Fall 2020 Check in and Out Process

1. Student will complete the screening questionnaire the day of the activity and no later than 1 hour prior to arrival at 9430 Research Blvd, Suite 300, Echelon Building I.
 - a. <https://forms.office.com/Pages/ResponsePage.aspx?id=HEyb1i9dh0m4u1jelz8VC-gVaTY39y1Hi-zps3NsOzdUM1ExQ1A1UDY3MEINUIM5S0w4RUJEWVM0UCQIQCNOPWcu>
 - b. If students do not complete the questionnaire within the allotted time frame, student will be unable to engage in the assigned activity and will not be allowed to make up the activity, which may result in course failure.
2. If all questions are completed without flags, then student may proceed to the check-in area by following directional signage and wearing the required personal protective equipment (PPE).
3. Once in the check-in area, proceed to an empty check-in window and maintain social distancing to have your temperature measured.
 - a. If temperature is within the acceptable range, student will be given a map of the facility and advised to follow the directional signage and proceed to the assigned skills station/area.
 - b. If temperature is outside of the acceptable range, the student will be asked to leave the premises and follow-up with their healthcare provider.
4. Once the student has arrived at the assigned station, the student will engage in the assigned skill practice, simulation, or check-off procedures for no more than 1 hour.
5. At the conclusion of the hour, the student must leave the station and exit the building by following the directional signage to the exit and check out prior to exiting.
