2016-17 Academic Catalog

11400 Concordia University Drive 
Austin, Texas  78726
Remember to note the Undergraduate Catalog year of your degree plan.

Catalogs specify degree requirements, policies, and procedures that govern your graduation. It is important that you discuss your degree requirements with your advisor and that you know your catalog year and communicate that to him/her. Failure to comply with the rules of your catalog can result in taking classes that will not count toward your degree.

Students have seven (7) years from the time of matriculation to complete their degree before the degree plan expires. In general, catalog eligibility is based on your first semester enrolled at Concordia University Texas or the year in which you petition to change catalog years.

Greetings!

Welcome to Concordia University Texas, where teaching and learning hold center court – and student success is the goal of what we do. There are many places for students to learn and receive degrees and diplomas. What makes Concordia different is that we have a purpose for that learning, a purpose which serves the neighbor and gives glory to God. As an institution of Lutheran higher education, we believe that everyone has a vocation and calling. How that vocation is lived out makes a difference in people’s lives. Students at Concordia are challenged to think deeply; to engage fully; to dialogue thoughtfully; and to bring their whole selves to the learning process…and that can make all the difference in the world.

This catalog is one of the tools you need to successfully navigate the learning process at Concordia. It is the official document of the university which puts forth the requirements needed for graduation and provides the policies and guidelines in which we ensure quality and remain compliant with our regulatory bodies. If you have questions, please be sure to consult your advisors and others who can answer them and help you in your journey toward the completion of your degree.

One of the unique aspects of our University is that we work hard to know our students as individuals; you will find this to be true in our classrooms, in co-curricular activities, and even among our alumni. I hope that you will find this to be a place of care and concern and a place that helps you take your gifts and talents to the next level. May God bless your journey in this place, Concordia University Texas.

Christ’s Peace,

Dr. Donald Christian

Chief Executive Officer
Concordia University Texas

Academic Degrees

Associate Degrees
The purpose of the Associate Degree, as defined and implemented by CTX, is to provide a broad academic foundation with the aim of preparing the graduate for further studies, specific job training or specialized program of study. This section defines and describes the general degree requirements and the available Associate Degree types and specific program requirements of each.

General Associate Degree Requirements
The following criteria are required for all associate degree programs:

- A minimum of 59 credit hours and a maximum of 72 credit hours must be successfully earned
- At least 15 credit hours must be earned through 2000 or higher level coursework
- At least 24 credit hours must be specifically required in the degree plan consisting of:
  - The Foundation Course requirements specified in the Concordia Common Experience curriculum, as defined in the Bachelor Degrees section of this policy
  - At least 3 credit hours in each of the following discipline areas: Humanities, Social Sciences, Fine Arts and either Math or Science
  - The remaining credit hours may be defined as electives or as a specialty area provided that the specialty area includes at least 9 credit hours that form the coherent academic exploration of topic, field or discipline.

Each student seeking an Associate Degree from CTX must:

- Complete a minimum of 22 credit hours in residence, fulfilled through coursework offered by and registered through CTX,
- Earn a minimum cumulative grade point average (CGPA) of 2.00.

Bachelor Degrees
The purpose of the baccalaureate degree, as defined and implemented by CTX, is to prepare graduates for their future career and vocation (referring to those callings to work and serve by God given to Christians within the secular world) in keeping with our mission statement.

General Bachelor Degree Requirements
Each student seeking a Bachelor Degree from CTX must:

- Earn a minimum of 128 credit hours,
- Complete the Concordia Common Experience Curriculum
- Complete a major or program that provides an appropriate baccalaureate emphasis
- Complete a three credit-hour course, or the equivalent, that integrates the Christian elements of Concordia’s mission
- Complete at least 39 credit hours of upper-division coursework, which includes the minimum requirements within their chosen major or program
- Meet the following residency requirements through coursework offered by and registered through CTX:
  - At least 45 credit hours in total must be completed in residence at CTX,
    - with at least 18 credit hours earned in residence at CTX counting toward the major (or program for degrees with no separate major), and
- if a minor is designated, at least 9 of those required credit hours completed in residence at CTX,
  - The student must be in residence, meaning formally registered (no minimum credit hour load), in the semester in which any degree award is conferred,
- Attain a minimum 2.00 overall GPA and a minimum 2.25 GPA in all courses in the specified major or program (where no separate major is identified),
- except students in the any of the majors or programs in the College of Education, who must earn a 2.50 CGPA, calculated based on all college coursework used to complete the degree requirements, including transferred coursework.

**Double Major**
When a student decides to pursue a second major, the two disciplines or fields must be distinct or substantially different; however, up to 6 credit hours of interdisciplinary courses may be permitted to count towards both majors.

**Second Bachelor Degree**
Students may earn multiple Bachelor degrees, distinct from multiple majors within a single degree, as long as the following criteria are satisfied for the awarding of a second Bachelor degree:
- All requirements for each degree and the selected majors/programs must be fulfilled, including the residence requirement, applied separately to each degree plan of study
- The major or program for each degree must be distinct and separate, allowing for an overlap of only 12 credit hours of coursework (i.e. a B.A. and B.S. can't be earned in the same discipline unless the curriculum plan is distinctly different). In the event two majors or programs require overlapping course elements beyond this the Dean must specify replacement courses to fulfill the requirements and maintain this distinctiveness
- A minimum of 32 credit hours must be completed beyond the higher of the minimum credit hour requirements for the degrees sought.

If a student elects to complete a new major or program of the same degree type as one already earned at CTX, a new degree will not be awarded, but the new major/program will be added to the transcript.

**Bachelor of Applied Arts and Science Degree**
The structure of the Bachelor of Applied Arts and Science (BAAS) degree is designed to provide a smoother transfer path into a Bachelor’s Degree from AAS degree programs, which are approved in Texas by the Workforce Commission to meet specific career skill requirements through college credit programs. The structure for the degree creates 4 classifications of credit requirements: a general education core, a coherent technical specialty earned through an AAS degree, a baccalaureate track enhancing the AAS and/or career, and general elective hours.

**Specific BAAS Requirements**
The BAAS degree plan provides a baccalaureate level foundation, grounded in the liberal arts perspective. To this end, students will complete the Concordia Common Experience Curriculum established for baccalaureate degrees at CTX.
In addition to the Concordia Common Experience Curriculum requirements, the following rules apply to the BAAS degree program:

- A total of 124 credit hours must be earned
- Acceptance into a BAAS degree program requires an earned AAS degree from a regionally accredited school
- Thirty-six (36) hours of block technical specialty credit will be awarded toward the BAAS degree with verification of an earned AAS degree from a regionally accredited institution.
- Students who are Texas Common Core complete will be considered Common Experience complete with the exception of the courses listed in the Concordia Distinctive section of the Concordia Common Experience curriculum.
- If the student is not Texas Common Core Complete (s)he will need to complete the Common Experience. All students must successfully complete the four courses of the Concordia Distinctive requirements (nine credit hours)
- A coherent baccalaureate level sequence of study designed to support advancement in the field or career of the AAS technical area
  - At least 24 credit hours, of which at least twelve (12) credit hours must be of upper level coursework (course numbers 3000 or above), with this sequence serving the primary function of a major for this program.
  - Enough elective hours, of which nine (9) must be upper level, to bring the total number of hours to 124.

Double Majors and Post-Baccalaureate Certificate

Students pursuing a baccalaureate degree and desiring a double major must complete all courses unique to each major and make application for each major through the appropriate channels.

Students holding a baccalaureate degree and desiring a post-baccalaureate certificate in an approved program must complete course-work unique to the major. Upon successful completion of the coursework, the student will be awarded a certificate of completion and it will be recorded on the student's transcript as a post-baccalaureate certificate.

Graduate Degrees

CTX offers advanced coursework designed to develop mastery in a specific discipline, field or area of professional practice. See Graduate Catalog for more information.

All students receiving a Bachelor’s Degree must complete the following graduation requirement before the end of their final term:

Academic Majors, Minors, and Special Programs

Overview of Majors

A major is a course of study generally developed at the advanced course levels for a particular degree that develops both depth and breadth within an identified discipline, or a recognized field that meets established criteria associated with the selected degree. For more information on specific major requirements, click on the name of the major.
**Behavioral Sciences**  
The Behavioral Sciences major provides students with the exciting study of the "person in environment." Through scientific education in Psychology and Sociology, students will be equipped to think critically and holistically about human behavior in different social contexts, enabling them to help individuals grow in psychological health, use research to solve problems, and work for justice for all people. Graduates will be well-prepared to enter a broad range of careers in government, non-profit organizations, businesses, and ministry settings as well as a variety of competitive graduate or professional school programs.

**Biology (BA)**  
The mission of the Biology Major (BA) is to cultivate in students those capabilities necessary for them to promote stewardship of the biotic environment and provide Christian leadership in careers related to biology.

**Biology (BS)**  
The Biology Major (BS) is designed to give students a strong foundational understanding of the subject matter encompassed by the biological and associated physical sciences. This degree is ideal for students wishing to have professional careers in the sciences or pursue graduate degrees in medical or biological fields. Through critical thinking, hands-on experience, research, and investigation, students will develop an understanding of the field of Biology and gain a strong foundation for entry into a broad spectrum of graduate programs and careers in the biological sciences.

**Business Administration (BBA) (All Formats)**  
The Bachelor of Business Administration (BBA) is offered in the traditional and adult degree formats focusing on a broad understanding of business with a focus in one area of study. Students graduating with a BBA degree from the traditional program will concentrate in one of seven areas: Accounting, Finance, Management, Marketing, Entrepreneurship, Healthcare Administration or Human Resource Management. Students graduating with a BBA degree from the adult degree program will concentrate in one of three areas: Management, Human Resource Management, or Healthcare Administration.

**Chemistry (BA) (pending approval from the Southern Association of Colleges and Schools Commission on Colleges)**  
Building on a liberal arts foundation with an emphasis on best practices in business, the BA degree in Chemistry with a Material Science focus develops a deeper working knowledge in business, while providing a robust chemistry curriculum that is designed to emphasize the integration of ideas and critical thinking. This degree will provide Concordia students with a more flexible path to recruitment and retention in the highly competitive entry-level careers in the microelectronics industry.

**Communication**  
The Communication major provides three concentrations: Broadcast and Production, Public Relations, and Interpersonal Communication. The mission of the Communication Major at Concordia University is to develop effective public speakers, versatile writers, competent technology users, and healthy relationship partners.
**Computer Science (BA)**
The Computer Science major (BA) allows the flexibility to develop fundamental marketable programming skills while giving students the valuable breadth of education typical of a BA degree.

**Computer Science (BS)**
The Computer Science major is modeled after the Association for Computing Machinery (ACM) recommendations. The program seeks to build a solid foundation in both Computer Science and Mathematics. In the required courses, students develop both the theoretical and the practical skills needed to design computer systems; to write software; to perform mathematical analysis of algorithms and performance studies; and to reason clearly, think analytically, and solve problems by writing software.

**Criminal Justice and Criminology**
The Criminal Justice and Criminology major is designed to offer a strong theoretical and practical foundation in the related fields of criminal justice and criminology, with equal emphasis on viewing both fields through a Christian lens. We desire to prepare students for entry into careers across a broad array of positions with diverse employers and to prepare those who desire to further their studies for entry into graduate or professional programs. We integrate restorative justice concepts into our studies while developing Christian leaders and servants whose vocation it will be to deal with crime in all of its forms, on all of its levels, with all of its participants, and with all of its consequences. In combination with 31 semester hours of required courses, CRIJ students will select 12 semester hours of courses in a general track, homeland security track, a forensics / criminalistics track, or a management of law enforcement track. The special emphasis tracks are designed to provide a unique undergraduate experience and to prepare students, through specialized study, for what lays ahead of them in their careers or continued studies.

**Director of Christian Education**
(see: “Religious Education”)

**Education**
Concordia University Texas currently offers state approved Bachelor of Arts programs for Elementary (Early Childhood - 6th grade), Middle Level (grades 4th – 8th grade), Secondary (7th – 12th grade), and Special Education based on the State Board for Educator Certification (SBEC) Rules for an Educator Preparation Program. Upon completion of a teacher education program at Concordia and successful completion of the state certification examination (TExES), a graduate will be recommended for the appropriate state certification.

- Elementary Level Curriculum Major - Early Childhood – 6th grade Generalist
- Middle Level Curriculum Major - Grades 4-8 Generalist or Grades 4-8 Content Specific Certificate
- Secondary Level Curriculum Major - Grades 7-12 Content Specific Certificate
- Special Education Curriculum Major - All Level EC-12 Special Education Certificate
- All-Level Content Major – EC-12 Content Specific Certificate (PE, Music)
English
The English major emphasizes clear, concise, careful, and correct writing. Studying expository and creative writing in order to explore and understand the human condition prepares students to enter a range of professions. English majors may work as corporate or government public information officers and publication directors, nonprofit directors, grant writers, journalists, policy writers, and research specialists in law, medicine, and government. English is an excellent preparation for law school and graduate school in a variety of Humanities disciplines. English majors with a passion for sharing the themes, events, and people of literature with others enter the teaching profession and are able to join university faculties after completing their masters and doctoral degrees.

Environmental Science and Conservation (BS)
The Environmental Science and Conservation major examines the relationship between humans and the environment, and prepares students to manage human impact on environmental systems. The program emphasizes field experiences in water resources conservation and wildlife conservation, many of which take place in Concordia’s nature preserve. Additional emphasis is placed on policy, planning, economics, philosophy, and communications in the context of natural resources management. Majors will have abundant opportunities to work with local government agencies and volunteer groups solving critical environmental problems.

History
The History major fosters students’ ability to understand the origin and impact of major political and cultural developments, economic trends, and social movements of the world around them. Students come to appreciate and respect the diversity of their own rich heritage, as well as that of others, and responsibly interpret the world around them through the use of critical thinking and communication skills.

Kinesiology (BS)
A study of the mechanics and anatomy of human movement, kinesiology has direct applications to fitness and health. With three tracks Generalist, Pre-Physical Therapy, and Fitness and Wellness Supervisor, students in this major select the track best suited to their career goals.

Mathematics (BA)
The Mathematics major (BA) emphasizes skill in problem solving, analytical thinking, use of technology in mathematics, and communicating and making connections within and outside the discipline. The BA is recommended for students who wish to minor in education and earn their teaching certification.

Mathematics (BS)
The Mathematics major (BS) emphasizes analytical thinking in scientific topics, skill in problem solving, quantitative representation of ideas, use of technology in mathematics, and communicating and making connections within and outside the discipline.

Multidisciplinary
The Multidisciplinary major allows students to focus on two areas of academic study, develop critical thinking skills, and improve their ability to effectively speak and write. The goal is to maximize flexibility for the students’ course work while concurrently developing marketable skills and igniting life-long learners.
Music
The Bachelor of Arts degree in Music is the primary musical degree granted by Concordia University Texas and involves the most rigorous preparation for a future career and/or graduate study, while maintaining the liberal arts core for a well-rounded and comprehensive curriculum. Students in this degree program will receive a comprehensive musical education, with a significant grounding in theory, history, conducting, performance, and other foundations of the discipline.

Nursing (BSN)
The Nursing major has two distinct parts: Pre-Nursing requirements and the Professional Nursing sequence. When a student has registered for and/or completed all the Pre-Nursing requirements, they may apply for the BSN professional sequence, which takes two years to complete. The Pre-Nursing requirements provide students a solid foundation for the BSN program. The Professional Nursing sequence [NUR courses] consists of nursing lecture and clinical courses that provide students the knowledge, skills, and attitude necessary to become competent and compassionate professional nurses. NUR courses are only available to students admitted to the professional nursing sequence.

Political Science
The Political Science major will prepare students to be professionally literate in the areas of law, politics, research, leadership, and analytical reasoning. In this degree, there are 47 hours of required course work, which includes political science, religion, behavioral sciences, thesis, scientific methods, and at least three semesters of practicum and/or service experience.

Psychology
The Psychology major is designed to provide students a Christian environment in which to gain knowledge of core tenets of the discipline, with special emphases on writing proficiency and career preparation. The major also intentionally encourages students to take advantage of program offerings beyond the classroom such as symposia, informational workshops, internships, research experience, and study abroad opportunities.

Religious Education
The Religious Education major provides basic educational, religious, and interpersonal foundations for the student and provides specialized training to develop individual interests in areas such as youth ministry, children's ministry, music and the arts, theology, missions, and outdoor ministry. This major can lead to certification as a Director of Christian Education (DCE) in the Lutheran Church Missouri Synod.

Applied Business (BAAS)
The Business BAAS degree provides the necessary skills to advance into supervisory and entry-level management positions, as supported by the AAS training already achieved. The BAAS business program provides a selection of business courses in which students learn how to apply core business skills within their own career field or business environment. (BAAS degree only)
Minors

A minor is a program of study generally offered by a department or interdisciplinary program. The purpose of these minor programs is to designate a set of courses to provide some degree of content mastery in an area of academic specialization that will complement the student's academic major.

Minors approved to complement a Baccalaureate degree must meet the following requirements:

- complete a minimum of eighteen (18) credit hours and a maximum of twenty-four (24) in a given subject area*.
- at least nine of the hours for the minor are upper-level,
- at least nine (9) hours of the minor must be earned in residence,
- maintain a cumulative GPA of 2.0 or higher, and
- selected minor may not be in the same general discipline as the selected major.

*Subject area is defined as a branch of knowledge and is designated by a course prefix (i.e. ENG, KIN, SOC, etc.). If a subject area does not offer at least eighteen (18) hours of courses of which at least nine (9) are upper-level, then a minor is not possible in that subject area.

A student may choose to use a course required to fulfill major requirements to fulfill minor requirements. Any student seeking a Bachelor of Art, Bachelor of Science, Bachelor of Science in Nursing, or a Bachelor of Applied Art and Science may elect to earn a minor.

Special Programs
Honors Program
The Honors Program is a supportive community of intellectually curious, creative, driven students of the highest integrity. As a community of scholars, these students engage in an academically rigorous, interdisciplinary, enriching curriculum in the pursuit of developing into Christian leaders for their country as participating citizens and in the world. The Honors Program curriculum is designed as a series of seminars each enrolling a small group of students (generally no more than 16) and facilitated by a faculty member. The program culminates in a senior Honors thesis, providing the student opportunity for individual research and high-level critical thinking beyond the confines of a discipline-specific capstone experience.

Admission Requirements
New freshmen, continuing students, and transfer students are eligible to apply for admission to the Honors program. All students who wish to enroll in the Honors program shall be required to complete a portfolio to support their application. Required elements of the portfolio include:

For New Freshman
- HS GPA 3.5 on 4.0 scale
- SAT/ACT scores 1760/26
- Formal application form
- Statement of Purpose
- HS faculty/employer recommendation
- Reaction essay to community themed prompt
- Reaction essay to “creative thinking” scenario

For Continuing and NEW Transfer Students
- College GPA 3.5
- Formal application form
- Statement of Purpose
- Faculty recommendation
- Reaction essay to community themed prompt
- Reaction essay to “creative thinking” scenario
Requirements to Remain in Good Standing

The Honors Program Chair shall oversee an annual evaluation and/or review of each Honors Program student during the spring semester, to be completed on or before the end of the Spring Break. Continued enrollment in the Honors program is dependent upon the Chair’s overall evaluation of the student’s fit in and with the program and review of performance in completed coursework and resulting grade point average (GPA). Each student must maintain a minimum cumulative GPA of 3.25 to continue in the Honors program, with at least a 3.50 GPA over all Honors courses. The Honors Program Chair may grant a student a period of probation if the GPA requirements are not met at the time of the student’s review. A grade of “C” in any Honors course shall be grounds for immediate dismissal from the Honors program.

Course Requirements (17 credit hours)

Foundation Seminar: HON 3311 Critical Thinking about Great Texts
Individual Seminar: HON 3336 Great Speeches and Speechmaking
Others Seminar: HON 3325 The Literature of Diversity
Country Seminar: HON 3351 Twain’s America
World Seminar: HON 3366 History of Science or HON 3367 Food and Drink in World History
Senior Honors Thesis: HON 4299

Honors Contracts

The purpose of an Honors Contract is for an honors student to work in conjunction with the instructor of a non-Honors course to complete extra work and fulfill Honors requirements for it. An Honors Contract will waive the course requirement and credit hours needed to fulfill one of the seminar categories of the Honors Program (i.e. Individual, Others, Country, or World). All Honors Contracts require final approval of the Chair of the Honors Program.

Guidelines for Honors Contracts

1) Students may enter into an Honors Contract for up to two (at least one upper-division) non-Honors courses in which the student is enrolled.
2) Students will obtain permission from the course instructor to enter into an Honors Contract agreement no later than the last day to add an academic course.
3) The student and the instructor will agree upon additional coursework the student will complete and/or engage in to warrant earning Honors credit. Approved additional coursework may include any of the following:
   a. Execution of an individual research project, or assisting with faculty research
   b. Creating, testing, and/or evaluating a software program
   c. Preparing and presenting a class lecture
   d. Producing a research paper
   e. Extending course knowledge to community outreach or service learning
   f. Designing and testing a lab project
4) The additional coursework to be completed for Honors credit will be independent of the regularly assigned coursework and therefore done exclusively to fulfill the Honors Contract proper. Honors credit earned for the fulfillment of the contract, and the course grade itself, are mutually exclusive.
5) A minimum grade of B must be earned in the course in order to earn Honors credit. Students must also complete a 5-page (double-spaced) reflection pertaining to how Community (as discussed in the Honors Program) links to their Honors Contract project.
Within this reflection, the student must also state and explain which seminar category requirement (Individual, Others, Country, or World) the project fulfills.

Students wishing to complete an Honors Contract will be required to enroll in one of the following courses corresponding to the domain for which they want to fulfill the Honors seminar category requirement. The course will appear on a student’s transcript to show completion of an Honors requirement.

- HON 3099H Honors Contract: Individual
- HON 3099H Honors Contract: Others
- HON 3099H Honors Contract: Country
- HON 3099H Honors Contract: World

**Honors Program Course Descriptions**

**HON 3311 Critical Thinking about Great Texts 3,0**
Analysis of selected important texts from the Western tradition and significant texts from non-Western traditions in order to understand them in their historical, sociological, and cultural contexts and to evaluate their influence on later events and ideas and/or application to contemporary events and ideas. This course also introduces students to the intellectual rigor, components, and community of the CTX Honors Program. Prerequisite: Must be admitted to the Honors Program.

**HON 3336 Great Speeches and Speechmaking 3,0**
Assessment of famous speeches primarily from the 20th century—the content, the context, the delivery, and the impact these speeches had on society. In addition, this course will explore advanced public speaking concepts and provide opportunities for students to create and deliver their own speeches, as well as participate in a formal debate. Fulfills the Honors Individual Seminar requirement. Prerequisite: Admission to the Honors Program or permission of instructor.

**HON 3325 The Literature of Diversity 3,0**
This course provides an in-depth study of the theories of exclusion and discrimination based on categories of race, gender, and class. Then these theories are put to practice, as literary works which manifest such issues of diversity are studied. Fulfills Honors Others seminar requirement. Prerequisite: Admission to the Honors Program or permission of the instructor.

**HON 3351 Twain’s America 3,0**
Analysis of selected texts by Samuel L. Clemens and his contemporaries emphasizing their historical contexts in the Gilded Age in United States history. Fulfills Honors Country seminar requirement. Prerequisite: Admission to the Honors Program or permission of the instructor.

**HON 3366 History of Science 3,0**
A survey of the history of science, from ancient time to the present. This course focuses on the relationship between science, technology and surrounding culture. Fulfills Honors World seminar requirement. Prerequisite: Admission to the Honors Program or permission of the instructor.

**HON 3367 Food and Drink in World History 3,0**
An analysis of how food and drink have influenced cultures, ideas, events, and interactions of groups of people throughout world history. Prerequisite: Admission to the Honors Program or permission of the instructor.

**HON 4299 Senior Honors Thesis 2.0**
Completion and presentation of original scholarly work under the guidance of a faculty mentor, such as individual or collaborative research, creative works, artistic performances, extended service learning, policy analysis, etc. May be a continuation of major capstone project. Prerequisite: HON 3311 and Permission of the Chair of the Honors Program.

**Reserve Officer Training Corps (ROTC)**

**Army and Air Force ROTC**
The Air Force Reserve Officer Training Corps (AFROTC) and the Army Reserve Officer Training Corps (AROTC) provide courses of military instruction which will permit volunteer, selected, male and female college students to prepare themselves for commissions as second lieutenants in the United States Air Force, Air Force Reserve, or Air National Guard and the United States Army, Army Reserve or Army National Guard while they pursue academic courses leading to baccalaureate or advanced degrees. The specific courses listed below are available to Concordia students through concurrent enrollment arrangements at the University of Texas at Austin. These courses may be taken without military obligation. ROTC courses will be treated as hours in residence at Concordia and the grades earned will be calculated in the Concordia GPA. For further information, contact the Department of Military Science at the University of Texas at Austin at 1.512.471.5639 or the Department of the Air Force Science at the University of Texas at Austin at 1.512.471.1776.

- Successful completion of the student teaching semester in an appropriate accredited/approved Christian school.
- Be declared eligible and receive the recommendation of the Concordia University Texas faculty.

**Pre-Seminary Program**
The mission of pre-seminary education at Concordia University Texas is to prepare students for theological studies and pastoral formation at a seminary of The Lutheran Church-Missouri Synod. This preparation includes:

- Competency in Biblical knowledge, the Biblical languages and Lutheran doctrine
- Competency in advanced communication skills in reading, writing and speaking
- Skills in critical thinking and philosophical inquiry
- Acquisition of a global perspective
- The understanding of and appreciation for the Lutheran ethos, identity and ethic
- Helping the student to perceive, proclaim and live out the centrality of the Gospel of Jesus Christ for the whole of life

The work of a pastor or theologian may be described simply as communicating the Word of God to humans. Such a description reveals four areas of education necessary to prepare a student to serve the Church well:

- The knowledge of GOD
- The knowledge of GOD’S WORD
- The knowledge of HUMANITY
- The knowledge of the skills involved in COMMUNICATION

The Lutheran Church-Missouri Synod divides this educational preparation between the university and the seminary. The study of God (theology) is begun at the university level and continues much more extensively at the seminary. The study of God's Word is also begun at the university level or sooner through the study of literature, languages, and the Bible. The seminary continues the study of the Scriptures in much greater depth. On the other hand, the study of the liberal arts (culture, history, psychology, etc.) and the study of the skills needed for good communication are carried out mainly at the university level through courses in writing, speech, drama, etc. The seminary provides specialized training in tasks appropriate for church work, such as sermon preparation, pastoral visitation, and counseling.
Academic preparation alone is no substitute for the student's personal devotional life or for his Christian, social, and emotional maturity. The student who chooses to offer himself for a call into the Holy Ministry is encouraged to develop a daily ritual of Scripture reading and prayer. Additionally, he is encouraged to make full use of the university's opportunities for chapel devotions, residence hall devotions, Bible study, community service, social activities, academic clubs, athletic and music activities, and the like.

Admission Process
Students apply for admission into the Pre-Seminary Program after they enroll in studies on campus. They must submit to the Program Director a completed application form and a letter from the pastor of their home congregation stating that the student is a member in good standing of the congregation. They are then assigned to participate in an Entrance Interview with a member of the Pre-Seminary Education Committee, who will assess whether to recommend the student for acceptance into the program.

Admission into the program is restricted to men who are members in good standing of an LCMS congregation. Other students may participate in all features and courses of the program but will not be counted in the university's statistics as "LCMS Pre-Seminary Students."

Monitoring Process
The Pre-Seminary Program has specific expectations regarding the development of the student and has written guidelines and policies pertaining to continuation in the program and to withdrawal, removal and reinstatement in the program. This information is available from the Director of the Pre-Seminary Program and is supplied to all applicants.

All students in the Program (and those applying during their first term of enrollment) are expected to take MIN 1101 Ministry Preparation every term. This course is designed to provide the students with experiences that enhance their development in spirituality, leadership, peer relationships and knowledge of the varied aspects and venues of theological service.

Exit Interviews and Recommendation
As he approaches graduation, the student must:

- Take the GRE (Graduate Record Exam) and have the scores reported to Concordia University Texas and to the seminary of his choice;
- Take the appropriate Seminary Entrance Competency Examinations (in Christian Doctrine, Old Testament, New Testament, Greek and Hebrew) as they are scheduled;
- Complete a District Interview (off-campus) arranged with the officers of his home LCMS District;
- Complete an on-campus Exit Interview with two members of the Pre-Seminary Education Committee.

When the report of the Exit Interview has been filed, he should request the University President to compose and send his recommendation to the seminary. All students entering an LCMS seminary must submit a recommendation letter from the most recent LCMS University he attended.

Academic Major
Students in the Pre-Seminary Program are encouraged to select one of the following five majors:

- Behavioral Sciences,
- Communication,
• English,
• History, or
• Multidisciplinary Studies.
Other majors may be used only with the approval of the Pre-Seminary Education Committee.

**Biblical Languages**
Both seminaries of the Lutheran Church Missouri Synod require competency in reading Biblical Hebrew and Greek. Concordia University Texas offers the following language courses and recommends this sequence:
- Freshman - Latin I & II
- Sophomore - Greek I & II
- Junior - Greek III & IV
- Senior - Hebrew I & II plus Advanced Greek Readings

Pre-Seminary students are recommended to take all of these courses and are required to complete a minimum of 12 hours from the above offerings. Where appropriate, students may also take additional study in Latin, Greek, or Hebrew by special arrangements with the appropriate instructor.

**Additional Seminary Entrance Requirements**
Both seminaries of The Lutheran Church-Missouri Synod require students to achieve a satisfactory grade point average (GPA). St. Louis requires a 2.00, and Fort Wayne requires a 2.25. All other seminary academic requirements (such as Speech or Composition) are more than satisfied by Concordia’s core requirements for every graduate. Every seminary applicant must have been an active member of an LCMS congregation for no less than two years prior to enrollment at seminary.

**Elective Recommendations**
Pre-Seminary students are encouraged to consider these courses as further electives:
- All REL courses
- COM 3303 Communication in the Church
- EDU 3333 Teaching Religion
- MUS 3362 Worship and Music

**Pre-Law**
Concordia University Texas offers a variety of opportunities for students who plan to attend law school after they complete their undergraduate matriculation. The university provides the following services for students wanting to attend law school after graduation from Concordia:
- Assistance finding a law school that best fits a student’s interests and abilities
- Assistance finding the best off-campus LSAT preparation course
- Assistance with personal statements, recommendation letters, and addendums
- Membership in the Concordia Legal and Political Society
- Directed community service efforts to enhance law school applications.
- Law related internship and competition opportunities
- Law related coursework, and an optional directed minor in Legal Studies that is designed specifically for pre-law students
- Personalized four-year advising
Students who are interested in Pre-law advising at Concordia University Texas should contact Dr. Brent Burgess at brent.burgess@concordia.edu.

Balcones Canyonlands Chapter of the Texas Master Naturalist™ at Concordia University Texas
The mission of the Texas Master Naturalist™ program is to develop a corps of well-informed volunteers to provide education, outreach, and service dedicated to the beneficial management of natural resources and natural areas within their communities for the State of Texas. The program is managed by the Texas Parks and Wildlife Department and the Texas AgriLife Extension. There are 46 chapters throughout the state and the Balcones Canyonlands Chapter is the first and only collegiate chapter. In this chapter, officer positions are reserved for Concordia students, while general membership is open to students of all majors, faculty, staff, and anyone from the local community. To become a Certified Texas Master Naturalist™, members must complete 40 hours of basic training, 8 hours of advanced training (certain Concordia natural science courses count toward this), and 40 hours of volunteer service over the course of one year, beginning in October. Recertification requires 8 hours of advanced training and 40 hours of service annually. Students may participate in activities without seeking certification. Membership dues are required. Exemplary student Texas Master Naturalists™ qualify to wear special stoles or cords during commencement. For more information, visit http://txmn.org/balcones/ or contact the Director of the Environmental Science and Conservation major.

Study Abroad and Experiential Education
Study abroad and experiential education is one of the best investments a student could make during the university years. Cross-cultural, real-world experiences are without equal in helping students develop leadership skills, think critically and creatively, master foreign languages, apply classroom content, mature spiritually and take responsibility for their neighbors’ wellbeing.

NOTE: General tuition is not charged for travel courses taken at or through Concordia University Texas. Students pay a fee that equals the cumulative cost of the trip plus a $300 administrative fee.

Concordia has high academic standards, and we expect the same of the off-campus experiences we provide to our students. We have selected and vetted approved programs and providers that we know offer rigorous academics and culturally grounded academic experiences. International travel coursework comes in as transfer credit and will not impact your GPA but you can get content credit for CTX courses. Only travel courses taught by CTX faculty through the CISC program are considered CTX courses and only those travel course grades count in your GPA.

Through our approved providers, nearly the entire globe is available to our students. Students should pick up an Enrollment Packet for Off-Campus Study in Student Central.

Concordia Travel Courses (www.Concordia.edu/TravelCourses)
These unique courses are developed and taught by Concordia faculty around the country and internationally. Travel Courses are usually less than one month long and typically take place in
the summer or on breaks in the academic calendar. Below is a list of recurring Travel Courses, but others may be available. See the Coordinator of Study Abroad & Experiential Education for current Travel Courses or visit www.concordia.edu/travelcourses.

*Central America and the Caribbean.* BIO 3302 Tropical Biology. Every spring break we conduct a nine-day trip to a Central American and/or Caribbean country. Additional fees apply.

*Texas/Mexico Border.* BADM 4311 International Business Management. A four-day trip usually scheduled during the fall term, to Eagle Pass/Piedras Negras, which explores the economics, politics and culture of doing business on the Texas/Mexico border. Additional fees apply. Not offered every year.

*Stratford, Ontario, Canada.* ENG 3307 Drama at Stratford. Held each August, this one-week trip to Stratford, Ontario, Canada, covers eight plays during the Stratford Festival and additional plays at the Shaw Festival at Niagara-on-the-Lake. Additional fees apply.

*Hawaii.* SCI 3304 Geology and Ecology of Hawaii. Every third summer, Concordia students travel on a two week trip to the Big Island and Kauai. Additional fees apply.

*Pacific Northwest.* BIO 3370 Ecosystems of the Pacific Northwest. Every third summer, students may travel for two weeks to Mt. St. Helens and other ecological sites in the Pacific Northwest. See Dr. Laurence Meissner for details. Additional fees apply.

*Grand Canyon & Southwest.* SCI 3303 Geology and Ecology of the Southwestern US. Every third summer, students have the opportunity to travel to the Grand Canyon and other desert sites in the Southwest. Additional fees apply.

*Texas.* BIO 1101 - 1106. These courses visit different geographical regions (six total) of Texas each term. The regions include East and Southeast, Rio Grande Valley, Southwest, Panhandle and Northwest, Central, and the Guadalupe Mountains. Additional fees apply.

**Traditional Study Abroad (www.Concordia.edu/StudyAbroad)**

**Concordia International Studies Consortium (CISC):** This semester-long program takes place each spring term and is a joint project of Concordia University Texas and our sister universities around the country in the Concordia International Studies Consortium. CISC focuses on one location each year and usually one major subject area. The location varies from year to year. For more information visit the Study Abroad Office or visit www.concordia.edu/studyabroad.

**AHA International & International Studies Abroad (ISA):** These two established, independent providers have truly global networks of programs (over 100) each one with language training and planned excursions in addition to the academic opportunities through their university partnerships. Both providers offer short term (summer) and long-term (semester and one-year) study programs.
**Off-Campus Study Process and Policies**

All students seeking to participate in an off-campus study program must first meet with the Coordinator of Study Abroad & Experiential Education and complete an Off-Campus-Study Enrollment Packet.

The packet must be completed by April 1, for summer or fall travel, and October 1, for spring travel. This deadline is independent of any application requirements established by the program/provider.

Eligibility: Students who have completed 24 credit hours, (transfer students note: at least 12 hours must have been completed through Concordia Texas prior to travel), maintain a 2.75 cumulative GPA, and are in good academic, behavioral and financial standing with the University are eligible to participate in an off-campus study program.

Only those off-campus study programs/providers mentioned by name above in this catalog are “approved programs.” Students desiring to participate in a non-approved program must thoroughly research and propose the program to the Study Abroad Coordinator, who will review the experiential and academic components and interview program leaders. Participation in non-approved programs may not be assumed, and additional fees (see below) and requirements may apply.

Costs for travel experiences vary with the economic conditions across the globe, currency exchange, as well as the always-changing cost of local and international transportation. Contact the Student Central for costs of specific programs.

*Financial Aid is available only for approved programs and providers described by name in this catalog.* All government or private loans or grants can be used for approved off-campus study. Concordia institutional aid and merit scholarships do not apply to off-campus programs, but such institutional aid will be restored once students are back on campus.

Any off-campus program that requires continued enrollment at Concordia and that will not provide an official transcript will be assessed an additional $500 fee to approve the courses and load them into Concordia’s system.

**General Education Requirement – The Concordia Common Experience curriculum**

*Overview*

All undergraduate baccalaureate degrees require the following general education curriculum, known as The Concordia Common Experience curriculum. The Concordia Common Experience curriculum complies with both regional and state accreditation standards for general education and is required of all Concordia University Texas (CTX) baccalaureate degrees regardless of delivery (i.e., traditional, adult and online).

The Concordia Common Experience curriculum has four primary goals:

- Exposure to a range of academic disciplines central to liberal education;
- Development of foundational academic skills;
- Exploration and formation of personal identity; and
• Learning through application and experience.

Summary of Requirements
Students are required to complete 42-44 credit hours in courses certified to meet The Concordia Common Experience curriculum goals, including:
• 9-10 credit hours in the Concordia Distinctive
• 18-19 credit hours across six Liberal Arts disciplines and
• 15 credit hours of Foundations coursework.

Concordia Distinctive – required of all CTX students
LDR 1100  Life & Leadership - 1 hour
LDR 2201  Leadership Theory and Practice or LDR 3301  Peer Leadership - 2-3 hours
REL 1301  New Testament History and Reading - 3 hours
REL 1311  History and Literature of the Old Testament - 3 hours

Concordia Common Experience: Liberal Arts
The Concordia Common Experience curriculum Liberal Arts course sequence (18-19 hours) introduces students to a variety of disciplines offering diverse perspectives on the world around us. The following are required of all CTX students.
• Behavioral Sciences (ANT 1301, PSY 1311, OR SOC 1301) – 3 hrs.
• Political Science (POLS 1303) – 3 hrs.
• English Literature (ENG 1317) – 3 hrs.
• Fine Arts (any MUS, ART, or THEA) – 3 hrs.
• History (HIS 1301 or HIS 1302) – 3 hrs.
• Natural Science with Lab (BIO, CHE, ESC, PHY, OR SCI) – 3-4 hrs.

Common Experience: Foundational Competencies
The Concordia Common Experience curriculum Foundational Competencies require 15 credit hours of designated courses that develop foundational academic skills.
• Written Communication (ENG 1316) – 3 hrs.
• Verbal Communication (COM 1300 or HON 3336) – 3 hrs.
• Quantitative Reasoning (any MTH college level or higher) – 3 hrs.
• Technology (CIS 1300, BADM 3371, CIS 2304, COM 2314, NUR 3585, NUR 3485, OR EDU 3323) – 3 hrs.
• Wellness (KIN 1301, NUR 3435, NUR 3535, any KIN activity, including collegiate sports) – 3 hrs.

Experiential Learning Graduation Component
The experiential learning component is designed to support students’ personal and academic growth by direct engagement with the community. Each student must complete one or more of the following options totaling three credit hours or more.
• Internship course (30+ hours)
• Practicum course (30+ hours)
• Travel course (4+ days)
• Semester abroad* (10+ weeks)
- Approved experience-based course (such as SOC 1301)
- SVL x1xx: Service learning field Experience course attached to course of student’s choice (coordinated through student advisor and course instructor)
- Comparable documented service learning (coordinated through student advisor, student must petition for this in advance to count in place of one of the courses listed above)

*for the purpose of Experiential Learning credit, “abroad” is defined as anywhere outside the continental United States including Hawaii, Alaska, and all United States’ territories.

**Academic Information**

**Academic Responsibility of the Student**

Students are responsible for knowing university policy regarding the standard of work required to continue in the university as well as the policies dealing with scholastic probation and enforced withdrawal.

Students should

- know and meet the requirements of their degree program,
- enroll in courses appropriate to their degree program,
- take courses in the proper sequence to ensure orderly and timely progress, and
- seek advice about degree requirements when appropriate.

**Failure to read the ensuing material does not excuse students from meeting all policy requirements.**

*Remember to note the Undergraduate Catalog year of your degree plan.*

Catalogs specify degree requirements that govern your graduation. It is important that when you speak with your advisor to discuss your degree requirements you know your catalog year and communicate that to him/her. Failure to comply with the rules of your catalog can result in taking classes that will not count toward your degree. Students have seven (7) years to complete their degree before the degree plan expires.

**Academic Honesty**

Concordia students are expected to practice academic honesty at all times. This expectation includes avoiding all forms of plagiarism including those attained though electronic media, fabrication, cheating, or academic misconduct of any kind. It is the official policy of Concordia University Texas that all acts or attempted acts of alleged academic dishonesty, whether at the graduate or undergraduate level, be reported to the Chief Academic Officer/Provost by way of the Dean of the respective school within which the course is taught.

**Definitions of Academic Dishonesty**

- **Plagiarism** - Plagiarism is the inclusion of someone else's words, ideas, or data as one's own work, whether intentional or unintentional. When such words, ideas, or data is used, the source of that information must be acknowledged through complete and accurate references. Quotation marks or block quotes along with appropriate notation(s) must be used if verbatim statements are included. Plagiarism covers unpublished as well as published sources.
• **Fabrication** - Fabrication is the intentional use of invented information or the falsification of academic records, research, or other findings with the intent to deceive.

• **Cheating** - Cheating is an act or an attempted act of deception by which students seek to misrepresent that they have mastered information on an academic exercise that has not been mastered.

• **Academic Misconduct** - Academic misconduct is the intentional violation of University policies by tampering with grades or transcripts, or taking part in obtaining or distributing in advance any part of a test.

If Academic Dishonesty is confirmed -

• The student will be informed of the charge through communication with the dean.

• The student will be informed regarding the investigation, the determination, and the resulting consequences by the Dean of the respective college in which the alleged incident occurred.

• The Chief Academic Officer will be informed of the incident by the Dean, who will submit a report concerning the process within five working days from the time the student has been informed of the initial allegation.

• If the incident should occur within the last week of classes, the student will be given an *Administrative Incomplete* until the situation is resolved.

**Academic Dishonesty Appeal**

If the student feels that the decision is in error, the student may file an appeal to the Chief Academic Officer. All appeals must be submitted in writing to the Chief Academic Officer on an official Student Disciplinary Appeal form, available from the dean of the college. The appeal should state on which basis from the following list the appeal is being made and should give specific information pertinent to the appeal.

- Whether the decision was made contrary to existing school policy.
- Whether information used to reach a decision was inaccurate or incomplete.
- Whether the student was given insufficient opportunity to present his or her point of view.
- Whether the rights of the student were denied.

This appeals form must be filed within five school days of the student’s being informed of disciplinary decision. The student will be informed in writing of the decision, so the student must provide an accurate address and telephone number.

**Attendance**

**Traditional Programs:**

Concordia University Texas expects students to attend class regularly in order to maximize their educational experience. Individual programs and/or instructors establish an attendance policy for courses and that policy is communicated to the student. Students are responsible for familiarizing themselves with this policy at the beginning of each course. Students receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance.
**Adult Degree Program:**
This Adult Degree Program attendance policy states that any student not attending the first night of class will be administratively dropped from that course. Likewise, these programs have attendance policies that limit the number of hours a student may miss before being administratively removed from the course. *If a student misses more than four (4) hours of class time, that student will be administratively withdrawn from the course.* Students receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance. For more information, contact the center director/dean.

**Online Programs**
Concordia University Texas expects students to log into class by Friday of the first week. Doing so establishes intention to participate in the course. Students are encouraged to log in often in order to maximize their educational experience. The census date for online undergraduate and graduate courses is at 12:00 a.m. (Central Time) on Day 6 of class.

Online attendance for all undergraduate and graduate courses is maintained by logging into the learning management system, Moodle, and participating in class activities (completing an assignment, completing a quiz, participating in a discussion forum, and/or attending a synchronous session) at least once per week (once every 7 consecutive days). Failure to attend this course each week will result in a warning of impending withdrawal. Individual programs and/or instructors establish additional attendance policies for courses and that policy is communicated to the student during orientation and in the course syllabus. Students are responsible for familiarizing themselves with this policy at the beginning of each course. Students receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance.

**Census Date**
The Census Date for each long semester (fall and spring) is published in the Academic Calendar. As of that date all class schedules are official, a matter of permanent record, and will appear on a student's transcript. For students in the Adult Degree Program or Graduate Programs, census day is the first night of class. Census date for courses taught in the Online Center is day six (6) of the course. Courses dropped before the Census Date will not appear on the student's transcript.

- Courses dropped after the Census Date and before the Withdrawal deadline will be recorded on the student's transcript with the grade of "W".
- Certification of attendance for insurance purposes will be done as of Census Date for that semester.
- Census date for a full semester (semester/courses lasting sixteen weeks) is the tenth day of the semester.
- Census date for part-of-term semesters (semesters/courses lasting from four-to-eight weeks) is the first meeting time of each course.

**Classification of Students**

**Standard Classifications**
- **Freshman** - Students who have successfully completed less than 30 credit hours.
- **Sophomore** - Students who have successfully completed 30 - 59 credit hours.
• **Junior** - Students who have successfully completed 60 - 89 credit hours.
• **Senior** - Students who have successfully completed 90+ credit hours or who have been awarded a baccalaureate degree and who plan to obtain another degree at Concordia.
• **Post Baccalaureate** – Students who have received a Bachelor degree, but wish to pursue further study.
• **Graduate** – Students who have received a Bachelor degree and are pursuing a Master’s Degree.
• **Post Graduate** – Students who have received a Master Degree or higher and want to pursue further study.
• **Doctoral** – Students who are pursuing a doctoral degree.

Other Classifications

**Special/Post-Baccalaureate**
Students who hold a baccalaureate degree from any regionally accredited institution who 1) are enrolled in a certification program or 2) are pursuing another major, but do not plan to obtain a second baccalaureate degree.

**Degree Seeking**
Students, full or part-time, in pursuit of an associate, baccalaureate, or master’s degree; students wishing to take course work for the purpose of applying for credit in another institution fall under this classification.

**Non-Degree Seeking**
Students who wish to take course work for purposes of personal enrichment or employment promotion opportunities. See the paragraph on Admission under Non-Degree Seeking Students.

**Lutheran Church Work**
Students preparing themselves for one of the Lutheran Church-Missouri Synod church work vocations. Such students must hold membership in a Lutheran Church-Missouri Synod congregation.

**Community Learner**
The Community Learning program is designed to allow the community to take part in courses for personal enrichment. A community learner is not considered a student and does not receive any credit for the course. To participate in the Community Learner program, an individual must file an application with the Registrar’s Office as well as secure permission of the instructor prior to enrolling in the course. Participation in the Community Learner program requires a per course fee due at the time of enrollment along with any associated special fees if applicable (see [Tuition and Fees](#)). Community Learner participants may not register for music lessons, internships, travel courses, practicum courses, or courses that are full and/or closed.

**Dean's List**
Full-time (enrolled in 12 or more G.P.A. hours), degree seeking, undergraduate students whose Concordia term grade point average is 3.50 or higher are placed on the Dean's List for that term. This academic status is recorded on the student's official transcript. The college dean’s office will notify students of this honor.

**Degree Audit**
MyDegreeAudit is a comprehensive academic advising, transfer articulation, and degree audit solution that aligns students, advisors, and institutions to a common goal: helping students graduate on time.

MyDegreeAudit:
• Provides real-time advice and counsel
• Speeds time to graduation
• Provides intuitive web access to self-service capabilities
• Streamlines the graduation process
• Allows direct access to multiple related services and advice through hyperlinks to catalog information, class schedules, transcripts, help desk services, and FAQs

MyDegreeAudit is found in MyInfo where you will click on the student tab. The last link is MyDegreeAudit, click and watch the magic happen (if there is no magic, contact studentcentral@concordia.edu). Once you are logged in to MyDegreeAudit you can see your degree audit, what courses you have taken and what courses you need.

If you are under a catalog earlier than 2013, you are not eligible to use MyDegreeAudit. Instead, you can request a manual audit through Student Central. Once a student has completed sixty (60) hours of coursework and one full term at Concordia University Texas, the student may request one degree audit per academic year. Students enrolled in the Adult Degree Program (ADP) who may not have access to MyDegreeAudit may request a manual degree audit from their Student Support Coordinator. Students in the Bachelor of Applied Science degree program may request a manual audit from their Center Director based on the signed plan of study initiated when the student enrolled.

Every student who registers for graduation will automatically receive a graduation degree audit. The student does not need to request this audit.

**Enrollment**

**Enrollment Definition**
Full Time - An undergraduate student is considered to be full time if the student is registered for twelve (12) academic hours per term (term equals 16 weeks). In the undergraduate program, courses are normally sixteen (16) weeks in length and run concurrently.

Part Time - A student is considered to be enrolled part-time if registered in less than twelve (12) academic hours per term.

**Concurrent Enrollment**
Current Concordia students may take correspondence or online courses and/or courses in residence at one of the neighboring institutions. A Transfer Course Approval Form should be completed prior to enrollment. Academic Dean or Registrar approval of the form indicates to the student that credit from the course taken will be accepted by Concordia. Current students who complete coursework at other institutions must provide the Registrar's Office with transcripts from these institutions immediately after completion of the course(s). Courses in which a grade of A, B, or C has been earned will transfer for credit only and will not be included in the Concordia grade point average.
NOTE: For prior-approved transfer credit taken during the term of anticipated graduation to be counted toward degree completion and graduation, all transcripts must be received in the registrar’s office prior to the end of that term.

Transfer Credit

- Credit from a regionally accredited institution must fit within the liberal arts framework of Concordia University Texas to be considered for transfer credit. Transfer credit that meets this requirement is normally accepted on a credit-for-credit basis.
- Transfer credit from institutions in candidacy status with a regional accrediting body which are later granted accreditation will normally be accepted based on the same criteria as that from a regionally accredited institution.
- A minimum grade of “C-” in the course for which credit is requested for transfer is required by Concordia University Texas.
- Courses from a junior college are generally not accepted as upper-level credit.
- Credit from non-regionally accredited institutions is generally not acceptable.
- Coursework completed at another institution prior to the first day of the term enrollment begins at Concordia will not be accepted or considered for transfer credit unless the institution was reported on the admission application and the official transcript from that institution is received by the Registrar’s Office.
- Estimates or statements of transfer of credit are un-official and only the final determination by the Registrar’s Office based upon official transcripts can be used to establish credit hours transferred and requirements met through such transfer.
- All official transcripts must be in the Registrar’s office on or before the fifth class day for traditional undergraduates; prior to the first night of the first class of the term for students in the Adult Degree Program; or five days after the start of the term for Graduate Students.
- Grade points earned from any accepted transfer credit is not figured into the grade point average (GPA) calculation for Concordia University Texas except for student in the College of Education. Transfer courses cannot be used to replace an existing grade at Concordia nor can it be used to improve Academic Standing Progression evaluations.
- International travel coursework comes in as transfer credit and will not impact your GPA but you can get content credit for CTX courses. Only travel courses taught by CTX faculty through the CISC program are considered CTX courses and only those travel course grades count in your GPA.
- Students enrolled in the College of Education majoring in Elementary Level Curriculum, Middle level Curriculum, Secondary level Curriculum and EC-12 Special Education will have all grades from coursework accepted in transfer towards the Concordia University program included in their cumulative GPA calculation at Concordia University Texas.
- If a student transfers in a course from another institution and then takes the same course at Concordia, the Concordia course takes precedence. The grade earned at Concordia counts in the GPA and results in the loss of transfer credit from the course taken at the previous institution.

Concordia students who wish to take courses at other institutions for credit transfer back to Concordia should
• fill out, sign, and submit a Transfer Course Approval form to the Office of the Registrar prior to enrolling in a course at another institution
• must receive notification indicating whether or not the request has been approved
  o Positive approval from the Registrar’s office assures the student that credit for that course will be accepted as credit toward their degree at Concordia.
  o Denial means that credit for the course requested cannot be awarded.
• Credit from courses taken without prior approval may not be accepted.

Courses/Credits that are generally not accepted for credit include:
• Credit from courses that are remedial in nature;
• Credits from non-regionally accredited institutions; and
• Credits from institutions that are regionally accredited but do not fit within the liberal arts framework of Concordia University Texas.
• Credits received through vocational education

Courses/Credits not accepted for transfer credit
• Credits from courses for which the student earned a grade of “D” or lower; and
• Credits received through continuing education, internship, or practicum.

Transcripts from Other Institutions
Student transcripts from previously-attended institutions that were provided for admissions consideration become the property of Concordia University Texas (CTX) and are considered official only at the time of receipt. CTX does not provide copies of transcripts from other institutions that are part of a student’s education record. In order to obtain accurate up-to-date information and assure that protocols of the issuing institution are not circumvented, a student must contact the originating school for a copy of that transcript.

Texas Common Core Credit
Transfer students who do not complete the Texas common core requirement prior to matriculation at CTX will be evaluated on a course-by-course basis.

Transfer students who complete the Texas Common Core requirements at an accredited college or university prior to matriculation will not be evaluated on a course-by-course basis. Instead, all of the Concordia Common Experience curriculum requirements will be satisfied with the following exception:
• The Concordia Distinctive group of courses (9 hours)
• Three hours of Kinesiology

Transfer students must provide an official transcript indicating completion of the Texas Common Core prior to admission to Concordia in order to have it satisfy Concordia’s core requirements.

See your admissions counselor or Center Dean for more information.

Credit by Exam
Credit by exam including CLEP, AP, ACTPEP, DANTES/USAFI, and military colleges evaluated by the American Council on Education (ACE), may possibly be used to satisfy degree requirements but do not count toward residential credit requirements. Other credits based on
evaluations of non-collegiate sponsored instruction and Prior Learning Assessment (PLA) may possibly be accepted but do not meet Concordia residency requirements (neutral). Except as printed in the catalog, neutral credit courses are evaluated on a case-by-case basis when requested.

Advanced Placement Exams (AP)
Concordia University Texas accepts college credit for satisfactory scores on the College Board's Advanced Placement Examinations.

  Scores of 3, 4, or 5 = Satisfactory CE (Credit by Exam)
  Scores of 1 or 2 = Unsatisfactory No Credit

Admitted students who receive satisfactory scores in the subject areas indicated by the Advanced Placement Examinations will be awarded equivalency credit for the Concordia courses as indicated below:

*AP Exam transfer credits do not fulfill experiential learning requirements in The Concordia Common Experience curriculum.

Admitted students who receive satisfactory scores in other Advanced Placement Examinations that do not have a Concordia equivalent will be granted three hours of credit. The Advanced Placement Examinations in this category include:

  Art, History
  Art, Studio – all exams
  Comparative Government and Politics
French

**CLEP Exam Credit**
Currently enrolled students may submit CLEP scores for evaluation for credit. Students must score at or above the ACE recommended passing grade on the appropriate CLEP examination (usually 50 but may vary with certain tests). Concordia University Texas will award equivalency credit for the following:

*ACE recommended test scores will determine if Modern or Classical Language, calculus or chemistry credit will be awarded.

A maximum of 15 credit hours of credit may be earned by examination for application toward the Associate of Arts Degree; a maximum of 30 credit hours may be earned by examination for application toward the Bachelor of Arts or Science Degree. Concordia will
determine the award of postsecondary academic credit for extra institutional credit-by-examination programs related to the student's educational objective at Concordia based on the most recent recommendations by the American Council on Education. Concordia assumes no responsibility for awarding credit for examinations taken that are not on the acceptable list for such credit.

**International Baccalaureate**
Concordia University recognizes the International Baccalaureate (IB) and accepts individual course credit for higher level (HL) IB courses with test scores of 4, 5, 6, or 7. For each course presented and accepted, 3 credit hours of credit will be granted to be used in the student's program as appropriate. No credit will be granted for standard level (SL) courses.

**Military Education and Experience Credit**
Concordia will accept credits earned through the USAFI or DANTES program and grant credit for military educational experiences in accordance with the recommendations of the American Council on Education. Student will need to provide the Registrar’s Office with:
- a copy of the student's DD-214 showing all schools attended,
- a Community College of the Air Force (USAF) transcript, or

If there is more than one DD-214 showing schools attended, student will need to provide the VA Certifying Official with copies of each one. Based on this documentation, evaluation of the student's military education and experience will determine if credit can be awarded.

**Prior Learning Assessment**
Prior Learning Assessment (PLA) credit based on previous experiential learning acquired on the job, in previous training and/or through personal study. Students may petition for PLA credit for only those eligible courses listed in the current Concordia Undergraduate Catalog. Students must meet with their advisor to review the PLA criteria and the petition development process before attempting to earn credit through prior learning assessment. Information on completion of a Prior Learning Assessment portfolio is available from a Student Support Coordinator.

Concordia grants up to eighteen (18) credit hours for properly documented prior experiential learning that demonstrates achievement of all outcomes for specific courses in an approved Concordia major. PLA credit may not be used to satisfy Concordia residency requirements for graduation. PLA credit is awarded on a Pass/Fail basis. Concordia University does not grant block credit and will not award PLA credit based on internships, Independent Study courses or courses for which CLEP or other equivalency exams exist (as listed in the Concordia Undergraduate Catalog). Maximum use will be made of national, standardized equivalency exams to award credit for prior experiential learning.

Students are responsible for supplying clear and convincing documentation to support their PLA petition. Concordia may not accept documentation of experiential learning acquired while the student attended an institution that was not accredited by a regional accrediting association. Students may not petition for PLA credit using a course for which they have already received credit on a college-level transcript.
Once submitted, the PLA petition is reviewed by selected faculty at Concordia University Texas. Final approval is given by the Dean of the college in which the credit was requested and notification comes from the Registrar’s Office. All material submitted with the PLA petition becomes the property of Concordia University Texas.

Students intending to submit a portfolio for PLA evaluation must submit it no later than six months prior to their anticipated date of graduation. The PLA assessment fee for each petition submitted must be paid in advance with a copy of the receipt included in the portfolio at the time of submission. PLA credit is awarded in the term in which the petition is approved by the Dean of the College in which the course originated. *Concordia University Texas does not accept PLA-type credit from other institutions.*

**Final Examination**

Final assessment of the work of the entire traditional semester or part of term is given at the end of each semester or part of term. During the last week of each sixteen-week semester, time is set aside for final assessments which are to be given during this designated time. The registrar's office will publish a finals schedule, make it available to all faculty members, and post it on the Concordia web page. All final exams are to be given during the scheduled times and dates.

Adult Degree Program final assessments are administered on the last class day of the course. See course schedule for final class date. All final exams are to be given during the scheduled times and dates.

**Grades and Appeals**

Completed course grades are posted to MyInfo on the 15th and end of every month. Final grades and updated GPAs are posted within five (5) business days after the official last day of the term. Grades posted monthly are visible in MyInfo by selecting the Student Transcripts option. Calculation of term and cumulative grade point averages is completed after all grades are submitted and are posted at the end of every term. End-of-term grades are visible by selecting the Final Grades option in MyInfo.

**Grading System and Final Course Grades**

Concordia uses the following grades which are counted in the GPA:

- A  Excellent
- B  Above Average
- C  Average
- D  Below Average
- F  Failure

Percentage/point ranges for these grades are determined by the faculty and communicated in the syllabus for each course.

Concordia also uses the following designations which are not figured into the GPA.

- CE  Credit by Examination
- CR  Credit
E  In Progress
I  Incomplete
NC  No Credit
NR  No grade recorded
P  Passing (for Pass/Fail Courses)
W  Withdrawal

Designations of I, CE, CR, NC, P, and W are not used in computing a student's cumulative grade point average. However, the hours may count toward attempted hours as stated in Concordia’s Academic Standing Progression policy.

Academic Grievance
Students who have an academic grievance with an instructor should discuss the issue with the instructor before pursuing any other action. If the student and the instructor are unable to resolve the issue, the student may appeal to the Dean of the College or University Center in which the issue occurred. If the student does not feel that the issue has been resolved by the Dean of the College, the student may appeal to the Chief Academic Officer/Provost, whose decision is final.

Grade Change Requests
Requests for grade changes are to be made to the instructor of the course in which the grade was received. Grades may be changed by the professor until noon on the third day following the last day of final exams without additional paperwork submitted. Grade changes are normally limited to miscalculations by faculty when computing the final grade, errors in recording grades or delays by faculty in locating misplaced assignments. After the third day following the last day of exams, all grade changes must be a result of miscalculation of the final grade by the faculty person assigned to the course in question and submitted on a Grade Change Request form with all required signatures. A grade change request may not be initiated after mid-term of the following long term.

NOTE: In the case of grade appeals, students have until midterm of the following long term to challenge course grades, have a decision reached, and, if necessary, have the appropriate paperwork submitted to the Registrar’s Office. Paperwork received in the Registrar’s Office after the deadline will, in most cases, not be accepted.

Incompletes
An “Incomplete” is not a grade but a place-holder (designated by an indicator of "I" in place of a grade). In order for an instructor to accept a student request for an “Incomplete” an Incomplete Form must be submitted by the student to the professor of the course in which student is requesting an “Incomplete.” By signing the Incomplete Grade form, the instructor and the student agree that both of the following conditions exist:

- specific course requirements have not been completed due to circumstances clearly beyond the student's control, and
- completed work to date is of passing quality.

The Incomplete Form requires that both parties state
the reason for the incomplete,
the specific work required to complete the course, and
the grade to be assigned if the work is not complete by the agreed upon date.

The student assumes the primary responsibility for completing the course within the initial or extended time limit and under the criteria established by the instructor.

The “I” designation is entered into the student information system by the Registrar’s Office once the completed paperwork is completed and turned in to Student Central or a Student Support Coordinator and forwarded to the Registrar’s Office. The “I” will be changed to the agreed upon grade if the specified deadline is not met or notice is sent to the Registrar’s Office of the completion of the work as indicated by a final grade.

Students who have an outstanding Incomplete on their transcript will not be able to participate in commencement or graduate.

NOTE: Under no circumstances will the “I” indicator be assigned as a means of avoiding or postponing a low course grade.

Traditional Sixteen-Week Program Incomplete Requirements
Completed and signed forms are due in the Registrar’s office prior to the last regularly scheduled class day of the term. Resolution of the Incomplete must be finished by end of the following long term. Whether or not the student is enrolled during the following long term has no bearing on this date. One extension is allowed. Total time of Incomplete, with extensions, may not exceed one (1) calendar year. Incompletes must be processed in time to allow for the submission of the Incomplete Grade Form to the Registrar’s Office along with the final grade roster of the class. Failure to fulfill all requirements of an “Incomplete” where no agreed upon grade was specified should requirements not be completed will result in a grade of “F.”

Note: Students who enter their final term of study with an unresolved Incomplete on their transcript are not allowed to participate in commencement ceremonies and will not be allowed to graduate.

Students who request and receive an Incomplete for a course taken during their final term of study have ten (5) business days following the official end of the term to successfully fulfill the Incomplete requirements. If this requirement is not met on or before the deadline, the student would then be considered as a candidate to graduate in a later term.

Adult Degree Program Incomplete Requirements
For the Adult Degree Program, completed and signed forms are due in the Registrar’s office prior to the beginning of the last class session of the course for which an incomplete is sought. Students in the Adult Degree Program must fulfill the requirements of an Incomplete within two (2) weeks of the end of the course in which the Incomplete was given. Failure to fulfill all requirements of an “Incomplete” where no agreed upon grade was specified
should requirements not be completed will result in a grade of “F.” No time extensions are allowed following the initial two-week period.

**Online Program Incomplete Requirements**
Students enrolled in an online program or who are in a single online course must fulfill the requirements of an Incomplete within eight (8) weeks from the end of the course in which the Incomplete was given. **Failure to fulfill all requirements of an “Incomplete” where no agreed upon grade was specified should requirements not be completed will result in a grade of “F.”** No time extensions are allowed following the initial eight-week period.

**Military Call-Up**
If a Concordia student is activated by the military (including the National Guard) they need to submit a copy of the activation orders to the Office of the Registrar. Concordia will honor the call-up period and the student will not be required to re-apply if they return to Concordia in the first term after their return from active duty.

If the activation occurs during a term, the student will be given one of three options:
- A 100% refund of tuition and grades of "W" recorded on the transcript
- Continue with the courses and apply for grades of “incomplete”. Normal incomplete rules will apply
- Continue with the courses, take the final exams and receive grades

While the service member is deployed, we will conduct all business with the person given signature authority through a Power of Attorney.

**Simultaneous Enrollment**
All Concordia University Texas (CTX) students are eligible to register for courses and events on other Concordia University System (CUS) campuses without additional matriculation, within applicable policies. The three programs are:
- **Distance Learning Program:** All CTX students can register for courses taught by other CUS campuses via distance education.
- **Visiting Student Program:** All CTX students can become resident students on other CUS campuses without additional matriculation.
- **Travel Study Program:** All CTX students can participate in travel/study events conducted by other CUS campuses. Applicable fees may apply.

**Student Eligibility**
- Students currently enrolled and in good standing at their home campus are eligible to apply for the Simultaneous Enrollment programs of the Concordia University System. Simultaneous Enrollment is a privilege rather than a right.
- The home institution is responsible for establishing the qualifications of all applicants that it sends to a host institution.
- Visiting Students are to have completed one term at the home campus and have at least a sophomore standing, having at least a 2.00 cumulative GPA.
• Visiting students are limited to 2 terms (three quarters) visiting other campuses.
• Visiting Students do not make application for admission to the host campus.
• Enrollment in summer or other special short academic sessions is not part of the Visiting Student program.
• Traveling Students are to have completed one term at the home campus.

**Initiating Participation**
Each campus is to ensure that students have adequate information on Simultaneous Enrollment programs. The office of the registrar or another appointed person on each campus will make the following information available (most of this information is on the school's web site):

- Academic catalogs from the Concordia University System campuses
- Current academic calendars, course schedules, and materials describing special programs and trips
- Simultaneous Enrollment Program application materials

**Courses Eligible**

- Any course offered at a cooperating Concordia University System campus may qualify for Simultaneous Enrollment (assuming proper prerequisite background), with the exception of courses that are unavailable because of specific institutional requirements.
- Course work should be beneficial to the overall educational program worked out between the student and their student's academic advisor.
- If the coursework is to apply to a specific program, it must be pre-approved by the advisor. Students should work closely with the home institution to determine if courses taken through the Simultaneous Enrollment Program will meet program requirements of the home campus.

**Registrations, Grades, and Records**

- The process for Simultaneous Enrollment Program registration begins and ends at the student’s home campus, where the registrar is responsible for sending out the registration to the campus where the student is studying and for recording the grades on the home transcript.
- The registrar’s offices will maintain a record of program enrollment for both incoming and outgoing students at their own campuses.
- In all cases, the registrar at every campus, in consultation with the instructor, has the final authority to decide questions of admission to the course.
- In courses commonly overloaded, instructors should be encouraged to make room for as many Simultaneous Enrollment students as possible. In the interest of fairness, institutions may adopt a first-come, first-served policy; others may try to reserve a few spaces for Simultaneous Enrollment Program students; and still others may subscribe to a ranking formula that gives preference to home majors and, in turn, to all seniors, Simultaneous Enrollment Program majors, juniors, and so forth.
• Should the number of registrations rise or fall dramatically, or should imbalances pose a burden to any one institution, appropriate administrators will assess the situation and intervene with appropriate adjustments.
• Changes in course registration must have the approval of the home campus and follow procedures of the host campus.
• Grades are recorded on the home campus official transcript and are calculated in the home campus grade point average.
• There may be situations where there is not a common system of grading and credits. In such cases, the home campus "translates" grades and credits from another campus into their own system. Students requesting a transcript do so from their home campus.

**Host Campus Policies**

Students are subject to the guidelines and policies established and administered by the host institution. In special problem situations, the home campus reserves the right to take additional action.

**Fees**

• Students pay tuition at the home campus, based on what the assessment would normally be if they were taking the course load on the home campus.
• For students needing room and/or board arrangements, the host campus will provide information on the nature of services available along with the associated rates. The student will pay these charges to the host campus.
• Visiting and travel study students using other host campus services that carry special fees will pay such fees to the host campus.
• Distance Learning students pay fees to the home campus.
• Institutional transfer of funds for expenses incurred through distance learning programs will be determined and expedited by the appropriate administrators.

**Financial Aid**

• Students will continue to receive federal, state, institutional aid and other outside scholarships while participating in the Simultaneous Enrollment Program.
• Simultaneous Enrollment Program course load is considered part of the student's total credit load at the home campus and as such is subject to home campus financial aid procedures.

**Registration**

**Course Loads**

• No student is permitted to enroll in more than 19 credit hours in any combination of courses. Exceptions to this policy must be approved, in advance, by the dean of the college in which the student is enrolled.
• Students desiring to enroll in more than 18 credit hours are required to have earned a 3.00 cumulative GPA or higher.
• Other restrictions about course loads are included under the headings of Scholastic Probation and Admission.
• Students are allowed to register for and enter upper-level courses regardless of classification if that student meets the prerequisites of the course.

**Auditing Classes**

Students who wish to acquaint themselves with a subject without receiving credit may audit the course, subject to seat availability. Students registered for credit have first priority. Audit requests should be made with the advisor during the normal registration periods.

- There is an audit fee per academic hour (see Fees and Refunds); students who are enrolled in 12 or more hours of credit bearing course work may audit free of charge.
- Auditing grants individuals the privilege of hearing, observing, and participating.

The instructor will advise the auditing student of course expectations with respect to the student's responsibilities at the beginning of the term. Based upon these criteria:

- The instructor will determine whether or not the audit designation will appear on the student's academic record at the end of the term.
- Students may not change status from "Audit" to "Credit" within the same term in a course originally started as an audit. (Likewise students may not change status from "Credit" to "Audit").
- Music lessons may not be audited.

**Challenge Exams**

Concordia offers an opportunity for students to take Challenge Exams to determine placement options for several introductory courses in the curriculum. Students interested in this option should contact the appropriate College dean for information on procedures. Courses that currently have a Challenge Exam for placement options are in the area of music.

**NOTE:** Placement does not constitute waiver of hours required in the core, major, or minor.

**Schedule Changes (Add/Drop)**

**Traditional Students**

Sixteen-week courses may be added or dropped online from the beginning of early online registration until the fifth (5th) class day of the traditional 16-week semester. After the 5th class day, sixteen-week courses may no longer be added. Courses may be dropped until the designated Add/Drop deadlines for each term by visiting the Student Central. (see Academic Calendar).

**Adult Degree Program**

Students may drop the course in which they are currently enrolled until the beginning of the second class session of the course. Student must contact their Student Support Coordinator to complete this process. [If student is receiving financial aid, (s)he must contact their Financial Aid advisor prior to dropping a course.]
Online Programs
Courses may be added or dropped during the online registration period which closes at 11:59 p.m. (Central Time) on Friday of Week 1. All course schedule changes must be filed by the student to his or her assigned Student Support Coordinator once the online registration period has ended. If a student is receiving financial aid, s/he must contact his/her Student Support Coordinator prior to dropping a course.

Students in the graduate cohort programs are not encouraged to drop courses. If dropping or changing schedules is absolutely necessary, the student must contact his or her Student Support Coordinator for instructions.

Repeating Courses
For Improving GPA
Students may repeat courses to improve GPAs. To improve a grade in a course, the student must retake the exact same course (same prefix and number). While the previous grade in a repeated course continues to be included on the transcript, only the higher of the two grades will be used in computing the grade point average. A course taken at Concordia University Texas must be repeated at Concordia University Texas if it is intended to replace an earlier grade. Unless otherwise specified in the course description, regardless of how many times the student passes the course, the credit hours for a repeated course will only be counted once.

For Additional Credit
Students may elect to repeat any course(s) designated as repeatable for credit. Courses not designated as repeatable for credit or designated as non-repeatable for credit may only be taken again to improve GPA.

NOTE: If you are student receiving Veteran’s Administration (VA) benefits, check with your VA coordinator prior to deciding to repeat a course.

Special Course Information
Course-by-Arrangement (CBA)
Concordia University Texas offers the opportunity for students to receive instruction in an approved course within its curriculum through personal arrangement between the student and instructor. To apply for Course-by-Arrangement instruction, a valid scheduling conflict (see definition below) must exist. Permission to take a Course-by-Arrangement must be approved by the instructor, the advisor, the Dean of the appropriate college or, for students in the Adult Degree Program, the Dean of Remote Operations, and the Registrar.

Students may obtain the necessary form for Course-by-Arrangement from Student Central, or from their Student Support Coordinator. In addition to tuition, there is an extra fee for a Course-by-Arrangement. A maximum of nine (9) credit hours towards the completion of the degree requirements may be earned through Course-by-Arrangement instruction at the undergraduate level.

Definition
A valid scheduling conflict exists when:
• Courses a student needs for graduation are offered at the same time; or
• Course a student needs for graduation is not offered in that given term, and there is a valid reason the student did not take the course when last offered.

NOTE: Student's personal schedule or work schedule does not automatically constitute a valid scheduling conflict.

**Developmental Courses**
There are two developmental math courses and one developmental English course offered at Concordia University Texas. There are some substantial differences between the two types of developmental courses.

The two developmental math courses are MTH 0313 *Fundamentals of Math* and MTH 0320 *Intermediate Algebra*. Students register for three hours of credit for these courses, but do not receive college level credit (this is designated by the 0 in the course number e.g., MTH 0313); therefore, there is no impact to the GPA. Grades for these courses are CR (credit) or NC (no credit). (Financial Aid does count these credit hours towards the total required for Scholarships, grants, etc.)

The developmental English course is ENG 0201 *Fundamentals of Writing Workshop*. This is a 2 hour course and is graded on a CR (credit) or NC (no credit) basis.

**NOTE:**
- Students who are placed into any of the developmental courses are given two sequential semesters to pass the course.
- Students must enroll in the required developmental courses during the first semester of enrollment at Concordia.
- If the course is not successfully completed, the student must register for and successfully complete the course in the following semester.
- If the student received credit for the lower level math course, takes the intermediate course and does not receive credit, the student must register to re-take it in the next term.
- After two unsuccessful attempts to successfully complete a developmental course (NC, F or W) students will be academically dismissed and unable to return without successful completion of the appeal process.

**Independent Study**
An Independent Study is an individual tutorial emphasizing close reading and discussion of literature in an area of interest to the student that is applicable toward the student’s degree but not offered as an existing course at Concordia. With guidance from the professor who has agreed to lead the Independent Study, the student is responsible for generating an outline for the course, selecting the appropriate text books/readings, developing objectives for the course, and creating a timeline for the starting and ending of the course.

**Requirements:**
A 2.75 cumulative GPA and a 3.25 average GPA in either: 12 credit hours of course work in the chosen discipline, including six upper-level-hours, or at least 12 credit hours of course
work in the student's major, including six upper-level hours; and signature of approval from instructor, Director of the Major and Dean of the College. The Independent Study Form is available on the Registrar’s page of the Concordia website (www.concordia.edu) or in Student Central or from a Student Support Coordinator.

**Internship**

Information on non-program-specific internships that are available can be found by contacting the Center for Vocation and Professional Development. Some types of internships offered may include summer internships in a broad array of disciplines as well as summer travel internships. Summer internships have a fee associated with them but no tuition charges.

An example of an internship would be the Texas House of Representatives, which offers a 20-hour-per-week internship in Political Science that can last one term when the House is in session.

The Center for Vocation and Professional Development also offers other career-related information.

**Program Internship Guidelines**

The Center for Vocation & Professional Development facilitates the application and approval process for the Internship Program, in addition to assisting students with placement into internship positions. Internships provide meaningful work experiences similar to those which are normally found in regular employment and meet the experiential learning requirement for degree programs. Internships provide exposure to a wide variety of opportunities for observation, training, and participation and enhance interpersonal skills, career readiness, leadership, work ethic, communication skills, networking, and professional relationships. At the end of an Internship students are required to include work accomplishments on an updated resume and on the student’s online profile at www.ctxcareerconnection.org.

**Identifying an Internship and Applying to the Program**

Internship opportunities can be found through the internship faculty advisor, The Center for Vocation and Professional Development, on the jobs board at www.ctxcareerconnection.org, at internship search engines like Indeed.com, and through personal networks. Students must complete the internship application at www.concordia.edu/internships and receive instructor of the application and job before enrolling in the course. A copy of the job description is required as part of the online application. Students must work in the internship during the semester in which they are enrolled.

**Internship Eligibility and Requirements**

All programs require upper level standing (junior or senior) and approval of the internship job before enrolling in the course, but exceptions are made for students who are in good standing and are prepared to work in an internship. Contact the faculty internship instructor before completing the application if you do not meet the eligibility requirement. Prerequisites are required for some courses and can be found under the course descriptions in the catalog.
The following programs offer an internship course.

- Accounting
- Business Management
- Communications
- Computer Science
- English
- Environmental Science
- Finance
- Government
- Healthcare Administration
- History
- Human Resources Management
- Kinesiology
- Psychology (Behavioral Sciences)
- Marketing
- Sociology (Behavioral Sciences)

DCE and Music Internships
Director of Christian Education and Music internships do not follow the same application process. Contact the appropriate program director for more information about these specific programs. The final requirement for DCE certification is a yearlong internship, normally following graduation, in a congregation, agency or mission site of The Lutheran Church-Missouri Synod. While interns register as students under the direction of the DCE Program Director during internship, they are also paid by the participating congregation or agency and are under the direct supervision of a full-time person in the congregation or agency.

Service Learning
Service Learning is a form of instruction in which students engage in experiences outside of the classroom setting which address community needs as part of their academic studies. It combines field and classroom instruction by linking community partners to service projects. Service projects directly flow from established and required learning outcomes for non-credit or credit-bearing academic courses. Students collaborate and discuss their ideas with community partners in order to identify and address a meaningful community need. Service-Learning links academic study to meaningful community service so that students' academic experience and communities are mutually strengthened.

Withdrawal from Concordia
Students who wish to interrupt their studies and withdraw from the institution may get the appropriate form from the Office of the Registrar or Student Central. A grade of “W” is assigned for all courses if a student withdraws by the published Last Day to Withdraw from a Course for each term and/or session. After that date, grades (A-F) will be assigned. Students interrupting their studies in any term may be eligible for refunds as required by law and should see their Financial Advisor.

Students enrolled in a course supported by the Online Center may withdraw from class through the traditional close of business on Friday of week eight (8). Signed and approved forms must be received by the registrar’s office by the traditional close of business on Friday of week eight (8) in order for the student to be withdrawn from the class and receive a “W” on his or her transcript.

Students who do not officially withdraw from Concordia, but who stop attending classes, will receive grades for all courses in which they are enrolled. They also remain responsible for all fees and tuition charges.
Admissions

Classifications
Students are admitted to Concordia University Texas under one or more of the following classification categories:

- Incoming Freshmen: Students who will graduate from high school (including GED and non-accredited high schools) are classified as an incoming freshman if they have not earned any college credit or have earned college credit no later than the end of the summer immediately following high school graduation. High school students who have earned college credits prior to enrollment are still considered incoming (first-time) freshmen.
- Transfer Students: Students who graduated from high school (including GED and non-accredited high schools) prior to the date of application and have completed college credit after the end of the summer immediately following high school graduation are classified as transfer students.
- Adult Students: Students who want to take primarily evening classes are classified as adult students if they meet one of the two sets of requirements below:
  1. who are at least 23 years of age as of the first day of the term of intended start or the first available course of enrollment.
  2. who delayed enrollment at least one year after graduation from high school (including GED and non-accredited high schools) and is at least 19 years old plus at least one of the following:
     - Works full-time (defined as a regular full-time position with a single employer).
     - Is financially independent (as defined by their IRS status).
     - Has children or other dependents (as claimed for IRS purposes).
- International Students: Students who need an I-20 issued in order to apply for an F-1 visa to attend school in the United States are classified as international students. Students who are not US citizens, but do not need an I-20, can apply as either incoming freshmen or transfer students as defined above.
- Non-Degree Seeking Students: Students who wish to take courses for the purpose of personal enrichment, degree completion at another institution, or for employment and/or promotion opportunities but do not wish to complete a degree at Concordia University Texas are classified as non-degree seeking students.
- Returning Students: Students who attended Concordia University Texas previously, but not for one complete academic year (three academic semesters), must apply for readmission to resume their studies and are classified as returning students.

Note: Any students who have a degree from a foreign institution are required to follow the English Proficiency Policy, regardless of level (undergraduate or graduate), classification (listed above) or citizenship status.

Application Deadlines
Concordia University Texas accepts undergraduate applications for admission on a rolling basis. All materials must be submitted one month prior to the start of classes. Specific
application deadlines are established for some undergraduate and graduate programs. Please contact the Office of Admissions regarding deadline dates, exceptions, or extensions.

International students will need more time to complete the visa process. Applicants should have their files complete by June 1 for the fall term, November 1 for the spring term, and February 1 for the summer term. In the event a student cannot get the visa issued prior to the semester of application, admission may be deferred to a future semester as long as it is within one year of the admission application date.

**Accuplacer Placement Evaluation**

All students entering CTX for the first time are required to take the English and Math placement evaluation in Accuplacer, unless they have transfer credit for the equivalent of English 1316 or college level math. No student will be allowed to register until they either have sent us an official transcript indicating successful completion of English and Math or have completed the Accuplacer test(s). Accuplacer placement evaluations are arranged through Admissions.

**Requirements for Students Placed in Developmental Courses:**

- If placed into English 1300 or Level 0 or Level 1 Math course, must take these courses during the 1st semester of enrollment
  - If student is not successful in the first semester (either through no credit or withdrawal), must enroll in these courses for 2nd semester. (Success is defined as C or better in English 1300 and “credit” in Math 0313 or 0320).
  - If not passed for 2nd semester, student will be academically dismissed.
  - Students who successfully complete Math 0313 must register for Math 0320 in the next semester. If student is not successful in the first semester, must enroll in MTH 0320 for 2nd semester. If not passed for 2nd semester, student will be academically dismissed. (i.e. a student must remain in developmental courses until eligible for the college level course).

**Admissions Requirements**

**Incoming Freshmen**

Concordia selects students who meet admission criteria and who we consider most likely to be successful, contributing members of the Concordia community. To reach admission decisions, Concordia evaluates all candidates in a comprehensive way using the following criteria:

1. **Required Materials** - All incoming freshmen must submit the following in order to be considered for admission:
   a. Application for admission
   b. $25 application fee, unless waived by the Office of Admissions
   c. An **official** high school transcript
i. Unofficial transcripts will be accepted prior to the student’s graduation. However, an official final transcript must be received prior to the start of classes.

d. **Official SAT or ACT scores**
   
   Students who do not have SAT/ACT scores must take the Accuplacer for Admission.

e. Students applying to our Adult Degree Program and Online Program are exempt from the SAT/ACT requirement.

f. In the case of students who do not meet our admissions standards, additional information may be required prior to admission.

2. Transcripts, applications, test scores, and other documents submitted to gain admission to Concordia University Texas become the property of the university and will not be returned to the applicant. Applicants who fail to enroll for a given term and apply later may be required to submit an updated set of documents.

*International Applicants- Please see International Admission Requirements and English Proficiency Policy.

**Graduates of an Accredited High School**

- First time freshmen must demonstrate a grade point average of at least 2.5 on a 4.0 scale and an ACT cumulative score of 20 (with a minimum of 20 on each section of the ACT) or an SAT score of 1440 (with a minimum 480 on each section of the SAT).
- Admission for applicants who fall below these standards will be determined by the Enrollment Committee. Those applicants may be required to submit additional information.
- A strong college preparatory program in English, mathematics, social sciences, and natural sciences is recommended.

**Graduates of a Non-Accredited High School**

- **GED Candidates**
  Students who did not graduate from high school will be considered for admission to Concordia upon submission of satisfactory GED scores. A satisfactory score is 50 for those who took the test prior to 2002 or 500 for those who took the test during or after 2002. GED candidates may be required to submit additional information at the request of the Admissions Officer.

- **Home Schooled Students**
  Applicants from non-accredited high schools will be considered for admission upon submission of notarized transcripts of the work completed in high school, ACT/SAT scores, and such other documentation as the Office of Admissions may direct.

**Degree Seeking Transfer Students**

Concordia selects students who present the most competitive applications and who we consider most likely to be successful, contributing members of the Concordia community and
to graduate. To reach admission decisions, Concordia evaluates all candidates in a comprehensive way using the following criteria.

- College transfers must demonstrate grade point average of 2.0 on a 4.0 scale, cumulative for all colleges attended.
- Admission for applicants who fall below these standards will be determined by the Enrollment Committee. Those applicants will be required to submit additional information.

**Required Materials**

All college transfers must submit the following in order to be considered for admission:

1. Application for admission
2. $25 application fee (unless waived by the Admissions Office)
3. **Official** transcripts from all colleges/universities attended

   Transcripts must reflect all credits attempted and/or earned through regular enrollment, correspondence, extension, or evening school programs from each institution. Failure to report all prior colleges attended constitutes reason for refusal to admit or for dismissal. Completed courses from an accredited college/university not reported at the time of admission cannot be considered for transfer credit at a later date. Transfer students must arrange to have all transcripts for work attempted at other colleges or universities sent to Concordia directly from the institution of record. A student-delivered transcript will not be accepted as an official transcript, unless it is received in the original sealed envelope and appropriately stamped by the institution of record as "issued to student in a sealed envelope." (Note: An official final transcript must be received prior to the start of classes).

4. In the case of students who do not meet our admissions standards, additional information may be required prior to admission.

   *International Applicants- Please see the International Admission Requirements and English Proficiency Policy.*

**Adult Programs**

In addition to the regular admissions requirements listed above, all students that seek admission to any program designated as being an adult delivery program must fulfill the following requirements. Adult delivery programs are defined as those whose regular mode of delivery has less than the equivalent of 14 hours of contact per credit hour in its standard class schedule. This would include all of the programs offered in our adult degree format.

Concordia selects students who present the most competitive applications and who we consider most likely to be successful, contributing members of the Concordia community and to graduate. To reach admission decisions, Concordia evaluates all candidates in a comprehensive way using the following criteria.

Students applying to an adult delivery program must meet one of the following requirements:
must be at least 23 years of age as of the first day of the term of intended start or the first available course of enrollment

OR

Delayed enrollment of at least one year after high school graduation or equivalency (such as a GED) and at is least 19 years old plus at least one of the following:
  o Works full-time (defined as a regular full-time position with a single employer)
  o Is financially independent (as defined by their IRS status)
  o Has children or other dependents (as claimed for IRS purposes)

Bachelor of Applied Arts and Sciences Degree Program
For admission into the Bachelor of Applied Arts and Sciences Degree Program, the student must have been awarded an approved Associate of Applied Science (AAS) degree. Admission for applicants who fall below these standards will be determined by the Enrollment Committee. Those applicants will be required to submit additional information.

Required Materials:
1. Application for admission
2. $25 application fee (unless waived by the Admissions Office)
3. Official transcripts from all colleges/universities attended
   Transcripts must reflect all credits attempted and/or earned through regular enrollment, correspondence, extension, or night school programs from each institution. Failure to report all prior colleges attended constitutes reason for refusal to admit or for dismissal. Transfer students must arrange to have all transcripts for work attempted at other colleges or universities sent to Concordia directly from the institution of record. A student-delivered transcript will not be accepted as an official transcript, unless it is received in the original sealed envelope and appropriately stamped by the institution of record as "issued to student in a sealed envelope."

International Students
Required Prior to Admission
All students seeking an I-20 leading to an F-1 (student) visa must submit the following in order to be considered for admission:

• A completed and signed Concordia University Texas Application for Admissions for International Students
• A non-refundable application fee of $50.00.
• Official transcript of all credits earned or attempted from each high school and/or college.
• If the undergraduate student attended high school and/or college in the US, official transcripts should be submitted.
• If undergraduate applicants have completed the equivalent of a U.S. high school degree, the Basic Statement of Comparability Evaluation and copy of the modern high school transcript should be submitted.
• High school transcripts not required for graduate admission.
• If the student did not attend high school and/or college in the US, an official AACRAO Modern Education Credential Service evaluation of all secondary and/or post-secondary work completed outside of the United States.
• If undergraduate applicants have completed the equivalent of a U.S. high school degree, they should submit the Basic Statement of Comparability Evaluation.

Admissions Requirements

• The U.S. equivalent of a high school diploma with a grade point average of at least 2.5 on a 4.0 scale for students entering as first-time freshmen.
• Satisfactory SAT (1440) or ACT (20) scores as necessary.
• The U.S. equivalent of at least a 2.0 grade point average on college work attempted for students who have attended any higher education institution in or outside the United States.
• Demonstrated proficiency of English. Students can do so in one of the following ways:

1. Citizenship in an English speaking country [Australia, New Zealand, the British Virgin Islands, Jamaica, United Kingdom, Ireland, Antigua, Northern Ireland, Philippines, Scotland, South Africa, St. Lucia, Wales, Bahamas, Barbados, Nigeria, Kenya, Zimbabwe, Ghana, Namibia, Tanzania, Uganda, the Fiji Islands, Sierra Leone, Gambia, Liberia, Switzerland, Holland and Canada, excluding French-speaking Quebec.

2. At least one year of successful education in the United States. Education must be at the high school level for those seeking undergraduate admission and at the collegiate level for those seeking graduate admission.

3. Satisfactory scores on one of the following tests:
   a. TOEFL
      Internet-Based TOEFL (IBT): 80
      Speaking Score (IBT) - 26
   b. Pearson’s Test of English: 64
   c. the International English Language Testing System: 5.5

Required Prior to Issuance of an I-20

All students must submit the following before Concordia will issue an I-20:
• Written proof of financial support for one school year in the United States. Financial Assistance is not available from Concordia to international students. (Students who attended high school or college in the US may be considered for merit scholarships). Financial support documentation must be submitted as original bank or financial statements in English in US dollars issued within the last 90 days.
• Copy of valid Passport.

Non-Degree Seeking Students

Students who wish to take courses for the purpose of personal enrichment or for employment promotion opportunities may enroll as non-degree seeking students. Non-degree seeking students:
• Are not required to meet regular admission standards,
• Are not eligible for financial assistance,
• Are limited to six credit hours per term, and
• Are required to submit official transcripts only if the courses planning to enroll in
require a pre-requisite and the student has passed an equivalent course or take the
Accuplacer to demonstrate proficiency in the required content area to be placed
correctly in the courses.
Students need to complete the Non-Degree Seeking Application for Admission at the time of
initial application to Concordia.

Readmission of Former Students
Former students who have not actively attended Concordia University for more than three
semester terms must apply for readmission. Students who enrolled at another college or
university must furnish an official transcript of their academic coursework. New transfer
work from other regionally accredited colleges and universities will be considered in
determining the applicant’s readmission but will not affect their GPA. Official transcripts
must be supplied by the end of the first term in which the student reenrolls. Failure to provide
transcripts by designated timeframe will result in loss of credit hours.

Students being readmitted can elect to continue under the terms of either the degree
requirements in force at the time the student first entered Concordia OR the degree
requirements in force at the time of readmission. All requirements for a degree at Concordia
must be completed within seven years of the date of the degree requirements elected by the
student.

Students who left in good standing are eligible for readmission at their old GPA if they have
not taken any other college-level coursework.
Students dismissed from Concordia University for academic reasons must complete the
Academic Dismissal Appeal Process regardless of the amount of time that has transpired
since the dismissal. The Academic Dismissal Appeal forms are available through the Student
Central Office. At the discretion of the College or Center Dean, applicants who left on
academic probationary status may be readmitted. If readmitted, student will be placed on
Scholastic Probation at their old GPA.

Transcripts from Other Institutions
Student transcripts from previously-attended institutions that were provided for admissions
consideration become the property of Concordia University Texas (CTX) and are considered
official only at the time of receipt. CTX does not provide copies of transcripts from other
institutions that are part of a student’s education record. In order to obtain accurate up-to-date
information and assure that protocols of the issuing institution are not circumvented, a
student must contact the originating school for a copy of that transcript.

Transfer Credit
For information on transfer credit, see the section entitled Transfer Credit and Other Methods
of Gaining Non-Residential Credit.

College of Business

Mission and Overview
The mission of the College of Business is to empower students to be people of influence. We accomplish our mission by developing students in critical competencies relevant to the competitive marketplace. Our strong emphasis on critical thinking, leadership, ethics and spirituality is what differentiates our students. Also, students in the college of business gain exposure to local business through projects, business leaders through speakers, and international issues through travel and virtual projects being conducted worldwide. Through our efforts, we seek to send out a critical mass of highly skilled graduates and help place the students in rewarding careers where they can be leaders impacting the region.

Concordia University Texas has received specialized accreditation for its Bachelor of Business Administration degree programs through the International Assembly for Collegiate Business Education (IACBE), Olathe, Kansas.

Why choose a degree from the College of Business?
Business skills are a common thread across industries and sectors of society. Individuals who have strong business acumen, develop leadership skills, and demonstrate agility to work independently and on teams are poised to start their own business and/or excel in careers in the industry of their choice. Furthermore, business majors rank among the most consistently strong salary potential careers according to a 2015 salary report by payscale.com.

Degrees and Majors
Bachelor of Business Administration (BBA)
With an emphasis on strong business acumen, the Business Administration major prepares students for graduate education and equips them to meet the demands of a rapidly changing marketplace.

*The BBA concentration offerings vary by Main Campus and University Centers, Daytime and Evening deliveries, on-ground and on-campus offerings. More information can be found on the website or by contacting admissions.

In addition to the Concordia Common Experience curriculum General Education requirement, students must successfully complete the following for the major:

**ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.**
Alternative Ways of Earning Credit in the College of Business

Traditional Students
The Bachelor of Business Administration degree offered at Concordia University Texas provides its graduates with the knowledge, skills and attributes to achieve success in their chosen vocations – and in their lives. The program has been designed with specific courses, assignments, projects, and opportunities to provide not only a well-rounded but a unique experience for students. Because of this, students are encouraged to complete all of their coursework within the traditional structure of the BBA program, namely through on-ground, face-to-face, semester-long course delivery.

Facing a reality of students who work many hours each week and come to college with busy schedules and complex lifestyles, the College of Business wishes to provide some flexibility to students in how they achieve their goal of accumulating 128 credit hours towards graduation. In addition to transferring in lower level course work, Concordia University Texas provides courses through its Adult Degree Program (ADP), online program and through its partnership with the Online Consortium of Independent Colleges and Universities (OCICU). These opportunities provide options and flexibility for students while maintaining the integrity of the Bachelor of Business Administration Program.

Students enrolled in the Bachelor of Business Administration Program may take up to a combined 21 hours of coursework offered through either OCICU courses, ADP courses, or CTX online courses in the BBA Program. These courses will automatically substitute for the required courses in the BBA program and its various concentrations.

- Students will not be able to register for identified OCICU courses when their BBA counterpart courses are being offered on ground during the long semesters (see * below).
- Traditional students who are receiving a minor in business may take no more than 6 combined hours in these formats.
- Students will be responsible for the additional fee associated with OCICU courses and online course.

ADP Students
- Students must receive approval of their academic advisor/Center Dean to take an OCICU course as a part of their major.
- Students who are receiving a minor may take no more than 6 hours of OCICU to satisfy minor requirements.
- OCICU courses will automatically substitute for the required Concordia courses in the BA program as indicated in the table below.
- Students will be responsible for the additional fee associated with OCICU courses and online course.

**OCICU REGISTRATION PROCESS:**

1. Courses available through OCICU will be posted online for each semester (fall, spring, summer). Students should identify the course they plan to take and fill out an ADD/DROP form with the course’s number and name indicated.
2. The first approval comes through the student’s academic advisor. If the advisor is not available, then the student should see the BBA Registration Advisor. This approval is absolutely necessary for students to take an OCICU course.
3. Once the course has been approved by the College of Business (Academic Advisor or Registration Advisor), the student will then take the form to the Registrar’s office for registration.
4. The Registrar’s office will forward the approved form to the Director of Academic Advising, Sandra Brown, who will register the student with OCICU.
5. The student will receive information via their email as to the acceptance of their registration and directions for downloading their syllabus and purchase of the textbook.
6. The student is responsible for communicating with the course professor and for all work that is due.
7. OCICU course grades are submitted to the registrar at the end of the semester and recorded on the student’s grade report/transcript at that time.

**ADP REGISTRATION PROCESS:**

1. Courses available through Concordia’s Adult Degree Program will be posted online for each semester (fall, spring, summer). Students should identify the course they plan to take and fill out a Schedule Change form with the course’s number and name indicated.
2. The first approval comes through the student’s academic advisor. If the academic advisor is not available, then the student should see the BBA Registration Advisor. This approval is absolutely necessary for students to take an ADP course.

3. Once the course has been approved by the College of Business (Academic Advisor or Registration Advisor), the student will then take the form to the Center Director for the site at which the ADP course is being offered for their approval.

4. The Office of the Registrar will register students for the course – students must abide by ADP policies as to course attendance and participation.

5. At the end of the course, grades will be submitted to the registrar’s office. Grades will be available at the end of the semester on the student’s grade report/transcript.

**Frequently Asked Questions**

- **What does OCICU and ADP stand for?**
  OCICU is the Online Consortium of Independent Colleges and Universities and is managed by New Ventures out of Regis College in Denver. ADP is Concordia’s Adult Degree Program which is designed for adult students returning to college in their mid-careers. Each of these programs is unique and designed for a specific audience, as is Concordia’s traditional program.

- **What are the lengths of the courses?**
  OCICU courses last 8 weeks – many are offered twice within one semester. ADP courses run between 5 – 10 weeks. Five (5) week classes meet for four (4) hours per night and ten (10) week classes meet for two hours per night. Students should expect between 15-20 hours of homework per week for each ADP course.

- **Do OCICU classes come from accredited Universities?**
  Each of the provider Universities is fully accredited by their regional accrediting body. Some of the institutions include The University of Incarnate Word in San Antonio and Saint Leo University in St. Leo, Florida.

- **How do I know I am a good online learner?**
  Successful online learners are self-disciplined individuals who can set and make their own deadlines, and can hold themselves accountable to getting work done in a timely manner. Online courses require that students sign on a certain number of times each week to engage in a chat forum, as well as send in homework and assignments at the designated deadline.

- **How are ADP courses different from traditional courses?**
  ADP courses are designed to meet the needs of working adults. They assume a certain level of work experience and are taught in a manner that assumes class participation. These are compressed courses in which students are expected to put in a significant amount of time during the week between classes. Classes are normally smaller (10-15) and require that students spend the time necessary each week to be prepared for class.

- **Where do I find Schedule Change forms for these courses?**
  Schedule Change forms are available in the Registrar’s office located in building C of the main campus or online at [http://www.concordia.edu/page.cfm?page_ID=121](http://www.concordia.edu/page.cfm?page_ID=121).

- **What if I want to take more than 12 hours through OCICU/ADP courses?**
  You may do that, but only 12 hours will count toward your degree plan, with up to 9 hours in the BBA major and 3 hours in your BBA concentration. Please remember that this is a College of
Business policy, and taking OCICU or ADP courses that are not in the College of Business may have different policies.

- **Do I need to fill out a substitution form to make sure these courses count toward my degree?**
  No. The courses listed in this brochure are cross listed and will automatically substitute for the courses in your degree plan.

- **What extra costs are associated with taking an ADP or OCICU course?**
  Traditional students taking ADP courses pay traditional tuition and are responsible for their own textbooks. Students will be responsible for any fees associated with OCICU and online courses.

### College of Education

**Mission and Overview**
The College of Education supports the mission of Concordia University Texas by providing ongoing education for pre-service and in-service teachers and Directors of Christian Education (DCE) in a collaborative, field-based, Christian environment for the life-long pursuit of excellence in teaching, learning and serving.

As a student in the undergraduate teacher education programs in the College of Education, you will prepare to be an “inspiring and engaging” teacher in public, private, parochial or charter levels. You will focus specifically on the level of student you wish to teach, from preschool through high level.

As a student in the undergraduate religious education program in the College of Education, you will prepare for careers in ministry. You will gain understanding and be equipped with the skills to work with and lead people of all ages in various ministries. This major can lead to certification as a Director of Christian Education (DCE) within The Lutheran Church—Missouri Synod.

**Why Choose a Degree from the College of Education?**
Each day a teacher-educator molds our future. Teachers create the environment that opens up the minds of our young people to the world around them. They foster creativity, help build character, inspire discovery, and provide role models. Teachers change lives. You can be “that” teacher.

NOTE: Because students must meet the requirements mandated by the state legislature and TEA at the time of graduation, the degree program that was in place at the time they entered Concordia may change by the time a student graduates.

**Why choose a Teacher Education major?**
Students often pursue a major in Education to:
• Prepare for certification to teach
• Teaching or training programs for adults
• Workforce development
• Community education
• International training and development
• Development of children’s programs
• A role in policy-making
• Work in educational settings

**Admission**

Applications to the Elementary, Middle Level, Secondary Education and Special Education Programs will be evaluated on the basis of the following criteria:

1. Upper level standing with a cumulative GPA of 2.50 or higher. *(For purposes of admission to the Education Program, the GPA of education transfer students is determined by adding Concordia University Texas work to the entering GPA with all courses attempted included in the GPA calculations. Credit from a regionally accredited institution must fit within the liberal arts framework of Concordia University Texas to be considered for transfer credit. Transfer credit that meets this requirement is normally accepted on a credit-for-credit basis. A minimum grade of “C-” is required for a course to be considered for transfer. Students enrolled in the College of Education majoring in Elementary Level Curriculum, Middle Level Curriculum, Secondary Level Curriculum and Special Education Curriculum will have all coursework accepted in transfer towards the Concordia University Texas program included in their cumulative GPA calculation at Concordia University Texas.)*

2. Grade of C or better in ALL Common Experience, Concentrations, Major, and Lutheran Teacher Diploma courses (if applicable) must be maintained. If a student makes a ‘D’ or an ‘F’ in a course, that specific course must be repeated until the grade is a ‘C’ or higher.

3. Presentation of minimum scores on the current state mandated admission test (TSI: Reading-351; Math-350; Writing-5; ACCUPLACER: Reading-78; Elementary Algebra-63; Sentence Skills-80; Written Essay-6 or suitable substitute).

4. Grade point average of 2.50 or higher in all course work in each of the following areas must be maintained:
   - Professional education
   - Concentration courses attempted in the Elementary Curriculum Major, the Middle Level Curriculum Major, the Secondary Curriculum Major, and the Special Education Curriculum Major.
   - Concordia Common Experience courses
   - Lutheran Teacher Diploma courses (if applicable)

5. Satisfactory ratings in:
   - Initial interview with Advisor (first 30 days as a Concordia student)
   - Recommendations from faculty members

6. Satisfactory ratings in field experiences as reported to:
   - University instructors of field experience components
   - Director of EC/Elementary Education or Director of Middle Level/Secondary Education or Director of Special Education and Elementary, Middle Level, Secondary and Special Education classroom teachers

7. Demonstrate dispositions (personal, social, and moral qualities; personal and mental health) suitable for teaching. All applicants must receive approval (negative data may block admission) from each of the following offices or persons prior to admission:
   - Director of Student Services
   - Faculty Advisor
• Director of your program, i.e. Elementary, Middle Level, Secondary or Special Education
8. Be a “student in good standing” with the University

Admission into the Professional (Student Teaching) Semester
Application forms are available from the Teacher Education Office. Applications must be submitted by the semester preceding the Professional Semester. Students who meet the following criteria are admitted to the Professional Semester by the Teacher Education Committee.

1. Cumulative grade point average of 2.50 or higher, which is also maintained, on all semester credit hours attempted. (For purposes of admission to the Professional Semester, the GPA of transfer students is determined by adding CTX work to the entering GPA from other universities with all courses attempted included in the GPA calculations.)
2. Grade point average of 2.50 or higher, which is also maintained in all course work in each of the following: Professional Education, Specialization course work, Concordia Common Experience course work, and Lutheran Teacher Diploma courses (if applicable).
3. At least 75% of the Elementary, Middle Level, Secondary, or Special Education major must be complete.
4. Satisfactory ratings in field experiences as reported to:
   • University instructors of field experience components
   • Director of EC/Elementary Education or Director of Middle Level/Secondary Education or Director of Special Education and Elementary, Middle Level, Secondary and Special Education classroom teachers
5. Demonstrate dispositions (personal, social, and moral qualities; personal and mental health) suitable for teaching. All applicants must receive approval (negative data may block admission) from each of the following offices or persons prior to admission:
   • Director of Student Services
   • Faculty Advisor
   • Director of your program, i.e. Elementary, Middle Level, Secondary or Special Education
6. All requirements for admission to the professional term must be completed within five consecutive calendar years from the date of admission to the Education Program.
7. Portfolio presentation

Special notes to incoming students
Certain courses listed under the major requirements may be used to satisfy both major and Common Experience requirements. Contact your faculty advisor for more explanation on how to choose the proper course to benefit from this policy.

Additional hours may be added to a student’s course work if the student:
• Begins the English sequence below ENG 1316 Academic Research & Writing.
• Begins the Math sequence below MTH 1351 College Algebra
• Begins the Religion sequence with REL 1331 Introduction to Christianity when seeking the Lutheran Teacher Diploma.
• Satisfies The Concordia Common Experience curriculum Economics/Government requirement with a course other than CTX’s POLS 1303C, American Government & Citizenship. (The Texas Education Agency requires that students complete course work about the structure and operation of national and Texas state and local governments.)

**NOTE:** All courses in The Concordia Common Experience curriculum, Concentrations, and Major must be completed with grades of “C” or above; if a student makes a ‘D’ or an ‘F’ in a course, that specific course must be repeated until the grade is a ‘C’ or higher.

*Students may take required or elective courses through an alternate Concordia University Texas delivery option with approval of the Dean.*

**The College of Education requires that students take the following courses which also fulfill Common Experience requirements.** While students are not required to take these courses to fulfill Common Experience Requirements, these courses are required in order to graduate from the College of Education. These courses provide the opportunity to gain the necessary knowledge required to pass the state accreditation exam.

**Lutheran Teacher Diploma (LTD)**
Teacher candidates, with membership in the Lutheran Church-Missouri Synod, who wish to become part of the teaching ministry, shall complete the Elementary, Middle Level, Secondary, Special Education programs or the Education minor with successful completion of certification requirements in content areas approved for Concordia University Texas by the Texas Education Agency. Additional requirements are listed in the Pre-Professional Programs section of this catalog.

**Christian Teacher Diploma (CTD)**
Teacher candidates preparing for the teaching ministry in a Christian school shall complete the Elementary, Middle level, Secondary, Special Education programs or the Education minor with successful completion of certification requirements in content areas approved for Concordia University Texas by the Texas Education Agency. Additional requirements are listed in the Pre-Professional Programs section of this catalog.

**Religious Education (Director of Christian Education)**

*Why choose a Religious Education major?*

Student may choose to receive specialized training for those called to serve in:

- Children’s Ministry
- Youth Ministry
- Camp Ministry
- Worship Arts/Music Ministry
- Outdoor Ministry
- Missions/Missionary

The Bachelor of Arts program with a major in Religious Education provides basic educational, religious, and interpersonal foundations for the student, as well as specialized training to develop individual interests in areas such as youth ministry, family ministry, children's ministry, music and the arts, theology, missions, and outdoor ministry.

Students in the Religious Education Major have the option of certification as a Director of Christian Education (DCE) in the Lutheran Church-Missouri Synod. DCEs are ministers of the Gospel who have been trained as parish education specialists and called to work with the pastor, staff, and lay leaders of a congregation. Their primary responsibility is to administer and provide resources for the parish education and youth programs of the church, to teach the faith, and train laity for service both inside and outside the parish. Depending on personal gifts, prior experience and training, and congregational needs, a DCE may also provide leadership in the young adult, singles, family, music, and evangelism ministry of the congregation.

Upon successful completion of all requirements for the DCE Major, the final requirement for certification by the Lutheran Church-Missouri Synod is a year-long internship, normally following graduation, in a congregation, agency, or mission site of the LCMS. This internship will enable students to experience as many aspects of the DCE ministry as possible. While interns register as students under the ultimate direction of the DCE Program Director or Associate Director during internship, they are also paid by the participating congregation or agency and are under the direct mentorship of a full-time person in the congregation or agency during this time.

Applications for admission into the DCE program are available in the DCE Office. Application for admission into the DCE program must be submitted by November 1 of the Fall Term before the student anticipates beginning taking junior level professional DCE courses. The junior transfer student should complete an application for admission immediately upon being admitted to the university.
Applications to the DCE program will be evaluated on the basis of the following criteria:
- Completion of the application—when including all reference forms and an autobiographical essay
- A cumulative GPA of 2.5 or higher on course work taken at Concordia University. Transfer students must complete 2 consecutive semesters at Concordia and maintain a 2.5 grade point average.
- A personal interview with the DCE program director and associate director.
- Demonstrates personal, social and moral qualities, and personal and mental health suitable for congregational or agency ministry.

All applicants must receive approval (negative data may block admission) from each of the following offices or persons prior to admission:
- Director of Student Services
- Director of the DCE Program
- Faculty advisor

Also, the GPA of 2.5 must be maintained each term to continue in the program.

NOTE: All courses in The Concordia Common Experience curriculum, Concentrations, and Major must be completed with grades of “C” or above.

Students seeking a Bachelor of Arts (BA) degree must complete the following in addition to the Concordia Common Experience curriculum and major requirements:

**Global/Cultural**
3 hours from one of the following courses;
- ENG 2301 World Literature: Classicism
- HIS 2321 Western Civilization to 1715

- PHL 3301 Survey of Western Philosophy

**Modern or Classical Language**
*Complete two consecutive terms (at least six credit hours) of a non-English language.*

In addition to The Concordia Common Experience curriculum and the B.A degree requirements, students must successfully complete the following for the major:

**Religious Education requires that students take the following courses which also fulfill Common Experience requirements.** While students are not required to take these courses to fulfill Common Experience Requirements, these courses are required in order to graduate in Religious Education. These courses provide the opportunity to gain the necessary knowledge required to pass the state accreditation exam.

**College of Liberal Arts**

**Mission and Overview**
The College of Liberal Arts supports the mission of Concordia University Texas: *to develop Christian leaders.*

The College of Liberal Arts at Concordia University Texas provides a classical liberal arts education that promotes a broad base of knowledge and develops intellectual capacities. The College is committed to a collegial environment in which students and faculty work together to grow intellectually, spiritually, and morally as knowledgeable citizens of the 21st century. We are dedicated to an intellectual foundation based on a well-rounded and comprehensive education designed to meet the needs of responsible citizenship in an ever-changing world.

The majors, minors, and programs of the College, along with extracurricular activities, provide a multifaceted opportunity to *teach, model, practice,* and *recognize* Christian
leadership. Program goals and outcomes are accomplished through scheduled classes, lectures and workshops by visiting scholars and guest lecturers, service learning opportunities, a variety of arts activities and venues, and a study abroad program. Ultimately, programs in the liberal arts prepare students to lead rich and rewarding lives, recognizing the interdependence of varied disciplines and professions as they are shaped and given meaning through the application of Christian values.

**Why choose a degree from the College of Liberal Arts?**
We live in a dynamic world economy that demands creativity, flexibility, and change. Career opportunities for the future require adaptability, critical thinking, and the ability to make connections across disciplines. The best preparation for this type of career can be found in the liberal arts. Through the liberal arts, students immerse themselves in any one of several areas of interest while still gaining the versatility and flexibility they need for life in a rapidly changing world. A liberal arts major also serves as excellent preparation for graduate study in almost any field, including business, humanities and social sciences, pre-seminary, pre-law, publishing, communications, and public relations.

**Why choose a Behavioral Sciences major?**
Have you ever wondered why people do what they do? Do you want to use knowledge about human behavior to make a positive difference in the lives of others? The Behavioral Sciences major provides students with the exciting study of the “person in environment.” With a holistic understanding of human behavior, Behavioral Sciences majors will be well prepared to enter a broad range of careers in:

- Government
- Non-profit organizations
- Businesses
- Ministry settings
- Social work
- The juvenile justice system
- Providing assistance for older adults and much more

**Why choose a Communication major?**
Communicators are in everyone’s business. You develop transferrable skills in trust-building, decision-making, persuasion, teamwork, listening, speaking, writing, media content-creation, and production. These skills are not only among the highest ranked skills desired by company leaders, but also empower you to innovate, advocate, create, and achieve. Our graduates have become:

- Imaginative innovators
- Public relations specialists
- Persuasive advocates
- Engaging creators
- Articulate television hosts
- Successful achievers

**Why choose a Criminal Justice and Criminology major?**
In the Criminal Justice and Criminology major, students may select one of four tracks in the field of criminal justice: Forensics, Homeland Security, Law Enforcement Management, or the General track. This major seeks to prepare educated and compassionate public servants for vocation in the criminal justice system. Students will be well positioned to pursue vocations
predominately in the government sector in criminal justice, or public policy and governance. They also are prepared to serve in non-government organizations (NGOs).

**Why choose an English major?**

English course work emphasizes clear, concise, careful, and correct writing and prepares a student to succeed as a writer, editor, and creator problem solver in a variety of language-critical professions. In professional settings, English majors are found in such positions as:

- Museum directors
- College presidents
- Television anchors
- Economists
- Astronauts
- Priests
- Songwriters
- Business executives
- Supreme Court Justices
- Medical doctors
- College professors

**Why choose a History major?**

The History major offers flexibility in coursework as students explore their interests. Students will strengthen their information-gathering abilities, along with their organizational, analytical, research, and communication skills. Students graduating with a History major will have opportunities to move into:

- Graduate school
- Law school
- Ministry
- Education
- Museum and archives
- Government service
- Law enforcement
- Military intelligence
- Private business

**Why choose a Multidisciplinary major?**

In the Multidisciplinary major, students select two areas of interest and craft their own, personalized degree plan following the guidelines set forth by the College of Liberal Arts. This major is perfect for the student who wants to pursue more than one passion, and seeks maximum flexibility in his/her undergraduate experience. A Capstone course is required to help prepare each student for his/her post-undergraduate plans, whether that be attending graduate school or launching a career.

**Why choose a Political Science major?**

If you were to look at the movers and shakers of the 20th century, it’s likely that you would find that many of them majored in Political Science. Put simply, Political Science is the intensive study of power and influence. Who has it, who doesn’t, and why or why not. If you want to learn to make history instead of just passively watching it pass you by, Political Science may be the major for you. Students with a Political Science major have the knowledge and skills to move into careers such as:

- Political activist
- Attorney
- Campaign operative
- City, state, or federal administrator
- Public Affairs advisor
- Corporate Information analyst
- Legislative Issues manager
- Foreign Service officer
- Journalist
- Lobbyist

*Criminal Justice and Criminology Major*

The Criminal Justice and Criminology ("CRIJ") major is designed to offer a strong theoretical and practical foundation in the related fields of criminal justice and criminology, with equal emphasis on viewing both fields through a Christian lens. We desire to prepare students for entry into careers across a broad array of positions with diverse employers and to prepare those who desire to further their studies for entry into graduate or professional programs. We integrate restorative justice concepts into our studies while developing Christian leaders and servants whose vocation it will be to deal with crime in all of its forms, on all of its levels, with all of its participants, and with all of its consequences.

In combination with thirty-one (31) semester hours ("SH") of required courses, CRIJ students will select twelve (12) SH of courses in a general track ("GT") or a special emphasis track. The special emphasis tracks are the homeland security track ("HST"), forensics / criminalistics track ("FCT"), and management of law enforcement track ("MLET"). The special emphasis tracks are designed to provide a unique undergraduate experience and to prepare students, through specialized study, for what lays ahead of them in their careers or continued studies.

Each CRIJ major must complete CTX' Experiential Learning Graduation Component, requiring the completion of a combination of three (3) units. There are a number of ways in which to satisfy this requirement. A CRIJ student . . .

- may take SOC 1301 (Introduction to Sociology), which incorporates fulfillment of the ELGC’s three (3) units within its curriculum.
- working in a field related to CRIJ studies may petition the CRIJ Program Director and the General Education Committee to have an identifiable block of work-related experience satisfy one (1), two (2), or three (3) credits of the ELGC, all subject to CTX’ Guidelines for Non-Course-Based Experiential Learning Credit.
- desiring to participate in additional or alternative CRIJ-related experiential learning activities, especially in an internship, may do so after conferring with and obtaining the approval of CRIJ Program Director and the General Education Committee, all subject to CTX’ Guidelines for Non-Course-Based Experiential Learning Credit.

To graduate, each CRIJ student must complete CTX’ Common Experience Curriculum ("CEC") and all other degree requirements.
Students seeking a Bachelor of Arts (BA) degree must complete the following in addition to The Concordia Common Experience curriculum and major requirements:

**Global/Cultural (3 hours)**
3 hours from one of the following courses:
- ENG 2301 World Literature: Classicism

**Tracks**

Each CRIJ major will select a track, consisting of four (4) upper level courses, to incorporate into the degree plan. The degree plan will default to GT if the student fails to select a track.

**General Track (12 SH)** - The GT is designed for the student who desires a career in local, state, or federal law enforcement communities or as preparation for graduate studies. To complete the GT, the student must complete any four (4) 3300 or 4300 level CRIJ courses, not otherwise required for the major, enabling the student to select from among the breadth of the department’s upper level course offerings. One of these courses may consist of a 3000
or 4000 level POLS, SOC, or PSY course related to CRIJ, with approval from the Program Director.

**Homeland Security Track (12 SH)** - The HST is designed for the student who desires a career in state or federal law enforcement or intelligence communities. To complete the HST, the student must complete the following three (3) courses:

- CRIJ 3320  Homeland Security (O) (T)
- CRIJ 3330  Psychology / Sociology of Terrorism (O) (T)
- CRIJ 3322  Roots of Terrorism (O) (T)

and one (1) of the following courses:

- CRIJ 3325  Transnational Crimes (O) (T)
- CRIJ 3309  Gangs and Organized Crime (O) (T)

**Management of Law Enforcement Track (12 SH)** - The MLET is designed for the student who desires a management career in local, state, or federal law enforcement communities. To complete the MLET, the student must complete the following three (3) courses:

- CRIJ 3303  Liability in Criminal Justice (O) (T)
- CRIJ 3306  Management of Law Enforcement (O) (T)
- BADM 3311  Principles of Management (T)

*and one (1) of the following courses:*

- BADM 3000 or 4000 level course related to the management of organizations (T)
- COM 3000 or 4000 level course related to organizational communications (T)

**Electives**

The CRIJ major has been designed without additional elective options. However, the CRIJ Department recommends, as a student’s overall studies allow it, that any CRIJ minor or CRIJ major, especially those desiring to pursue CRIJ-related graduate studies, take as many CRIJ courses as possible.

- CRIJ 3303  Liability in Criminal Justice (O) (T)
- CRIJ 3304  Criminal Investigation (O) (T)
- CRIJ 3310  Juveniles in Criminal Justice (O) (T)
- CRIJ 3312  Criminal Profiling (O) (T)

Elective Hours
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.

ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.

Multidisciplinary
The Multidisciplinary major allows students to focus on two areas of academic study, develop critical thinking skills, and improve their ability to effectively speak and write.

Students seeking a Bachelor of Arts (BA) degree must complete the following in addition to the Concordia Common Experience curriculum and major requirements:

Global/Cultural
3 hours from one of the following courses:
ENG 2301  Survey of Classicism  
HIS 2321  Western Civilization to 1715  
HIS 2322  Western Civilization from 1715  
HIS 3308  Asian History and Culture  
HIS 3301  History of Mexico  
HIS 3314  Traditions/Values of Classical Civilizations  
HON 3311  Critical Thinking about Great Texts  
PHL 3301  Survey of Western Philosophy  

Modern or Classical Language
Complete two consecutive terms (at least six credit hours) of a non-English language.

In addition to the Concordia Common Experience curriculum and B.A. degree requirements, students must successfully complete the following:

Supporting Course Requirements (11 hours)
MDS 4201 Multidisciplinary Capstone Course
Plus 9 hours (3-4 courses) from the following list:

- ENG 2301: Survey of Classicism
- ENG 3311: Advanced Writing
- HIS 2321: Western Civilization to 1715
- HIS 2322: Western Civilization from 1715
- MUS 2250: Introduction to World Music and Culture + 1 Fine Art credit (e.g., MUS 11xx, applied music lesson)
- PHL 3301: Survey of Western Philosophy
- POLS 1303: American Government & Citizenship
- REL 3333: Introduction to Christian Ethics
- REL 3381: Major World Religions
- SOC 1301: Introduction to Sociology
- SOC/HIS 2306: Race and Ethnic Relations

**Multidisciplinary Requirements (36 hours)**

Choose two block areas from the following list. In each block take eighteen credit hours, at least twelve hours of which must be upper-level; of which at least six upper-level credit hours in each block must be taken from Concordia University Texas. Courses cannot double count from one eighteen hour block to another or from the Supporting Course list:

- Accounting
- Biology
- Business (any course that satisfies the requirements of the BBA degree may be used)
- Chemistry
- Classical/Biblical Languages
- Communication
- Computer Science
- Criminal Justice and Criminology
- English

Sociology

**Elective Hours** A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.

**Pre-seminary Studies**
REL 3341 Lutheran Doctrine or REL 3342 Lutheran Confessions
REL 33xx Elective
COM 2301 Human Communication Theory
COM 3304 Group Dynamics **AND**
Either 6 hours of Psychology **or** 6 hours of Sociology as follows:
PSY 1311 Introduction to Psychology
PSY 33xx Upper-level Psychology elective **or**
SOC 1301 Introduction to Sociology
SOC 33xx Upper-level Sociology elective

**ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.**

**Music**
The Music major provides a rigorous musical education in the foundational areas of the discipline (theory, aural skills, and history), presents a series of resource classes to best prepare students for future careers and study, and includes significant study in performance in both solo and ensemble settings. The major is designed to give each student the tools to succeed in a musical career. Students must choose a specialization in Performance, Theory/Composition, or Music Ministry; in addition, students who choose a Music Ministry specialization and seek rostered status with the LCMS specialization may additionally add the Director of Parish Music (DPM) certification to their degree program.

Students seeking a Bachelor of Arts (BA) degree must complete the following in addition to the Concordia Common Experience curriculum and major requirements:

**Global/Cultural**
3 hours from one of the following courses:
ENG 2301 World Literature: Classicism
HIS 2321 Western Civilization to 1715
HIS 2322 Western Civilizations from 1715
HIS 3308 Asian History and Culture
HIS 3301 History of Mexico
HIS 3314 Traditions/Values of Classical Civilizations
HON 3311 Critical Thinking about Great Texts
PHL 3301 Survey of Western Philosophy

**Modern or Classical Language**
*Complete two consecutive terms (at least six credit hours) of a non-English language.*

**Music Requirements**
(Course numbers ending in XX are in development as we transition to this new degree.)

Core Music Courses:

(Required of all majors in Music)
(Aural skills and Music Theory are generally taken as concurrent courses.)
MUS 2118 Aural Skills I
MUS 2119 Aural Skills II
MUS 3120 Aural Skills III
MUS 4120 Aural Skills IV
MUS 2214 Basic Conducting Techniques

**Writing Portfolio**
The Psychology major of Concordia University Texas (CTX) recognizes writing both as a mechanism of communication that is essential in the broader professional workforce and as a critical element of undergraduate study. Specifically, persons trained in psychology should be comfortable both reading and writing in a scientific manner. The Writing Portfolio will consist of three papers that have been rated by a course instructor as **“Good” (i.e., warranting a grade of B)** in quality regarding both content and style.

**Elective Hours**
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper level.

ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior term.

College of Science

Mission and Overview
The College of Science offers majors in chemistry, computer science, biology, environmental science, kinesiology, mathematics and nursing. Courses in these areas as well as in chemistry, physics, geology, and astronomy provide outstanding instruction to meet core graduation requirements of students in all majors. Offering the Bachelor of Arts (BA), Bachelor of Science (BS), and Bachelor of Science in Nursing (BSN) degrees, the College seeks to prepare students with the wide variety of experiences necessary for successful careers as well as for continuing education in graduate school. The College is committed to small class sizes, close interpersonal relationships, and open dialog that encourage students to explore scientific boundaries and complex issues within the context of the faith and values philosophy of the university.

Excellent classroom and laboratory facilities are complemented by a 255-acre unit of the Balcones Canyonlands Preserve on the main campus as well as the Friesenhahn Cave Preserve, a world-renowned fossil site in San Antonio. Entrusted with these unique resources the College engages students, faculty, and community in collaborative efforts to study and sustainably manage them. Experiential learning is emphasized as students have the opportunity to participate both domestically and abroad in a number of field courses, internships, service projects, and practicums.

Attendance Policy: Students may be dropped from any College of Science course by action of the Dean of the College if they have not attended the first two meetings of the course and have failed to contact either the instructor or the College of Science to explain their absence.

Why Choose a Degree from the College of Science?
Look at any list of growing employment areas. Most of the jobs listed will be in the area of science and technology. A degree from the College of Science can prepare you for a strong entry-level job, or it can lay the foundation for further education leading to careers like Research Scientist, Engineer, Physician, Physical Therapist, Mathematical Analyst and more. Major hyperlinks will take you directly to the requirements for the degree.

Why choose a major in Biology?
A major in Biology prepares you for:
- Entering graduate school in many science fields
- Entering medical school
- Finding jobs that pay well in a wide variety of areas, from agribusiness to the petroleum industry.
Why choose a major in Chemistry?
A major in Chemistry prepares you for:
- Entering graduate school in many science fields
- Entering medical school
- Finding jobs that pay well in a wide variety of areas, from agribusiness to the petroleum industry.

Why choose a major in Computer Science?
A major in Computer Science prepares you for:
- Entering graduate school in computer science fields
- Working for companies like Dell, Union Pacific, Engineering firms, Instrumentation manufacturers, and more—almost all industries today need Computer Science majors.
- Finding a job that pays well and provides a work environment (including both standard hours and the possibility of working online) that allow maximum engagement with family and children.

Why choose a major in Environmental Science and Conservation?
A major in Environmental Science and Conservation prepares you for:
- Working to preserve and protect our natural resources, whether in the field or through planning and legislation.
- Working for state or national park services, field research organizations, and environmental industries, and other science-related careers.
- Entering graduate school to further your education in the area.

Why choose a major in Kinesiology?
A major in Kinesiology prepares you for:
- Working as a sport coach, strength coach, personal trainer, sport or recreation administrator, and other health and wellness-related professions
- Entering a graduate program in physical therapy, athletic training, occupational therapy, or others
- Moving into your profession knowing how to maintain your own physical health and performance at high levels that will foster your success in any field.

Why choose a major in Mathematics?
A major in Mathematics prepares you for:
- Working in industry; industries look for students who major in mathematics because they have the problem solving skills and the analytical skills industry needs.
- Working in programming, teaching, actuarial science, statistics, operations research analysis, and many more math-oriented fields.
- Multiple job offers because employees with mathematics degrees are in high demand.

Why choose a major in Nursing?
A major in Nursing prepares you for:
• A career in health-care as a valued member of the health-care team
• Furthering your education and qualifications by pursuing MSN and doctoral degrees
• A career that can is not limited geographically. Nurses are needed everywhere.

Degrees and Majors Offered

Biology (BA)
The Bachelor of Arts in Biology degree is designed to provide exploration into the field of Biology. Students will develop an understanding of the biological sciences and promote stewardship of the biotic environment.

Students seeking a Bachelor of Arts (BA) degree must complete the following in addition to the Concordia Common Experience curriculum and major requirements:

Global/Cultural
3 hours from one of the following courses;
ENG 2301 World Literature: Classicism
HIS 2321 History of Western Civilization to 1715
HIS 2322 Western Civilization from 1715
HIS 3308 Asian History and Culture
HIS 3301 History of Mexico
HIS 3314 Traditions/Values of Classical Civilizations
HON 3311 Critical Thinking about Great Texts
PHL 3301 Survey of Western Philosophy

Modern or Classical Language
Complete two consecutive terms (at least six credit hours) of a non-English language.

Biology Requirements
BIO 1402 General Zoology
BIO 1403 Cellular and Molecular Biology
BIO 2403 General Botany
BIO 3404 Genetics
CHE 1341 Chemistry I
CHE 1141 Chemistry I Lab
CHE 1342 Chemistry II
CHE 1142 Chemistry II Lab
Plus at least 13 credit hours from upper level (3000 or 4000) BIO courses or the SCI courses listed below. No more than 6 of these hours may be field courses.
SCI 4310 Natural Science Research Project
SCI 3303 Geology and Ecology of the Southwest US
SCI 3304 Geology and Ecology of Hawaii

Elective Hours
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.
ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.

Biology (BS)
The Bachelor of Science in Biology degree is designed to educate students in the breadth of subject matter encompassed by the biological sciences. Through critical thinking, hands-on experience, research, and investigation, students will develop an understanding of the field of Biology and gain a strong foundation for entry into a broad spectrum of graduate programs and careers in the biological sciences.

**Elective Hours**
The minimum of credit hours sufficient to bring the total number of credit hours to 128 of which 39 must be upper-level.

**ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.**

**Chemistry (BA) (pending approval from the Southern Association of Colleges and Schools Commission on Colleges)**
A Bachelor of Arts in Chemistry with a Materials Science focus will provide prospective chemistry majors with a more flexible program of study that allows for the exploration of business best practices necessary in the currently expanding Central Texas microelectronics workforce. The BA develops a broad knowledge of chemistry which equips students with abilities to solve modern problems and answer critical questions in our future workforce environment. Students will be employable in industry in not only the Central Texas area but nationally.

Students seeking a Bachelor of Arts (BA) degree must complete the following in addition to the Concordia Common Experience and major requirements:

A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.

**ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.**

**Computer Science (BS)**
The Computer Science Major (BS) is modeled after the Association for Computing Machinery (ACM) recommendations, which require 39 hours of computer science and 18 hours of mathematics courses. In the required courses, students develop both the theoretical and the practical skills needed to design computer systems; to design, install, or repair computer hardware; to write software; to perform mathematical analysis of algorithms and performance studies; and to reason clearly, think analytically, and solve problems.

**Supporting Course Requirements**
- MTH 2301 Introduction to Statistics
- MTH 2401 Calculus I
- MTH 2402 Calculus II
- MTH 3311 Linear Algebra
- REL 3333 Introduction to Christian Ethics

**ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.**

**Environmental Science and Conservation (BS)**

The Environmental Science and Conservation Major emphasizes the relationship between humankind and the natural world, prepares students to recognize the impact of human interventions on environmental systems, and provides students with the skills and knowledge necessary to be effective stewards of our environment. The fields of Environmental and Conservation Science are highly multidisciplinary, combining elements from the sciences and the social sciences.

ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms

Kinesiology (BS)
Kinesiology is the study of human movement. The mission of the Kinesiology major is to prepare students who understand the physiological and anatomical underpinnings of human movement, and who will be able to design and administer effective wellness and sport programs. Required coursework will develop a firm foundation for careers in coaching, physical rehabilitation, or fitness and sport management.

Kinesiology Requirements (39 credit hrs.)
KIN 1302 First Aid and Safety
KIN 2301 Personal and Community Health
KIN 2330 Prevention & Treatment of Movement Injuries
KIN 3311 Musculoskeletal Anatomy & Biomechanics
KIN 3313 Motor Development and Learning
KIN 3316 Evaluation in Physical Education and Sport
KIN 4330 Exercise Physiology
BIO 3411 Human Anatomy and Physiology I
MTH 1351 College Algebra
MTH 1332 Applied Calculus
MTH 2301 Statistics
CHE 1341 Chemistry I
CHE 1141 Chemistry I Lab
BIO 1403 Cellular and Molecular Biology

Plus One of the Following tracks:
Generalist Track – 24 credit hrs.:
KIN 2302 Introduction to Physical Education
KIN 2303 Theory and Application of Physical Fitness
KIN 3315 Organization and Admin of Phys. Ed. & Sport
KIN 3334 Exercise and Sports Psychology
KIN 3331 Coaching Team Sports
KIN 3332  Coaching Individual Sports
KIN 3333  Methods of Teaching Physical Education
KIN 4310  Kinesiology Internship

**Pre-Physical Therapy – 25 credit hours**
BIO 3412  Anatomy and Physiology II
CHE 1341  Chemistry I
CHE 1141  Chemistry I Lab
CHE 1342  Chemistry II
CHE 1142  Chemistry II Lab
KIN 4310  Kinesiology Internship

PHY 1402  Physics II
PSY 2301  Life Span Development
PSY 3341  Abnormal Psychology

**Fitness and Wellness Supervisor – 30 credit hrs.:**
KIN 2302  Introduction to Physical Education
KIN 2303  Theory and Application of Physical Fitness
KIN 3315  Organization and Administration of Phys. Ed. & Sport
KIN 3334  Exercise and Sport Psychology
KIN 4310  Kinesiology Internship
BIO 3310  Nutrition

**Plus any four of the following courses:**
BADM 3311  Principles of Management
BADM 3350  Principles of Marketing
BADM 3313  Creativity, Critical Thinking, Change
BADM 4312  Strategic Management
BADM 4370  Ethics in Business

**Elective Hours**
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.

**ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.**

**Mathematics (BA)**
The Mathematics Major (BA) offers a flexible program of study. The BA develops a broad knowledge of mathematics which equips students with abilities to solve modern problems and answer critical questions in our society. Students will be employable in industry, schools, and related math/science fields.

Students seeking a Bachelor of Arts (BA) degree must complete the following in addition to the Concordia Common Experience curriculum and major requirements:
Global/Cultural
3 hours from one of the following courses;
ENG 2301  World Literature: Classicism
HIS 2321  History of Western Civilization to 1715
HIS 2322  Western Civilization from 1715
HIS 3308  Asian History and Culture
HIS 3301  History of Mexico
HIS 3314  Traditions/Values of Classical Civilizations
HON 3311  Critical Thinking about Great Texts
PHL 3301  Survey of Western Philosophy

Modern or Classical Language
*Complete two consecutive terms (at least six credit hours) of a non-English language.*

Mathematic Requirements
MTH 2401  Calculus I
MTH 2402  Calculus II
MTH 3410  Calculus III
MTH 3311  Linear Algebra
MTH 3325  Real Analysis OR MTH 3317 Ordinary Differential Equations
MTH 3315  Abstract Algebra OR MTH 3313 Number Theory
MTH 3341  Theory of Probability
MTH 2305  Discrete Structures

*Three of the following Problem Solving courses:*
MTH 3101  MTH 3103
MTH 3102  MTH 3104

Plus six (6) additional 2000-level or higher elective math hours. *(MTH 3301 and MTH 3302 are not accepted as 2000-level or higher courses for the math major.)*

Mathematics (BS)
The Mathematics Major (BS) offers courses in analysis, calculus, discrete mathematics, cryptology, differential equations, geometry, modeling, number theory, problem solving, probability, and statistics. In these courses, students develop the ability to reason clearly, think analytically, communicate mathematically, value mathematics, and solve problems.

Mathematics Requirements *(45 credit hrs.)*
MTH 2401  Calculus I
MTH 2402  Calculus II
MTH 2301  Introduction to Statistics
MTH 2305  Discrete Structures
MTH 3410  Calculus III
MTH 3101  Problem Solving (two of four)
MTH 3311  Linear Algebra
MTH 4101  Advanced Problem Solving
MTH 3317  Differential Equations
MTH 3315  Abstract Algebra

The fifteen remaining hours must come from upper level [3000 and 4000] MTH courses (MTH 3301 and MTH 3302 are not accepted as upper level courses for the math major.)

Elective Hours
A sufficient number of credit hours to bring the total number of hours to 128, of which 39 must be upper-level.

ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.

Nursing (BSN)
The Nursing Major has two distinct parts: Pre-Nursing requirements and the Professional Nursing sequence. When you have registered for and/or completed all the Pre-Nursing requirements, you may apply for the BSN professional sequence, which takes two years to complete. The Pre-Nursing requirements provide students a solid foundation for the BSN program but do not guarantee admission to the Professional Nursing sequence. The professional nursing sequence [NUR courses] will consist of nursing lecture and clinical courses that provide students the knowledge, skills, and attitude necessary to become competent and compassionate professional nurses and are only available to students admitted to the professional nursing sequence.

NUR courses are grouped and taken by semester. Courses taken in the first semester are indicated below by (J1). Those taken in the second semester are indicated by (J2), and those taken in the third and fourth semesters are indicated by (S1) and (S2) respectively.

Pre-Nursing Requirements
BIO 1403  Cellular and Molecular Biology
BIO 3310  Nutrition
BIO 3401  General Microbiology
BIO 3411  Human Anatomy and Physiology I
BIO 3412  Human Anatomy and Physiology II
CHE 1341  Chemistry I
CHE 1141  Chemistry I Lab
CHE 1202  Introduction to Organic and Biochemistry
MTH 2301  Introduction to Statistics
PSY 1311  Introduction to Psychology
PSY 2301  Life-Span Development
SPN 2301  Spanish for Healthcare Workers

Professional Nursing Sequence Major Requirements
J1 Courses
NUR 3220  Adult Health I Theory
NUR 3536  Adult Health Nursing I Practicum
NUR 3430  Foundations of Professional Nursing Practice
NUR 3250  Pharmacology for Nurses I

**J2 Courses**
NUR 3106  Global Health Practicum
NUR 3265  Adult Health II Simulation

ALL students are required to complete a collegiate assessment of proficiency during their Junior or Senior terms.

**Concordia Online**

**Mission and Overview**
Concordia offers fully-online programs, designed to allow busy, working adults to continue their education without interrupting work and family commitments. Details on the programs offered online can be found at [online.concordia.edu/programs](http://online.concordia.edu/programs)

It is the student’s responsibility to ensure the necessary hardware, software, and a reliable Internet connection is available throughout the entire course and/or program. Online courses and programs at Concordia University Texas strive to emulate the high-touch, hands-on atmosphere of the University. The required and recommended technologies will enhance your experience and engage you in the course. Students should ensure the required hardware,
software, and settings are working properly before the first day of class. Students may call or email the CTX Helpdesk for assistance: helpdesk@concordia.edu or 512.313.HELP (4357).

It is the student’s responsibility to have the required hardware and software available when the online class or program begins. Contact the Online Center for more information.

**Processes and Policies**

**Attendance**

Concordia University Texas expects students to log into class by Friday of the first week. Doing so establishes intention to participate in the course. Students are encouraged to log in often in order to maximize their educational experience. The census date for online undergraduate and graduate courses is at 12:00 a.m. (Central Time) on Day 6 of class. Online attendance for all undergraduate and graduate courses is maintained by logging into the learning management system, Moodle, and participating in class activities (completing an assignment, completing a quiz, participating in a discussion forum, and/or attending a synchronous session) at least once per week (once every 7 consecutive days). Failure to attend this course each week will result in a warning of impending withdrawal. Individual programs and/or instructors establish additional attendance policies for courses and that policy is communicated to the student during orientation and in the course syllabus. Students are responsible for familiarizing themselves with this policy at the beginning of each course. Students receiving any form of financial assistance (including VA benefits) must maintain regular attendance to be eligible for assistance.

**Schedule Changes: Add/Drop**

Courses may be added or dropped during the online registration period which closes at 11:59 p.m. (Central Time) on Friday of Week 1. All course schedule changes must be filed by the student to his or her assigned Student Support Coordinator once the online registration period has ended. If a student is receiving financial aid, s/he must contact his/her Student Support Coordinator prior to dropping a course.

Students in the graduate cohort programs are not encouraged to drop courses. If dropping or changing schedules is absolutely necessary, the student must contact his or her Student Support Coordinator for instructions.

**Withdrawal**

Students enrolled in a course supported by the Online Center may withdraw from class through the traditional close of business on Friday of week eight (8). Signed and approved forms must be received by the Registrar’s Office by the traditional close of business on Friday of week eight (8) in order for the student to be withdrawn from the class and receive a “W” on his or her transcript.

**Refunds**

Tuition refunds are processed in accordance with the following schedule.

- If the student drops the class prior to the census date (the 6th day of class: 12:00 a.m. (Central Time) Saturday of Week 1): 100% refund
If the student drops the class before the census date using the online registration system: 100% refund
After the census date: 0% refund

A student is administratively withdrawn from class when:

- The student did not log into class by the census date (Day 6 of class: 12:00 a.m. (Central Time) on the Saturday of Week 1): 0% refund
- The student did not log in for seven consecutive days after initial log in and did not respond to faculty and/or staff communication: 0% refund

Note: At 12:00 a.m. on the first day of class, the Online Course Admin Fee is nonrefundable and is not a part of the tuition refund policy. The Online Course Admin Fee is not applicable to students admitted to a CTX fully online program.

Students should contact their Student Support Coordinator for further information or questions about refunds.

*Official Last Day of Class*
All online courses officially end at 11:59 p.m. (Central Time) on Sunday of week eight (8). Please note some professors have assignments due before the last day of class in week eight (8). Students should confirm all final due dates with their professors.

*Grades*
Students enrolled in online courses may check their grades at any time during the session by viewing their grade reports in the learning management system, Moodle. Grades will be updated as assignments and activities are completed throughout the course. The grade report in Moodle is an unofficial posting of grades.

Complete course grades are posted to MyInfo within 7 to 10 business days after the official last day of the semester. Calculation of term and cumulative grade point averages is completed after all grades are submitted and are posted at the end of every term.

Visit [http://online.concordia.edu](http://online.concordia.edu) to learn more.

*Online Consortium of Independent Colleges and Universities (OCICU)*
Concordia University offers courses online through the Online Consortium of Independent Colleges and Universities (OCICU). The following courses have been approved to receive credit at CTX.

**OCICU Registration Process**

1. Student researches OCICU courses offered by Concordia; determines which course is needed; goes to OCICU website to determine pre-requisites necessary to take the course.

2. Student notifies Student Central or their appropriate Student Support Coordinator of their intentions to take an OCICU course to make sure that there are no holds or registration restrictions.

3. Student approaches Online Center Dean about OCICU requirements and pre-requisites. Students should supply confirmation that pre-requisites have been met (i.e. copies of transcripts).
a) Approval/denial to take course is given; if approval is granted, student will fill out appropriate form provided by Online Center Dean.
b) Student should frequently check ctx.edu email for communication from OCICU or Concordia concerning registration.
c) Online Center Dean signs completed registration/schedule change form that student has signed.

4) Online Center Dean begins registration process with OCICU for student course selected
5) Once notified by OCICU that successful OCICU registration has taken place, the Online Center Dean will forward the original registration/schedule change form to Registrar’s Office for registration into the Concordia system.
6) Student is billed for tuition and online course fee.

**NOTE: OCICU processes and policies differ from Online Center processes and policies.**

**Family Educational Rights and Privacy Act**

The Family Educational Rights and Privacy Act of 1974 (FERPA), as amended, is a Federal law which states (a) that a written institutional policy must be established and (b) that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the institution will maintain the confidentiality of student education records.

As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records — including your Social Security Number, grades, or other private information — may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.
Concordia University Texas accords all the rights under the law to students who are declared independent. No one outside the institution shall have access to, nor will the institution disclose any information from, students' education records without the written consent of students except to:

- Personnel within the institution who have a valid educational interest
- Officials of other institutions in which students seek to enroll
- Persons or organizations providing financial aid
- Accrediting agencies carrying out their accreditation function
- Parents of dependent students. The parent must present documentation that the student is a dependent for income tax purposes by claiming the student on their income tax form; the parent must renew the request annually to show that the student is still a dependent for income tax purposes
- Persons in compliance with a judicial order
- In an emergency in order to protect the health or safety of students or other persons

All these exceptions are permitted under the Act.

Within the Concordia University community, the following offices’ staff and faculty, individually or collectively, acting in the student's educational interest is allowed access to student education records:

- Registrar
- Financial Aid
- Admissions
- Accounting
- Chief Academic Officer
- Chief Enrollment Officer/Vice-President for Student Services
- Placement Advisors
- Academic Advisors
- NCAA Athletic Certification Official(s)
- Coaches
- ADP Center Deans
- Legal Counsel
- Other administrative personnel within the limitations of their need to know.

**Inspect and Review**

The law provides students with the right to inspect and review information contained in their educational records, to challenge the contents of their educational records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels to be unacceptable. The Registrar at Concordia has been designated by the institution to coordinate the inspection and review procedures for student educational records, which include admission, personal, academic, and financial files, cooperative education, and placement records. Students wishing to review their educational records must make written requests to the Registrar listing the item or items of interest. Copies of the policy detailing the procedures to be used by Concordia University Texas for compliance with the provisions of the Act can be found in the Office of the Registrar.
Directory Information
Directory information is that information which may be made public without the written consent of the student. Such information may be disclosed by the institution for any purpose, at its discretion. Concordia University Texas hereby designates the following student information as Directory Information:

- Name
- E-mail address
- Local Address
- Local phone number
- Dates of attendance
- Classification
- Major Field of study
- Previous institution(s) attended
- Awards, honors (incl. Honors list)
- Expected date of graduation
- Degree(s) conferred with date(s)
- Photographs
- Past and present participation in officially recognized sports and activities
- Physical factors of athletes (height, weight)

Currently enrolled students may withhold disclosure of directory information. To withhold disclosure, written notification must be received in the Office of the Registrar prior to the ninth class day of any regular term. Forms requesting the withholding of Directory Information are available in the Office of the Registrar. Request for non-disclosure will be honored by the institution until the student takes action in writing to revoke the request. **Before taking this action, students are strongly encouraged to talk with the Registrar as implementation of this block results in far-reaching consequences.**

Concordia University Texas assumes that failure on the part of any student to specifically request the withholding of Directory Information indicates individual approval for disclosure.

The Family Educational Rights and Privacy Act ("FERPA") permits universities to notify the parents or guardians of students under 21 of alcohol and other drug violations which result in a determination that the student has committed a disciplinary violation. This exception to the privacy rights of students was enacted because of the health and safety consequences of alcohol and other drug abuse. Concordia University Texas believes that parents share the University's concern for their students' health, safety, and academic progress. Therefore, Concordia University Texas may notify parent(s) or legal guardian(s) of any student under the age of 21 found responsible for a violation of any federal, state, and/or local law or University policy regarding alcohol and/or controlled substances or other dangerous drugs.

Students have the right to file complaints with the Department of Education concerning alleged failures by institutions to comply with the Family Education Rights and Privacy Act. Written complaints should be directed to: The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C., 20202-5920.
The Solomon Amendment

The Solomon Amendment is a federal law that allows military recruiters to access some address, biographical and academic program information on students age 17 and older.

The Department of Education has determined the Solomon Amendment supersedes most elements of FERPA. An institution is therefore obligated to release data included in the list of “student recruiting information,” which may or may not match SMU's FERPA directory information list. However, if the student has submitted a request to the University Registrar Office to restrict the release of his/her Directory Information, then no information from the student's education record will be released under the Solomon Amendment.

**Definition - "Student Recruitment Information" or "Solomon Information"**

1. Name
2. Address (home and mailing)
3. Telephone (home and mailing)
4. Age
5. Place of birth
6. Level of education
7. Academic major
8. Degrees received
9. Educational institution in which the student was most recently enrolled

**Procedure for releasing information to military recruiter:**

Under the Solomon amendment, information will be released for military recruitment purposes only. Military recruiters may request student recruitment information once each term or semester for each of the 12 eligible units within the five branches of the service listed below:

- **Army**: Army, Army Reserve, Army National Guard
- **Navy**: Navy, Navy Reserve
- **Marine Corps**: Marine Corps, Marine Corps Reserve
- **Air Force**: Air Force, Air Force Reserve, Air Force National Guard
- **Coast Guard**: Coast Guard, Coast Guard Reserve

The request should be submitted in writing on letterhead clearly identifying the unit of service requesting the student recruitment information. The request should specify whether the information needed is for the current or previous semester.

**Deposits**

**Residence Hall Reservation Deposit for Future Students:**
A non-refundable reservation deposit of $225 is required of each student planning to live in a residence hall. This $225 is due in full by the published deadline for the relative term. It is applied to the payment of room fees.

**Commitment Deposit**
A non-refundable $275 commitment deposit is required of all students residing on-campus. Filling out the deposit form also serves as your housing application. If you are a commuter (non-resident) your non-refundable deposit is $150.

**Residence Hall Reservation Deposit for Current Concordia Students:**
A non-refundable reservation deposit of $200 is required of each student planning to live in a residence hall. This $200 is due in full by the published deadline for the relative term. It is applied to the payment of room fees.

**Payment Options**
To confirm registration, all charges for tuition and fees are due in full upon published deadlines for the relevant program and term. If registration is completed after the normal payment deadline, tuition and fees are due immediately upon registration. Payment may be made either online, by mail or in person at
Student Central. Additional charges for special course fees, insurance, etc., may be assessed after registration and are due when charged to the student account.

Students who complete the financial assistance process may apply identified Credits/Anticipated Credits on the Student Schedule/Bill against the total charges; any remaining balance is due and must be paid in full. Eligible students planning to pay charges through the various student aid programs (please refer to the section on Financial Aid) must meet the deadlines required by the Student Financial Services Office. If student aid is not recorded by the due date shown on the Student Schedule/Bill, other payment arrangements must be made.

To satisfy payment requirements for the fall and spring terms, traditional and graduate students may request participation in a payment plan program that allows eligible students to make payments in installments. Information regarding this payment plan will be mailed out with your initial bill. Additionally, information regarding this payment plan can be obtained from your Student Support Coordinator. Setup fees are charged for participation in the program. Concordia is unable to offer this payment plan to Adult Degree Program students due to the condensed nature of the class terms.

Payment may be made by cash, check, money order, ACH, MasterCard, Visa, or Discover. Concordia assumes no responsibility for loss of cash if sent through the mail. Payments made by mail must be received by Concordia on or before their due date. A late charge may be assessed for accounts past due for over thirty (30) days. Further, a student whose account is in arrears may not be able to register for classes, receive transcripts, or recommendations.

Refunds
Tuition refunds are processed in accordance with the following schedule:

*At 12:00 a.m. on the first day of class, the $250 Online Course Administrative Fee is non-refundable and is not part of the tuition refund policy. The $250 Online Course Administrative Fee is not applicable to students admitted to a CTX online program.

Students should contact their Student Support Coordinator for further information or questions about refunds.

**Other Refunds Are Processed as Follows**

- Scholarship, grant, and loan funding (student aid) awarded through the Student Financial Services office will be subject to the same prorated formula applied to tuition and fee refunds, unless otherwise stipulated by program requirements. The percentage of tuition, fees, room and board charged the student would be paid; the remainder of the student aid will be returned to the fund from which the award was paid. All students receiving Title IV (federal) student aid are subject to the return of student aid if withdrawing prior to the 60% point of any enrollment period. No refund of assistance will be paid to the student.
- Residence Hall Deposits are refunded in accordance with the statement concerning them in the section titled, “Deposits.”
- The unused portion of the Food Service Fee may be refunded when students discontinue food service during a term. Unused portions of the Food Service Fee at the end of a term will not be refunded.
- Student housing charges for students who leave the dorm during a term will be prorated based on the length of residence. Students must properly check out of housing in accordance with Housing Office policy to receive prorated charges.
- Refunds will be made payable to the student, with the exception of PLUS loan refunds which are made payable to the person who incurred the loan debt.
- These provisions apply to all students without respect to the reason for withdrawal or dismissal.

**Non-Refundable Fees**

These provisions apply to all students without respect to the reason for withdrawal or dismissal:

1. Special course fees and deposits
2. Tuition deposits
3. Student housing deposits
Withdrawals
Official withdrawal from the university is dated at the time a student signs a withdrawal request and files it in Student Central. Forms for withdrawal may be obtained in Student Central. The date of official withdrawal determines the charges assessed and/or refunded.

Non-attendance in classes or moving from the residence hall does not constitute official withdrawal from the university or from a course. Students who do not officially withdraw may receive grades for all registered courses and may be billed accordingly.

Graduation and Commencement Information

Graduation Application
Candidates for a Concordia University Texas degree or the Lutheran Teacher's Diploma must be registered for the appropriate Graduation Course during the final term in which the work is to be completed and the diploma is to be awarded. Registration for the graduation courses will be available during the registration periods as published in the Academic Calendar. All students completing their studies must register for graduation regardless of their intent to attend the commencement service. If a student does not register for graduation, their record will not be flagged for graduation processing and the student will not be certified to graduate in that term.

Graduation Application Extension
If the student does not complete the work in the semester in which graduation registration took place, the student must re-register for commencement/graduation in the next term the student is eligible to graduate.

Graduation Fees and Graduation Audit
Registering for the graduation course charges the corresponding fee to the student’s account (see Fees and Refunds Section).

Registration in the graduation course initiates a comprehensive graduation audit of the student’s academic record. If the audit shows successful completion or enrollment in all remaining requirements and that the student is eligible to participate in the commencement service, a confirmation email will be sent to the student’s ctx.edu email account with further instructions.

If the graduation audit indicates that the requirements for graduation and/or participation in commencement have not been met, the student is sent a detailed explanation. This explanation includes a listing of all requirements still outstanding.

For additional graduation or commencement information, please visit: www.concordia.edu/commencement.

External Courses or Examinations
Students enrolled in outside courses or who plan to take exams for credit during their final term of study should inquire with the Graduation Office to verify when due dates are for official enrollment verifications or official score reports (CLEP, IBO, DANTES, etc.).
Concordia University Texas strongly recommends that students not take courses at other institutions or examinations for credit such as CLEP during the final term of study. Delays can occur in the receipt of final official transcripts and score reports from other institutions or organizations. This in turn can delay the term in which the student is awarded their degree.

**Enrollment Verification**

Official enrollment verification from another college or institution may be required in order to participate in commencement.
- Can take the form of a sealed official transcript showing the course(s) as "In Progress" or an official enrollment verification letter from the other institution detailing the courses in which the student is enrolled.
- Until the official enrollment verification is received, a student cannot be cleared to graduate or to walk in commencement.

**Email Notification**

Pending graduates will receive important information regarding graduation and commencement via their CTX email accounts. It is the student's responsibility to check their CTX email accounts regularly, as all official communication from Concordia University Texas can only be sent to CTX student email accounts. For login and password assistance, please contact the IT Helpdesk at 512-313-HELP or helpdesk@concordia.edu. When a student graduates from Concordia University Texas, their CTX email account is theirs for life.

**Graduation Requirements**

**Students seeking an Associate of Arts degree will**
- Attain a 2.00 cumulative GPA in all college coursework attempted at Concordia.
- Successfully complete a minimum of 64 credit hours.
- Earn a minimum of 48 hours from the liberal arts and/or fine arts areas.
- Earn a minimum of 22 credit hours in residence.
- Register for the appropriate graduation course during published registration times.

**Students seeking a Bachelor's degree will**
- Attain a 2.00 cumulative GPA in all work completed at Concordia; maintain a 2.25 cumulative GPA in their major; and maintain a 2.0 cumulative GPA in their minor. The following are exceptions:
  - Religious Education majors must earn a 2.50 cumulative GPA and maintain a 2.50 GPA in the major.
  - Elementary School Curriculum, Middle School Curriculum, Secondary School Curriculum and Special Education majors must earn a 2.75 cumulative GPA, and a 2.75 GPA in the major based on all courses attempted at any college including Concordia.
- Earn a minimum of 39 upper-level credit hours (courses beginning with a “3” or “4”).
- Earn a minimum of 45 credit hours in residence*.
- Earn a minimum of 128 total credit hours.
- Earn 12 upper-level credit hours in major in residence.
- Earn nine (9) credit hours for a minor in residence.
• Complete all of the specific course requirements outlined on the degree plan. Valid completion of the Collegiate Assessment of Academic Proficiency (***) exam. The Exam is offered free of charge during the fall and spring semesters.
• Register for the appropriate graduation course during published registration times as shown in the Academic Calendar.

*Residency Requirements
• At least 45 credit hours must be earned in residence at Concordia University Texas.
• A minimum of twelve upper-level hours in the student’s major must be earned in residence.
• A minimum of nine (9) credit hours for the minor must be earned in residence.
• Concordia will not accept transfer course credit toward final completion of the degree requirements for courses beginning more than three (3) years after the student has taken his/her final course work at Concordia.
• Students who intend to complete their final course work at an institution other than Concordia must, while in residence, receive approval for such action from the Dean of the School in which they are taking their major and turn in the form to the Registrar’s Office for filing in their permanent record.

**The Collegiate Assessment of Academic Proficiency (**) is a standardized assessment program that enables postsecondary institutions to assess, evaluate, and enhance the outcomes of their general education programs.

**Honors (Latin)**
(Undergraduate Students Only)
Degree seeking, 4-year undergraduate students with at least 60 credit hours in residence and whose cumulative Concordia grade point average is 3.50 or higher at the end of the term in which the student completes degree requirements are eligible for graduation with honors. This academic status is recorded on the student's official transcript.

Honors are awarded as follows:
• Summa cum Laude 3.900 - 4.000
• Magna cum Laude 3.750 - 3.899
• Cum Laude 3.500 - 3.749

For information on participating in commencement with honors, see “Commencement Ceremonies” section below.

**Diplomas**
Concordia University Texas provides an official diploma to each of its graduates following certification of degree completion. Names, majors, and degrees are placed on the baccalaureate diplomas according to the information provided in the University data system. Name and degree are placed on master and doctoral diplomas according to the information provided in the University data system.

The name used on the diploma will be the one found in the university data system. Students will find the exact spelling and format of their name on their transcript. It is the student’s responsibility to verify that their name is correct. The only name changes allowed are those made to the student’s official records. A change of this type is done by filling out a Name Change Request Form and submitting it along with appropriate documentation to the Student Support Coordinator no later than four (4) weeks prior to the
graduation date for that term. Student Support Coordinators can assist with any questions a student may have about their name spelling and format, or with the name change process.

If a diploma must be reprinted and resent because the student did not verify the spelling and format of their name, the student must return the previously issued diploma and will be charged the replacement fee for a new diploma.

Diplomas are mailed at no cost to a student’s permanent address as shown in the student data management system. It is the student’s responsibility to verify the permanent address is correct at all times, but especially prior to the end of the term in which the student will graduate. Diploma mailing addresses are confirmed on the first business day after the term is completed. Average length of time for diploma delivery is one to two months from the point of certification following the end of the term. Any diplomas that are returned as undeliverable will be held in the Office of the Registrar at the Main Campus for pick up.

If a diploma is lost in the mail because the student did not provide the university with an accurate permanent address, the student will be charged the replacement fee for a new diploma.

Only one diploma is issued per degree. For students graduating with a dual major, both majors will be listed on the diploma. If the student is graduating with different degrees (BBA, BA, BS, BSN) the student will be issued one diploma per degree.

Please Note: If a student has an outstanding financial obligation to the university, the Registrar’s Office will be unable to release their diploma until the obligation is resolved.

Degree Certification
Degrees are awarded three times per year at Concordia University Texas. After the term is complete, final grades are due from faculty the following week (see Academic Calendar). Once grades are posted and finalized for the term, the process of degree certification begins. Once it is determined that a student has met all degree requirements, the degree will be awarded and posted to the student’s transcript. Undergraduate students will also have any applicable Latin Honors designation posted to their transcript at this time.

As applicable:
• Diplomas will include name, degree, major, degree date.
• Final transcripts will include degree, major, concentration/specialization, degree date, and for undergraduate students, applicable Latin honors designation.

Any student that has not met graduation requirements will receive an email to their ctx.edu account as well as a letter to their permanent address as shown in MyInfo detailing which requirements are missing so that they can successfully graduate in a later term.

Commencement Ceremonies
Taking part in the commencement service is a privilege, not a right. Students may participate in commencement only once per degree awarded. Students graduating with dual degrees or majors may choose which college in which they wish to be acknowledged at the service. Student will be listed in the commencement program separately for each degree.
The following conditions must be met before students are declared eligible to participate in the commencement service. The student must:

- register for the appropriate Graduation course;
- have completed or be currently enrolled in all remaining classes and requirements needed for graduation;
- be at or above the minimum GPA requirement for the degree and major;
- submit any exam scores, enrollment verifications or transcripts by deadlines designated by the Registrar’s Office; and
- not have any outstanding financial obligation to the university.

NOTE: Four-year undergraduate students are eligible for Latin Honors recognition at commencement, including cum laude, magna cum laude, and summa cum laude. Latin Honors status is determined using the cumulative GPA that the student earned as of the end of the first eight-week session in the term in which the student intends to participate in the commencement service. The student’s records must also show that they will meet the sixty (60) hour residency requirement by the end of their final term of study.

Commencement regalia is purchased through the Concordia University bookstore. Undergraduate students will receive their honor cords for Latin Honors with their cap and gown order, while graduate students receive honor cords and any other regalia from the honor society to which they belong.

Concordia offers graduation ceremonies twice a year. The fall term ceremony takes place on the first Saturday in December. The spring term ceremony takes place on the Saturday following the close of the term. Students who graduate in the summer are invited to participate in the fall commencement service.

All graduation and commencement information can be found at any time on the Graduation/Commencement Pages: [http://www.concordia.edu/commencement](http://www.concordia.edu/commencement).

**Honor Societies**

**Alpha Chi**

Alpha Chi is a nationally affiliated honor society. In order to be considered for inclusion in this honor society, students must achieve

- junior or senior standing,
- a grade point averages of 3.50 or above,
- completed one-half of the credits required for graduation (traditional) or earned not fewer than twenty-four credit hours of credit toward a baccalaureate degree (transfer), and
- rank in the top 10% of their classes.

The number of students invited to join is directly related to the number of students in the junior class and the senior class. “…not more than the top-ranking ten percent of students classified as juniors and not more than the top-ranking ten percent of students classified as seniors, including those previously elected to membership, may be elected to membership.” (Alpha Chi Chapter Handbook, retrieved 03/10/08 from [http://www.harding.edu/alphachi/constitution.htm](http://www.harding.edu/alphachi/constitution.htm))

**Alpha Sigma Lambda**

Alpha Sigma Lambda is a nationally affiliated honor society for adult non-traditional students with a grade point average of 3.50 or higher and who have completed at least 24 hours at Concordia University.
Pi Lambda Theta
Pi Lambda Theta is a nationally affiliated honor society for junior or senior undergraduate, graduate and certificate/diploma students in education who have maintained a grade point average of at least 3.5.

Sigma Beta Delta
Sigma Beta Delta is the highest nationally recognized honor society for students of business management and administration. Members must rank in the top 20% of the junior, senior or master's class and be invited to membership by the faculty officers.

Upsilon Phi Delta
Upsilon Phi Delta is the premier honor society for students in the profession of healthcare administration to advance their competence and academic excellence. Members are honored on the basis of academic achievement, a grade point average of 3.5 or higher, service to the community and leadership contributions to the healthcare management field. The official colors are crimson red and cobalt blue.

Service Organization
Gamma Beta Phi Society
Gamma Beta Phi Society is a nationally recognized, honors-service society. The Concordia University chapter of Gamma Beta Phi strives to recognize and encourage excellence in education; to promote the development of leadership ability and character in its members; and to foster, disseminate, and improve education through appropriate service projects.

Intercollegiate Sports and Athletics

Intercollegiate
Concordia is affiliated with the National Collegiate Athletic Association (NCAA) Division III and with the American Southwest Conference. Concordia currently participates in men's and women's basketball, golf, soccer, cross country, and track and field, as well as men's baseball, and women's softball and volleyball.

Intramural/Recreation
Concordia offers an extensive intramural/recreation program administered through the Office of the Dean of Student Services. Both team and individual sports and activities are sponsored including basketball, volleyball, beach volleyball, softball, racquetball, trivial pursuit and others. Students may participate individually or join a team. No previous experience is required.

NCAA Athletic Eligibility
The athletic program is open to all full-time, regularly enrolled students who are in good standing with the university and who are in compliance with the eligibility requirements indicated below. Concordia athletes compete in men's and women's basketball, cross country, golf, soccer, track and field, men's baseball, and women's softball and volleyball.

The Faculty Athletic Representative, the NCAA Compliance Officer, the Athletic Director and the Registrar are charged with the responsibility of ensuring that all participants in intercollegiate athletics are eligible in accordance with the rules and regulations of the NCAA prior to their representing the institution in any manner. This responsibility is taken very seriously and eligibility is carefully checked.
**NCAA Athletic Eligibility Standards for New Students**

In addition to NCAA standards, Concordia University requires that during their first academic year of attendance students must meet the following requirements in order to participate in NCAA intercollegiate athletics.

First-time, Full-time Freshmen must:
- Be a graduate of an accredited high school or be accepted as a regular student (for GED, home schooled, international students, graduates of non-accredited high schools), and
- Be accepted as a "student in good standing."

Transfer Students must:
- Be accepted as a "student in good standing" based on Concordia’s current rules regarding transfer student admission.
- Have been considered academically and athletically eligible to practice, play and receive financial aid based upon the academic performance at their prior institution.
- Have at least two (2) terms of NCAA eligibility remaining or meet the fourth (4th) year academic eligibility requirement.

**Maintaining NCAA Continuing Eligibility for Student Athletes**

In order to remain eligible to participate in NCAA intercollegiate athletics, student-athletes must:
- Demonstrate satisfactory progress toward a recognized baccalaureate or graduate degree
- Meet Concordia’s Standards of Academic Progress requirements
- Remain in “Good Standing” academically

---

**Academic Standing Progression**

Concordia University Texas has established Academic Standing Progression (ASP) as an integral part of its goal to promote student success. Student must successfully meet both the Grade Point Evaluation and the Earned Credit Hour Standards. Periodic measurements are made of each student’s academic achievement in comparison to the standards established as the minimums for continued participation in the program. It is in neither the students’ nor Concordia’s best interest to have students remain in a program if satisfactory progress is not being achieved toward degree completion. For students who have difficulty meeting these minimum standards, Concordia has in place a series of interventions to determine the nature of each student’s difficulty and to set immediate goals and strategies for improvement. When indicated, permission for continued enrollment is withdrawn by Concordia in a timely and professional manner. **NOTE**: Eligibility for financial aid may also be affected by Academic Standing Progression; see the Financial Aid section of the catalog.

**Academic Evaluation Standard**

**Grade Point**

Qualitative standards of academic standing progression are assessed through Grade Point Average (GPA) evaluation. The calculation of the grade point average is done at the end of each term (spring, summer, fall). Only courses taken at Concordia are used to figure GPA. Calculation is done by dividing attempted hours by quality points (see *Table 1* below). Attempted hours are all credit hours in which the student is enrolled on the date of record for the semester (census day). If a course is repeated, only the
highest grade** will be figured in the GPA. For the purpose of GPA calculation, grades of "I", "NC", or "W" will not be counted.

**Determining Quality Points**

**Standards of Performance for Students**

A Concordia student must maintain a prescribed GPA (see **Table 2**) to remain in good academic standing to graduate from Concordia. A student who has a cumulative GPA of 2.0 or higher remains in Good Standing. Good Standing is noted on the student’s transcript and becomes part of their permanent academic record.

**Note:** Developmental courses are not considered GPA courses and are therefore not calculated into the cumulative GPA.

**Dean’s Warning**

If the cumulative GPA is less than 2.0 at the end of any term, the student is placed on Dean’s Warning unless the student is already on Probation for a cumulative GPA below the required standard. Dean’s Warning is permanently noted on the student’s transcript and becomes part of the student’s academic record.

**Note:** Developmental courses are not considered GPA courses and are therefore not calculated into the cumulative GPA.
Note: Any change in academic standing could impact Financial Aid. Refer to Financial Aid policy.

The Dean’s Warning period is for only one term and formal academic advising is encouraged prior to enrollment in this term. At the end of the Dean’s Warning term, the student will be in one of the following categories:

If the following is true, the student returns to Good standing
- Cumulative GPA was at least 2.00

If either of the following occurred, the student is placed on Academic Probation
- Withdrew from all courses during the term
- The student’s cumulative GPA was below 2.00

Academic Probation
If at the end of the Dean’s Warning term the student’s cumulative GPA is still below the prescribed standard (see Table 2), the student is placed on Academic Probation for the next term in which the student is enrolled. Academic Probation is permanently noted on the student’s transcript and becomes part of the student’s permanent record.

Note: Developmental courses are not considered GPA courses and are therefore not calculated into the cumulative GPA.

Note: Any change in academic standing could impact Financial Aid. Refer to Financial Aid policy.

The Academic Probation period is for only one term and formal academic advising is encouraged prior to enrollment in this term. At the end of the probationary term, the student will be in one of the following categories:

If the following is true, the student returns to Good standing
- Cumulative GPA was at 2.00 or higher

If either of the following occurred, the student is academically ineligible to return and is dismissed from the university
- Withdrew from all courses during the term
- The student’s cumulative GPA was below 2.00

Appeal Process for Academic Ineligibility
This section provides specific guidance for the handling of appeals and is intended to be used in conjunction with Academic Policy on Appeals for guidance on issues not covered in this section.

First Appeals
To obtain the necessary appeal forms for an Academic Dismissal, the student should contact Student Central. Appeal forms along with instructions will be sent to the student. Academic Dismissal appeals for reinstatement must be submitted in writing to Student Central or a Student Support Coordinator. All Academic Dismissals must be successfully appealed prior to attempting to continue study at Concordia University Texas. Appeal for readmission to Concordia must be completed and a decision received by the following deadlines in order to be able to register in that session:
- Traditional - last day to add a class (summer doesn’t count if the student isn’t enrolled)
- ADP - last day of first 5 week session
- Online - last day of first 8-week session

The following requirements must be met for an appeal to be considered:
• All appeals must include the Dismissal Appeal Form and be submitted at least two (2) business days prior to the last day to add a course in the term or the intended enrollment period.
• All appeals must explain the cause of the mitigating circumstances that directly contributed to the poor performance, including any documentation necessary to validate issues of fact, and provide evidence that these circumstances have been remediated or are no longer a contributing factor towards the student’s ability to perform academically.
• Student must provide an attainable plan for meeting the requirements to be restored to good standing. The Academic Appeal Documentation form (obtained from Student Central or a Student Support Coordinator) should be used to properly prepare the required documentation and must be submitted with the Dismissal Appeal Form.

The Dean, or their designee, in consultation with student’s faculty advisor and Division Chair, as deemed necessary, will review the petition and decide on the outcome of the appeal including any conditions or requirements. The Dean may or may not choose to meet in person with student. If student has not yet declared a major, the petition should be submitted to the Registrar. A committee chaired by the Registrar, and including the Faculty Advisor, and one of the College Deans will review the petition and make the official ruling.

NOTE:
• Submitting the correctly completed forms does not automatically guarantee reinstatement.
• Student will be notified of the results of the appeal by letter and/or email to student’s CTX email account.
• Student may have to apply for re-admission to the university before trying to register for courses.
• Financial Aid may be affected by any change in status; refer to Financial Aid policy.

Secondary Appeal
Denied petitions for reinstatement may be presented to the Provost’s Office with an additional written statement delineating the challenges to the prior ruling and providing any additional relevant information. The Provost or an appointed academic review committee (Deans or designees involved in the initial appeal decision will be excluded) will consider the challenge appeal. Challenges received after the start of the next term will not be granted reinstatement until the following term.

Reinstatement Following Successful Appeal
If the appeal is approved and the reinstatement takes place prior to the end of late registration deadline, the student will be able to register for classes. Readmitted students are automatically placed on Academic Probation status for the term in which he/she is reinstated and registered for courses. Failure to meet the requirements specified in the appeal approval or those required for the probationary term will result in a second academic dismissal from the University. Reinstatement from such a second dismissal is not generally approved except in extreme situations.

Once a student has been Academically Dismissed, if the appeal for reinstatement is not successfully completed prior to the end of the late registration period of the term immediately following the dismissal, the individual is required to complete the re-enrollment process for admission to Concordia University Texas. A successful appeal process as outlined previously in this section must be completed prior to or as part of the re-enrollment process. In order to register for courses, the student must be fully admitted to Concordia University Texas.

NOTE: Financial Aid may be affected by any change in status; refer to Financial Aid policy.

- March 15, 2016

New Students
Starting Summer 2016
- March 15, 2016
Starting Fall 2016
- March 15, 2016
Starting Spring 2017
- October 31, 2016

Applications will be accepted after these dates. However, a personal payment may be required to meet the deadlines for tuition payments.

Application Information
Students interested in applying for financial aid must be accepted for admission to Concordia University Texas (CTX) and submit the Free Application for Federal Student Aid (FAFSA) for the relevant year. Students applying for federal student aid must meet all US Department of Education eligibility requirements. If an applicant’s FAFSA is selected for verification, students may also be asked to submit additional documentation as instructed by CTX Student Financial Services. When all required documents have been received by CTX Student Financial Services, the student's eligibility is calculated and an award package is then constructed through a combination of scholarships, grants, low-interest loans, and/or on-campus work-study programs depending upon the student’s eligibility and the funds available.

Eligibility for all financial aid requires that a student be accepted for admission or be currently enrolled and maintaining Student Financial Services Satisfactory Academic Progress described in Section 6.08 below.

Concordia University Texas offers a variety of financial aid programs based on financial need, merit, a combination of need plus merit and/or other criteria. These programs include but are not limited to:

Scholarships
- Lutheran Servant Leadership Award (four-year renewable)
- President’s Scholarship (four-year renewable)
- Transfer President’s Scholarship (four-year renewable)
- Leadership Scholarship (four-year renewable)
- Transfer Leadership Scholarship (four-year renewable)
- Luther Scholarship (four-year renewable)
- Transfer Luther Scholarship (four-year renewable)
- Walther Scholarship (four-year renewable)
- Transfer Walther Scholarship (four-year renewable)
- Dean’s Grant (three-year maximum)
• Community Scholarship (recommended by participating area Independent School Districts)
• Music Scholarships (determined by department)
• Business Scholarship (determined by department)
• Biology Scholarship (determined by department)
• Behavioral Sciences Scholarship (determined by department)
• Education Scholarship (determined by department)
• Alumni Award (determined by department)

Grants

• Federal Pell Grant
• Federal Supplemental Educational Opportunity Grant (FSEOG)
• Teacher Education Assistance for College and Higher Education Grant (TEACH)
• Texas Tuition Equalization Grant (TEG)
• Concordia Grant
• Church Work Grant

Loans

• Federal Direct Loans (subsidized and unsubsidized)
• Federal Direct PLUS Loan (Parent Loan for Dependent Undergraduate or Student Loan for Graduate)
• Alternative Loans

Employment

• Federal College Work-Study
• Texas College Work-Study

Scholarship endowments and trusts are established by generous donors and designated for the benefit of Concordia's students and faculty. Endowment earnings are used to fund CTX scholarships and general grants. If a student's institutional aid (scholarship or grant) is funded by an endowment, the student may be required to write thank you notes to their donor(s). For a list of, or to set up a named scholarship, contact the University's Vice President for Advancement.

Financial Aid for Adult Programs

The Adult Degree Program was created for working adults to be able to attend class in the evening. Financial aid is available to those who qualify. Students in the Adult Degree Program may qualify for Federal Pell Grant and Federal Direct Loans. Students may also consider alternative loan programs to assist in covering the difference between financial aid awarded and the cost of attendance. The application dates for financial aid and the deadline for payment of tuition may be on different schedules. Check with your Student Support Coordinator for financial aid/payment deadlines each term.

Return of Title IV Funds

Financial aid is awarded to a student based on the assumption that the student will complete the period for which the aid has been awarded. When a student withdraws from the university and has federal aid, a Return of Title IV Funds calculation must be completed. Funds included in the Title IV return include: the Federal Pell Grant, the Federal Supplemental Educational Opportunity Grant (FSEOG), and Teacher Education Assistance for College and Higher Education Grant (TEACH); along with Federal
Direct Loans such as subsidized, unsubsidized, and the PLUS loan (both Parent and Graduate). Federal Work-Study earned is not included in the calculation.

An overview of the Return of Title IV process is as follows:

- The student should contact their Student Support Coordinator for a Withdrawal Form. This form should be completed for all students wishing to withdraw from the university and not just for those with federal aid.
- The Withdrawal Form will require several signatures. Students should always consult with their advisor before requesting the Withdrawal Form.
- The withdrawal date is reported on the Withdrawal Form and is generally the last day of attendance. Should there be any question about the date, Student Financial Services will determine the date of withdrawal based on feedback from the student’s professors.
- Student Financial Services will be responsible for completing the return within 30 days of the date of withdrawal and will notify the student as to whether the school or the student will be responsible for repayment of Title IV funds, if applicable.
- Student Financial Services is responsible for tracking all notifications and deadlines and, in the event of an overpayment by the student, the office will notify the student within 30 days of the withdrawal date as to the student’s responsibility to repay the funds within 45 days of the date of the notice and the options for repayment.
- Should the student be eligible for a post-withdrawal payment of aid, a written notice to the student will occur within 30 days of the date of withdrawal. The student will be required to report to Student Financial Services within 14 days after the date of the notice as to whether or not they wish to accept the post-withdrawal disbursement. In the case of a loan creating the post-withdrawal disbursement, the student will be counseled as to the nature of the funds. The school will disburse any accepted post-withdrawal disbursement within 120 days after the date of withdrawal.

Satisfactory Academic Progress (SAP) - Financial Aid
Student Financial Services at Concordia University Texas (CTX) utilizes the qualitative and quantitative Academic Standing Progression policy of the University as listed in the Academic Information Section of this catalog. In addition to those measurements students must complete their academic program within the federally mandated maximum permissible timeframe (not to exceed 150% of the published length of the program). Application of these requirements includes all terms of enrollment, whether or not aid was awarded or received.

SAP Evaluation – Eligibility to Receive Financial Aid
Student Financial Services will evaluate SAP requirements at the end of each term and before aid is disbursed for the following term. Students who fail to meet SAP requirements will be automatically placed in a warning status for one (1) term. Those students are expected to meet SAP requirements by the end of that term or risk being placed on financial aid suspension. Students cannot receive federal or state financial aid while on financial aid suspension. Students who have experienced documented, extraordinary circumstances that lead to their financial aid suspension may petition for one (1) additional term of eligibility.

Financial Aid SAP Petition Process
Students who believe they have extraordinary, extenuating circumstances must submit a typed request to Student Financial Services explaining their situation and provide the following information:

- Student printed name and signature, Banner ID, daytime contact information
• Detailed explanation addressing the circumstances that directly contributed to the poor academic performance and how these circumstances have been remediated or are no longer a contributing factor toward the student’s ability to perform academically.
• Provide supporting documentation from a 3rd party if available (e.g., police report, detailed hospital bill, physician’s statement, death certificate, etc.).
• Enrollment plans for the next term including anticipated number of credit hours, change in major or any other academic-related documentation approved by a CTX academic advisor.

Students who have successfully petitioned financial aid suspension are placed in a probation status. Students in probation status are eligible to receive financial aid for one (1) term, after which they must meet satisfactory academic progress standards in order to receive aid in a future term. Students who fail to meet SAP at the end of the probation term may go through the petition process again to request an additional term of financial aid eligibility.

Financial Aid SAP petition decisions are made independently of the Academic Appeal process described in the Academic Information Section of this catalog. However, students must be academically eligible to enroll for coursework to receive financial aid.

Veterans Educational Benefits

For students who are eligible, Veterans Educational Benefits can be used to offset college costs. For information about Veterans benefits, please use the VA web site, www.gibill.va.gov.
Chapter 30 - Montgomery G.I. Bill/Pre-1990 G.I. Bill
Chapter 31 - Vocational Rehabilitation
Chapter 32 - Post-Vietnam Era Veterans' Educational Assistance
Chapter 33 – Post 9/11 and Yellow Ribbon Program
Chapter 35 – Survivors’ and Dependents’ Educational Assistance
Chapter 1606 - Selected Reserve Educational Program
Chapter 1607 - Gulf War Selected Reserve Educational Program
For information about Veterans financial aid related to Concordia University Texas, go to the Financial Aid section of this catalog.

Once the Veterans Administration determines eligibility, the student will be issued a certificate of eligibility from the VA. A copy of the certificate must be turned into the VA Certifying Official at Concordia University before the student’s enrollment will be certified to the VA.

The VA Certifying Official also needs a copy of the student's DD-214 showing all schools attended, or a Community College of the Air Force (USAF) transcript, or a SMART (USN or USMC) transcript. If there is more than one DD-214 showing schools attended, the VA certifying official will need copies of each one. This will allow an evaluation of the student's military education and experience to determine if credit can be awarded. Receipt of a DD-214 does not automatically trigger VA benefits.

Students receiving VA educational benefits must maintain a cumulative GPA of 2.00 to be considered making satisfactory academic progress. Students on academic probation, who fail to achieve a term GPA of 2.00 at the end of the first probationary term, will be reported to the Department of Veterans Affairs as making unsatisfactory progress. Students who fail to achieve a cumulative GPA of 2.00 at the end of the second probationary term will be reported to the Department of Veterans Affairs as making unsatisfactory progress. For more information on satisfactory progress, see the Standards of Academic Progress section of this catalog.
Student Services

Student Services staff members seek to support the mission of Concordia University Texas by intentionally building relationships among students, faculty and staff to enhance a sense of campus community, facilitating holistic (spiritual, intellectual, social, and physical) growth among students, and modeling servant hood as the cornerstone of Christian leadership. For more specific information about Student Services, please refer to the University’s website.

The Center for Vocation & Professional Development

The Center for Vocation and Professional Development provides a pathway to meaningful work by connecting students, alumni, and employers in ways that facilitate personal and professional growth, and that create life-changing experiences in the exploration and discernment of vocation.

Our vision is to be recognized as a community resource and leader on Christian vocation that expands the meaning of purposeful life beyond career to the various life stations and inspires individuals to reach the full potential of their presence in the world.

Today, we do this by:

- Helping students explore careers related to their major, interests, values, and talents.
- Coaching students in the discernment and communication of their strengths, talents, and skills in a resume, virtual profile, interview, or at a networking opportunity.
- Connecting students to jobs and internships both on and off campus.
- Providing resources for service and leadership opportunities.
- Matching students to professional mentors from our alumni and employer community.

And by:

- Creating a robust virtual space for employers to search and find qualified candidates for jobs and internships.
- Offering alumni, employers, and other community partners the opportunity to serve as mentors for students.
- Partnering with employers to identify qualified students and recent graduates to fill open job and internship positions.

Visit [www.concordia.edu/meaningfulwork](http://www.concordia.edu/meaningfulwork) for more information, including the Mentoring Adventures Program and the Internship Program.

Vocational discernment begins with self-awareness and continues throughout one’s life. The Center for Vocation and Professional Development is a resource for students to explore vocation and can provide assessment tools, coaching, mentoring, and experiences for students to discern their vocations by connecting their interests, passions, skills and talents to the needs of the world.

Library

Concordia University Texas Library, located in Building F on the main campus, provides over 200,000 books, in print and/or online format, as well as collections of DVDs, CDs, and vinyl recordings. The library subscribes to more than 100 academic databases with access to several thousand online journals, many in full-text format, and over 150 journal titles in print format. Our website ([www.concordia.edu/library](http://www.concordia.edu/library)) offers both on-campus and off-campus users access to our online catalog and the majority of our online databases through a sophisticated discovery tool (“Jump Start”) that streamlines access to library resources with one search box. There we also link to online research guides.
and tutorials to assist users during all stages of their research and writing process. For personalized research help, students can contact library staff -- by phone at (512) 313-5050, by email at library@concordia.edu, or they can text us at (512) 981-7550. Due to the library’s participation in a consortium, patrons can also access reference support 24/7 through online chat: AskAcademic.

For items not held in our collection, the library offers Interlibrary Loan, by which patrons can have materials sent to this library from other participating libraries. CTX Library is also a member of the state’s TexShare Consortium, which allows our patrons to receive a card to directly access, and in some cases even check out, materials when they visit most academic and large public libraries across the state.

There are over 200 seats in the building providing a variety of places for individual and group study. Patrons can check out keys to individual study rooms, with blackboards and white boards, outlets and ports, and lovely views of our nature preserve. We host the primary campus computer lab and the new Tree House Prayer Place for quiet reflection or bible study. Wi-Fi is available throughout the building and across the campus. Since the library is housed in the same building as the Success Center, the Writing Center, the Center for Vocational and Professional Development, the Counseling Center and other resource centers, a variety of academic support is provided to students all in one place.

Transcripts

Concordia has partnered with eScrip-Safe/Credentials Solutions, an electronic transcript service, to make Transcripts on Demand available to CTX students and alumni. Transcripts on Demand is a secure online service that allows students to create transcript requests online, submit payment, have them automatically sent for approval to Concordia. As part of the requesting process, the individual has the option of selecting electronic or postal delivery as well as requesting delivery to individual institutions or persons. Before selecting electronic delivery, it is highly recommended that the individual check with the receiving institution to see if electronic delivery is accepted.

When you create a transcript request online, the entire process is secured using the same kind of online encryption most banks use (i.e. – SSL encryption). Email updates are sent letting you know of the status of your transcript. Because it is important to Concordia and Scrip-Safe that you know your records are secured during this process, you will be asked to complete a consent form the first time you request a transcript. Once this is done, you will never have to complete it again as long as you log into the same account.

If the requestor has a “hold” on their record at CTX, the transcript request will not be processed. The individual will be notified of the hold and asked to contact the appropriate office to resolve the issue. If the issue is resolved within fourteen (14) days from the date of notification, the individual will not need to complete a new request but will need to notify the Registrar’s Office (colleen.rinaldi@concordia.edu) that the hold has been removed so that the process can be completed.

Ordering Transcripts For Students, Former Students, and Alumni

Official

Click on the following link: Transcript Requests. Cost for electronic delivery of a transcript is $7. Cost for a paper copy of a transcript is $9 plus delivery.

Current active students of Concordia University Texas may pick up a standard-request official transcript from the Registrar’s Office at no charge. A completed Transcript Request Form is required for each request. Standard-request has a two to three day processing time. If the transcript is to be mailed, a $7.00 fee applies.
**Unofficial Transcripts**

Unofficial Transcripts may be printed through MyInfo.

**Transcripts from Other College and Universities**

Official transcripts may be mailed to Concordia University from the issuing College or University. Hand carried official transcripts are accepted only if in a SEALED envelope and issued from another College or University. Concordia University Texas accepts electronic transcripts processed through eScrip-Safe/Credentials Solutions. All questions regarding the authenticity of transcripts will be resolved by calling the issuing institution and verifying all information in question.

**Transcripts from a Foreign Country**

Transcripts issued from a foreign country and/or in a language other than English must be translated, word for word, by a nationally recognized organization providing this service. Concordia recognizes the services of AACRAO and uses them for translation services. CTX will also accept foreign transcript evaluation from the following members of the National Association of Credential Evaluation Services (NACES).

- A2Z Evaluation, LLC
- Academic Evaluation Services, Inc.
- Center for Applied Research, Evaluation, & Education, Inc.
- e-ValReports

*Note: We cannot guarantee the acceptance of other providers.*

*Note: The cost of foreign transcript evaluation service is the responsibility of the applicant/student.*

**Undergraduate Course Information and Course Descriptions**

**Course Numbering System**

1. The first digit shows the level at which a course is ordinarily taught.
   a. "1" level courses are open to first-term freshmen.
   b. "2" level courses are open to freshmen, but typically have a college-level prerequisite.
   c. "3" level courses are upper-level courses.
   d. "4" level courses are typically terminal courses within a major.
2. The second digit in the course number shows the credit hours of credit the course carries.
3. The remaining two numbers indicate a sequence within the discipline.
4. The numbers following the course title designate the numbers of lecture/lab hours the course requires each week (based on a traditional 15-week semester).
Independent Study

**3399 Independent Study:** (Topic)
Individual tutorial emphasizing close reading and discussion of literature in an area of the student's interest. Student decides on area of interest, prepares initial draft of syllabus, objectives, and textbook selection. Student presents prepared information to selected faculty sponsor for review and approval. **Prerequisites:** A 2.75 cumulative GPA and a 3.25 average GPA in either: twelve credit hours of course work in the chosen discipline, including six upper-level hours and consent of instructor, Director of the Major and Dean of the College. Additional fee required.

National/International Study

**3X98 National/International Studies:** Study of _______ Allows students to experience other cultures first-hand through travel. Experiences are arranged carefully prior to, during and following the trip to enhance student learning. Course may be offered on a Pass/Fail basis and with variable credit from one to three credit hours. Course may be repeated with varied topics. **Standard tuition is not charged. Course fee includes cumulative cost of trip + $200 administrative fee.**

A travel course lasting four or more days may fulfill all or part of the Experiential Learning requirement.

Prerequisites: ACC 2301.  
Prerequisites: ECO 2301, ECO 2302.  

The course includes an introductory level survey of financial management goals and decision making; risk and return analysis; portfolio diversification; market efficiency; asset valuation; cost of capital; agency theory; capital budgeting; liquidity management; and international financial management. This course has a writing component.

The course will cover the role of financial markets in the economy; the determination of interest rates; the role of financial intermediaries and financial intermediation; the role of the central bank in monetary policy; and the macroeconomics of monetary policy and interest rates. Cross-listed as ECO 3361.

This course covers the basics of purchasing and materials management. Other topics include standardization and industry standards, vendor selection and relationship including long term partnering, make-or-buy, and purchasing involvement in organizational decisions.

Course provides students with a fundamental understanding of information technology in contemporary business environments and presents core MIS principles with which every business student should be familiar. Students will also study real cases that are associated with IS applications in order to understand the issues in IS disciplines and the changing role of the IS professional.

Designed to give students a high-level strategic perspective of how digital media is used to achieve business objectives, as well as practical hands-on experience creating and managing digital marketing campaigns. All marketers are increasing their digital media spending -- creating demand for students entering the workforce with digital media skills. By the end of the course, students will be able to walk into any company with an online presence and improve their use of the internet.

The Negotiations course introduces students to the theory and practice of negotiation specific to business with a
special focus on contract negotiation. Negotiation is the art and science of securing agreement between two or more independent parties. The course focuses on understanding the behavior of individuals, groups, and organizations in the context of competitive situations. Students will develop analytical and interpersonal skills necessary for successful negotiations. Business relevant cases and situations will be used.

### BADM 4368 Entrepreneurial Finance
This course uses a combination of case discussions and lectures to study entrepreneurial finance. The focus is on the early stages company development because this course is intended for students interested in working for startups, budding entrepreneurs, and future venture capitalists. Key questions which challenge all entrepreneurs will be addressed: how much money can and should be raised; when should it be raised and from whom; what is a reasonable valuation of the company; and how should funding, employment contracts and exit decisions be structured. This course is not repeatable for additional credit.

**Prerequisites:** BADM 3354, BADM 3360 and Junior standing.

### BADM 4370 Business and Ethics 3.0
This capstone course reviews the basic knowledge for enterprise management in the context of providing for the ethical responsibilities of general managers necessary for Christian Leadership in Business. The course utilizes text readings and case studies involving team competition to integrate the functional areas of business administration into a realistic approach to solving complex problems at the executive level. This course has a writing component that utilizes Ethical Case Study Methodology in addition to weekly summary reports on text reading assignments. Finally, there is a Business Simulation requiring the participation of each individual student.

**Prerequisite:** Junior or Senior level standing and BADM 3311. Students are expected to graduate in the calendar year that this course is completed.

### BADM 4354 Social Entrepreneurship
Provides students with an introduction to the major opportunities and challenges facing social entrepreneurs and their ventures. Social entrepreneurship's rapid emergence over the past decade has coincided with the rise of information technology that has given individuals more power now than at any point in history. The social entrepreneurs question is simple: How can we use that power to make a positive, lasting contribution to society?

**Prerequisite:** BADM 3354

### BADM 4380 Business and Community 3.0
Intended for students who are excelling in academic skills and professional skills, engaged, motivated and internally driven. Approximately the top 10% of junior business students will be admitted for participation in their junior year. Admittance is granted by recommendation from the faculty and student purpose essay. The second in a two part Business Scholars Program, this course will focus on the role of ethics and social responsibility in businesses as they serve the community in which they exist. Students will learn practical lessons from speakers and in working on research for the Ethics in Business Award. Classes will

**Prerequisite:** Instructor approval required
involve a mix discussion, guest speakers and experiential learning.

**KIN 4310 Kinesiology Internship 0,3**  
Provides students with the opportunity to demonstrate and gain experience building and using diagnostic skills, organization skills, group process skills, and program skills in a community, school or university setting. May be repeated once for credit. **Fulfills Experiential Learning requirement.**  
**Prerequisite:**  
Junior or senior standing; completion of the internship application at www.concordia.edu/internships and subsequent approval of job description.

**KIN 4330 Exercise Physiology**  
This class is a study of the physiological responses of the body to exercise. Emphasis is on the application of the physiological principles deemed most important for understanding physical training. **Note: Does NOT count for core physical education requirements.**  
**Prerequisite:** BIO 3411.

### Latin

**LAT 1301 Latin I 3,0**  
This course covers the basic grammatical structure of the language. Readings include selections from the Vulgate and Medieval Church Latin.

**LAT 1302 Latin II 3,0**  
This course continues with more advanced grammatical study. Readings include selections from Ecclesiastical Latin and passages from Ovid's Metamorphoses.

**LAT 2311 Latin III 3,0**  
A continuation of the study of Latin grammar with readings from Cicero, Vergil, Ovid, and from the Vulgate.  
**Prerequisite:** Two semesters of college Latin or the equivalent.

### Leadership

**LDR 1100 Life and Leadership 1,0**  
This course is designed to assist students toward a successful adjustment to college life at Concordia University Texas. Required of all first-time freshmen, students will engage in activities that provide opportunities to learn about the many aspects of college life that will help them engage at a higher level in the areas of academics, social interactions, personal wellness, and institutional affinity. In addition, students will be introduced to the concept of Christian leadership and it application to their lives. Life and Leadership will provide interplay between academic rigor and social/structural activities that can help students in finding success at the college level and in persisting through to their sophomore year and on to graduation. **Fulfills one of the leadership requirements of the Concordia Distinctive.**  
**LDR 110T – Life and Leadership: Transfer 1,0**  
This course is designed to assist students toward a
successful adjustment to being a student at Concordia University Texas. Required of all transfer students in the traditional program at Concordia, participants will engage in activities that provide opportunities to learn about, understand, and function within the culture and climate of the institution. In addition, students will be introduced to the concepts of Christian leadership, vocation, the liberal arts, identity, and the Lutheran Learning Model. Life and Leadership will provide interplay between academic rigor and structured activities that can help students in finding success at Concordia and in persisting through to graduation. **Fulfills one of the leadership requirements of the Concordia Distinctive.**

Students will be introduced to the International Phonetic Alphabet (IPA) as a tool for translating musical texts. Learning will be guided by three types of assignments: written (IPA text translations), oral (speaking and reading musical texts) and applied (performances of selected repertoire in each of the languages being studied.)

**MUS 2214 Basic Conducting Techniques 2.0**  
Choral and instrumental conducting including laboratory and performance experiences.  
Prerequisite: MUS 2334 or Consent of instructor.

**MUS 2234 Music Technology 2.0**  
Techniques and resources for music rotation, production and synthesis. Beginning with the understanding of the applicable models, we move to an understanding of current industry-standard practices and their best fit within a musical program.  
Prerequisite: MUS 2334 or consent of the instructor.

**MUS 2250 Communication through Music and Art of World Culture 2.0**  
The class will give an introduction to world culture through the aspects of music and art. The meanings, social functions, aesthetic ideals, and behaviors associated with music and art vary greatly across the world’s cultures. This class will expose students to music and art from Africa, Asia, Europe and the Americas. The influences of art and music to a culture’s philosophies will be examined. Images, instruments, folk songs, traditional songs, painting, sculptures, icons, expression of art and popular music will be explored.

**MUS 2260 Composition Lessons**  
The study and application of the musical techniques necessary to compose music from small to larger complex forms in a variety of styles

### Nursing

#### NUR 3006 Global Health Practicum
This course is a medical mission practicum experience in which nursing students assist licensed health care professionals who provide healthcare services to underserved or vulnerable populations. The focus of this course will be the application of the knowledge and skills obtained in NUR 3303 Cultural Diversity and Global Health Missions. Students will be expected to participate as an effective member of a mission team. **Prerequisites: Satisfactory completion [C or higher] of NUR 3303 or permission of instructor.**

#### NUR 3220 Adult Health I Simulation
This course allows the application of the knowledge, principles, concepts, and attitudes necessary to perform a health assessment and provide basic care for persons experiencing low to moderate acuity health problems. The course focuses on the ability of the student to accurately and safely perform the skills in accordance with current practice. **Prerequisite: Admission to Nursing Program.**

#### NUR 3430 Foundations of Professional Nursing
Introduction to the philosophy and theory of nursing: the nursing process; critical thinking and clinical judgment; and patient assessment. Develops the foundation for providing direct patient care through skills in assessment, vital signs, activities of daily living, providing for patient safety and related technical nursing skills needed to meet **Prerequisite: Admission to the Nursing Program.**

**SPED 3304 Consultation & Collaboration for Exceptional Learners**  
3.1  
This course is designed to increase awareness of the framework and rationale for collaboration, the facilitating factors involved, and strategies for implementation. The main emphasis of the course is on understanding collaborative consultation as a process that enables people with diverse expertise to work together to generate solutions for educating students with special education needs in general education classrooms. The course will also stress the effective use of verbal, non-verbal and written language; and the understanding of culturally responsiveness that promote effective communication and collaboration with families from culturally and linguistically diverse backgrounds.  

**SPED 4405 Methods for Teaching the Exceptional Learner** 4.0  
This course is designed to address instructional strategies and issues to teach learners with behavioral and/or learning disabilities, intellectual and developmental disabilities, and the organization of special classes and curriculum adaptation. Pre-service candidates will identify sources of specialized materials, curricula, and resources for individuals with disabilities as well as basic classroom management, theories, and strategies. There will be particular emphasis of methods for culturally and linguistically diverse exceptional (CLDE) learners.  

**SPED 4406 Special Education Practicum** 4.4  
This course is a supervised practicum in special education teaching, conducted in cooperating schools and organizations serving individuals with special needs. The practicum consists of teaching, analysis, and evaluation of culturally and linguistically diverse learners. The field-based experience will include: classroom activities, classroom observations, concepts and skills associated with referral of classroom behaviors, tests, and evaluation procedures. NOTE: In order to continue to Special Education Student Teaching, students must complete this course with a C or better on the first attempt. **Fulfills**

THEA 3322 Acting: Improvisation and Scene Study

Provides the theatre student with an opportunity to develop acting skills through the disciplines of improvisation and scene study. Improvisation is employed as a means of structuring original ideas in order to create scenes, as a method of confronting and solving acting problems, as a way to inspire social change, and as a means of theatricalizing non-dramatic sources such as folktales. Through in-class discussion, a variety of acting exercises, reading, and scene work, each student will be able to:

- Achieve a sense of confidence, freedom, spontaneity, and truth in acting.
- Develop imagination and concentration.
- Be a supportive team player.

May be used to fulfill the Fine Arts core requirement.

Remember to note the Undergraduate Catalog year of your degree plan.

Catalogs specify degree requirements that govern your graduation. It is important that when you speak with your advisor to discuss your degree requirements you know your catalog year and communicate that to him/her. Failure to comply with the rules of your catalog can result in taking classes that will not count toward your degree. Students have seven (7) years to complete their degree before the degree plan expires.

University Information

General

Location

Concordia is located on a tree-shaded, 389-acre campus in the northwest corner of Austin, Texas. Located in the Texas Hill Country, Austin is an educational and cultural center, providing many opportunities for enrichment. Austin's Sun Belt location provides an average winter high temperature of 62° and an average summer high of 94°, allowing ample opportunity for recreation on the seven Highland Lakes beginning within the Austin city limits.

Concordia’s main campus site includes 250 acres of nature preserve, with wetlands, caves, dense tree cover and a habitat for the Golden-Cheeked Warbler. Concordia University Texas is one of a few universities in the U.S. to hold a Fish and Wildlife 10A permit. With this, the University will play a leadership role in urban environmental studies and offer students the rare opportunity to study environmental management and stewardship.

Concordia also has centers located in Austin, Ft. Worth/Dallas, Houston, and San Antonio.

The Concordia University System
Mission Statement

The Concordia University System builds national identity, enables cooperative endeavors, and enhances the strength of the colleges and universities of the Lutheran Church-Missouri Synod as they engage students of diverse ages and cultures in quality, Christ-centered, value-oriented, Lutheran higher education for lives of service to church and community.

Worship

Faith in Jesus Christ as Savior and Lord is the integrating factor in the curriculum at Concordia University Texas. The main campus community is invited to attend Chapel daily for worship. Students organize additional worship experiences and the chapel is open during the day for private meditation. Students are encouraged to participate actively in the worship life on campus and in one of the Austin area churches.

Athletics

Concordia is affiliated with the National Collegiate Athletic Association (NCAA) Division III and with the American Southwest Conference. Concordia currently participates in men's and women's basketball, golf, soccer, cross country, track and field; men's baseball; and women's softball and volleyball.

Wellness and Recreation

Concordia offers a wellness/intramural/recreation program administered through the office of the Intercollegiate Athletics. Sports and activities are sponsored including basketball, volleyball, sand volleyball, softball, ping-pong, badminton and others. Students may participate individually or join a team. No previous experience is required.

Legal Notices

This catalog is a general information publication only. It is not intended to nor does it contain all regulations that relate to students. All students are advised to thoroughly review the University’s Student Policies and Academic Catalog for a complete description of all rights and responsibilities under University policy, as well as state and federal law. The provisions of this catalog do not constitute a contract, expressed or implied, between any applicant, student or faculty member and Concordia.
University Texas or The Concordia University System. The University reserves the right to withdraw courses at any time and to change fees, rules, policies, calendar, curriculum, degree programs, degree requirements, graduation procedures and any other requirements affecting students. Changes may occur without notice and will be immediately effective, unless otherwise specified, and will apply to both prospective students and those already enrolled. When changes are made, updated information can be found on the Concordia website at www.concordia.edu.

Concordia University Texas reserves the right not to teach any course listed in the catalog or its published schedules if enrollment does not warrant offering it or if other circumstances dictate its withdrawal.

**Graduation Rates:** As required by the Higher Education Act, Concordia University Texas has made available to all interested parties the graduation rate for all degree-seeking, full-time students entering Concordia since 1985. The information can be obtained by calling the Registrar’s Office during business hours or by accessing Concordia’s website at http://www.concordia.edu/page.cfm?page_ID=1006.

**Non-Discrimination:** Concordia University Texas complies with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and The Age Discrimination Act of 1975. Concordia University Texas does not exclude, expel, limit, or otherwise discriminate against an individual seeking admission as a student or an individual enrolled as a student in the terms, conditions and privileges of Concordia University Texas because of disability, sex, age, race, color, religion, national or ethnic origin, or status as a veteran.

Concordia University Texas, in compliance with Section 504 of the Rehabilitation Act of 1973, does not discriminate on the basis of disabilities in admission or access to its programs. The Director of the Concordia Success Center is the Disability Coordinator. The Chief Enrollment Officer is the Section 504 compliance officer. Any person who has a question about discrimination with respect to a disabling condition should address the inquiry to the Director of the Student Success Center. Students who believe they have been discriminated against may institute an internal *Grievance Procedure for Disability Complaints* to resolve their complaints. For more information, click on the following link: http://www.concordia.edu/page.cfm?page_ID=1568.

**Harassment and Discrimination Prevention:** Concordia University Texas is committed to maintaining a learning and working environment free from harassment and discrimination. The University’s Guidelines on harassment, including definitions, complaint and reporting procedures, and prohibitions are addressed in current Student Policies and should be reviewed by all students.

**Campus Security:** As required by the Jeanne Clery Campus Security Act, Concordia University Texas maintains statistics for the previous three years regarding criminal offenses that have occurred on campus; in certain off-campus buildings or property owned or controlled by Concordia University Texas; and on public property within, or immediately adjacent to and accessible from, the campus. The *Annual Campus Security Report* includes current information about the CTXPD policies, campus crime statistics, crime prevention information, crime reporting procedures and contact information. The Report also includes information related to the CTX policies regarding sexual assault offenses, missing student notification procedures, liquor law and drug violations, hate crimes, emergency response and evacuation procedures and fire safety procedures and statistics. This information can be obtained by calling the Concordia University Texas Police Department during business hours or by accessing the following website: http://www.concordia.edu/page.cfm?page_ID=2563.
Equity in Athletics: As required by the Equity in Athletics Disclosure Act (EADA), The Report on Athletic Program Participation Rates and Financial Support Data is intended to make prospective and current students aware of Concordia University Texas’ commitment to providing equitable athletic opportunities for its men and women students. This report contains participation rates, financial support, and other information on men’s and women’s intercollegiate athletic programs. For further information, contact the Director of Athletics during business hours or access the following Web site: http://ope.ed.gov/athletics/

Student Records: Concordia University Texas abides by the policies found in the Family Education Rights and Privacy Act of 1974 (FERPA), which provides eligible students a right of access to educational records that contain information directly related to them. FERPA also restricts access to student records by third parties; disclosure of student educational records is not permitted unless the student consents to the disclosure or unless otherwise authorized by law. In particular, disclosures are permitted without consent of the student when the disclosure is to a University official who has a legitimate educational reason to receive the information and when the disclosure is in response to a subpoena, court order, or health or safety emergency. FERPA also permits the University to release certain information known as “directory information.” For more detailed information about student rights under FERPA, including the University’s definition of directory information, access the following web site: http://www.concordia.edu/page.cfm?page_ID=816.

Hazing: Concordia University Texas fully supports and abides by Texas Education Code §§ 37.156 & 51.936 which prohibit and criminalize hazing in post-secondary institutions of education. Hazing is defined as any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include students at an educational institution. A person can commit a hazing offense not only by engaging in a hazing activity, but also by soliciting, directing, encouraging, aiding or attempting to aid another in hazing; by intentionally, knowingly, or recklessly allowing hazing to occur; or by failing to report, in writing to the Director of Student Services or another appropriate official of the institution, first-hand knowledge that a hazing incident is planned or has occurred. The fact that a person consented to or acquiesced in a hazing activity is not a defense to prosecution for hazing under this law. Hazing can subject a person to criminal charges ranging from a Class B misdemeanor to State Jail Felony.

Use of Alcohol and Controlled Substances: Concordia University Texas strictly adheres to all local, state, and federal laws regarding the distribution and consumption of alcohol. The University expects its students to maintain an environment that is safe and healthy. The unlawful possession, use, or distribution of illicit drugs and alcohol by students on University property or as a part of any University activity are violations of University rules as well as the law. Possession, use, or distribution of certain non-prescription drugs, including marijuana, amphetamines, heroin, cocaine, and non-prescription synthetics; procurement or distribution of alcohol by anyone under 21 years of age; and provision of alcohol to anyone under 21 years of age are violations of the law and of University policy. All students are expected to comply with any University rules governing possession or serving alcohol. Additional information is available in the Student Policies regarding the University’s drug and alcohol policies.

**Mission Statement and Goals**
The mission of Concordia University Texas is *Developing Christian Leaders*. Concordia develops Christian leaders who are:

- Well informed in regard to natural science and quantitative representation of ideas, current technology, human culture and behavior and Christian theology;
- Skilled in critical and analytical thinking in scientific, humanistic, and theological topics;
- Skilled in modern methods of communication;
- Aware of, sensitive to, and able to respond with understanding to the aesthetic, cultural, and personal dimensions of life;
- Aware of God's gifts offered in the Christian Gospel, and aware of God's call toward the Gospel mission;
- Empowered to serve in appropriate roles that help guide the church in professional worker positions and lay leader positions, as well as guide society in improving the environment and lives of human beings.

Operated under the auspices of The Lutheran Church-Missouri Synod and under girded by a Christian theology, Concordia University Texas offers a variety of educational programs. These programs equip co-educational, traditional and non-traditional students for ministry in the church and for service in a broad range of careers in society through a variety of means of curriculum delivery. The programs also encourage students to develop caring, sharing and serving attitudes towards others.
Concordia believes that the basis for its mission is found in Scripture and the Lutheran Confessions, which teach that everyone is in need of salvation; that salvation has come through the life, death, and resurrection of Jesus Christ; and that, in response to God's love, all are motivated to service in the Christian community and the world. Because of this Scriptural emphasis, Concordia has designed its curriculum to challenge and guide students in their quest for knowledge about God and about the world, to motivate them toward self-realization, to improve their skills, and to enable them to develop a lifestyle consistent with God's will.

**Accreditation**

Concordia University Texas is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate's, Bachelor’s's, and master's degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Concordia University Texas.

Concordia’s Bachelor’s of Business Administration degree in the College of Business is accredited by the International Assembly for Collegiate Business Education.

Concordia's elementary, secondary teacher and special education programs are approved by the Texas Education Agency for pre-school through grade 12. Students successfully completing Concordia's teacher education programs are eligible for teacher certification in Texas after passing the appropriate state certification exams.

The Concordia Nursing Program is approved as a professional BSN program by the Texas Board of Nursing as well as through the Commission on Collegiate Nursing Education (CCNE).

**Memberships**

Concordia is a member of the Independent Colleges and Universities of Texas, the Association of Texas Colleges and Universities, the American Association of Colleges for Teacher Education, the Association of Independent Liberal Arts Colleges for Teacher Education, the Texas Association of Colleges for Teacher Education, the Association of Lutheran College Faculties, and the International Assembly for Collegiate Business Education.

Concordia Academy opened in 1926 to train young men for ministry in the Lutheran Church. The junior college department, added in 1951, became coeducational in 1955. Concordia received authorization to proceed with the implementation of a four-year liberal arts program in 1979 and its first B.A. students graduated in May 1982. In July 1995, Concordia moved from college status to university status. During the summer of 2007, Concordia University at Austin became Concordia University Texas. In July 2008, Concordia University Texas closed its doors for the last time at its 3400 Interstate Highway 35 North location and threw open the doors of its new campus at 11400 Concordia University Drive in northwest Austin. Building on the eighty-plus-year history of this wonderful institution, this change is the culmination of many hours of dedicated prayer, discussion, and planning, moving Concordia forward in its continuing mission of developing Christian leaders.

Currently, Concordia confers the Associate of Arts degree, the Associate of Arts in Behavioral Sciences, the Bachelor of Arts degree in the following majors: Behavioral Science, Biology, Business, Communication, Director of Christian Education, Elementary and Secondary Education, Environmental Science, English, Healthcare Administration, History, Human Resource Management, Kinesiology,
Liberal Arts, Music, and Political Science. Concordia also offers the Bachelor of Business Administration, the Bachelor of Science degree with the following majors: Biology, Computer Science, Mathematics and Environmental Science, the Bachelor of Science in Nursing, and the Bachelor of Applied Arts and Sciences with a Technical Management major. Additionally, students can incorporate a pre-professional program into their major to prepare themselves for the seminary, law school or the health professions.

Concordia University Texas offers four graduate degrees; three master-level degrees and one doctoral-level degree. The College of Education offers a Master of Education degree program with four sequences: Curriculum and Instruction, Early Childhood, Educational Administration and Advanced Literacy Studies. The College of Business offers a Master of Business Administration with a focus on leadership. The College of Science offers a Master of Science in Nursing. The College of Education offers a Doctor of Education degree.

Concordia serves its diverse student body through a variety of programs. The Adult Degree Program, which began in the spring of 1995, is specifically designed for the working adult student. The Community Learners Program provides educational opportunities for members of the local community who are not seeking academic credit. Concordia supports Veterans Administration Benefit programs including the Yellow Ribbon Program.

**Complaints**

*Concordia University Texas is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the associate’s, bachelor, master, and doctoral of education degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Concordia University Texas.*

Complaints against the institution from students, faculty, staff, or other interested parties in any of area may be submitted in writing to the Chief Academic Officer. Within thirty days, the Chief Academic Officer will review the complaint, investigate it thoroughly, explore all available avenues, and respond in writing. All procedures expressed in this paragraph and elsewhere will be followed or, in those cases where other university officials must address the complaint, the Chief Academic Officer will guide the process through the appropriate procedures. In all cases, the Chief Academic Officer will supervise the process in order to bring it to a responsible conclusion.

Concordia University Texas also offers students opportunities to express their complaints about various processes according to established procedures. The appropriate personnel at Concordia will help students through the resolution process in accord with the Christian principles that are laid out in our Mission Statement.

Complaint procedures regarding the following areas are specified in the *Student Handbook*:
- Faculty Member
- Harassment
- Security Matters
- Food Service
- Residential Life

Complaints not resolved by the procedures contained in the Student Handbook may be submitted for final resolution to the President of Concordia University Texas.
