CONCORDIA UNIVERSITY TEXAS

Concordia University Texas is dedicated to the mission of developing Christian leaders. Founded in 1926, Concordia is proud to be Austin's leading Christian university, where Christ is honored and students of all backgrounds are welcomed. We are guided by our vision to be the premier university where the adventure of faith, learning and life-changing experiences leads to meaningful work.

CTX is a regionally accredited institution of higher education, offering undergraduate and graduate degrees through a variety of delivery methods. We offer over 50 majors and concentrations.

Concordia’s campus, unique in its natural setting on a preserve, is conveniently located minutes from both downtown Austin and the Texas Hill Country. Our location provides students with resources and opportunities to learn, explore and thrive in the best of both worlds — a small school and a big city.

COURSE HIGHLIGHTS

Training and Development
This course explores methods utilized to train and develop employees in ways that positively affect organizational outcomes and success.

Negotiations and Conflict Management
Negotiation is the art and science of securing agreement between two or more independent parties. The course focuses on understanding the behavior of individuals, groups and organizations in the context of competitive situations. Students will develop analytical and interpersonal skills necessary for successful negotiations.

Organizational Staffing and Selection
This class focuses on the management of organizational talent. The terms, concepts, principles and practices covered in this course prepares leaders to develop strategies to identify, attract, select, hire, mobilize and retain employees who will effectively contribute to organizational success.

Do you have a need to serve others in a business setting? Develop the talent to make winning teams by entering the Human Resources Management world.

As new companies form and organizations expand their operations, they will need human resources managers to oversee and administer their programs, and to ensure firms adhere to changing and complex employment laws. Strong competition can be expected for most positions, but the job outlook is good as it is projected to continue to rise.
