WORD FROM OUR STEWARDS

You cannot get through a single day without having an impact on the world around you.

What you do makes a difference, and you have to decide what kind of difference you want to make.

- Jane Goodall

Look for the Trailhead just out front of the dorms.

Choose to Reuse To-Go Containers

We used to use approximately 2000 styrofoam boxes a month.

Concordia Texas is rolling into the new year with a new eco-friendly change in our cafeteria, the Choose to Reuse To-Go system! Look for more information about how it works, in the dining hall.
