Email: helpdesk@concordia.edu

Concordia University Texas uses Blackboard 9.1

Instructional Technology manages Concordia’s Blackboard learning management system. This system provides faculty and students with an extensive toolset to enhance teaching and learning while facilitating communication and collaboration.

Accessing Blackboard

From the Concordia website (www.concordia.edu), Blackboard can be accessed by clicking the “Blackboard” link at the top of the page. The resulting page will provide a link to the Blackboard logon page as well as

useful information about trainings, documentation, and notifications related to system availability and scheduled maintenance. The direct URL may also be used: <https://blackboard.concordia.edu>.

Logging On to Blackboard

Enter your Username (Full Concordia email address)

- Students: Username is *first.last@ctx.edu*
- Faculty/Staff: Username is *first.last@concordia.edu*

Enter your Password (Same as email/network password)

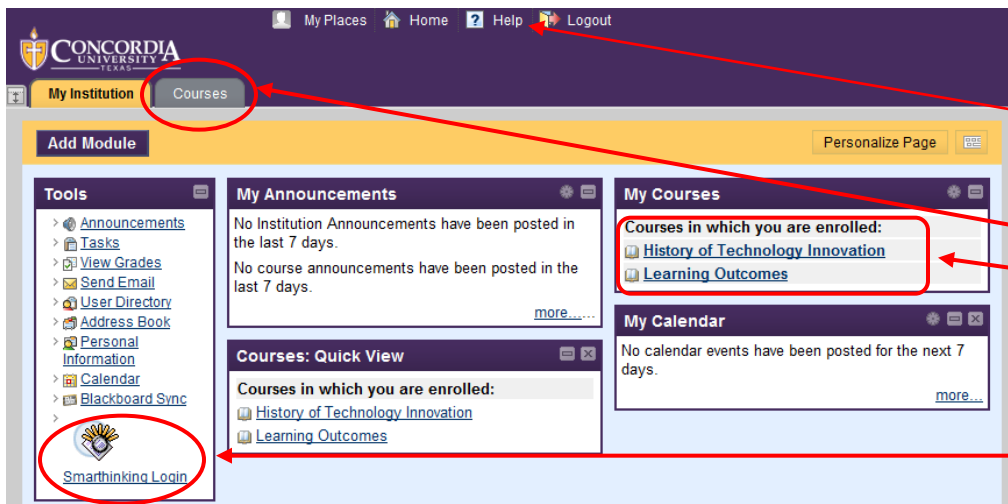

Have an account?
Please enter your credentials and click the Login button below.
