of the applicant/student.

Undergraduate Course Information and Course Descriptions

Course Numbering System
1. The first digit shows the level at which a course is ordinarily taught.
   a. "1" level courses are open to first-term freshmen.
   b. "2" level courses are open to freshmen, but typically have a college-level prerequisite.
   c. "3" level courses are upper-level courses.
   d. "4" level courses are typically terminal courses within a major.
2. The second digit in the course number shows the credit hours of credit the course carries.
3. The remaining two numbers indicate a sequence within the discipline.
4. The numbers following the course title designate the numbers of lecture/lab hours the course requires each week (based on a traditional 15-week semester).

on-the-job experience and training related to academic education and long-term goals. May be repeated once for credit as an elective, but only three credit hours will count toward any Business Management major. An upper-level course for business majors only; graded on a pass/fail basis. **Students must meet all of the internship requirements during the semester in which they are enrolled in the internship. Students may enroll in this course any time during the semester prior to the “last day to withdraw from a class with a W” as published in the official academic calendar.**

**BADM 4367 Finance Internship (under construction)**

**BADM 4311 International Business Management. 3,0**
Will be offered as either a travel course or classroom course, depending on the interest and/or time offered. Students will spend a total of 45 hours in classroom-type settings (either on or off Concordia’s campus). Course Requirements: Travel to designated site (if offered), readings from text, outside readings, written papers, and exams.

**BADM 4312 Strategic Management 3,0**
This course provides student with advanced level learning and critical thinking skills in the areas of strategic planning, implementation and control. Integrated learning will take place using the various business disciplines, applying a general management point of view. An overview of historical thought in strategic management will provide a basis for students to think about and form their own theories and management styles. Students will apply their leaning through case studies and class projects.

**Prerequisite: BADM 3311 Principles of Management.**

**BADM 4320 International Human Resource Management**
Basic HR principles and guidelines apply when working with all people, but the quickly-growing global workplace brings more complex and ever evolving challenges. Coursework and discussions will focus on these differences as they apply to companies with employees in multiple global locations as well as to companies whose employees come from international backgrounds.

**Prerequisite: BADM 3340**

**BADM 4340 Organizational Staffing and Selection**
Focuses on the management of organizational talent. The terms, concepts, principles, and practices covered in this course prepares leaders to develop strategies to identify, attract, select, hire, mobilize, and retain employees who will effectively contribute to organizational success.

**Prerequisite: BADM 3340**

**BADM 4341 Human Resource Mgmt Internship**
Focuses on providing students with meaningful work

**Pre-requisite: BADM 3340 Human Resource**
experiences in Human Resource Management (HRM) similar to those which are normally found in organizations. Emphasis of the internship program is to provide interns an exposure to a wide variety of opportunities including as much “hands-on” experience as possible. Students are expected to graduate in the calendar year that this course is completed. Incompletes are not allowed in this course. Students may enroll in this course any time during the semester prior to the “last day to withdraw from a class with a W” as published in the official academic calendar. The course may be repeated once for credit as an elective, but only three credit hours will count toward any Business Management major.

**BADM 4350 International Marketing 3.0**  
Will be offered as either a travel course or classroom course, depending on the interest and/or time offered. Students will spend a total of 45 hours in classroom-type settings (either on or off Concordia’s campus). Course Requirements: Travel to designated site (if offered), readings from text, outside readings, written papers, and exams.

**BADM 4351 Advertising Management 3.0**  
Through projects and texts, students will develop an understanding of the creation of effective advertising, media planning and budgeting, and advertising strategy as it relates to the overall marketing mix and strategic plan of the organization, with special emphasis on advanced copywriting and layout, for print and broadcast media. Prerequisites: BADM 3313, BADM 3350, and BADM 3352.

**BADM 4352 Internship in Marketing**  
Provides students with job searching skills, on-the-job experience and training related to academic education and long-term goals. May be repeated once for credit as an elective, but only three credit hours will count toward any BBA concentration. An upper-level course for business majors only; graded on a pass/fail basis. Students must meet all of the internship requirements during the semester in which they are enrolled in the internship. Students may enroll in this course any time during the semester prior to the “last day to withdraw from a class with a W” as published in the official academic calendar.

**BADM 4353 Marketing Management and Strategy 3.0**  
This course uses case analysis and readings to understand marketing planning and strategy in the context of organizational plans and strategies. The course utilizes a computer simulation involving team competition to integrate the functional areas of business administration into a realistic approach to solving complex problems at the executive level. Prerequisites: BADM 3313, BADM 3350, and BADM 3352.

**BIO 4410 Biological Science Research 3,3**
A research course in which students will work as a team to complete research in an area of the biological sciences as set forth by the instructor. Students will learn how to critically read scientific papers and interpret data. All aspects of proposal writing will be explored during this course. The course will culminate with presentation of the students and groups research findings in both oral and written formats. **Fulfills Experiential Learning requirement.**

**Business**

**BUS 3310 Leadership and Business 3,0**
Leadership, management, and the leadership/management partnership. Also emphasis on managerial roles, interpersonal skills, and understanding oneself and others, teamwork, negotiation, ethics, essential skills, and managerial aids. This course has a writing component.

**BUS 3311 Principles of Management 3,0**
Management philosophy, theories, and practices. Includes management functions of planning, decision making, organizing, staffing, communicating, motivating, leading, and controlling. Also a survey of production-operations management, organizational behavior, international management and the global economy. This course has a writing component. **Prerequisite: Upper-level standing.**

**BUS 3312 Small Business Management 3,0**
Learning the skills for starting a small business, successful small business ownership including the critical areas of law, human resources, finance/accounting, marketing, management, and location are integrated and applied to be successful. Includes preparation of a comprehensive business plan.

**BUS 3313 Creativity, Critical Thinking, & Change 3,0**
Designed to equip the individual, the manager, and the leader of the future with critical thinking and creativity skills necessary for a leader and a manager. Includes brain dominance and thinking styles.

**BUS 3314 Finance for Nonfinancial Managers 3,0**
The course is designed to prepare managers in various fields to make informed financial decisions. It includes an overview of financial statements, job costing, cash...
management, budget preparation and ratio analysis.

**BUS 3315 Business Ethics 3,0**
This course is designed as an introduction to the theory and practice of business ethics. It will provide students with the tool that they need to identify and suggest solutions to the ethical issues that arise in modern business. Class time will be divided between lectures and discussions on the theoretical readings, debates, and group work on real life cases.

**BUS 3321 Business Law 3,0**
Background and role of law in business and society. Specific commercial law topics addressed include Uniform Commercial Code, business torts, property, contract sales, debit/creditor relations, and agency.

**BUS 3340 Human Resource Management 3,0**
An introduction to human resource management. Topics include employment, placement and personnel planning, training and development, compensation and benefits, health safety and security; employee and labor relations.

**BUS 3350 Principles of Marketing 3,0**
Practices and market structure, marketing functions and strategies, institutions, pricing, demand creation, industrial and consumer, costs and marketing legislation. This course has a writing component.

**BUS 3351 Selling and Sales Management 3,0**
Professional selling principles and practices for industrial and consumer goods. Includes identification and qualification of customers, developing and delivering high quality presentations, persuasive theories and techniques, ethics of selling, and pre/post sales services. Policy matters, product planning, distribution policies and pricing, sales promotion, organization and management of territories and the sales force, control of sales operation.

**BUS 3360 Finance 3.0**
The course includes an introductory level survey of financial management goals and decision making; risk and return analysis; portfolio diversification; market efficiency; asset valuation; cost of capital; agency theory; capital budgeting; and liquidity management. This course has a writing component.  
*Prerequisites: ECO 2301, ECO 2302, and ACC 2301 and 2302. Cross-listed with HRM 3310.*

**BUS 3380 Production and Operations Management 3.0**
The course includes the strategic, tactical, and operational issues that arise in management of production and service operations. Product and process design, facilities planning, quality management, materials management, operations planning and scheduling, and emerging technologies in production and service management.

**BUS 4302 Strategic Management**
Strategic Management is designed to be a capstone course for students nearing completion of the requirements for the Business Degree at Concordia University Texas. Rarely should a student who is more than nine (9) hours short of completing the degree requirements take this course. The course is intended to require participants to integrate knowledge gained from school, work, and life. Using their imaginations and intuition, students will form a whole to be used for the purpose of identifying, analyzing, and solving business problems at the upper management level.

**BUS 4311 International Business Management 3.0**
A study of international business including marketing, accounting, finance, and production. Each is examined on the basis of risk and reward characteristics for the firm.

**BUS 4350 International Marketing 3.0**
International marketing is examined on the basis of risk and reward characteristics of the firm occasioned when the firm enters the international sales arena.

### Chemistry

**CHE 1202 Introduction to Organic and Biochemistry 2.2**
The second course in chemistry for nursing students with an introduction to basic organic chemistry and biochemistry: Hydrocarbons, organic functional groups, nomenclature and reactions, polymers, carbohydrates, proteins, enzymes, lipids, nucleic acids, protein synthesis, and metabolic pathways, with emphasis on their physiological importance and their application to nursing and other health related professions. (This course does not apply toward a minor in chemistry.)

**Prerequisite:** Completion of CHE1401 with a minimum grade of C.

**CHE 1400 Introduction to Chemistry 3.2**
Descriptive chemistry with an emphasis on principles and the importance of chemistry for modern life. This course may be used to meet the core natural science requirement, but cannot be used as a prerequisite for CHE 1402. Not open to those who have already earned credit for CHE 1401.

**Prerequisite:** Placement at least at Lower College Entry level mathematics.

**CHE 1401 Chemistry I 3.3**
The laws and theories of chemistry, stoichiometry, atomic and molecular structure, chemical bonding, properties of solutions, kinetic-molecular theory, and periodicity of the elements.

**Prerequisite:** Completion of MTH0320 Intermediate Algebra OR placement at least in Lower College Entry level mathematics.

**CHE 1402 Chemistry II 3.3**
A continuation of CHE 1401, covering kinetics, equilibria, thermodynamics, oxidation-reduction, nuclear chemistry, periodicity of the elements, and introduction to organic chemistry.

**Prerequisites:** CHE 1401 and MTH 1351 College Algebra with a minimum grade of ‘C’ in both courses or math placement at a higher level.

| **COM 2308 Writing for the Media and Public Relations 3.0**
The student will learn fundamentals of writing for different media outlets and publics, and will practice writing artifacts such as news reports, editorials, press releases, scripts, advertising copy, public statements, social media promotions, and magazine feature articles. |
| **COM 2314 Communication Technology 3.0**
A survey of communication technologies. The course includes an exploration of the factors surrounding the adoption of new technology. The course will also challenge the student to consider the sociological impact of technology and technological determinism. |
| **COM 2317 Cinema and Religion 1.3**
A course designed to enable students to recognize mythic structures in contemporary film and compare and contrast them to the central themes of Christianity and the Lutheran Ethos, including original sin, mercy, grace and redemption. NOTE: Lengths of films vary, and it is important to examine each in its entirety. The student should be prepared to participate in a 45 minute discussion after the end of each film shown, regardless of length. |
| **COM 3301 Diffusion of Innovation 3.0** |

*Prerequisite: COM 1300*

*Prerequisite: ENG 1316.*

*Prerequisite: ENG 1316.*

*Prerequisite: ENG 1316.*

*Prerequisite: REL 1301, REL 1311.*
Communication's role in the spread of new technologies, new ideas, and new values among individuals and within organizations in the United States and abroad.

**COM 3302 Nonverbal Communication 3,0**
Theory and research examining the influence of nonverbal performance codes, artifactual codes, and spatio-temporal codes on human communication.

**COM 3303 Communication in the Church 3,0**
Investigation of message strategies used as successful mode of communication in the church. Includes case studies and fieldwork.

**COM 3304 Group Dynamics 3,0**
Theory and practice in group communication: goal setting, problem solving, listening, feedback, and leadership. Cross-listed as PSY 3304.

**COM 3307 Media Analysis and Criticism 3,0**
Critical viewing and written analysis of film-television and digital media works as vehicles for the exploration of cultural and sociological issues. Students will apply a range of critical perspectives to a variety of media texts.

**COM 3308 Persuasive Communication 3,0**
Theory and practice of personal and public persuasion with an emphasis on how to change attitudes, understand purchasing behavior, and increase influence.

**COM 3310 Public Relations 3,0**
An introduction to the basics of public relations including best practices, case studies, and ethical concerns. It includes a study of the application of new media communication to the art of public relations.

**COM 3317 Production I: Film Style 2,2**
A course to introduce the pre-production, production processes needed to create media presentations with an emphasis on film-style production methods. Students will practice with high definition cameras, professional grip equipment, and computer-based editing systems.

**COM 3318 Production III: Broadcast 2,2**
Course will introduce the skills and processes needed to produce ongoing newscasts, sportscasts, short documentaries, comedy, and/or public service presentations. Students will also have the opportunity to gain experience as an on-screen/on-air reporter or host.

**COM 3320 Media Law and Ethics 3,0**
Development of and rationale for constitutional protections, legal regulations, and ethical responsibilities of the mass media in the United States.

**COM 3325 Interpersonal Relationships 3,0**
Investigation into the communication and psychology of family dynamics, friendships, and romantic partners. One

### Prerequisites

- **COM 1300 and PSY 1311** for COM 3304

and staff interactions and relationships. Theories of management, authority and responsibility, issues of centralization and decentralization, planning, organizing, staffing, directing and controlling will also be studied in the course.

CJM 3307 Human Res. Management in Criminal Justice 3,0
This course examines the principles, methods and procedures in personnel management as they apply to the field of criminal justice. Included in the study are: job analysis, description and classification; employee morale; labor turnover; recruitment, selection, placement, rating and promotion; transfer and layoff; wage policies and employee service programs.

CJM 3310 Fin. & Budgeting in Criminal Justice 3,0
This course studies the principles of budgeting and finance in a public agency, which deals with the criminal justice system. The student will gain an understanding of fiscal principles and how the principles apply to the operation of a public agency. Budgets, revenue systems and internal service functions will be analyzed.

CJM 3311 Crime and Delinquency 3,0
This course studies the principal causes of crime from three perspectives: sociological, the criminal justice system, and corrections. The student will examine both historical and contemporary sociological research in these areas. The course will explore issues such as crime causation and the involvement of the criminal justice and corrections systems in these issues.

CJM 3312 Psychology of the Criminal Offender 3,0
Exposes the student to the distressful, painful and often devastating effects of maladaptive behavior. The course will explore the interwoven biological, psychological and social antecedents and correlates of criminal behavior. Psychological issues and their relation to criminal and anti-social behavior will be studied. Personal and societal attitudes, feelings and values about criminal and anti-social behavior will be discussed extensively.

CJM 3313 Forensic Science and Criminalistics 3,0
This course provides the student with a general understanding of physical scientific methods utilized in criminal investigative operations. Using laboratory methods of instruction, the course will expose the student to the current advances in Criminalistics.

CJM 3314 Ethics in Criminal Justice Ops. 3,0
This course focuses on ethical issues and decisional dilemmas faced by professionals in the criminal justice and law enforcement setting.

Develops the themes of global integration and international trade policy in macroeconomic supply and demand terms. Economic theory is employed as a means to informed discussion of problems and opportunities related to international trade, investment and modern exchange.

**ECO 3321 Inter-American Trade & Development 3,0**
Theory and history of economic growth and development, with special reference to the problems of Latin America and the region's economic relationship to the United States. Examines major aspects of Latin American production, income distribution, labor force, modern investment and trade, as contrasted with their more industrialized trading partners. Surveys contemporary issues such as the "debt crisis" and "currency devaluation."

**Prerequisites:** ECO 2301 and ECO 2302 or consent of instructor.

**ECO 3361 Money, Banking, and Credit 3,0**
The course will cover the role of financial markets in the economy; the determination of interest rates; the role of financial intermediaries and financial intermediation; the role of the central bank in monetary policy; and the macroeconomics of monetary policy and interest rates. Cross-listed as BADM 3361.

**Prerequisites:** ECO 2301, ECO 2302.

**ECO 3362 Health Care Economics I 3,0**
This course is the first of two courses designed to acquaint students with the economic issues of the health care services industry. It covers the basic economics of health care including, but not limited to: the demand for medical services, production and costs of medical services, systems and institutions, and the competing objectives of agents in the health care marketplace.

**Prerequisite:** ECO 2301 and ECO 2302, or consent of the instructor.

**ECO 4365 Governmental Finance 3.0**
Covers the theory of government spending and taxing policy; decision making; effects of government expenditures; effects of taxation on resource allocation; market failures; and both positive and negative externalities.

**Prerequisite:** ECO 2301, and ECO 2302.

**ECO 4370 Healthcare Economics 3,0**
Built upon both financial management principles and theories of micro- and macro-economics, this senior level study of healthcare economics provides a framework for the healthcare manager to analyze the healthcare marketplace and assess potential for profitability. This course is cross-listed as HCA 4370.

**Prerequisites include 6 hours of economics and 6 hours of healthcare finance, or, permission of the Director of the Healthcare Administration program.**

**EDU 3201 Effective Practices for Differentiated Instruction 2,0**
This course will investigate differentiated instruction as a philosophical approach to meeting the instructional needs of all learners—academically, emotionally and culturally. Class discussions and course assignments are designed to gain an understanding of the dynamics of differentiated learning, create and sustain classroom structures that facilitate differentiated instruction, and plan the implementation of meaningful instruction that helps all students succeed. Required of all education students.

**EDU 3240 Societal Relationships 2,0**
This course will explore the vital and necessary interrelationships between the three elements present in the overall education of students or learners: school, home, and community. Required of all education students.

**EDU 3261 Vocation of the Christian Educator 2,0**
The topics of this course center on the systemic development of the Lutheran tradition of education in America. Emphasis will be placed on the present status of The Lutheran Church—Missouri Synod system of formal education as it has grown into the world’s second largest non-public system of education. This course also emphasizes the tasks and function of the Christian educator in the role of commissioned minister status. **Required of students seeking Lutheran Teacher Diploma.**

**EDU 3301 Mathematical Methods-Elem 3,1**
Methods and strategies of teaching: logic, sets, relations, functions, operations, numeration systems, number theory, rational numbers, real numbers, informal geometry, measurement, probability, and statistics. Technology use to support math curriculum is explored. Field experience required.

**EDU 3303 Mathematical Methods-Sec 3,1**
Concepts and methods/strategies for teaching: 7th and 8th grade mathematics, mathematics of finance, algebra, and geometry are examined using manipulatives. Concepts from probability, statistics, trigonometry, analytical geometry, discrete mathematics, and calculus are explored and techniques for teaching are emphasized. Technology use to support math curriculum is discussed. Fieldwork required. **Fulfills Experiential Learning requirement**

**Health Care Administration**

**HCA 2301 Science Essentials for HCA Prof. 3,0**  
Taught from an applications perspective, this course presents three fields of science important and useful to the healthcare administration professional. The course of study will include aspects of anatomy and physiology, microbiology, and epidemiology to promote provision of a safe, efficient, and effective healthcare environment.

**HCA 3300 Health Care Org. and Delivery**  
This course presents an overview of the healthcare system and the role healthcare organizations have played and will continue to play in the future. It provides an analysis of the organizational structure of healthcare organizations and other healthcare agencies. An examination is made of the administrative and management elements necessary for policy determination, decision making and control to achieve institutional goals and objectives.

**HCA 3305 Eldercare 3,0**  
Provides the student with an understanding of the administrative principles and processes necessary to effectively manage the operational affairs of a long-term
health care facility or organization while providing insights into regulatory and licensing issues adequate to deal with administrative decision-making as framed by those constraints.

**HCA 3311 Consumer Issues in Healthcare 3.0**
This course develops critical thinking skills related to evaluation of health information and the resultant decisions regarding health care. In this context, health factors to be considered may be derived from any area of the human health experience including environmental, physical, social, intellectual, spiritual, and emotional domains. The learner will identify health issues, identify sources of health information regarding those issues, and evaluate the quality of that health information. In addition, the learner will identify and assess information related to some public health issues from the local, state, national, and global levels and the related effects of consumer behavior.

**Prerequisites:** HCA 3300 or concurrent enrollment

**HCA 3312 Management Essentials in Healthcare Admin**
This course provides the student with the foundational concepts of management with functional applications in the healthcare setting.

**Prerequisites:** HCA 3300 or concurrent enrollment

**HCA 3315 Quality Management in Healthcare 3.0**
This course provides the student with the foundational concepts of quality management in healthcare with functional applications.

**Prerequisites:** HCA 3300 or concurrent enrollment

**HCA 3330 Information Tech in Healthcare 3.0**
This course examines the rapidly changing role of computer and information systems as key decision support and critical operations facilitation resources in the management of healthcare organizations. The course establishes a framework for understanding the requisite elements of a properly chosen, effectively implemented, and efficiently utilized healthcare information system. Client-server, central mainframe, thin desktop client, and mini-mainframe system architecture are reviewed, and students will develop an information system RFP, installation strategy, and operational plan for a hypothetical healthcare organization.

**Prerequisites:** HCA 3300 or concurrent enrollment

**HCA 3341 Essentials of Healthcare Ethics 3.0**
This course presents students with the opportunity to explore current healthcare ethical dilemmas, consider personal bias, and explore the formulation of Christian responses in difficult healthcare situations.

**Prerequisite:** REL 3333 and HCA 3300 or concurrent enrollment

**HCA 3345 Marketing Management in Healthcare 3.0**
This course provides the student with necessary skills to promote healthcare services and products. Organizations and reimbursement methodologies for community healthcare resources will be explored, as well as marketing principles, concepts, and operations. These concepts are applied to healthcare marketing strategies.

**Prerequisites:** HCA 3300 or concurrent enrollment
Marketing plans and focus groups are examined in detail.

**KIN 1174 Phys Fitness & Conditioning (Fitness) 0,2**
An activity course that includes exercises designed to improve levels of physical fitness, particularly in the areas of cardiovascular endurance, muscular endurance, strength and flexibility. May be repeated for credit.

**KIN 1176 Wt. Training & Conditioning (Fitness) 0,2**
An activity course designed to develop and enhance muscular strength and endurance. May be repeated for credit.

**KIN 1177 Aerobic Walking (Fitness) 0,2**
Addresses the components of health-related fitness. The development of cardiovascular endurance, muscular endurance, body composition and flexibility are necessary for a balanced fitness regimen. Student participation is key to the success of any activity course, and walking is a classic learning environment for the appreciation of fitness as improvement is rapid and the basic movements necessary to master the activity are pre-existing. May be repeated for credit.

**KIN 1301 Personal Wellness 3,0**
This course is designed to promote a healthy lifestyle derived from proper physical activity and informed lifestyle choices. Major topics of emphasis include an overview of the principals of wellness, stress management, nutrition and weight management, and concepts and principals of physical fitness. With the assistance of related laboratory experiences, students will be provided the opportunity to evaluate their current state of wellness in each of the topic areas and plan appropriate lifestyle change strategies. **May be used to fulfill Kinesiology requirement in the Concordia Common Experience.**

**KIN 1302 First Aid and Safety 3,0**
Safety in prevention of injuries; first aid treatment, including CPR, emergency care and treatment of injury with special emphasis on playground and school injuries. Note: Does NOT count for core physical education requirements.

**KIN 2301 Personal and Community Health 3,0**
Personal health problems, venereal disease, AIDS, birth control, cancer, heart diseases, nutrition, fitness, mental health, family living, and community and consumer health. Prerequisite: Sophomore standing or consent of instructor. Note: Does NOT count for core physical education requirements. Note: If a student presents medical
doctor's letter that precludes participation in activity courses

| KIN 2303 | Theory & Application of Physical Fitness 3.0
A study of the various theories of human physical fitness and their application in forming conditioning protocols. An acceptable fitness profile, through in-class conditioning, is to be developed and fitness testing field experience is required. Note: Does NOT count for core physical education requirements. |
| KIN 2320 | Adult Personal & Community Wellness 3.0
Components of health-related fitness will be addressed through readings and activities. Personal fitness assessments will be made periodically. Personal and community health issues will also be addressed. |
| KIN 2330 | Prevention & Treatment of Movement Injuries
This class covers the methods and techniques for the treatment and prevention of injuries related to participation in physical activities. Emphasis is placed on injury management procedures, knowledge of movement injuries and conditioning, and taping and bracing procedures. |
| KIN 2340 | Clinical Evaluation of Athletic Injuries I – Lower Body
Designed to teach the systematic method of evaluation of lower-body conditions and injuries. The course begins with an introduction to the general evaluation process, as well as different types of evaluations. Progresses to the evaluation of specific muscles, ligaments, and joints. |
| KIN 2345 | Clinical Eval. of Athletic Injuries II – Upper Body
A course with dual practicum and lecture components, designed to teach the systematic method of evaluation of upper-body conditions and injuries. The course begins with a review of the evaluation process and progresses to evaluation of specific muscles, ligaments, and joints. In addition to dealing with musculoskeletal injuries, this course will also cover injuries. Prerequisite: KIN 2340. |

Music

**For all Music Lessons**

1 credit (MUS X1XX) = 1 thirty minute lesson each week
2 credits (MUS X2XX) = 1 sixty minute lesson each week

Other requirements for credit include:
- periodic group classes that students are required to attend throughout the semester
- attendance at musical performances
- written reports

**Applied Music Lessons – Initial Level**

Students may register for either private music lessons or group instruction at the 11XX level. *(Group lessons have no prerequisite and are intended for the beginning student.)*

University Information

General

Location
Concordia is located on a tree-shaded, 389-acre campus in the northwest corner of Austin, Texas. Located in the Texas Hill Country, Austin is an educational and cultural center, providing many opportunities for enrichment. Austin's Sun Belt location provides an average winter high temperature of 62° and an average summer high of 94°, allowing ample opportunity for recreation on the seven Highland Lakes beginning within the Austin city limits.

Concordia’s main campus site includes 250 acres of nature preserve, with wetlands, caves, dense tree cover and a habitat for the Golden-Cheeked Warbler. Concordia University Texas is one of a few universities in the U.S. to hold a Fish and Wildlife 10A permit. With this, the University will play a leadership role in urban environmental studies and offer students the rare opportunity to study environmental management and stewardship.

Concordia also has centers located in Austin, Ft. Worth/Dallas, Houston, and San Antonio.

The Concordia University System

Mission Statement
The Concordia University System builds national identity, enables cooperative endeavors, and enhances the strength of the colleges and universities of the Lutheran Church-Missouri Synod as they engage students of diverse ages and cultures in quality, Christ-centered, value-oriented, Lutheran higher education for lives of service to church and community.

Member Institutions

Concordia University Ann Arbor, Michigan
Concordia University Austin, Texas

Concordia University Irvine, California
Concordia University Mequon, Wisconsin
Concordia University Portland, Oregon
Concordia University Chicago River Forest, Illinois
Concordia University St. Paul, Minnesota
Concordia College Selma, Alabama
Concordia University Seward, Nebraska

Worship
Faith in Jesus Christ as Savior and Lord is the integrating factor in the curriculum at Concordia University Texas. The main campus community is invited to attend Chapel daily for worship. Students organize additional worship experiences and the chapel is open during the day for private meditation.
Students are encouraged to participate actively in the worship life on campus and in one of the Austin area churches.

**Athletics**
Concordia is affiliated with the National Collegiate Athletic Association (NCAA) Division III and with the American Southwest Conference. Concordia currently participates in men's and women's basketball, golf, soccer, cross country, track and field; men's baseball; and women's softball and volleyball.

**Wellness and Recreation**
Concordia offers a wellness/intramural/recreation program administered through the office of the Intercollegiate Athletics. Sports and activities are sponsored including basketball, volleyball, sand volleyball, softball, ping-pong, badminton and others. Students may participate individually or join a team. No previous experience is required.

**Legal Notices**
This catalog is a general information publication only. **It is not intended to nor does it contain all regulations that relate to students.** All students are advised to thoroughly review the University’s Student Policies and Academic Catalog for a complete description of all rights and responsibilities under University policy, as well as state and federal law. The provisions of this catalog do not constitute a contract, expressed or implied, between any applicant, student or faculty member and Concordia University Texas or The Concordia University System. The University reserves the right to withdraw courses at any time and to change fees, rules, policies, calendar, curriculum, degree programs, degree requirements, graduation procedures and any other requirements affecting students. Changes may occur without notice and will be immediately effective, unless otherwise specified, and will apply to both prospective students and those already enrolled. When changes are made, updated information can be found on the Concordia website at [www.concordia.edu](http://www.concordia.edu).

Concordia University Texas reserves the right not to teach any course listed in the catalog or its published schedules if enrollment does not warrant offering it or if other circumstances dictate its withdrawal.

**Graduation Rates.** As required by the Higher Education Act, Concordia University Texas has made available to all interested parties the graduation rate for all degree-seeking, full-time students entering Concordia since 1985. The information can be obtained by calling the Registrar’s Office during business hours or by accessing Concordia’s website at [http://www.concordia.edu/page.cfm?page_ID=1006](http://www.concordia.edu/page.cfm?page_ID=1006).

**Non-Discrimination.** Concordia University Texas complies with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and The Age Discrimination Act of 1975. Concordia University Texas does not exclude, expel, limit, or otherwise discriminate against an individual seeking admission as a student or an individual enrolled as a student in the terms, conditions and privileges of Concordia University Texas because of disability, sex, age, race, color, religion, national or ethnic origin, or status as a veteran.

Concordia University Texas, in compliance with Section 504 of the Rehabilitation Act of 1973, does not discriminate on the basis of disabilities in admission or access to its programs. The Director of the Concordia Success Center is the Disability Coordinator. The Chief Enrollment Officer is the ADA/Section 504 compliance officer. Any person who has a question about discrimination with respect to a disabling condition should address the inquiry to the Director of the Student Success Center.
Students who believe they have been discriminated against may institute an internal *Grievance Procedure for Disability Complaints* to resolve their complaints. For more information, click on the following link: [http://www.concordia.edu/page.cfm?page_ID=1568](http://www.concordia.edu/page.cfm?page_ID=1568).

**Harassment and Discrimination Prevention.** Concordia University Texas is committed to maintaining a learning and working environment free from harassment and discrimination. The University’s Guidelines on harassment, including definitions, complaint and reporting procedures, and prohibitions are addressed in current Student Policies and should be reviewed by all students.

**Campus Security.** As required by the Jeanne Clery Campus Security Act, Concordia University Texas maintains statistics for the previous three years regarding criminal offenses that have occurred on campus; in certain off-campus buildings or property owned or controlled by Concordia University Texas; and on public property within, or immediately adjacent to and accessible from, the campus. The *Annual Campus Security Report* includes current information about the CTXPD policies, campus crime statistics, crime prevention information, crime reporting procedures and contact information. The Report also includes information related to the CTX policies regarding sexual assault offenses, missing student notification procedures, liquor law and drug violations, hate crimes, emergency response and evacuation procedures and fire safety procedures and statistics. This information can be obtained by calling the Concordia University Texas Police Department during business hours or by accessing the following web site: [http://www.concordia.edu/page.cfm?page_ID=2563](http://www.concordia.edu/page.cfm?page_ID=2563).

**Equity in Athletics.** As required by the Equity in Athletics Disclosure Act (EADA), The Report on Athletic Program Participation Rates and Financial Support Data is intended to make prospective and current students aware of Concordia University Texas’ commitment to providing equitable athletic opportunities for its men and women students. This report contains participation rates, financial support, and other information on men’s and women’s intercollegiate athletic programs. For further information, contact the Director of Athletics during business hours or access the following Web site: [http://ope.ed.gov/athletics/](http://ope.ed.gov/athletics/).

**Student Records.** Concordia University Texas abides by the policies found in the Family Education Rights and Privacy Act of 1974 (FERPA), which provides eligible students a right of access to educational records that contain information directly related to them. FERPA also restricts access to student records by third parties; disclosure of student educational records is not permitted unless the student consents to the disclosure or unless otherwise authorized by law. In particular, disclosures are permitted without consent of the student when the disclosure is to a University official who has a legitimate educational reason to receive the information and when the disclosure is in response to a subpoena, court order, or health or safety emergency. FERPA also permits the University to release certain information known as “directory information.” For more detailed information about student rights under FERPA, including the University’s definition of directory information, access the following web site: [http://www.concordia.edu/page.cfm?page_ID=816](http://www.concordia.edu/page.cfm?page_ID=816).

**Hazing.** Concordia University Texas fully supports and abides by the law enacted by the 70th Texas Legislature concerning hazing. Texas criminal law prohibits hazing or hazing type activities. Hazing is defined as any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include students at an educational institution. A person can commit a hazing offense not only by engaging in a hazing activity, but also by soliciting, directing, encouraging, aiding or attempting to aid
another in hazing; by intentionally, knowingly, or recklessly allowing hazing to occur; or by failing to report, in writing to the Director of Student Services or another appropriate official of the institution, first-hand knowledge that a hazing incident is planned or has occurred. The fact that a person consented to or acquiesced in a hazing activity is not a defense to prosecution for hazing under this law. Under Texas law, hazing can subject a person to criminal penalties.

**Use of Alcohol and Controlled Substances.** Concordia University Texas strictly adheres to all local, state, and federal laws regarding the distribution and consumption of alcohol. The University expects its students to maintain an environment that is safe and healthy. The unlawful possession, use, or distribution of illicit drugs and alcohol by students on University property or as a part of any University activity are violations of University rules as well as the law. Possession, use, or distribution of certain non-prescription drugs, including marijuana, amphetamines, heroin, cocaine, and non-prescription synthetics; procurement or distribution of alcohol by anyone under 21 years of age; and provision of alcohol to anyone under 21 years of age are violations of the law and of University policy. All students are expected to comply with any University rules governing possession or serving alcohol. Additional information is available in the Student Policies regarding the University’s drug and alcohol policies.

Mission Statement and Goals
The mission of Concordia University Texas is Developing Christian Leaders. Concordia develops Christian leaders who are:

♦ Well informed in regard to natural science and quantitative representation of ideas, current technology, human culture and behavior and Christian theology;
♦ Skilled in critical and analytical thinking in scientific, humanistic, and theological topics;
♦ Skilled in modern methods of communication;
♦ Aware of, sensitive to, and able to respond with understanding to the aesthetic, cultural, and personal dimensions of life;
♦ Aware of God's gifts offered in the Christian Gospel, and aware of God's call toward the Gospel mission;
♦ Empowered to serve in appropriate roles that help guide the church in professional worker positions and lay leader positions, as well as guide society in improving the environment and lives of human beings.

Operated under the auspices of The Lutheran Church-Missouri Synod and under girded by a Christian theology, Concordia University Texas offers a variety of educational programs. These programs equip co-educational, traditional and non-traditional students for ministry in the church and for service in a broad range of careers in society through a variety of means of curriculum delivery. The programs also encourage students to develop caring, sharing and serving attitudes towards others.

Concordia believes that the basis for its mission is found in Scripture and the Lutheran Confessions, which teach that everyone is in need of salvation; that salvation has come through the life, death, and resurrection of Jesus Christ; and that, in response to God's love, all are motivated to service in the Christian community and the world. Because of this Scriptural emphasis, Concordia has designed its curriculum to challenge and guide students in their quest for knowledge about God and about the world, to motivate them toward self-realization, to improve their skills, and to enable them to develop a lifestyle consistent with God's will.

Accreditation
Concordia University Texas is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate's, Bachelor’s's, and master's degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Concordia University Texas.

Concordia’s Bachelor’s of Business Administration degree in the College of Business is accredited by the International Assembly for Collegiate Business Education.
Concordia's elementary, secondary teacher and special education programs are approved by the Texas Education Agency for pre-school through grade 12. Students successfully completing Concordia's teacher education programs are eligible for teacher certification in Texas after passing the appropriate state certification exams.

The Concordia Nursing Program is approved as a professional BSN program by the Texas Board of Nursing as well as through the Commission on Collegiate Nursing Education (CCNE).

**Memberships**
Concordia is a member of the Independent Colleges and Universities of Texas, the Association of Texas Colleges and Universities, the American Association of Colleges for Teacher Education, the Association of Independent Liberal Arts Colleges for Teacher Education, the Texas Association of Colleges for Teacher Education, the Association of Lutheran College Faculties, and the International Assembly for Collegiate Business Education.

Concordia Academy opened in 1926 to train young men for ministry in the Lutheran Church. The junior college department, added in 1951, became coeducational in 1955. Concordia received authorization to proceed with the implementation of a four-year liberal arts program in 1979 and its first B.A. students graduated in May 1982. In July 1995, Concordia moved from college status to university status. During the summer of 2007, Concordia University at Austin became Concordia University Texas. In July 2008, Concordia University Texas closed its doors for the last time at its 3400 Interstate Highway 35 North location and threw open the doors of its new campus at 11400 Concordia University Drive in northwest Austin. Building on the eighty-plus-year history of this wonderful institution, this change is the culmination of many hours of dedicated prayer, discussion, and planning, moving Concordia forward in its continuing mission of developing Christian leaders.

Currently, Concordia confers the Associate of Arts degree, the Associate of Arts in Behavioral Science, the Bachelor’s of Arts degree in the following majors: Behavioral Science, Biology, Business, Communication, Director of Christian Education, Elementary and Secondary Education, Environmental Science, English, Healthcare Administration, History, Human Resource Management, Kinesiology, Liberal Arts, Music, and Political Science. Concordia also offers the Bachelor’s of Business Administration, the Bachelor’s of Science degree with the following majors: Biology, Computer Science, Mathematics and Environmental Science, the Bachelor’s of Science in Nursing, and the Bachelor’s of Applied Arts and Sciences with a Technical Management major. Additionally, students can incorporate a pre-professional program into their major to prepare themselves for the seminary, law school or the health professions.

Concordia University Texas offers two graduate degrees. The College of Education offers a Master of Education degree program with four sequences: Curriculum and Instruction, Early Childhood, Educational Administration and Advanced Literacy Studies. The College of Business offers a Master of Business Administration with a focus on leadership.

Concordia serves its diverse student body through a variety of programs. The Accelerated Degree Program, which began in the spring of 1995, is specifically designed for the working adult student. The Community Learners Program provides educational opportunities for members of the local community who are not seeking academic credit. Concordia supports Veterans Administration Benefit programs including the Yellow Ribbon Program.
Complaints

Concordia University Texas is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the associate's, Bachelor's, and master's degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Concordia University Texas.

Complaints against the institution from students, faculty, staff, or other interested parties in any area may be submitted in writing to the Chief Academic Officer. Within thirty days, the Chief Academic Officer will review the complaint, investigate it thoroughly, explore all available avenues, and respond in writing. All procedures expressed in this paragraph and elsewhere will be followed or, in those cases where other university officials must address the complaint, the Chief Academic Officer will guide the process through the appropriate procedures. In all cases, the Chief Academic Officer will supervise the process in order to bring it to a responsible conclusion.

Concordia University Texas also offers students opportunities to express their complaints about various processes according to established procedures. The appropriate personnel at Concordia will help students through the resolution process in accord with the Christian principles that are laid out in our Mission Statement.

Complaint procedures regarding the following areas are specified in the Student Handbook:

- Faculty Member
- Harassment
- Security Matters
- Food Service
- Residential Life

Complaints not resolved by the procedures contained in the Student Handbook may be submitted for final resolution to the President of Concordia University Texas.

CTX Alumni Association
The CTX Alumni Association exists not only to allow graduates to remain connected, but to support the University in its mission to develop Christian leaders. The most direct way to help is by becoming an Alumni Partner. Just $25 annually, membership benefits include priority event invitations and CTX gear!

There are various other ways to remain connected with us. Each month you will receive our monthly newsletter via email, News from the Pier. Also, watch your postal mail every quarter for the Concordia University Texas Magazine.

The CTX Alumni Association is also on social media. Feel free to interact with us through:
Facebook – CTX Alumni
Twitter – CTX Alumni
Linkedin – Concordia University Texas – alumni
Website- Alumni.Concordia.edu

And as always, don’t hesitate to email or call us regarding more specific ways that YOU can get involved!
