Concordia University Texas is dedicated to the mission of developing Christian leaders. Founded in 1926, Concordia is proud to be Austin's leading Christian university, where Christ is honored and students of all backgrounds are welcomed. We are guided by our vision to be the premier university where the adventure of faith, learning and life-changing experiences leads to meaningful work.

CTX is a regionally accredited institution of higher education, offering undergraduate and graduate degrees through a variety of delivery methods. We offer over 50 majors and concentrations.

Concordia's campus, unique in its natural setting on a preserve, is conveniently located minutes from both downtown Austin and the Texas Hill Country. Our location provides students with resources and opportunities to learn, explore and thrive in the best of both worlds — a small school and a big city.

ABOUT THE PROGRAM

In the Multidisciplinary major, students select two areas of interest and craft their own personalized degree plan following the guidelines set forth by the School of Humanities and Social Sciences. This major is perfect for the student who wants to pursue more than one passion, and seeks maximum flexibility in his/her undergraduate experience. A Capstone course is required to help prepare each student for his/her post undergraduate plans, whether that be attending graduate school or launching a career.
